Pursuant to Rule 416 under the Securities Act of 1933, as amended (the “Securities Act”), the shares being (1) registered hereunder include such indeterminate number of shares of common stock as may be issuable with respect to the shares being registered hereunder as a result of stock splits, stock dividends, or similar transactions.

Estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(c) under the Securities (2) Act based on a price of \$3.57, which was the average of the high and low sales prices of the common stock, as reported on the Nasdaq Capital Market on November 13, 2018.

A registration fee of \$365.00 was previously paid in connection with the filing of a Registration Statement on Form S-3 (File No. 333-215090), which was filed on December 14, 2016 and declared effective on January 10, 2017 (the “Prior Registration Statement”). No securities were sold pursuant to the Prior Registration Statement, (3) which was withdrawn on September 11, 2018. Pursuant to Rule 457(p) under the Securities Act, the registration fee associated with this registration statement is hereby offset in part against the \$365.00 in registration fees paid in connection with the Prior Registration Statement. As a result, the filing fee due under this registration statement is \$172.28.

The Registrant hereby amends this registration statement on such date or dates as may be necessary to delay its effective date until the Registrant shall file a further amendment which specifically states that this registration statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act or until the registration statement shall become effective on such date as the Securities and Exchange Commission, acting pursuant to said Section 8(a), may determine.

The information in this prospectus is not complete and may be changed. The selling stockholders may not sell these securities until the registration statement filed with the Securities and Exchange Commission is effective. Our principal executive offices are located at 7535 Irvine Center Drive, Suite 100, Irvine, California 92618, and our telephone number is (949) 453-3990. Our common stock is currently traded on the NASDAQ Capital Market under the symbol “LTRX.” We maintain a corporate website at www.lantronix.com. The contents of our website are not incorporated by reference into this prospectus and should not be considered to be a part of this prospectus or relied upon in connection herewith.

Stock Purchase Agreement

On June 16, 2016, we entered into a Common Stock Purchase Agreement (the “Stock Purchase Agreement”) with, and consummated a private placement of 1,941,748 shares of our common stock (the “HCP Shares”) to, Hale Capital Partners, LP, a Delaware limited partnership (“HCP”). The offer and sale of the HCP Shares were not registered under the Securities Act in reliance on the exemption afforded by Section 4(a)(2) of the Securities Act and Rule 506(b) of Regulation D promulgated thereunder.

On June 17, 2016, pursuant to the terms of the Stock Purchase Agreement, the board of directors of Lantronix (the “Board”) approved an increase in the size of the Board from five to six members, and appointed Martin Hale, Jr., the Chief Executive Officer of HCP, as a director to fill the vacancy created by the increase in the size of the Board.

Pursuant to the Stock Purchase Agreement, we agreed to file a registration statement registering the resale of the HCP Shares and to cause the registration statement to be declared effective by the SEC as soon as practicable, but in no event later than January 12, 2017.

On December 14, 2016, we filed a registration statement (File No. 333-215090) registering the resale of up to 1,941,748 HCP Shares (the “Prior Registration Statement”), which was declared effective by the SEC on January 10, 2017.

On September 11, 2018, we withdrew the Prior Registration Statement in connection with the filing of a new registration statement (File No. 333-227127) (the “Offering Registration Statement”), which was declared effective by the SEC on September 12, 2018. The Offering Registration Statement registered the resale of up to 700,000 of the HCP Shares (in addition to registering the offer and sale of shares of our common stock by us, and the resale of shares of our common stock by certain other selling stockholders, as described therein).

On September 18, 2018, we and HCP entered into a side letter agreement (the “Letter Agreement”) pursuant to which we agreed to file a registration statement registering the resale of the remaining 1,241,748 HCP Shares.

The registration statement of which this prospectus is a part has been filed by us in fulfillment of our obligations under the Stock Purchase Agreement and the Letter Agreement with respect to the registration for resale of the remaining 1,241,748 HCP Shares. We intend to maintain the registration until the earlier of (i) the fifth anniversary of the date the registration statement becomes effective, (ii) such time as all shares covered by this prospectus have been sold publicly, or (iii) such time as all shares covered by this prospectus can be freely resold without restriction or limitation under Rule 144 and without the requirement to be in compliance with Rule 144(c)(1) or otherwise under applicable securities laws.

We have certain customary obligations under the Stock Purchase Agreement to indemnify for losses incurred by the initial selling stockholder in connection with any untrue statements of material fact or material omissions in the registration statement of which this prospectus is a part and for certain violations of securities and other similar laws.

