WE HAVE INCLUDED A COPY OF OUR ANNUAL REPORT ON FORM 10-K TOGETHER WITH THE FINANCIAL STATEMENTS AND FINANCIAL STATEMENT SCHEDULES REQUIRED TO BE PROVIDED WITH THE ANNUAL REPORT IN THE MAILING OF THIS PROXY STATEMENT. ADDITIONAL COPIES ARE AVAILABLE UPON REQUEST OF THE STOCKHOLDER MADE IN WRITING TO L Q CORPORATION, INC., 888 SEVENTH AVENUE, 17TH FLOOR, NEW YORK, NEW YORK 10019 ATTN: SECRETARY, OR BY TELEPHONE TO (212) 974-5730.

PURPOSE OF THE MEETING

The specific proposals to be considered and acted upon by our stockholders at the Annual Meeting are summarized below.

Proposal 1 □ *Approval of Removal of Classification of the Board of Directors.* Our stockholders will vote on an amendment of our Second Amended and Restated Certificate of Incorporation to remove the classification of the Board of Directors. If this proposal is approved, each director will thereafter be elected on an annual basis.

Proposal 2 □ *Election of Directors.* Our stockholders will vote to elect two (2) Class II directors. The term of office for the nominees depends on the approval of the removal of the classification of the Board of Directors. If Proposal 1 is approved, the terms of the Class II nominees would expire at the annual meeting of stockholders in 2005. If Proposal 1 is not approved, the terms of the Class II nominees would expire at the annual meeting of stockholders in 2007. The Board has nominated Joseph R. Wright, Jr. and Stephen Ligouri to continue serving as the Class II directors.

Proposal 3 □ *Ratification of Appointment of Independent Accountants.* Our stockholders will vote on whether to ratify the Audit Committee's selection of Rothstein, Kass & Company, P.C. ("Rothstein Kass") to serve as our independent public accountants for the fiscal year ending December 31, 2004. Although stockholder ratification is not required by our Bylaws or any other applicable legal requirement, the Board is submitting the selection of Rothstein Kass to the stockholders for ratification as a matter of good corporate governance.

Other Matters. Our stockholders may transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

VOTING AND SOLICITATION OF PROXIES

Number of Shares Outstanding; Record Date. Only holders of record of the Company's common stock, par value \$0.001 per share ("Common Stock"), at the close of business on November 4, 2004 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting. As of the close of business on the Record Date, [] shares of Common Stock were issued and outstanding. Except as described below, stockholders present in person or by proxy at the Annual Meeting will be entitled to one vote on each proposal for each share of Common Stock held by such stockholder on that date. All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions, and broker non-votes.

Quorum Requirement for the Annual Meeting. Our Bylaws provide that the holders of record of a majority of the shares of Common Stock issued and outstanding on the Record Date, present in person or represented by proxy, constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum at the Annual Meeting.

Voting Rights in the Removal of our Board's Classification. A stockholder may vote for or against or abstain from voting on the proposal to remove the classification of our Board of Directors. This proposal requires the affirmative vote of 66 2/3% of the shares of Common Stock issued and outstanding on the Record Date. Accordingly, broker non-votes and abstentions on Proposal 1 will have the same effect as a vote against the removal of our Board's classification. **IF YOU ARE IN FAVOR OF THE DECLASSIFICATION OF OUR BOARD OF DIRECTORS, YOU ARE URGED TO VOTE "FOR" PROPOSAL 1.**

Voting Rights in the Election of Directors. Unless the stockholders are entitled and actually elect to cumulate their votes as described in the next paragraph, members of our Board will be elected by a plurality of the affirmative votes cast by those shares present in person or represented by proxy and entitled to vote at the Annual Meeting. Accordingly, the two nominees for Class II director receiving the highest number of affirmative votes will be elected. A stockholder may, with respect to the election of directors, (i) vote for the election of all of the nominees, (ii) withhold authority to vote for any one or more of the nominees, or (iii) withhold authority to vote for all of the nominees by so indicating in the appropriate spaces on the enclosed proxy card. Since the nominees will be elected by a plurality vote, neither broker non-votes nor shares abstaining from the vote on the proposal to elect the slate of nominees will have an effect on the outcome of the vote on Proposal 2. **IF YOU ARE IN FAVOR OF THE SLATE OF NOMINEES, YOU ARE URGED TO VOTE "FOR" EACH NOMINEE IDENTIFIED IN PROPOSAL 2.**

Voting Rights with Respect to the Ratification of the Appointment of Independent Accountants. Stockholder ratification of the selection of Rothstein Kass as our independent public accountants is not required by our Bylaws or other applicable legal requirement. However, the Board is submitting the selection of Rothstein Kass to the stockholders for ratification as a matter of good corporate governance. If the stockholders fail to ratify the selection, the audit committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our and our stockholders' best interests. The affirmative vote of the holders of a majority of the shares represented and entitled to vote at the Annual Meeting will be required to ratify the selection of Rothstein Kass as our independent public accountants for the fiscal year ending December 31, 2003. Accordingly, broker non-votes and abstentions on Proposal 3 will have the same effect as a vote against ratifying the appointment of the independent accountants. **IF YOU ARE IN FAVOR OF RATIFYING THE APPOINTMENT OF ROTHSTEIN, KASS & COMPANY, P.C. AS OUR INDEPENDENT ACCOUNTANTS, YOU ARE URGED TO VOTE "FOR" PROPOSAL 3.**

Proxies. Whether or not you are able to attend the Annual Meeting, you are urged to complete and return the enclosed proxy card, which is solicited by the Board, and which will be voted as you direct on your proxy when properly completed. **In the event no directions are specified, properly executed and delivered proxies will be voted FOR Proposals 1 and 3 and each nominee identified in Proposal 2. As to other matters that may properly come before the Annual Meeting, properly executed and delivered proxies with no specified directions will be voted in our discretion.** You may also revoke or change your proxy at any time before the Annual Meeting. To do this, send a written notice of revocation or another signed proxy with a later date to our principal executive offices, attention: Secretary, before the beginning of the Annual Meeting. You may also automatically revoke your proxy by attending the Annual Meeting and voting in person. All shares represented by a valid proxy received prior to the Annual Meeting will be voted.

