PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Radiant Logistics, Inc. (the “Company,” “we” or “us”) for use at the 2017 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Tuesday, November 14, 2017, at 9:00 a.m., local time, at 405 114th Avenue SE, Third Floor, Bellevue, Washington 98004, and at any adjournments thereof.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON November 14, 2017. THIS PROXY STATEMENT, THE ACCOMPANYING FORM OF PROXY CARD, AND OUR ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED JUNE 30, 2017, INCLUDING FINANCIAL STATEMENTS, ARE AVAILABLE AT WWW.PROXYVOTE.COM. In accordance with rules issued by the Securities and Exchange Commission (“SEC”), we are providing access to our proxy materials both by sending you this full set of proxy materials and by notifying you of the availability of our proxy materials on the Internet.

VOTING AT THE ANNUAL MEETING

Who Can Vote

Only stockholders of record of our common stock at the close of business on September 29, 2017, the record date, are entitled to notice of and to vote at the meeting, and at any postponement(s) or adjournment(s) thereof. As of the record date, 49,095,970 shares of our common stock, \$0.001 par value per share, were issued and outstanding. Holders of our common stock are entitled to one vote per share for each proposal presented at the Annual Meeting.

How to Vote; How Proxies Work

Our Board of Directors is asking for your proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy. Please complete, date and sign the enclosed proxy card and return it at your earliest convenience. The cost of soliciting proxies will be borne by the Company, including expenses in connection with the preparation and mailing of the proxy statement, form of proxy and any other material furnished to the stockholders by the Company in connection with the Annual Meeting. In addition to the solicitation of proxies by mail, employees of the Company may also solicit proxies by telephone or personal contact. These employees will not receive any special compensation in connection therewith. We have retained our transfer agent, Broadridge Financial Solutions, Inc., to assist in the mailing of the proxy statement and collection of proxies by mail from brokers and other nominees at an estimated cost of \$30,000. Our Annual Report on Form 10-K for the year ended June 30, 2017, which includes our audited consolidated financial statements, is being mailed to stockholders together with these proxy materials on or about October 12, 2017.

Any proxy not specifying to the contrary, and not designated as broker non-votes as described below, will be voted:

FOR the election of the directors; and

FOR the ratification of the selection of Peterson Sullivan LLP (“Peterson Sullivan”) as our independent auditor for the 2018 fiscal year.

Edgar Filing: RADIANT LOGISTICS, INC - Form DEF 14A

Should any matters not described above be properly presented at the Annual Meeting, the persons named in the proxy form will vote in accordance with their judgment. The proxy form authorizes these persons, in their discretion, to vote upon such matters as may properly be brought before the Annual Meeting or any adjournment(s), postponement(s), or continuation(s) thereof.

What Constitutes a Quorum

The presence at the Annual Meeting in person or by proxy of holders of a majority of our common stock outstanding and entitled to vote at the Annual Meeting will constitute a quorum.

What Vote is Required

Directors are elected by a plurality of the votes cast with a quorum present. The four persons who receive the greatest number of votes of the holders of common stock represented in person or by proxy at the Annual Meeting will be elected directors of the Company. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve the ratification of the selection of Peterson Sullivan as our independent auditor for the 2018 fiscal year.

How Abstentions and Broker Non-Votes are Treated

Abstentions will be counted as shares that are present for purposes of determining a quorum. For the election of directors, abstentions are excluded entirely from the vote and do not have any effect on the outcome. For the ratification of the selection of Peterson Sullivan as our independent auditor, abstentions are not counted in determining the votes cast.

A broker non-vote occurs when the broker holding shares in street name is unable to vote on a proposal because exchange rules prohibit a broker from voting on the matter without owner instructions. Relevant exchange rules provide that a broker holding shares for an owner in street name may not vote for a non-routine proposal or a stockholder proposal that is opposed by management, without voting instructions, whereas a broker may vote on routine matters without owner instructions. The election of directors is a non-routine item. Broker non-votes, if any, will not be counted as having been entitled to vote or as a vote cast and will have no effect on the outcome of the vote on this proposal. The ratification of the appointment of Peterson Sullivan is a routine item.

How to Revoke

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with the Secretary of the Company an instrument of revocation or a duly executed proxy bearing a later date, or by electing to vote in person at the Annual Meeting. A stockholder who attends the Annual Meeting need not revoke the proxy and vote in person unless he or she wishes to do so. The mere presence at the Annual Meeting of the person appointing a proxy does not, however, revoke the appointment. If you are a stockholder whose shares are not registered in your own name, you will need additional documentation from your record holder to vote personally at the Annual Meeting.

VOTING SECURITIES

The Company's outstanding voting securities consist of common stock. The record date for determining holders of common stock entitled to vote at the Annual Meeting is September 29, 2017. On that date, there were 49,095,970 shares of common stock outstanding, each entitled to one vote per share. The common stock does not have cumulative voting rights.