RISK FACTORS

Investing in our securities involves a high degree of risk. Before making an investment decision, you should carefully consider the risks and uncertainties described in (i) the sections entitled “Risk Factors” in our most recent Annual Report on Form 10-K and subsequent Quarterly Reports on Form 10-Q, each as filed with the SEC, which are incorporated by reference in this prospectus, (ii) the additional risks and uncertainties described below, and (iii) any amendment or updates to our risk factors reflected in subsequent filings with the SEC, including in any accompanying prospectus supplement. For more information, see the sections entitled “Incorporation of Certain Documents by Reference” and “Where You Can Find More Information.” Our business, financial condition or results of operations could be materially adversely affected by any of these risks. In addition, the trading price of our securities could decline due to any of these risks, and you may lose all or part of your investment.

The risks and uncertainties we have described are not the only ones we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our business, financial condition or results of operations.

This prospectus and the documents we incorporate by reference in this prospectus contain forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the risks described in this prospectus and in the documents incorporated by reference in this prospectus. For more information, see “Special Note Regarding Forward-Looking Information.”

Risks Related to Selling Stockholders’ Sales of Shares

Sales of a significant number of shares of our common stock in the public markets, or the perception that such sales could occur, could depress the market price of our common stock, impair our ability to raise capital, and weaken market confidence in our company.

HCP currently holds an aggregate of 1,941,748 shares of our common stock, representing approximately 8.8% of our outstanding shares. A future decision by HCP to sell all or a large portion of its shares, or the perception in the market that such sales could occur, could weaken market confidence in our company and our future prospects, which could have a material adverse effect on our financial condition or results of operation, and result in a decline in the market price of our common stock. In addition, such sales may impair our ability to raise additional capital in the future at a time and price that our management deems acceptable. Further, it is possible that the selling stockholders may sell their shares to one of our competitors, to a potential acquirer of our company, or to another person whose interests

may differ, perhaps materially, from those of our other stockholders.

We may not be able to maintain effectiveness of the registration statement of which this prospectus forms a part, which could impact the liquidity of our common stock.

Under the terms of the Stock Purchase Agreement and Letter Agreement entered into with the selling stockholder, we are obligated to include the shares of common stock issued in the private placement in an effective registration statement. The registration statement of which this prospectus forms a part is intended to satisfy that obligation. We also agreed to use our commercially reasonable efforts to maintain the continuous effectiveness of the registration statement, but may not be able to do so. We cannot assure you that we will not be required to suspend or cease sales under the registration statement, that the SEC will not issue any stop order to suspend the effectiveness of the registration statement or that, if such a stop order is issued, we will be able to amend the registration statement to respond to the stop order to permit sales to be made under the registration statement in a timely manner or at all. To the extent the registration statement is not effective, the selling stockholders' ability to sell the shares of common stock may be limited, which could (depending on the extent of the selling stockholders' selling activity) have a material adverse effect on the liquidity of our common stock.

USE OF PROCEEDS

All proceeds from the disposition of the shares of our common stock covered by this prospectus will go to the selling stockholders. We will not receive any proceeds from the disposition of the shares by the selling stockholders. See “Plan of Distribution.”

If the shares are sold through underwriters or broker-dealers, then the selling stockholders will be responsible for underwriting discounts or commissions or agent's commissions. In addition the selling stockholders will pay all fees and expenses incurred by the selling stockholders in connection with the sale of the shares of our common stock, including, without limitation, brokerage fees, accounting fees, and legal fees. We will bear the fees and expenses incurred to effect the registration of the shares covered by this prospectus, including all registration and filing fees, the fees and expenses of our legal counsel and one counsel for the selling stockholders, and the fees and expenses of our independent registered public accounting firm.

SELLING STOCKHOLDERS

We are registering 1,241,748 shares of our common stock to permit the selling stockholders to offer such shares for resale from time to time.

Edgar Filing: LANTRONIX INC - Form S-3

Except for the ownership of the common stock issued pursuant to the Stock Purchase Agreement and as described above under the heading “Stock Purchase Agreement,” (including Mr. Hale’s election to the Board), the selling stockholders have not had any material relationship with us within the past three years.

DESCRIPTION OF CAPITAL STOCK

The following is a summary of all material characteristics of our capital stock as set forth in our amended and restated certificate of incorporation (“Certificate of Incorporation”) and amended and restated bylaws (“Bylaws”). The summary does not purport to be complete and is qualified in its entirety by reference to our Certificate of Incorporation and Bylaws, copies of which have been filed as exhibits to our SEC filings. For more information, see the headings “Incorporation of Certain Documents by Reference” and “Where You Can Find More Information.”