Special Procedures for Shares Held of Record by Brokers. If your shares are held in the name of a broker, then only your broker can execute a proxy and vote your shares and only after receiving your specific instructions. Remember that your shares cannot be voted unless you return a signed and executed proxy card to your broker. However, please be advised that broker non-votes with respect to any matter to be voted on at the Annual Meeting will not be voted but will be counted as present to determine whether there is a quorum for voting purposes on such matters at the Annual Meeting. Broker non-votes occur when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner. **PLEASE SIGN, DATE AND PROMPTLY MAIL THE ENCLOSED PROXY CARD IN THE ENVELOPE PROVIDED BY YOUR BROKER.**

Solicitation. Proxies may be solicited by mail, advertisement, telephone, via the Internet or in person. Solicitations may be made by directors, officers, investor relations personnel and other employees of the Company, none of whom will receive additional compensation for such solicitations. Banks, brokerage houses, and other custodians, nominees, and fiduciaries will be requested to forward the Company's solicitation material to their customers for whom they hold shares. The Company will reimburse brokerage firms and others for their reasonable expenses in forwarding proxy materials to the beneficial owners of the Common Stock and obtaining voting instructions from beneficial owners of the Common Stock. The Company has retained D.F. King & Co., Inc. ("D.F. King") to assist in the solicitation of proxies and for related services. The Company will pay D.F. King a fee of \$5,000 and has agreed to reimburse it for its reasonable out-of-pocket expenses. In addition, the Company has also agreed to indemnify D.F. King against certain liabilities and expenses. D.F. King will provide services to the Company including data compilation, mailing proxy materials, answering stockholder questions, telephoning stockholders and contacting brokers.

The entire expense of printing, preparing, assembling and mailing proxy materials and the cost of soliciting proxies will be borne by the Company.

IMPORTANT: Whether or not you intend to attend the Annual Meeting, Please mark, date and sign the enclosed proxy CARD and return it at your earliest convenience in the enclosed postage-prepaid return envelope so that your shares of Common Stock will be voted. This will not limit your right to attend or vote at the Annual Meeting.

Proposal One
Amendment to the Second Amended and restated Certificate of Incorporation
to Eliminate the Classification of the Board of Directors

The Company has three classes of directors serving staggered three-year terms. The Board has determined that the Second Amended and Restated Certificate of Incorporation should be amended to eliminate the classification of the Board and to provide for the annual election of all directors, and has unanimously voted to recommend such amendment to the stockholders. If the proposed amendment is approved, the classified Board will be eliminated, the current terms of office of each Class I and III director currently in office and the terms of the Class II directors elected at this year's Annual Meeting will end at the annual meeting of stockholders in 2005 and all directors will thereafter be elected for one-year terms at each annual meeting of stockholders.

Pursuant to the Second Amended and Restated Certificate of Incorporation, the Board is divided into three classes with staggered three-year terms and not more than one class of directors is elected at any annual meeting of stockholders. The proposed amendment to the Second Amended and Restated Certificate of Incorporation would eliminate the three classes with their staggered three-year terms, as described below, and provide for the annual election of all directors.

Proponents of classified boards of directors believe that a classified board helps the board of directors maintain a greater continuity of experience because the majority of directors at any given time will have experience with the business affairs and operations of the company. This continuity may assist the company in long-term strategic planning. Additionally, proponents argue that a classified board reduces the possibility of a sudden change in control of the board of directors. As a result, in the event of a hostile takeover attempt, a classified board may encourage a person seeking control of the company to initiate arm's-length discussions with management and the board, who should then be in a better position to negotiate a more favorable transaction for stockholders.

However, the Board believes that a classified board of directors limits the ability of stockholders to elect directors and to exercise influence over the Company. Therefore, the Board believes that it is in the best interest of the Company and its stockholders to eliminate the classified Board of Directors thereby permitting the Company's stockholders to elect all members of the Board of Directors annually. The Board believes that this will promote greater accountability of each director to all stockholders and will allow the Company's stockholders an opportunity annually to register their views on the collective performance of the Board of Directors and the performance of each director individually. In addition, the Board believes that the Company should no longer retain the current Board structure because of the negative perception among many potential investors and investor groups concerning staggered boards in general.

Numbered Paragraph 1 of Article IX of the Second Amended and Restated Certificate of Incorporation currently provides as follows:

Number of Directors. The number of directors which constitutes the whole Board of Directors of the corporation shall be designated in the Second Amended and Restated Bylaws of the corporation (the "**Restated Bylaws**"). The directors shall be divided into three classes with the term of office of the first class (Class I) to expire at the annual meeting of stockholders held in 2000; the term of office of the second class (Class II) to expire at the annual meeting of stockholders held in 2001; the term of office of the third class (Class III) to expire at the annual meeting of stockholders held in 2002; and thereafter for each such term to expire at each third succeeding annual meeting of stockholders after such election.

If the proposed amendment is approved, numbered Paragraph 1 of Article IX of the Second Amended and Restated Certificate of Incorporation would be deleted and replaced with the following:

The number of directors which shall constitute the whole Board of Directors of the corporation shall be determined in the Second Amended and Restated Bylaws of the corporation (the "**Restated Bylaws**") as provided therein. The directors of the corporation shall be elected by the stockholders entitled to vote thereon at each annual meeting of stockholders and shall hold office until the next annual meeting of stockholders and until their respective successors shall have been elected and qualified, subject, however, to prior death, resignation, retirement, disqualification or removal from office. The term of office of each director in office on December 16, 2004 shall expire at the time of the opening of the polls for the election of directors at the next annual meeting of stockholders of the corporation.

Section 141(d) of the Delaware General Corporation Law requires that a corporation desiring to classify its board of directors must expressly provide for such classification in either its certificate of incorporation or its bylaws. The deletion of the provisions of numbered Paragraph 1 of Article IX relating to the classification of the Board is intended to remove any express provision for the classification of the Board, thereby removing the classification of the Board. If the classified Board of Directors is eliminated, Delaware law provides that any director or the entire Board may be removed, with or without cause, by the holders of a majority of the shares of the Company entitled to vote for the election of directors.

