Amended and Restated 2013 Performance Incentive Plan

The Board of Directors (the “Board”) of Norwegian Cruise Line Holdings Ltd. (the “Company”) previously adopted an amendment and restatement of the Norwegian Cruise Line Holdings Ltd. 2013 Performance Incentive Plan (the “2013 Plan” and as amended and restated, the “Restated 2013 Plan”), subject to approval by the Company’s shareholders on May 19, 2016. Among other things, the Restated 2013 Plan reflects amendments to:

increase the number of the Company’s ordinary shares that may be delivered pursuant to all awards granted under the i. Restated 2013 Plan by an additional 12,430,000 shares, from 15,035,106 shares to a new maximum aggregate limit of 27,465,106 shares;

ii. provide us with the authority to grant certain qualified performance-based awards designed to satisfy the requirements for deductibility of compensation under Section 162(m) of the U.S. Internal Revenue Code through the Company’s 2021 annual general meeting of shareholders; and

iii. extend the expiration date of the Restated 2013 Plan to March 30, 2026.

According to the results from the Company’s annual general meeting of shareholders held on May 19, 2016, the Company’s shareholders have approved the Restated 2013 Plan.

The Board or one or more committees appointed by the Board administers the Restated 2013 Plan. The Board has delegated general administrative authority for the Restated 2013 Plan to the Compensation Committee of the Board. The administrator of the Restated 2013 Plan has broad authority under the plan to, among other things, select eligible participants and determine the type(s) of award(s) that they are to receive, determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award.

Persons eligible to receive awards under the Restated 2013 Plan include officers or employees of the Company or any of its subsidiaries, members of the Board, and certain consultants and advisors to the Company or any of its subsidiaries. The types of awards that may be granted under the Restated 2013 Plan include, without limitation, options, share appreciation rights, share bonuses, restricted shares, performance shares, share units, phantom shares, dividend equivalents and other forms of awards, which are granted or denominated in the Company's ordinary shares, as well as cash bonus awards.

The maximum number of the Company's ordinary shares that may be delivered pursuant to awards granted under the Restated 2013 Plan is equal to 27,465,106. Ordinary shares subject to outstanding awards that are settled in cash will be available for issuance under the Restated 2013 Plan, as will any ordinary shares exchanged or withheld by the Company to satisfy any purchase price and tax withholding obligations related to "full value awards" such as restricted shares or restricted share units. However, with respect to all awards of options or share appreciation rights ("SAR(s)") that are not issued or delivered as a result of the net settlement of an outstanding option or SAR, or any ordinary shares that are not issued or are tendered back to the Company as payment for any options or SARs, as well as any ordinary shares withheld or tendered to satisfy tax withholding obligations related to options or SARs, as well as any shares repurchased with the proceeds of any option exercise price, will not again be available for new grants under the Restated 2013 Plan. In addition, the gross number of ordinary shares for which a SAR award is exercised, and not the number of ordinary shares actually issued, will count against the share limits of the Restated 2013 Plan.

The foregoing summary of the Restated 2013 Plan and the amendments thereto is qualified in its entirety by reference to the text of the Restated 2013 Plan, which is attached hereto as Exhibit 10.1 and incorporated herein by this reference.