CORPORATE GOVERNANCE

Information Concerning the Board of Directors and Certain Committees

The Board of Directors currently consists of four directors, three of whom the Board of Directors has determined are independent within the meaning of Section 803 of the NYSE American Company Guide. The independent directors are Messrs. Edwards, Palmieri, and Gould. The Board of Directors held five regularly-scheduled meetings during the 2017 fiscal year, and one special meeting during the 2017 fiscal year. Each of the directors attended at least 75% of all meetings of the Board of Directors and committees on which they served during the 2017 fiscal year. The Board of Directors does not have a formal policy governing director attendance at its annual meeting of stockholders. All of our directors attended the 2016 Annual Meeting of Stockholders. We believe that all of our directors will attend the Annual Meeting.

The standing committee of the Board of Directors is the Audit and Executive Oversight Committee, which was formed in 2012. The Audit and Executive Oversight Committee fulfills the audit, compensation and nominating committee functions. Prior to the formation of the Audit and Executive Oversight Committee, we had a separately standing audit committee and the independent members of the Board fulfilled the compensation and nominating committee functions. The purpose of the Audit and Executive Oversight Committee is to oversee (i) the integrity of our financial statements and disclosures, (ii) our compliance with legal and regulatory requirements, (iii) the qualifications, independence and performance of our independent auditing firm (the “External Auditor”), (iv) the performance of our internal audit function and External Auditors, (v) our internal control systems, (vi) our procedures for monitoring compliance with our Code of Business Conduct and Ethics, (vii) our director nomination process and procedures, and (viii) the review and determination of matters of executive compensation.

Audit and Executive Oversight Committee: The Audit and Executive Oversight Committee held four formal meetings during fiscal year 2017. The members of the Audit and Executive Oversight Committee are Messrs. Edwards (Chair), Palmieri, and Gould.

The Board of Directors has determined that each member of the Audit and Executive Oversight Committee meets the independence standards set forth in Rule 10A-3 promulgated under the Exchange Act and the independence standards set forth in the NYSE American Company Guide. The Board of Directors has determined that Mr. Edwards qualifies as an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K, promulgated under the Exchange Act.

The Audit and Executive Oversight Committee operates under a written charter that is reviewed annually. The charter is available on our website at www.radiantdelivers.com. Under the charter, the Audit and Executive Oversight Committee is required to pre-approve the audit and non-audit services to be performed by our independent registered public accounting firm.

Code of Ethics: We have adopted a Code of Ethics that applies to all employees including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics is designed to deter wrongdoing and promote: (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; (ii) full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in our other public communications; (iii) compliance with applicable governmental laws, rules and regulations; (iv) the prompt internal reporting of violations of the code to an appropriate person or persons identified in the code; and (v) accountability for adherence to the code. Our Code of Ethics is available on our website at www.radiantdelivers.com, and may be obtained without charge upon written request directed to Attn: Human Resources, Radiant Logistics, Inc., 405 114th Avenue SE, Third Floor, Bellevue, Washington 98004.

Compensation Committee Function of the Audit and Executive Oversight Committee: We do not have a standing Compensation Committee. The Audit and Executive Oversight Committee fulfills the compensation committee functions. The Audit and Executive Oversight Committee reviews the compensation philosophy, strategy of the Company and consults with the Chief Executive Officer, as needed, regarding the role of our compensation strategy in achieving our objectives and performance goals and the long-term interests of our stockholders. The Audit and Executive Oversight Committee has direct responsibility for approving the compensation of our Chief Executive Officer, and makes recommendations to the Board with respect to our other executive officers. The term “executive officer” has the same meaning specified for the term “officer” in Rule 16a-1(f) under the Exchange Act.

Our Chief Executive Officer sets the compensation of anyone whose compensation is not set by the Board and reports to the Board regarding the basis for any such compensation if requested by it.

The Audit and Executive Oversight Committee may retain compensation consultants, outside counsel and other advisors as the Board deems appropriate to assist it in discharging its duties. In April 2015, the Audit and Executive Oversight Committee hired Mercer (US) Inc. to perform an executive compensation study and provide it with guidance regarding the Company’s executive compensation program. Mercer provided the Audit and Executive Oversight Committee with compensation data with respect to similarly sized logistics and freight-forwarding companies and consulted with the Audit and Executive Oversight Committee about a variety of issues related to competitive compensation practices and incentive plan design. This information helped us to evaluate and modify our equity and cash compensation awards and practices to remain consistent with industry standards and to achieve our employee retention objectives. While the study was conducted in 2015, the Audit and Executive Oversight Committee believes that it remains useful and it continues to evaluate on an annual basis current trends and relevant industry information. These trends and this information is used by the Audit and Executive Oversight Committee to determine whether to make any additional changes to the Company’s overall compensation policies.