If Proposal One is approved, the Company will file a certificate with the Secretary of State of the State of Delaware reflecting the changes resulting from the amendment, such changes to become effective on the filing thereof. Thereafter, the three-year terms of the directors currently serving as Class I and III Directors, as well as the terms of the Class III Directors elected at the annual meeting, will expire at the 2005 annual meeting of stockholders. All current members of the Board of Directors and all current nominees for director have agreed to shorten their terms as directors to expire at the date of the next annual meeting of stockholders. Accordingly, if Proposal One is approved, commencing with the next annual meeting of stockholders, the entire Board of Directors of the Company will be elected annually. The form of certificate we will file with the Secretary of State of Delaware to consummate the declassification of the Board of Directors is set forth in Exhibit A hereto.

The proposal to eliminate the classification of the Board of Directors is neither the result of any effort to unseat incumbent directors, nor, to the knowledge of the Board of Directors, any effort by any person to take control of the Board.

The Board of Directors unanimously recommends a vote FOR Proposal One.

Approval of Proposal One will require the affirmative vote of a 66 2/3% majority of the shares of the Company's Common Stock outstanding and entitled to vote thereon.

Proxies solicited by the Board of Directors will be voted FOR this proposal, unless you specify otherwise in your proxy.

**Proposal Two
Election of Directors**

Our Board is currently comprised of six (6) members divided into three classes of directors serving staggered three-year terms. Class I currently consists of two directors, William J. Fox and Michael A. McManus, Jr. Messrs. Fox and McManus were appointed to the Board in July 2003. Class II currently consists of Joseph R. Wright, Jr. and Stephen Ligouri. Mr. Mitarotonda was appointed to the Board in September 2002 and Mr. Berns was appointed to the Board on October 7, 2004.

If Proposal One is approved by the stockholders, each Class II director elected at the Annual Meeting will serve for a term of one year expiring at the next annual meeting of stockholders or until such director's successor shall have been elected and qualified. The Class I and III directors of the Company will continue in office until the annual meeting of stockholders in 2005 or until such directors' successors shall have been elected and qualified. If Proposal One is not approved by the stockholders, the Class III directors of the Company will continue in office for their existing terms, which expire in 2005, the Class I directors of the Company will continue in office for their existing terms, which expire in 2006, and the Class II directors of the Company to be elected at the Annual Meeting will serve for a term of three years expiring at the annual meeting of stockholders in 2007, or until, in each director's case, such director's successor shall have been elected and qualified.

Unless authority to vote for directors is withheld, the Company intends that the shares represented by the enclosed proxy will be voted for the election of the nominees listed below. In the event the nominees become unable or unwilling to accept nomination or election, the shares represented by the enclosed proxy will be voted for the election of such persons as the Board of Directors may select. The Board of Directors has no reason to believe that the nominees will be unable or unwilling to serve.

The Board of Directors unanimously recommends a vote FOR the Class II nominees for director listed below.

Directors are elected by a plurality vote of the aggregate voting power of the shares of outstanding Common Stock, present in person or represented by proxy, voting together as a single class.

Board Meetings and Committees

During 2003, our Board held a total of six (6) meetings, and all incumbent directors attended at least than 75% of the meetings of our Board or the meetings of committees, if any, upon which such directors served. Certain matters approved by our Board were approved by unanimous consent. Our Board has determined that Steven Berns, Stephen Ligouri, Michael McManus and Joseph R. Wright, Jr. qualify as independent under the National Association of Securities Dealers' ("NASD") listing standards.

Our Board has three committees: the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee. All Committees are comprised solely of independent directors.

Audit Committee.

The Audit Committee currently consists of Steven Berns (Chairman), Michael McManus and Joseph R. Wright, Jr. The Board has determined that each member is "independent" under the NASD's listing standards and the applicable rules of the Securities Exchange Commission (the "SEC"), that each member is "financially literate" under the NASD's listing standards and that Mr. Berns qualifies as an Audit Committee Financial Expert under the applicable rules of the SEC. From January 1, 2003 to April 2003, the Audit Committee consisted of two non-employee directors, Mr. Holtzman and Mr. Mitarotonda, each of whom was determined at that time to be independent under the NASD's listing standards; however, in April 2003, Messrs. Holtzman and Mitarotonda both became employees of the Company and therefore did not qualify as independent directors. On April 29, 2003, our Board replaced Messrs. Holtzman and Mitarotonda by electing William J. Fox, Michael A. McManus, Jr. and Jesse Choper to serve on the Audit Committee, with Mr. Fox acting as chairman. Each of these members was determined at that time to be independent under the NASD's listing standards. On May 29, 2004, Messrs. Choper and Holtzman resigned from our Board. Mr. Wright joined the Audit Committee when he was named to the Board on July 21, 2004. On October 7, 2004 Mr. Fox was named our president and chief executive officer and therefore no longer qualified as an independent director. Mr. Berns replaced Mr. Fox on the Audit Committee when he was named to the Board on October 7, 2004. While Messrs. Mitarotonda and Holtzman served on our Audit Committee, they also served as executive officers of MM Companies, Inc. ("MMC"), an entity to which we made a \$929,000 payment on January 2, 2003, representing reimbursement of MMC's legal costs in connection with a stockholder derivative action. However, since this payment was made as reimbursement in connection with a stockholder derivative action, we believe that this payment arises solely from investments in our securities and therefore did not compromise the independent judgment of Messrs. Mitarotonda and Holtzman during fiscal year 2003.

The Audit Committee hires the Company's independent accountants and is charged with the responsibility of overseeing the financial reporting process of the Company. In the course of performing its functions, the Audit Committee reviews, with management and the independent accountants, the Company's internal accounting controls, the annual financial statements, the report and recommendations of the independent accountants, the scope of the audit, and the qualifications and independence of the auditors. The report of the Audit Committee is set forth later in this Proxy Statement. The Audit Committee held four (4) meetings during 2003. A copy of the Audit Committee charter as adopted by the Board on October 7, 2004 is attached to this Proxy Statement as Exhibit B.

Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee currently consists of Michael McManus (Chairman), Steven Berns and Stephen Ligouri. The Board has determined that each member is independent under the NASD's listing standards. The Committee is responsible for identifying individuals who are qualified to become directors, recommending nominees for membership on the Board and committees of the Board, promulgating minimum qualifications that it believes must be met by director nominees, establishing policies for considering director candidates recommended by stockholders, implementing procedures for stockholders in submitting recommendations for director candidates and developing and recommending to the Board corporate governance guidelines.

The Committee has established the following minimum qualifications for prospective nominees: (1) high accomplishments in his or her respective field, with superior credentials and recognition, (2) if applicable, a demonstrated history of actively contributing at board meetings, (3) high personal and professional integrity, exceptional ability and judgment, and effectiveness, in conjunction with the other nominees to the Board, in serving the long-term interests of the stockholders, and (4) sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve. In addition, the Committee may consider a variety of other qualities and skills, including whether the nominee has direct experience in the industry or in the markets in which the Company operates and the definition of independence within the meaning of Rule 4200 of the NASD listing standards. Nominees must also meet any applicable requirements of the U.S. Securities and Exchange Commission's regulations, state law, and the Company's charter and by-laws.

The Committee has established a process for identifying and evaluating nominees for director. The Committee may solicit recommendations from any or all of the following sources: non-management directors, the Chief Executive Officer, other executive officers, third-party search firms or any other source it deems appropriate. The Committee will then, without regard to the source of the initial recommendation of such proposed director candidate, review and evaluate the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate. Upon identifying individuals qualified to become members of the Board, consistent with the minimum qualifications and other criteria approved by the Board from time to time, and provided that the Company is not legally required to provide third parties with the ability to nominate individuals for election as a member of the Board, the Committee will then recommend that the Board select the director nominees for election at each annual meeting of stockholders.

The Committee will consider director candidates recommended by the Company's stockholders. A stockholder wishing to propose a nominee should submit a recommendation in writing to the Company's Secretary at least 120 days before the mailing date for proxy material applicable to the annual meeting for which such nomination is proposed for submission, setting forth, among other things required by the Committee's charter, (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee for the past five years, (iii) the consent of the proposed director candidate to be named in the proxy statement relating to the Company's annual meeting of stockholders and to serve as a director if elected at such annual meeting and (iv) any additional information regarding director nominees pursuant to the rules of the Securities and Exchange Commission. The Committee anticipates that it would use these sources as well as stockholder recommendations to identify candidates in the future.

The Committee did not hold any meetings during 2003. A copy of the Nominating and Corporate Governance Committee charter as adopted by the Board on October 7, 2004 is attached to this Proxy Statement as Exhibit C. A copy of the Corporate Governance Guidelines as adopted by the Board on October 7, 2004 is attached to this Proxy Statement as Exhibit D.

Compensation Committee.

The Compensation Committee currently consists of Joseph R. Wright, Jr. (Chairman), Stephen Ligouri and Michael McManus. The Board has determined that each member is independent under the NASD's listing standards. From January 1, 2003 to April 2003, the Compensation Committee of the Board of Directors consisted of two non-employee directors, Messrs. Holtzman and Mitarotonda, each of whom was determined at that time to be independent under the listing standards; however, in April 2003, Messrs. Holtzman and Mitarotonda both became employees of the Company and, therefore, did not qualify as independent directors. On April 29, 2003, our Board replaced Messrs. Holtzman and Mitarotonda by electing William J. Fox, Michael A. McManus, Jr. and Jesse Choper to serve on the Compensation Committee, with Mr. Choper acting as chairman. On May 29, 2004, Mr. Choper resigned from our Board, and, on October 7, 2004, Mr. Fox was named our president and chief executive officer and therefore no longer qualified as an independent director. Mr. Ligouri replaced Mr. Fox on the Compensation Committee when he was named to the Board on October 7, 2004.

The Compensation Committee sets the compensation of the Chief Executive Officer and other senior executives of the Company, administers the stock option plans and the executive compensation programs of the Company, determines eligibility for, and awards under, such plans and programs, and makes recommendations to the Board with regard to the adoption of new employee benefit plans, stock option plans and executive compensation plans. The report of the Compensation Committee is set forth later in this Proxy Statement. The Compensation Committee held one (1) meeting during 2003. A copy of the Compensation Committee charter as adopted by the Board on October 7, 2004 is attached to this Proxy Statement as Exhibit E.

Compensation Committee Interlocks and Insider Participation.

The Compensation Committee is currently composed of independent, non-employee directors. No interlocking relationships exist among our Board, Compensation Committee or executive officers and the Board, Compensation Committee or executive officers of any other company, nor has an interlocking relationship existed in the past.

Code of Business Conduct and Ethics.

The Company has adopted a Code of Business Conduct and Ethics which applies to directors, officers, senior management, and certain other employees of the Company, including its principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. The Code of Business Conduct and Ethics is attached hereto as Exhibit F. The Company shall provide a copy of its Code of Business Conduct and Ethics to any person without charge, upon request. Requests for a copy of the Code of Business Conduct and Ethics can be made in writing to the following address: L Q Corporation, Inc., 888 Seventh Avenue, 17th Floor, New York, NY 10019 Attn: Secretary.

Communications with Directors.

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the independent directors as a group, any Board committee or any Chair of any such committee by mail or electronically. To communicate with the Board of Directors, any individual directors or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to L Q Corporation, Inc., 888 Seventh Avenue, 17th Floor, New York, New York 10019 Attn: Secretary. To communicate with any of our directors electronically, a shareholder should send an email to the Company's Secretary: mbrunt@barington.com.

All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board of Directors will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Company's Secretary will make sufficient copies (or forward such information in the case of e-mail) of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

It is the Company's policy that its directors are invited and encouraged to attend the Annual Meeting. All of our directors except one was in attendance at the 2003 annual meeting of stockholders.

Section 16(a) Beneficial Ownership Reporting Compliance.