Common Stock

We may issue shares of our common stock from time to time. We are authorized to issue up to 100,000,000 shares of common stock, par value \$0.0001 per share. As of November 13, 2018, there were 22,070,505 shares of common stock issued and outstanding. Each outstanding share of common stock is entitled to one vote on all matters submitted to a vote of stockholders. Holders of common stock are entitled to receive ratably such dividends, if any, as may be declared by the Board out of funds legally available therefor. Upon the liquidation, dissolution, or winding up of the Company, the holders of common stock are entitled to share ratably in all of our assets which are legally available for distribution after payment of all debts and other liabilities and liquidation preference of any outstanding preferred stock. Holders of common stock have no preemptive, subscription, redemption or conversion rights. The outstanding shares of common stock are validly issued, fully paid and non-assessable. The rights, preferences and privileges of the holders of common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock that we might designate in the future.

Preferred Stock

We are authorized to issue up to 5,000,000 shares of preferred stock, par value \$0.0001 per share. As of November 13, 2018, no shares of our preferred stock were outstanding. Each share of preferred stock is entitled to the number of votes equal to the number of shares of common stock into which each share of preferred stock could be converted at the record date for determination of the stockholders entitled to vote on such matters, or, if no such record date is established, at the date such vote is taken or any written consent of stockholders is solicited, such votes to be counted together with all other shares of stock having general voting power and not separately as a class. The terms of any series of preferred stock will be set forth in an amendment to our Certificate of Incorporation. This prospectus does not cover the offer or sale of any shares of our preferred stock.

Delaware Law and Certain Certificate of Incorporation and Bylaw Provisions

Our Certificate of Incorporation and Bylaws contain a number of provisions that could make our acquisition by means of a tender or exchange offer, a proxy contest or otherwise more difficult. Certain of these provisions are summarized below:

Under our Bylaws, only the Board, the Chairperson of the Board, the chief executive officer or president (in the absence of a chief executive officer) may call special meetings of stockholders.

Our Bylaws establish advance notice procedures for stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of the Board or a committee of the Board.

We are subject to the provisions of Section 203 of the Delaware General Corporation Law. Section 203 prohibits a publicly-held Delaware corporation from engaging in a “business combination” with an “interested stockholder” for a period of three years after the person became an interested stockholder, unless the business combination is approved in a prescribed manner. A “business combination” includes mergers, asset sales and other transactions resulting in a financial benefit to the interested stockholder. Subject to certain exceptions, an “interested stockholder” is a person who, together with affiliates and associates, owns, or within the prior three years did own, 15% or more of the corporation’s voting stock.

- Our Certificate of Incorporation eliminates the right of stockholders to act by written consent without a meeting.
- Our Certificate of Incorporation and Bylaws do not provide for cumulative voting in the election of directors.

The amendment of many of the provisions described above would require approval by holders of at least 66 2/3% of the outstanding shares of our common stock.

NASDAQ Capital Market

Our common stock is listed on the NASDAQ Capital Market and traded under the symbol “LTRX.” On November 13, 2018, the last reported sale price for our common stock on the NASDAQ Capital Market was \$3.55 per share.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Computershare Shareowner Services, LLC.

- block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales as permitted by applicable law;
- sales pursuant to Rule 144 under the Securities Act;
- broker-dealers agreeing with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted by applicable law.

If the selling stockholders effect such transactions by selling shares of common stock to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling stockholders or commissions from purchasers of the shares of common stock for whom they may act as agent or to whom they may sell as principal (which discounts, concessions or commissions as to particular underwriters, broker-dealers or agents may be in excess of those customary in the types of transactions involved). In connection with sales of the shares of common stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers as permitted by applicable law, which may in turn engage in short sales of the shares of common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of common stock short as permitted by applicable law and deliver shares of common stock covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The selling stockholders may also loan or pledge shares of common stock to broker-dealers that in turn may sell such shares.

The selling stockholders may pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending, if necessary, the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer and donate the shares of common stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling stockholders and any broker-dealer participating in the distribution of the shares of common stock may be deemed to be “underwriters” within the meaning of the Securities Act, and any commission paid, or any discounts or concessions allowed to, any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act. At the time a particular offering of the shares of common stock is made, a prospectus supplement, if required, will be distributed which will set forth the aggregate amount of shares of common stock being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the selling stockholders and any discounts, commissions or concessions allowed or reallocated or paid to broker-dealers.