Nominating Committee Function of the Audit and Executive Oversight Committee: We do not have a standing Nominating Committee. The Audit and Executive Oversight Committee fulfills the nominating committee functions. The Audit and Executive Oversight Committee identifies and recommends to the Board individuals qualified to be nominated for election to the Board and recommends to the Board the members and Chairperson for each Board committee.

In addition to stockholders' general nominating rights provided in our Bylaws, stockholders may recommend director candidates for consideration by the Board. The Audit and Executive Oversight Committee will consider director candidates recommended by stockholders if the recommendations are sent to the Board in accordance with the procedures for other stockholder proposals described below in this proxy statement under the heading "Stockholder Proposals." All director nominations submitted by stockholders to the Board for its consideration must include all of the required information set forth in our Bylaws, as summarized under the heading "Stockholder Proposals," and the following additional information:

- any information relevant to a determination of whether the nominee meets the criteria described below under the subheading "Director Qualifications";
- any information regarding the nominee relevant to a determination of whether the nominee would be considered independent under SEC rules or, alternatively, a statement that the nominee would not be considered independent;

a statement, signed by the nominee, verifying the accuracy of the biographical and other information about the nominee that is submitted with the recommendation and consenting to serve as a director if so elected; and if the recommending stockholder, or group of stockholders, has beneficially owned more than 5% of our voting stock for at least one year as of the date the recommendation is made, evidence of such beneficial ownership.

Director Qualifications. In selecting nominees for director, without regard to the source of the recommendation, the Audit and Executive Oversight Committee believes that each director nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board. Members of the Board should have the highest professional and personal ethics, consistent with our values and standards and Code of Ethics. At a minimum, a nominee must possess integrity, skill, leadership ability, financial sophistication, and capacity to help guide us. Nominees should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on their experiences. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to responsibly perform all director duties. In addition, the Audit and Executive Oversight Committee considers all applicable statutory and regulatory requirements and the requirements of any exchange upon which our common stock is listed or to which it may apply in the foreseeable future.

Evaluation of Director Nominees. The Audit and Executive Oversight Committee will typically employ a variety of methods for identifying and evaluating nominees for director. The Audit and Executive Oversight Committee regularly assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Audit and Executive Oversight Committee will consider various potential candidates for director. Candidates may come to the attention of the Audit and Executive Oversight Committee through current directors, stockholders, or other companies or persons. The Audit and Executive Oversight Committee does not evaluate director candidates recommended by stockholders differently than director candidates recommended by other sources. Director candidates may be evaluated at regular or special meetings of the Audit and Executive Oversight Committee, and may be considered at any point during the year.

We do not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Audit and Executive Oversight Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee our businesses. In evaluating director nominations, the Audit and Executive Oversight Committee seeks to achieve a balance of knowledge, experience, and capability on the Board. In connection with this evaluation, the Audit and Executive Oversight Committee will make a determination of whether to interview a prospective nominee based upon the Board's level of interest. If warranted, one or more members of the Audit and Executive Oversight Committee, and others as appropriate, will interview prospective nominees in person or by telephone. After completing this evaluation and any appropriate interviews, the Audit and Executive Oversight Committee will recommend the director nominees after consideration of all its directors' input. The director nominees are then selected by a majority of the independent directors on the Board, meeting in executive session and considering the Audit and Executive Oversight Committee's recommendations.

Board of Directors Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having our Chief Executive Officer serve as Chairman is in the best interest of our stockholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of the Company and its industry, as well as fostering greater communication between our management and the Board.

Risk Management

Companies face a variety of risks, including credit risk, liquidity risk, and operational risk. The Board believes an effective risk management system will (i) timely identify the material risks that we face, (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board Committee, (iii) implement appropriate and responsive risk management strategies consistent with our risk profile, and (iv) integrate risk management into our decision making.

The Board has designated the Audit and Executive Oversight Committee to take the lead in overseeing risk management. The Audit and Executive Oversight Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the Audit and Executive Oversight Committee's own analysis and conclusions regarding the adequacy of our risk management processes.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works, with the input of our executive officers, to assess and analyze the most likely areas of future risk for us.

Certain Relationships and Transactions with Related Persons

Review, Approval or Ratification of Transactions with Related Persons

The Audit and Executive Oversight Committee is responsible for reviewing and approving all related party transactions. Before approving such a transaction, the Audit and Executive Oversight Committee takes into account all relevant factors that it deems appropriate, including whether the related party transaction is on terms no less favorable to us than terms generally available from an unaffiliated third party. Any request for us to enter into a transaction with an executive officer, director, principal stockholder or any of such persons' immediate family members or affiliates must first be presented to the Audit and Executive Oversight Committee for review, consideration and approval. All of our directors, executive officers and employees are required to report the Audit and Executive Oversight Committee any such related party transaction. In approving or rejecting the proposed transaction, the Audit and Executive Oversight Committee considers the facts and circumstances available and deemed relevant to the Audit and Executive Oversight Committee, including, but not limited to the risks, costs and benefits to us, the terms of the transaction, the availability of other sources for comparable services or products and, if applicable, the impact on a director's independence. Our Audit and Executive Oversight Committee approves only those agreements that, in light of known circumstances, are in, or are not inconsistent with, our best interests, as our Board determines in its good faith discretion. Although the policies and procedures described above are not written, the Audit and Executive Oversight Committee applies the foregoing criteria in evaluating and approving all such transactions. The transactions described below were approved by our Board of Directors in accordance with the foregoing.