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file certain reports regarding ownership of, and transactions in, our securities with the SEC. Such officers, directors and 10% stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms that they file. To our knowledge, based solely on our review of copies of Forms 3, 4, 5 and amendments thereto furnished to us pursuant to Rule 16(a)-(e) with respect to the last fiscal year and any written representations referred to in Item 405(b)(2)(i) of Regulation S-K stating that no report on Form 5 was required for our officers, directors and 10% stockholders, we believe that all reports required to be filed under Section 16(a) have been filed on a timely basis by the foregoing persons for our 2003 fiscal year.

***Board Compensation Committee Report
on Executive Compensation***

The Compensation Committee generally believes that the compensation of the executive officers, including that of the Chief Executive Officer (each, an "Executive Officer" and collectively, the "Executive Officers"), should be influenced by the Company's performance. The Compensation Committee establishes the salaries and bonuses of all of the Executive Officers by considering: (i) the Company's financial performance for the past year; (ii) the achievement of certain objectives related to the particular Executive Officer's area of responsibility; (iii) the salaries and bonuses of Executive Officers in similar positions of comparably-sized companies; and (iv) the relationship between revenue and Executive Officer compensation.

To contain expenses, for the first months of 2003, the Compensation Committee established a salary freeze on all of our employees, including the Executive Officers. In April 2003, when Raymond Doig was replaced as Chief Executive Officer by Co-Chief Executive Officers James Mitarotonda and Seymour Holtzman, the Compensation Committee approved salaries in the amount of \$60,000 per year. In approving the salary of the Company's Chief Executive Officers, the Compensation Committee generally follows the policies set forth above. However, as the Company does not have an operating business, the Co-Chief Executive Officers were compensated at a level deemed by the Board to be reasonable and appropriate for the services being provided to the Company by the Co-Chief Executive Officers.

In 2003, the Compensation Committee did not establish bonus targets for the Executive Officers. In the prior year, bonus targets were equal to either 30% or 50% of base salary. Actual bonus amounts were based on both corporate and individual performance measurements. The corporate performance measurements were based on revenue and operating loss targets. No bonus payouts were made in 2003.

In addition to salary and bonus, the Compensation Committee, from time to time, grants options to Executive Officers. The Compensation Committee views option grants as an important component of its long-term, performance-based compensation philosophy. Since the value of an option bears a direct relationship to the Company's stock price, the Compensation Committee believes that options motivate Executive Officers to manage the Company in a manner that will also benefit stockholders. As such, options are granted at the current market price. One of the principal factors considered in granting options to an Executive Officer is the Executive Officer's ability to influence the Company's long-term growth and profitability. In 2003, we granted options to purchase 63,000 shares of Common Stock to each of Seymour Holtzman and James Mitarotonda, options to purchase 14,000 shares of Common Stock to Melvyn Brunt and options to purchase 16,8000 shares of Common Stock to each of Michael McManus, William Fox and Jesse Choper.

In approving the Chief Executive Officer's salary, the Compensation Committee generally follows the policies set forth above.

Report of the Audit Committee of the Board

The Audit Committee is a standing committee of the board of directors and operates under a written charter adopted by the board of directors, a copy of which is attached hereto as Exhibit B. Among its other functions, the Audit Committee recommends to the board of directors, subject to stockholder ratification, the selection of independent accountants.

Management is responsible for our internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted accounting principles in the United States and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

During fiscal 2003, at each of its meetings, the Audit Committee met with the senior members of our financial management team and the independent accountants. The Audit Committee's agenda is established by the Audit Committee and senior members of our financial management team. The Audit Committee has reviewed with management and the independent accountants the audited consolidated financial statements in the Annual Report, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements. Management represented to the Audit Committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, "Codification of Statements on Auditing Standards, AU §380."

The independent accountants also provided to the Audit Committee the written disclosure required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee discussed with the independent accountants that firm's independence and considered whether the non-audit services provided by the independent accountants are compatible with maintaining its independence.

Based on the Audit Committee's discussion with management and the independent accountants, and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the board of directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2003 filed with the Securities and Exchange Commission.

***Certain Relationships and
Related Transactions***

Since our inception in January 1996, we have never been a party to any transaction or series of similar transactions in which the amount involved exceeded or will exceed \$60,000 and in which any director, executive officer or holder of more than 5% of Common Stock had or will have an interest, other than as described under "Security Ownership of Certain Beneficial Owners and Management," the reimbursement of MM Companies Inc. for legal expenses in connection with a stockholder derivative action, payments of approximately \$89,000 to Jewelcor Management, Inc. for certain management expenses incurred in 2003 and the transactions described below.

Gerald W. Kearby and Robert G. Flynn were involved in our founding and organization and may be considered as our promoters. Mr. Kearby and Mr. Flynn are former executives. Following our inception in January 1996, we issued 131,250 shares of Common Stock to Mr. Kearby and 105,000 shares of Common Stock to Mr. Flynn (each on a post-split basis). Mr. Kearby and Mr. Flynn each contributed a nominal amount of capital for our initial capitalization.

In the past, we have granted options to our executive officers and directors. In 2003, we granted 63,000 options to each of Jim Mitarotonda and Seymour Holtzman, 16,800 options to each of Jesse Choper, William Fox and Michael McManus and 14,000 options to Melvyn Brunt (each on a post-split basis) at the fair market value of Common Stock on each grant date. We intend to grant options to our officers and directors in the future. See "Director Compensation" and "Option Grants in Last Fiscal Year."

We have entered into indemnification agreements with our officers and directors containing provisions which may require us, among other things, to indemnify our officers and directors against certain liabilities that may arise by reason of their status or service as officers or directors (other than liabilities arising from willful misconduct of a culpable nature) and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to execute such agreements with our future directors and executive officers.