Under the securities laws of some states, the shares of common stock may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares of common stock may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that the selling stockholders will sell all or any portion of the shares of common stock registered pursuant to the registration statement, of which this prospectus forms a part.

The selling stockholders and any other person participating in such distribution will be subject to applicable provisions of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations thereunder, including, without limitation, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the shares of common stock by the selling stockholders and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the shares of common stock to engage in market-making activities with respect to the shares of common stock. All of the foregoing may affect the marketability of the shares of common stock and the ability of any person or entity to engage in market-making activities with respect to the shares of common stock.

If the shares of common stock are sold by the selling stockholders through underwriters or broker-dealers, then the selling stockholders will be responsible for underwriting discounts or commissions or agent's commissions. In addition the selling stockholders will pay all fees and expenses incurred by the selling stockholders in connection with the sale of the shares of our common stock, including, without limitation, brokerage fees, accounting fees, and legal fees. We will bear the fees and expenses incurred to effect the registration of the shares covered by this prospectus, including all registration and filing fees, the fees and expenses of our legal counsel and one counsel for the selling stockholders, and the fees and expenses of our independent registered public accounting firm.

We will indemnify the initial selling stockholder against liabilities, including some liabilities under the Securities Act, in accordance with the Stock Purchase Agreement, or the selling stockholders will be entitled to contribution. We may be indemnified by the initial selling stockholders against liabilities, including liabilities under the Securities Act, that

may arise from any written information furnished to us by the initial selling stockholder specifically for use in this prospectus, in accordance with the Stock Purchase Agreement, or we may be entitled to contribution.

Once sold under the registration statement, of which this prospectus forms a part, the shares of common stock will be freely tradable in the hands of persons other than our affiliates.

We have agreed with HCP to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (i) the fifth anniversary of the date the registration statement becomes effective, (ii) such time as all shares covered by this prospectus have been sold publicly, or (iii) such time as all shares covered by this prospectus can be freely resold without restriction or limitation under Rule 144 and without the requirement to be in compliance with Rule 144(c)(1) or otherwise under applicable securities laws.

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 14. OTHER EXPENSES OF ISSUANCE AND DISTRIBUTION.

The following table sets forth an itemization of the various costs and expenses, other than underwriting discounts and commissions, payable by us in connection with the issuance and distribution of the securities being registered hereunder. All of the amounts shown are estimated except for the SEC registration fee.

SEC registration fee (1)	\$537
Legal fees and expenses	\$7,500
Accounting fees and expenses	\$5,000
Miscellaneous	\$963
Total expenses (2)	\$14,000

(1) As noted on the cover page of this registration statement under the title “Calculation of Registration Fee”, we offset \$365.00 in registration fees previously paid in connection with the filing of the Prior Registration Statement.

(2) Does not include fees and costs associated with preparing prospectus supplements or other expenses relating to specific offerings made pursuant to this prospectus.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Our Certificate of Incorporation includes a provision that eliminates the personal liability of our directors for monetary damages for breaches of their fiduciary duties as directors to the fullest extent permitted under Delaware law. The effect of this provision of our Certificate of Incorporation, as permitted by Section 145 of the Delaware General Corporation Law, is to eliminate our rights and those of our stockholders (through stockholders’ derivative suits on behalf of our Company) to recover damages against a director or officer for breach of the fiduciary duty of care as a director or officer (including breaches resulting from negligent or grossly negligent behavior), except under certain situations defined by statute.

In addition, as permitted by Section 145, our Bylaws provide that we are required to indemnify our directors and officers and persons serving in these capacities in other business enterprises (including, for example, our subsidiaries) at our request, to the fullest extent permitted by Delaware law, including in those circumstances in which indemnification would otherwise be discretionary. Our Bylaws also provide that we may, in our discretion, indemnify our employees and agents in circumstances where indemnification is not required by law. The rights conferred in the Bylaws are not exclusive, and we are authorized to enter into indemnification agreements with our directors, executive officers and employees. We may not retroactively amend our Bylaw provisions in a way that reduces the protections of the directors, officers and employees who benefit from these provisions.

We have entered into indemnification agreements with each of our directors and executive officers that provide the maximum indemnity allowed under Section 145 and our Bylaws, as well as certain additional procedural protections. We have also purchased directors' and officers' liability insurance that provides coverage against certain liabilities, including liabilities under the Securities Act.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

ITEM 17. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