Minority Business Enterprise Jointly-Owned and Operated with Chief Executive Officer

On June 28, 2006, we joined with Radiant Capital Partners, LLC ("RCP"), an affiliate of Mr. Crain, our Chief Executive Officer, to form Radiant Logistics Partners, LLC ("RLP"). RLP commenced operations in 2007 as a minority-owned business enterprise for the purpose of enabling us to expand the scope of our service offerings to include participation in certain supplier diversity programs that would have otherwise not been available to us. RLP is owned 60% by Mr. Crain and 40% by us.

In the course of evaluating and approving the ownership structure, operations and economics emanating from RLP, a committee consisting of the independent Board member of the Company, considered, among other factors, the significant benefits provided to us through association with a minority business enterprise, particularly as many of our largest current and potential customers have a need for diversity offerings. In addition, the committee concluded the economic relationship with RLP was on terms no less favorable to us than terms generally available from unaffiliated third parties.

For the fiscal year ended June 30, 2017, RLP recorded \$113,737 in commission revenues earned from members of the affiliated group, and reported a profit of \$95,369. For the fiscal year ended June 30, 2016, RLP recorded \$131,181 in commission revenues earned from members of the affiliated group, and reported a profit of \$109,625.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2017, Messrs. Edwards (Chair), Palmieri and Gould served on the Audit and Executive Oversight Committee. During fiscal year 2017, no member of the Audit and Executive Oversight Committee was an officer or employee of ours, a former officer of ours or of our subsidiaries or had any relationships requiring disclosure by us under Item 407(e) of Regulation S-K. None of our executive officers served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of our Board or Audit and Executive Oversight Committee during fiscal year 2017.

COMPENSATION DISCUSSION & ANALYSIS

Executive Summary

Over the past several years, we have worked hard to grow our business and create long-term stockholder value. Key highlights in 2017 included:

- The completion of several acquisitions, including the acquisition of Lomas Logistics, a division of L.V. Lomas Limited; and
- Obtaining a new \$75 million senior credit facility that increases the maximum borrowing and provides us with lower interest costs, and less restrictive financial and operational covenants than our previous credit facility.

The linkage between pay and performance is the cornerstone of our executive compensation philosophy and strategy, and serves to validate the core design of our executive compensation, which consisted of the following primary elements in fiscal year 2017:

- Market competitive base salaries;
- Cash bonuses payable under our Management Incentive Compensation Plan; and
- Long-term incentive opportunities consisting of time-based restricted stock units.

We believe our fiscal year 2017 executive compensation program strongly linked performance and executive pay and aligned the interests of our named executive officers (“NEOs”), with the interests of our stockholders. The Audit & Executive Oversight Committee will continue to monitor market practices and engage with our stockholders and other stakeholders to ensure that our executive compensation program continues to be competitively positioned and appropriately structured to align pay and performance.

Named Executive Officers

The table below lists our NEOs for fiscal year 2017, their titles during the fiscal year, and the period during which they held those titles.

Name	Title	Period
Bohn H. Crain	Chief Executive Officer	Since October 2005
Todd E. Macomber	Senior Vice President, Chief Financial Officer and Treasurer	Since March 2011
Tim Boyce	Chief Operating Officer of Rail and Truck Brokerage Operations	Since April 2015
Arnold Goldstein	Chief Commercial Officer	Since July 2016
Joseph Bento	Chief Operating Officer of Radiant Global Logistics, Inc.	Since July 2016

The Role of Say-On-Pay Votes

As selected by our stockholders at the 2013 Annual Meeting of Stockholders and approved by our Board, an advisory vote to approve the compensation of our NEOs (say-on-pay proposal) is held every three years, subject to the advisory vote to recommend the frequency of such vote that will take place in the future. Our next scheduled say-on-pay proposal is for the Annual Meeting of Stockholders to be held in 2019. At our 2016 Annual Meeting of Stockholders, approximately 95% of the votes cast on the say-on-pay proposal were voted in favor of the proposal. The Audit and Executive Oversight Committee believes the beneficiaries of our executives’ efforts should have a say in how those executives are compensated, and will continue to consider the outcome of votes on say-on-pay proposals when making future compensation decisions for our NEOs.

Compensation Philosophy and Objectives; Components of Executive Compensation

Our Audit and Executive Oversight Committee establishes our compensation philosophy and oversees our executive compensation program. Our Board approves our CEO's compensation.