In July 2003, the Company relocated its principal executive offices to 888 Seventh Avenue, 17th Floor, New York, 10019, an office maintained by Barington Capital Group, LP ("Barington"), a limited partnership whose general partner is a corporation of which James Mitarotonda is Chairman, President and Chief Executive Officer. James Mitarotonda is the Company's Chairman and its former Chief Executive Officer. From April 2003 through May 16, 2004, we paid Barington a monthly fee of approximately \$7,000 for certain administrative and accounting services provided by Barington on behalf of the Company. During the same period we also paid Jewelcor Management, Inc. ("Jewelcor"), a corporation whose Chairman and Chief Executive Officer is Seymour Holtzman, a fee of \$5,000 for certain administrative services provided by Jewelcor on behalf of the Company. Mr. Holtzman is a former Co-Chairman and Co-Chief Executive Officer of the Company. In May 2004, Mr. Holtzman resigned from the Board and Jewelcor ceased to provide administrative services to the Company. The Board of Directors then decided to enter into a new services arrangement with Barington, and it was agreed that all payments for services would be suspended until a new services arrangement was negotiated. Despite the suspension of payment, Barington has continued to provide services on behalf of the Company and it is expected that any new services agreement entered into between the Company and Barington would compensate Barington for such services.

All of our securities referenced above were purchased or sold at prices equal to the fair market value of such securities, as determined by our board of directors, on the date of issuance.

Costs and Method of Solicitation

Proxies may be solicited by mail, advertisement, telephone, via the Internet or in person. Solicitations may be made by directors, officers, investor relations personnel and other employees of the Company, none of whom will receive additional compensation for such solicitations.

We have retained D.F. King to provide solicitation and advisory services in connection with the proxy solicitation, for which D.F. King is to receive a fee estimated at \$5,000, plus reimbursement for its reasonable out-of-pocket expenses and for payments made to brokers and other nominees for their expenses in forwarding soliciting material. D.F. King will distribute proxy materials to beneficial owners and solicit proxies by personal interview, mail, telephone and telegram, and via the Internet, and will request brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to the beneficial owners of shares of the Common Stock. We have also agreed to indemnify D.F. King against certain liabilities and expenses.

Costs incidental to these solicitations of proxies will be borne by us and include expenditures for printing, postage, legal, accounting, public relations, soliciting, advertising and related expenses.

Deadline for Receipt of Stockholder Proposals

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in a company's proxy statement and for consideration at the next annual meeting of its stockholders by submitting their proposals to us in a timely manner.

Although we have not yet determined the date in order to be included in the Company's proxy statement for such meeting of our annual meeting of stockholders in 2005, stockholder proposals, must be received by us at least 120 days prior to the anniversary date of the mailing of this Proxy Statement for the Annual Meeting and must otherwise comply with the requirements of Rule 14a-8. All stockholder proposals should be marked for the attention of the Secretary, L Q Corporation, Inc., 888 Seventh Avenue, 17th Floor, New York, NY 10019.

Our Bylaws establish an advance notice procedure for proposals to be brought by stockholders before an annual meeting. For nominations or other business to be properly brought before an annual meeting by a stockholder, such stockholder must provide notice to the Company at least 120 days prior to the anniversary date of the mailing of the Company's prior year's proxy statement. Such notice must contain specified information concerning the matters to be brought before such meeting and concerning the stockholder proposing such matters. A copy of the full text of the Bylaws provision discussed above may be obtained by writing to our Secretary. All notices of proposals by stockholders, whether or not included in our proxy materials, should be sent to L Q Corporation, Inc., 888 Seventh Avenue, 17th Floor, New York, NY 10019.

Incorporation of Certain Documents By Reference

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2003, together with the financial statements and financial statement schedules required to be filed with each of the Annual Report, are incorporated herein by reference.

All documents filed by us pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act of 1934 subsequent to the date hereof and prior to the date of the Annual Meeting or any adjournment or postponement thereof shall be deemed to be incorporated by reference herein and made a part hereof from the date of the filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of these proxy solicitation materials to the extent that a statement contained herein or in any other document subsequently filed with the SEC which also is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of these proxy solicitation materials.

We will provide without charge to each person to whom a copy of these proxy solicitation materials is delivered, upon the written or oral request of such person, a copy of any or all of the documents incorporated by reference herein (not including the exhibits to such documents, unless such exhibits are specifically incorporated by reference in such documents). Requests for such copies should be directed by mail to L Q Corporation, Inc., 888 Seventh Avenue, 17th Floor, New York, NY 10019, Attn: Secretary, or by telephone to (212) 974-5730.

Proposal Three
Ratification of the Appointment of Rothstein, Kass & Company, P.C.
as Independent Accountants

The Audit Committee of our Board has selected Rothstein, Kass & Company, P.C. ("Rothstein Kass") as the independent accountants to audit the books, records and accounts of the Company for the current fiscal year ending December 31, 2004, subject to ratification by the stockholders at the Annual Meeting. Rothstein Kass has audited the Company's financial statements since May 1, 2003. Although stockholder ratification is not required by our Bylaws or any other applicable legal requirement, the Board is submitting the selection of Rothstein Kass to the stockholders for ratification as a matter of good corporate governance. Our Board recommends that stockholders vote for ratification of such appointment. In the event of a negative vote on ratification, our Board may reconsider its selection.

A representative of RK is expected to be present at the Annual Meeting, will have the opportunity to make a statement and will be available to answer questions from stockholders.

On April 17, 2003, our previous auditor, PricewaterhouseCoopers LLP ("PwC"), resigned as the independent auditors of the Company. During the year ended December 31, 2002 and any subsequent interim period preceding the date of the resignation of PwC, there were no disagreements between the Company and PwC on any matter of accounting principles or practices, financial statement disclosure, auditing scope or procedure which, if not resolved to the satisfaction of PwC, would have caused PwC to make reference to the subject matter of the disagreement with its report.

The Board of Directors unanimously recommends a vote "FOR" ratification of the appointment of Rothstein, Kass & Company, P.C. as the Company's independent accountants.

Approval of Proposal Three will require the affirmative vote of a majority of the shares of Common Stock present or represented by proxy at the Annual Meeting and entitled to vote.

The table below sets forth the aggregate audit fees, audit-related fees, tax fees and all other fees billed for services rendered by our principal accountants in our fiscal years ended December 31, 2002 and 2003.

Fee Category	Fiscal 2003	Fiscal 2002
Audit Fees(1)	\$ 42,500	\$ 77,500
Audit-Related Fees(2)	□	□
Tax Fees(3)	\$ 12,780	□
All Other Fees(4)	□	□

(1) *Audit Fees*. These consist of fees billed for professional services rendered for the audit of our annual financial statements and review of the interim financial statements included in quarterly 10-Q reports and for services normally provided in connection with statutory and regulatory filings.

