CONTINUING CONNECTED TRANSACTIONS — REVISION OF EXISTING INTERNAL DEPOSIT SERVICES ANNUAL CAPS OF CENTRALISED FUND MANAGEMENT AGREEMENTS

OF SMSC AND SMNC

The Company announces that on 19 March 2019, the Company and its subsidiaries, SMIC Beijing and SMSC, entered into the SMSC Amendment Agreement to revise the Existing SMSC Internal Deposit Services Annual Caps as set out in the SMSC Centralised Fund Management Agreement for the years ending 31 December 2019 and 31 December 2020, respectively.

The Company further announces that on 14 February 2019, the Directors (including the independent non-executive Directors) approved the revision of the Existing SMNC Internal Deposit Services Annual Caps as set out in the SMNC Centralised Fund Management Agreement for the years ending 31 December 2019, 31 December 2020

and 31 December 2021, respectively.

In view of the increasing balance of cash and cash equivalent of each of SMSC and SMNC, being the service recipients of the internal deposit services provided by SMIC Beijing, the Company expects that the Existing SMSC Internal Deposit Services Annual Caps and the Existing SMNC Internal Deposit Services Annual Caps will not be sufficient to meet the increasing need for internal deposit services of each of SMSC and SMNC. The Company has therefore proposed to revise the Existing SMSC Internal Deposit Services Annual Cap and the Existing SMNC Internal Deposit Services Annual Caps with the Revised SMSC Internal Deposit Services Annual Caps and the Revised SMNC Internal Deposit Services Annual Caps.

The SMSC Internal Deposit Services and SMNC Internal Deposit Services which are provided by SMIC Beijing to SMSC and SMNC respectively pursuant to the Centralised Fund Management Agreements constitute continuing connected transactions by way of financial assistance received by SMIC Beijing from a connected person. Pursuant to Rule 14A.90 of the Listing Rules, as the SMSC Internal Deposit Services and SMNC Internal Deposit Services are conducted on normal commercial terms and are not secured by the assets of the Group, the provision of such services is fully exempt from the reporting, announcement and/or the Independent Shareholders' approval requirements under the Listing Rules.

CENTRALISED FUND MANAGEMENT AGREEMENT WITH SMSC

Background

Reference is made to the announcement of the Company dated 13 July 2018 (as supplemented on 19 September 2018) and the circular of the Company dated 22 October 2018 in respect of the SMSC Continuing Connected Transactions contemplated under the SMSC Centralised Fund Management Agreement.

On 19 March 2019, the Company and its subsidiaries, SMIC Beijing and SMSC, entered into the SMSC Amendment Agreement to revise the Existing SMSC Internal Deposit Services Annual Caps.

Amendment Agreement Date

19 March 2019

Parties

- (i) The Company;
- (ii) SMIC Beijing, a wholly-owned subsidiary of the Company; and
- (iii) SMSC, a subsidiary of the Company.

Subject Matter

Pursuant to the SMSC Amendment Agreement, the parties have agreed to revise the Existing SMSC Internal Deposit Services Annual Caps as set out in the SMSC Centralised Fund Management Agreement such that the maximum annual transaction value for the internal deposit services provided by SMIC Beijing to SMSC contemplated under the SMSC Centralised Fund Management Agreement shall be adjusted from

4

US\$2,000 million (or its equivalent in other currencies) for the years ending 31 December 2019 and 2020, respectively, to US\$3,500 million (or its equivalent in other currencies) for the years ending 31 December 2019 and 2020, respectively.

Save for the revision set out above, all other terms of the SMSC Centralised Fund Management Agreement remain unchanged and the SMSC Centralised Fund Management Agreement remains valid and enforceable.

Reasons for and benefits of the Revised SMSC Internal Deposit Services Annual Caps

In compliance with the Listing Rules, the Company has been monitoring the SMSC Continuing Connected Transactions. In view of the increasing balance of cash and cash equivalent of SMSC, being the service recipient of the internal deposit services provided by SMIC Beijing, the Company expects that the Existing SMSC Internal Deposit Services Annual Caps will not be sufficient to meet the increasing need for internal deposit services of SMSC. The Company has therefore proposed to revise the Existing SMSC Internal Deposit Services Annual Cap with the Revised SMSC Internal Deposit Services Annual Caps.

The Revised SMSC Internal Deposit Services Annual Caps have been determined by the Company on the same basis as that in respect of the Existing SMSC Internal Deposit Services Annual Caps as set out in the circular of the Company dated 22 October 2018.

As at the date of this announcement, the Company confirms that the existing annual caps for the SMSC Continuing Connected Transactions are not exceeded.

CENTRALISED FUND MANAGEMENT AGREEMENT WITH SMNC

Subject Matter

The Company announces that on 14 February 2019, the Directors (including the independent non-executive Directors) have approved the revision of the Existing SMNC Internal Deposit Services Annual Caps such that the maximum annual transaction value for the internal deposit services provided by SMIC Beijing to SMNC contemplated under the SMNC Centralised Fund Management Agreement shall be adjusted from US\$2,000 million (or its equivalent in other currencies) for the years ending 31 December 2019, 2020 and 2021, respectively, to US\$3,500 million (or its equivalent in other currencies) for the years ending 31 December 2019, 2020 and 2021, respectively.

5

Save for the revision set out above, all other terms of the SMNC Centralised Fund Management Agreement remain unchanged and the SMNC Centralised Fund Management Agreement remains valid and enforceable.

In compliance with the Listing Rules, the Company has been monitoring the SMNC Continuing Connected Transactions. In view of the increasing balance of cash and cash equivalent of SMNC, being the service recipient of the internal deposit services provided by SMIC Beijing, the Company expects that the Existing SMNC Internal Deposit Services Annual Caps will not be sufficient to meet the increasing need for internal deposit services of SMNC. The Company has therefore proposed to revise the Existing SMNC Internal Deposit Services Annual Cap with the Revised SMNC Internal Deposit Services Annual Caps.

The Revised SMNC Internal Deposit Services Annual Caps have been determined by the Company on the same basis as that in respect of the Existing SMNC Internal Deposit Services Annual Caps as set out in the circular of the Company dated 21 December 2018.