Our fundamental goal is to create sustainable long-term value for our stockholders. To help achieve this goal, the primary objectives of our compensation program are to:

- attract, retain and motivate a committed, high-performing management team;
- align the interests of our executives with the long-term interests of our stockholders by tying a portion of NEO compensation to equity-based awards; and
- drive the short-term performance required to create sustainable long-term value by providing incentives tied to superior performance.

Determining Executive Compensation

The Audit and Executive Oversight Committee has primary responsibility for determining the compensation package for our NEOs. In making its determinations, the Audit and Executive Oversight Committee considers a variety of factors, including the Company's operating performance and financial strength, the needs of the business to attract, motivate, and retain experienced executives, the unique skills and abilities of individual executives, competitive market data and advice provided by the Audit and Executive Oversight Committee's independent consultant, and additional information and recommendations made by our CEO and other members of our executive leadership. Our CEO does not make recommendations with respect to his own compensation or participate in the deliberations regarding the setting of his own compensation.

The Role of Benchmarking

The Audit and Executive Oversight Committee has not historically placed much emphasis on benchmarking of executive compensation. However, the Audit and Executive Oversight Committee has reviewed competitive market pay information from Mercer, its independent consultants. While benchmarking plays a limited role in determining the compensation of our NEOs, when evaluating our executive compensation program, the Audit and Executive Oversight Committee considers a variety of other factors in addition to external market data, such as Company and individual performance, and each NEO's qualifications, skill sets, and past and expected future contributions towards our success.

The Role of Consultants

The Audit and Executive Oversight Committee has the exclusive authority to engage an independent compensation consultant and to direct the work of any such consultant selected. We did not engage any compensation consultants during fiscal year 2017.

Description of Compensation Components

Base Salary

Base salary for our NEOs considers their experience, level of responsibility, peer group comparisons and internal pay equity considerations among executive officers.

Management Incentive Compensation Plan

We have adopted a Management Incentive Compensation Plan (the "MICP"), which is intended to provide for a pay system that supports our business strategy and emphasizes pay-for-performance by tying reward opportunities to carefully determined and articulated performance goals at corporate, operating unit, business unit and/or individual levels.

Under the MICP, quarterly bonuses are paid to certain senior employees based upon a "target bonus" (which is expressed as a percentage of compensation ranging from 35% to 50% of base salary on an annualized basis for our NEOs). The target bonus is adjusted up or down by formula to take into account our financial performance in a manner consistent with the performance compensation requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). However, the actual payment of bonuses under the MICP is subject to the discretion of our Audit and Executive Oversight Committee with respect to payments made to Mr. Crain and to the discretion of Mr. Crain with respect to payments made to other participants. Benefits payable under the MICP in the form of restricted stock units will be paid under, and pursuant to the terms of, our 2012 Stock Option and Performance Award Plan.

2012 Stock Option and Performance Award Plan ("2012 Plan")

Our 2012 Plan uses equity incentive awards to motivate greater longer term performance and to provide retention incentives for our key employees. Equity incentive awards also serve to align executive and stockholder interests and create retention incentives for key employees.

Over the past several years, we have granted both time-based restricted stock and time-based restricted stock units. The restricted shares vest in equal annual installments over five years. The restricted stock units vest in their entirety after approximately three years.

Benefit Plans

All NEOs are eligible to participate in our health and welfare plans, including those providing medical, pharmacy, dental, vision, life insurance and accidental death and dismemberment benefits, on the same basis as our other non-union employees. Our NEOs pay the same price for their elected benefits as other employees.

Our NEOs may participate in our defined contribution 401(k) plan, a tax-qualified retirement savings plan. The Code limits the contributions NEOs can make to the 401(k) plan. During the year ended June 30, 2017, we made nondiscretionary matching cash contributions equal to 100% of the participant contributions that do not exceed 1% of their compensation, plus 50% of participant contributions between 1% and 6% of their compensation, up to a maximum employer contribution of 3.5% of a participant's eligible salary or wages. We also maintain a registered retirement savings plan ("RRSP") for certain of our Canadian employees, which is similar to a 401(k) plan. Under the RRSP, we made nondiscretionary matching cash contributions equal to 100% of the participant contributions that do not exceed 2% of their compensation, or CAD\$1,000 per month for certain executives.

Compensation Decisions for 2017

In establishing the 2017 executive compensation program, the Audit and Executive Committee continued the same compensation parameters that have been used previously. The base salary has remained constant for most of our NEOs, and we have paid additional bonus amounts through our MICP. We have also granted restricted stock units in fiscal year 2017 that are designed to reward executive performance in promoting retention, implementing longer-term strategies and achieving operational goals.

Going forward, we expect our compensation components to include (i) base salary, (ii) annual cash incentive compensation as short-term incentive compensation and (iii) equity-based compensation as long-term incentive compensation, which we expect will be time-based restricted stock units granted under our 2012 Plan.

