SEC 1474 (9-02)

Edgar Filing: APPLE INC - Form 4

TSR is calculated based on the change in a company's stock price during the performance period, taking into account any dividends paid during that period, which are assumed to be reinvested in the stock. In accordance with the terms of the award, the beginning value used for calculating TSR is the average closing stock price for the 20 trading days prior to September 29, 2013. Apple's beginning value was calculated to be \$68.67 (adjusted for dividends and Apple's 7:1 stock split in June 2014). Similarly, the ending value used for calculating TSR is the average closing price for the 20 trading days ending on September 24, 2016. Apple's ending value was calculated to be \$116.24 (adjusted for dividends).

- (7) This award provided that if Apple's relative TSR performance is ranked at or above the 85th percentile for companies in the S&P 500 for the performance period, 200% of the target number of RSUs vest. If Apple's performance is ranked at or above the 55th percentile, 100% of the target number of RSUs vest. If Apple's performance is ranked at or above the 25th percentile, 25% of the target number of RSUs vest, and if Apple's performance is ranked below the 25th percentile, 0% of the target number of RSUs vest. If Apple's performance is ranked above the 25th percentile but below the 85th percentile, then the portion of the RSUs that vest is determined on a straight-line basis (i.e., linearly interpolated) between the two nearest vesting percentages.
- (8) Apple's TSR for the performance period was 69.27%, which ranked 77th of the 458 companies that were included in the S&P 500 for the period and placed Apple in the 83rd percentile. Therefore, 87,578 RSUs subject to performance requirements vested.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
