#### Explanatory Note

On August 4, 2017, NextEra Energy Partners, LP (NEP) and its general partner implemented the previously disclosed governance changes that were described in NEP's definitive information statement (Information Statement) filed with the Securities and Exchange Commission (SEC) on July 12, 2017. The governance changes and related amendments (Governance Changes) were effected through the entry by NEP and its general partner into the Second Amended and Restated Agreement of Limited Partnership of NEP, dated as of August 4, 2017 (NEP Partnership Agreement).

The Governance Changes included establishing a board of directors at NEP (NEP Board). Pursuant to the NEP Partnership Agreement, NextEra Energy Partners GP, Inc., the general partner of NEP (NEP GP), delegated substantially all management power and authority over NEP's business and affairs to the NEP Board, except for certain limited protective powers and consent rights set forth in the NEP Partnership Agreement and described in the Information Statement.

As of August 4, 2017, the NEP Board consists of seven directors, all of whom were designated under the NEP Partnership Agreement. Starting with the 2017 Annual Meeting of Limited Partners of NEP (2017 Annual Meeting), three of the NEP Board members will be appointed by NEP GP (GP Appointed Directors) and the other four members will be elected by the limited partners of NEP (LP Elected Directors), which includes holders of special voting units of NEP and of any preferred units voting together with holders of NEP common units, with preferred units voting as if they were converted into common units of NEP. The directors elected at the 2017 Annual Meeting will serve, commencing on January 1, 2018, until the earlier of their death, resignation, removal or disqualification or until their successors have been elected and qualified.

On August 4, 2017, NEP and its subsidiaries also entered into the Second Amended and Restated Agreement of Limited Partnership of NextEra Energy Operating Partners, LP, the Second Amended and Restated Management Services Agreement and the NextEra Energy Resources, LLC Right of First Refusal Agreement, each substantially in the form described in the Information Statement and attached as exhibits thereto. Conforming amendments to certain of NEP and its subsidiaries' other agreements and governance policies were also entered into to reflect the Governance Changes.