(2) *Audit-Related Fees*. These consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements that are not reported under "Audit Fees," These services include accounting consultations in connection with acquisitions and consultations concerning financial accounting and reporting standards.

(3) *Tax Fees*. These consist of fees billed for professional services for tax compliance, tax advice and tax planning.

(4) *All Other Fees*. These consist of other fees not reported in the above categories.

Pre-Approval Policies and Procedures of Audit Committee

The Audit Committee has responsibility for the appointment, compensation and oversight of the work of the independent accountant. As part of this responsibility, the Audit Committee must pre-approve all permissible services to be performed by the independent accountant.

The Audit Committee has adopted an auditor pre-approval policy which sets forth the procedures and conditions pursuant to which pre-approval may be given for services performed by the independent auditor. Under the policy, the Committee must give prior approval for all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwritings) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided. Prior approval need not be given with respect to the provision of non-audit services if certain "de minimus" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. The Audit Committee may delegate to one or more of its members authority to approve a request for pre-approval provided the member reports any approval so given to the Audit Committee at its next scheduled meeting.

Other Matters

There is no reason to believe that any other business will be presented at the 2004 Annual Meeting; however, if any other business should properly and lawfully come before the 2004 Annual Meeting, the proxies will vote in accordance with their best judgment.

**L Q CORPORATION, INC.
AUDIT COMMITTEE CHARTER**

I. General Statement of Purpose

The purposes of the Audit Committee of the Board of Directors (the "Audit Committee") of L Q Corporation, Inc. (the "Company") are to:

- oversee the accounting and financial reporting processes of the Company and the audits of the Company's financial statements;
- take, or recommend that the Board of Directors of the Company (the "Board") take, appropriate action to oversee the qualifications, independence and performance of the Company's independent auditors; and
- prepare the report required by the rules of the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

II. Composition

The Audit Committee shall consist of at least three (3) members of the Board, each of whom must (1) be "independent" as defined in Rule 4200(a)(15) under the Marketplace Rules of the National Association of Securities Dealers, Inc. ("NASD"); (2) meet the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), subject to the exemptions provided in Rule 10A-3(c) under the Exchange Act; and (3) not have participated in the preparation of the financial statements of the Company or a current subsidiary of the Company at any time during the past three years.

Notwithstanding the foregoing, one director who (1) is not "independent" as defined in Rule 4200 under the Marketplace Rules of the NASD; (2) satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder; and (3) is not a current officer or employee or a Family Member of such officer or employee, may be appointed to the Audit Committee, if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required by the best interests of the Company and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve on the Audit Committee for more than two years and may not chair the Audit Committee.

Each member of the Audit Committee must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. One or more members of the Audit Committee may qualify as an "Audit Committee Financial Expert" under the rules promulgated by the SEC.

The Nominating and Corporate Governance Committee shall recommend to the Board nominees for appointment to the Audit Committee annually and as vacancies or newly created positions occur. The members of the Audit Committee shall be appointed annually by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically and without any further action constitute resignation or removal, as applicable, from the Audit Committee. Any vacancy on the Audit Committee, occurring for whatever reason, may be filled only by the Board. The Board shall designate one member of the Audit Committee to be Chairman of the committee.

III. Compensation

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other committee established by the Board, receive directly or indirectly from the Company any consulting, advisory or other compensatory fee from the Company. A member of the Audit Committee may receive additional directors' fees to compensate such member for the significant time and effort expended by such member to fulfill his or her duties as an Audit Committee member.

IV. Meetings

The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this charter, but not less frequently than quarterly. A majority of the members of the Audit Committee shall constitute a quorum for purposes of holding a meeting and the Audit Committee may act by a vote of a majority of the members present at such meeting. In lieu of a meeting, the Audit Committee may act by unanimous written consent. The Chairman of the Audit Committee, in consultation with the other committee members, may determine the frequency and length of the committee meetings and may set meeting agendas consistent with this Charter.

V. Responsibilities and Authority

A. Review of Charter

- The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend to the Board any amendments or modifications to the Charter that the Audit Committee deems appropriate.

B. Annual Performance Evaluation of the Audit Committee

- At least annually, the Audit Committee shall evaluate its own performance and report the results of such evaluation to the Nominating and Corporate Governance Committee.

C. Matters Relating to Selection, Performance and Independence of Independent Auditor

- The Audit Committee shall be directly responsible for the appointment, retention and termination, and for determining the compensation, of the Company's independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The Audit Committee may consult with management in fulfilling these duties, but may not delegate these responsibilities to management.
- The Audit Committee shall be directly responsible for oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company.
- The Audit Committee shall instruct the independent auditor that the independent auditor shall report directly to the Audit Committee.
- The Audit Committee shall pre-approve all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwritings) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to the Company by the independent auditor; provided, however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Company if the "de minimus" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

- The Audit Committee may review and approve the scope and staffing of the independent auditors' annual audit plan(s).
- The Audit Committee shall request that the independent auditor provide the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, as modified or supplemented, require that the independent auditor submit to the Audit Committee on a periodic basis a formal written statement delineating all relationships between the independent auditor and the Company, discuss with the independent auditor any disclosed relationships or services that may impact the objectivity and independence of the independent auditor, and based on such disclosures, statement and discussion take or recommend that the Board take appropriate action in response to the independent auditor's report to satisfy itself of the independent auditor's independence.
- The Audit Committee may consider whether the provision of the services covered in Items 9(e)(2) and 9(e)(3) of Regulation 14A of the Exchange Act (or any successor provision) is compatible with maintaining the independent auditor's independence.
- The Audit Committee shall evaluate the independent auditors' qualifications, performance and independence, and shall present its conclusions with respect to the independent auditors to the full Board. As part of such evaluation, at least annually, the Audit Committee shall:
 - obtain and review a report or reports from the independent auditor describing (1) the auditor's internal quality-control procedures, (2) any material issues raised by the most recent internal quality-control review or peer review of the auditors or by any inquiry or investigation by government or professional authorities, within the preceding five years, regarding one or more independent audits carried out by the auditors, and any steps taken to address any such issues, and (3) in order to assess the auditor's independence, all relationships between the independent auditor and the Company;
 - review and evaluate the performance of the independent auditor and the lead partner (and the Audit Committee may review and evaluate the performance of other members of the independent auditor's audit staff); and
 - assure the regular rotation of the audit partners (including, without limitation, the lead and concurring partners) as required under the Exchange Act and Regulation S-X.

