ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

Effective October 1, 2018, the Compensation Committee of the Board of Directors of Stock Yards Bancorp, Inc. (the “Company”) approved a new form of grant agreement for Stock Appreciation Rights (“SARs”) for executive officers under the Company's 2015 Omnibus Equity Compensation Plan (the “Plan”), and awarded a total of 42,500 SARs to James A. Hillebrand and Philip S. Poindexter, the executives promoted effective on that same date to Chief Executive Officer and President, respectively, of the Company's subsidiary, Stock Yards Bank & Trust Company. The awards include 25,000 SARs for Mr. Hillebrand and 17,500 SARs for Mr. Poindexter.

The SARs were granted subject to a Stock Appreciation Right Grant Agreement between the Company and each of the executive officers, with the form of such agreement being the same in each case. The Grant Agreement requires that the “exercise price” (the price above which stock appreciation will be measured) be no less than fair market value of the Company’s stock on the date of grant. In the case of the SARs granted on October 1, 2018, the base price was set at 10% above the stock’s closing price on October 1, 2018.

The SARs vest and become exercisable in 20% increments each year beginning 12 months after grant, until they are fully vested and exercisable 5 years after the grant date, unless a change of control occurs earlier and the executive's employment ends within 24 months thereafter, in which event vesting/exercisability accelerates. Each SAR entitles the executive to receive a number of shares of the common stock of the Company equal in value (based on the closing price on the date exercised) to the difference between the SAR’s exercise price and the closing price of the shares on the date of exercise, provided that no fractional shares will be issued. Executives may have the taxes due as a result of exercise taken from other wages, pay those taxes to the Bank in cash, or may have the Bank reduce the number of shares issuable upon exercise by an amount sufficient to cover any tax withholding obligation.

SARs may generally be exercised from the date first vested until 10 years after the grant date, but that exercise period can expire sooner--3 months after termination--if the executive terminates service with the Company and its subsidiary, unless the termination was due to death, disability or retirement (termination after age 60 when the executive had 10 or more years of service). In the case of death, SARs may be exercised for 12 months after termination. In the case of disability or retirement, the SARs may be exercised until the 10-year lapse date; however, in the case of retirement, the SARs will remain exercisable beyond 3 months following the executive’s termination of service only if he signs an agreement not to solicit employees or customers or otherwise compete with the Company for 24 months following termination.

The foregoing description of the SAR grant agreements is qualified in its entirety by reference to the full text of the form of agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated in response to this Item by reference.