The Audit and Executive Oversight Committee believes that (1) the 2017 NEO compensation structure is market competitive, (2) the pay mix emphasizes variable compensation over fixed compensation, and (3) the program will allow the Company to continue attracting and retaining management talent.

Limitations on Deductibility of Executive Compensation

Section 162(m) of the Code limits the Company's ability to deduct certain compensation in excess of \$1 million paid to our CEO and to certain of our other NEOs. This limitation does not apply to compensation that qualifies under applicable regulations as "performance-based." The Audit and Executive Oversight Committee considers Section 162(m) when making compensation decisions, but reserves its discretion to award compensation that is not deductible when necessary to achieve other compensation objectives.

Restrictions on Pledging Common Stock Awards and Trading Practices

Our Insider Trading Policy prohibits our directors and officers from placing their common stock in a margin account with a broker or pledging their common stock as collateral to secure a debt. The policy also prohibits certain trading practices involving our common stock, such as short-sales or hedging against market risk. Based upon information submitted by our directors and executive officers, we do not believe any common stock held by them has been placed in a margin account or pledged as security for a loan.

Compensation Risk Assessment

Our Audit and Executive Oversight Committee has reviewed our compensation policies and practices, including incentive programs, to ensure they do not encourage unreasonable or excessive risk-taking. Based upon this review, we believe our compensation policies and practices are not reasonably likely to expose us to unreasonable or excessive risk that could have a material adverse effect on us. We believe our practice of providing a significant portion of compensation in the form of long-term equity compensation and using multiple performance measures in our incentive plans serve to balance risk and reward. We also maintain a prohibition on hedging and an incentive compensation recovery policy to mitigate undue risk associated with compensation.

AUDIT AND EXECUTIVE OVERSIGHT COMMITTEE REPORT

The Audit and Executive Oversight Committee has reviewed and discussed with management the Compensation Discussion and Analysis contained in this proxy statement and, based upon such review and discussion, the Audit and Executive Oversight Committee recommended to our Board that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in our Annual Report on Form 10-K for the year ended June 30, 2017.

We have adopted the MICP, which is intended to provide for a pay system that supports our business strategy and emphasizes pay-for-performance by tying reward opportunities to carefully determined and articulated performance goals at corporate, operating unit, business unit and/or individual levels. Employment Contracts of NEOs

Bohn H. Crain

On January 13, 2006, we entered into an employment agreement (the “Crain Employment Agreement”) with Bohn H. Crain to serve as our Chief Executive Officer. On June 11, 2011, we and Mr. Crain entered into a Letter Agreement for the purpose of amending the Crain Employment Agreement to (1) extend Mr. Crain’s Employment Agreement through December 31, 2016, (2) increase the renewal periods of the Crain Employment Agreement from one to three years, and (3) increase Mr. Crain’s base salary.

The Crain Employment Agreement (as amended) provides for an annual base salary of \$325,000, a performance bonus of up to 50% of the base salary based upon the achievement of certain target objectives, and a discretionary merit bonus that can be awarded at the discretion of our Board of Directors. We may terminate the Crain Employment Agreement at any time for cause. If we terminate the Crain Employment Agreement due to Mr. Crain's disability, Mr. Crain's unvested options shall immediately vest and we must continue to pay to Mr. Crain, for an additional one year period, his base salary and pro-rated bonuses as well as fringe benefits, including participation in pension, profit sharing and bonus plans as applicable, and life insurance, hospitalization, major medical, paid vacation and expense reimbursement. If Mr. Crain terminates the Crain Employment Agreement for good reason or we terminate for any reason other than for cause, Mr. Crain's unvested options shall immediately vest and we must continue to pay Mr. Crain for the remaining term of the Crain Employment Agreement his base salary and the greater of the most recent bonus or target bonus as well as fringe benefits. The Crain Employment Agreement contains standard and customary non-solicitation, non-competition, work made for hire, and confidentiality provisions.

Pursuant to our MICP, Mr. Crain will be evaluated with a target bonus, based upon achievement of corporate and individual objectives, of 50% of base compensation.

The Crain Employment Agreement also contains a change in control provision. If Mr. Crain's employment is terminated following a change in control (other than for cause or by Mr. Crain without good reason), then we must pay him (i) a termination payment equal to 2.99 times his base salary in effect on the date of termination of his employment, (ii) any bonus to which he would have been entitled for a period of three years following the date of termination, (iii) any unpaid expenses and benefits, and (iv) for a period of three years provide him with all fringe benefits he was receiving on the date of termination of his employment or the economic equivalent of such benefits. In addition, all of his unvested stock options shall immediately vest as of the termination date of his employment due to a change in control. In the event compensation payable to Mr. Crain upon our change in control causes him to be subject to an excise tax under section 4999 of the Code, he will receive a "gross up" payment in an amount such that after the payment by Mr. Crain of all taxes imposed upon the gross up payment, Mr. Crain will retain an amount of the gross up payment equal to such excise tax. A change in control is generally defined as the occurrence of any one of the following:

- any "Person" (as the term "Person" is used in Section 13(d) and Section 14(d) of the Securities Exchange Act of 1934), except for our chief executive officer, becoming the beneficial owner, directly or indirectly, of our securities representing 50% or more of the combined voting power of our then outstanding securities;
- a contested proxy solicitation of our stockholders that results in the contesting party obtaining the ability to vote securities representing 50% or more of the combined voting power of our then-outstanding securities;
- a sale, exchange, transfer or other disposition of 50% or more in value of our assets to another Person or entity, except to an entity controlled directly or indirectly by us;
- a merger, consolidation or other reorganization involving us in which we are not the surviving entity and in which our stockholders prior to the transaction continue to own less than 50% of the outstanding securities of the acquirer immediately following the transaction, or a plan is adopted involving our liquidation or dissolution other than pursuant to bankruptcy or insolvency laws; or
- during any period of twelve consecutive months, individuals who at the beginning of such period constituted the Board cease for any reason to constitute at least the majority thereof unless the election, or the nomination for election by our stockholders, of each new director was approved by a vote of at least a majority of the directors then still in office who were directors at the beginning of the period.

Notwithstanding the foregoing, a "change in control" is not deemed to have occurred (i) in the event of a sale, exchange, transfer or other disposition of substantially all of our assets to, or a merger, consolidation or other reorganization involving, us and any entity in which our chief executive officer has, directly or indirectly, at least a 25% equity or ownership interest, or (ii) in a transaction otherwise commonly referred to as a "management leveraged buy-out."

Todd E. Macomber

In May 2012, we entered into a new employment agreement with Todd E. Macomber, our Chief Financial Officer, and adopted a new Management Incentive Compensation Plan. Pursuant to his employment agreement, Mr. Macomber is entitled to annual base compensation of \$200,000, subject to annual review. The employment agreement also confirmed, but made no modifications or additions to, the existing stock option agreements between the Company and Mr. Macomber at the time the employment agreement was entered into.

Pursuant to our MICP, Mr. Macomber will be evaluated with a target bonus, based upon achievement of corporate and individual objectives, of 35% of base compensation.

Mr. Macomber is entitled to six months of severance in the form of salary continuation payments in the event his employment is terminated as a result of death, disability, or by us other than for cause; or twelve months of severance if, within nine months following a “Change of Control”, he voluntarily terminates his employment for “Good Reason” or his employment is terminated by us other than for cause. For the purposes of the employment agreements, a “Change of Control” shall be deemed to occur if there occurs a sale, exchange, transfer or other disposition of substantially all of our assets to another entity, except to an entity controlled directly or indirectly by us, or a merger, consolidation or other reorganization of the Company in which we are not the surviving entity, or a plan of liquidation or dissolution of the Company other than pursuant to bankruptcy or insolvency laws. For the further purpose of the employment agreements, “Good Reason” shall be deemed to occur upon either: (i) a breach of the agreement by us; or (ii), a reduction in salary without Mr. Macomber’s consent, unless any such reduction is otherwise part of an overall reduction in executive compensation experienced on a pro rata basis by other similarly situated employees.

Tim Boyce

On February 1, 2012, Wheels Group Inc., which we acquired in 2015, entered into an employment agreement with Tim Boyce, our Senior Vice President and Chief Operating Officer of Rail and Truck Brokerage Operations. Under his employment agreement, Mr. Boyce is entitled to receive annual base compensation in the amount of CAD\$200,000 subject to annual review, which has subsequently been increased to USD\$275,000. Mr. Boyce is eligible to receive an annual incentive bonus of up to 50% of his base salary. Mr. Boyce has also received an option to purchase 200,000 shares of our common stock. Mr. Boyce also receives USD\$1,000 per month in vehicle allowance payments in addition to other fringe benefits.

Mr. Boyce may resign his employment upon 3 months’ notice, which we may waive in whole or in part by providing Mr. Boyce with pay in lieu of notice up to the effective date of the resignation. Upon resignation, Mr. Boyce shall have no entitlement to further compensation or benefits, and all options which have not vested as of the effective date of resignation shall be immediately cancelled.

We may additionally terminate Mr. Boyce’s employment at any time for “Just Cause” without notice or compensation. For the purposes of Mr. Boyce’s employment agreement, Just Cause includes: (i) the neglect or willful failure by Mr. Boyce to substantially perform his duties (except by reason of any bona fide disability); (ii) Mr. Boyce’s misconduct involving the property, business or affairs of the Company, or any of its subsidiaries or affiliates; (iii) any act of theft, fraud or dishonesty by Mr. Boyce; (iv) any material conflict of interest involving Mr. Boyce; (v) Mr. Boyce’s material breach of the employment agreement; (vi) any material failure by Mr. Boyce to comply with the policies, rules and regulations of the Company; or (vii) any other conduct that is determined by a court of competent jurisdiction to constitute just cause for the termination of Mr. Boyce’s employment.

In the event that Mr. Boyce’s employment ceases due to death or disability, Mr. Boyce’s payments and benefits cease. Any vested options shall remain available to be exercised subsequent to the cessation of his employment in accordance with the terms of the 2012 Plan. In the event that Mr. Boyce’s employment ceases by reason of disability, Mr. Boyce will be eligible to receive only his entitlements to notice of termination, termination pay and severance pay.

We may immediately terminate Mr. Boyce's employment at any time without Just Cause by providing Mr. Boyce with written notice of termination, following which, we shall only pay or provide to Mr. Boyce:

- (i) a lump sum payment equal to 12 months of Mr. Boyce's base salary and vehicle allowance;
- (ii) group benefits coverage for a period of 12 months from the effective date that Mr. Boyce's employment is terminated (the "Severance Period") or, in the alternative, a lump sum payment equal to the cost of the benefit premiums (calculated as of the date that is immediately prior to the effective date that Mr. Boyce's employment is terminated) we would have paid to provide the benefit to Mr. Boyce during the Severance Period, less applicable statutory deductions;
- (iii) continued RRSP contributions throughout the Severance Period;
- (iv) a further lump sum payment that is equal to the average annual incentive bonus earned by Mr. Boyce over the period of two years immediately prior to the effective date that Mr. Boyce's employment is terminated; and
- (v) the continued vesting of options to purchase common shares of the Company throughout the Severance Period.

Any options that have vested on or prior to the effective date of the termination of Mr. Boyce's employment without Just Cause or that will vest at any time during the Severance Period shall remain available to be exercised subsequent to the termination of his employment in accordance with the terms of the 2012 Plan.

Under his employment agreement, Mr. Goldstein is entitled to receive annual base compensation in the amount of \$200,000 subject to annual review. Mr. Goldstein is also entitled to participate in the Company's stock option program and annual incentive compensation program, pursuant to which he may earn a discretionary bonus with an initial target of 35% of his annual base salary. Additionally Mr. Goldstein was granted non-qualified stock options to purchase up to 250,000 shares of the Company's common stock. Mr. Goldstein also receives \$1,000 per month in vehicle allowance payments in addition to other fringe benefits.

Mr. Goldstein is entitled to receive six months of severance payments in the form of salary continuation at his base salary, plus continuation of the medical benefits and car allowance if he is terminated as a result of his death, an illness or disability, or by the Company for no cause. However, within nine months following a change of control, if Mr. Goldstein is terminated for no cause by the Company or by Mr. Goldstein for Good Reason, then he is entitled to severance payments of 12 months, and all of his stock options and awards become accelerated.

Joseph Bento

Effective January 1, 2016, we entered into an employment agreement with Joseph Bento, Radiant Global Logistics, Inc.'s Senior Vice-President Sales. Under his employment agreement, Mr. Bento is entitled to receive annual base compensation in the amount of \$200,000 subject to annual review. Mr. Bento is also entitled to participate in the Company's stock option program and annual incentive compensation program pursuant to which he may earn a discretionary bonus with an initial target of 35% of his annual base compensation. Additionally Mr. Bento was granted non-qualified stock options to purchase up to 250,000 shares of the Company's common stock. Mr. Bento also received an interest-free loan from the Company in the amount of \$100,000 to relocate, which is forgiven by the Company in equal thirds on each of the first three anniversaries of Mr. Bento's employment. Before making its determination on appointment, the Audit and Executive Oversight Committee carefully considered the qualifications and competence of candidates for the independent registered public accounting firm. For Peterson Sullivan, this has included a review of its performance in prior years, its independence and processes for maintaining independence, the key members of the audit engagement team, the firm's approach to resolving significant accounting and auditing matters, as well as its reputation for integrity and competence in the fields of accounting and auditing.

Representatives of Peterson Sullivan will attend the Annual Meeting and may make a statement if they wish. They will be available to answer appropriate questions at the Annual Meeting. To pass, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting.

The Board of Directors recommends a vote FOR the proposal to ratify the selection of Peterson Sullivan as our independent auditor for the fiscal year ending June 30, 2018.

Audit and Executive Oversight Committee Pre-Approval Policies and Procedures

Exchange Act rules generally require any engagement by a public company of an accountant to provide audit or non-audit services to be pre-approved by the audit committee of that company. This pre-approval requirement is waived with respect to the provision of services other than audit, review or attest services if certain conditions as set forth in Rule 2-01(c)(7)(i)(C) under the Exchange Act are met. All of the audit-related and tax services described above were pre-approved by our Audit and Executive Oversight Committee and, therefore, were not provided pursuant to a waiver of the pre-approval requirements set forth in such rule.

Based solely on our review of copies of the reports received, or representations of such reporting persons, we believe that during fiscal year 2017 no officers, directors or principal stockholders failed to file reports of ownership and changes of ownership on a timely basis.