In this regard, the Audit Committee shall also (1) seek the opinion of management and the internal auditors of the independent auditors' performance and (2) consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm.

- The Audit Committee may recommend to the Board policies with respect to the potential hiring of current or former employees of the independent auditor.

D. Audited Financial Statements and Annual Audit

- The Audit Committee shall review the overall audit plan (both internal and external) with the independent auditor and the members of management who are responsible for preparing the Company's financial statements, including the Company's Chief Financial Officer and/or principal accounting officer or principal financial officer (the Chief Financial Officer and such other officer or officers are referred to herein collectively as the "Senior Accounting Executive").
- The Audit Committee shall review and discuss with management (including the Company's Senior Accounting Executive) and with the independent auditor the Company's annual audited financial statements, including (a) all critical accounting policies and practices used or to be used by the Company, (b) the Company's disclosures under "Management's Discussion and Analysis of Financial Conditions and Results of Operations" prior to the filing of the Company's Annual Report on Form 10-K, and (c) any significant financial reporting issues that have arisen in connection with the preparation of such audited financial statements.

- The Audit Committee must review:
 - (i) any analyses prepared by management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements. The Audit Committee may consider the ramifications of the use of such alternative disclosures and treatments on the financial statements, and the treatment preferred by the independent auditor. The Audit Committee may also consider other material written communications between the registered public accounting firm and management, such as any management letter or schedule of unadjusted differences;
 - (ii) major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of any material control deficiencies;
 - (iii) major issues regarding accounting principles and procedures and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles; and
 - (iv) the effects of regulatory and accounting initiatives, as well as off-balance sheet transactions and structures, on the financial statements of the Company.
- The Audit Committee shall review and discuss with the independent auditor (outside of the presence of management) how the independent auditor plans to handle its responsibilities under the Private Securities Litigation Reform Act of 1995, and request assurance from the auditor that Section 10A of the Private Securities Litigation Reform Act of 1995 has not been implicated.
- The Audit Committee shall review and discuss with the independent auditor any audit problems or difficulties and management's response thereto. This review shall include (1) any difficulties encountered by the auditor in the course of performing its audit work, including any restrictions on the scope of its activities or its access to information, (2) any significant disagreements with management and (3) a discussion of the responsibilities, budget and staffing of the Company's internal audit function.
- This review may also include:
 - (i) any accounting adjustments that were noted or proposed by the auditors but were "passed" (as immaterial or otherwise);
 - (ii) any communications between the audit team and the audit firm's national office regarding auditing or accounting issues presented by the engagement; and
 - (iii) any management or internal control letter issued, or proposed to be issued, by the auditors.
- The Audit Committee shall discuss with the independent auditors those matters brought to the attention of the Audit Committee by the auditors pursuant to Statement on Auditing Standards No. 61, as amended ("SAS 61").
- The Audit Committee shall also review and discuss with the independent auditors the report required to be delivered by such auditors pursuant to Section 10A(k) of the Exchange Act.
- If brought to the attention of the Audit Committee, the Audit Committee shall discuss with the CEO and CFO of the Company (1) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act, within the time periods specified in the SEC's rules and forms, and (2) any fraud involving management or other employees who have a significant role in the Company's internal control over financial reporting.

- Based on the Audit Committee's review and discussions (1) with management of the audited financial statements, (2) with the independent auditor of the matters required to be discussed by SAS 61, and (3) with the independent auditor concerning the independent auditor's independence, the Audit Committee shall make a recommendation to the Board as to whether the Company's audited financial statements should be included in the Company's Annual Report on Form 10-K for the last fiscal year.

 2. The Nominating Committee will review and evaluate the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate.
 3. The Nominating Committee will evaluate all such proposed director candidates in the same manner, with no regard to the source of the initial recommendation of such proposed director candidate.
 4. In identifying and evaluating proposed director candidates, the Nominating Committee may consider, in addition to the minimum qualifications and other criteria for Board membership approved by the Board from time to time, all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board.

EXHIBIT A

Board Membership Criteria

The Nominating Committee believes that it is in the best interests of the Company and its stockholders to obtain highly qualified individuals to serve on the Board.

At a minimum, the Nominating Committee must be satisfied that each Nominating Committee-recommended nominee meets the following minimum qualifications:

- The nominee shall have the highest personal and professional integrity, shall have demonstrated exceptional ability and judgment, and shall be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of the stockholders.
- The nominee shall be highly accomplished in his or her respective field, with superior credentials and recognition.
- The nominee shall have sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve.
- To the extent such nominee serves or has previously served on other boards, the nominee shall have a demonstrated history of actively contributing at board meetings.

In addition to the minimum qualifications for each nominee set forth above, the Nominating Committee shall recommend that the Board select persons for nomination to help ensure that:

- A majority of the Board shall be “independent” in accordance with the standards established pursuant to Rule 4200(a)(15) of the Marketplace Rules of the National Association of Securities Dealers, Inc.
- Each of its Audit, Compensation and Nominating Committees shall be comprised entirely of independent directors.
- At least one member of the Audit Committee shall have such experience, education and other qualifications necessary to qualify as an “Audit Committee Financial Expert” as defined by the rules of the Securities and Exchange Commission.

Finally, in addition to any other standards the Nominating Committee may deem appropriate from time to time for the overall structure and composition of the Board, the Nominating Committee may consider the following factors when recommending that the Board select persons for nomination:

- Whether the nominee has direct experience in the industry or in the markets in which the Company operates.

Whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience.

**L Q CORPORATION, INC.
CORPORATE GOVERNANCE GUIDELINES**

The Board of Directors (the “Board”) of L Q Corporation, Inc. (the “Company”) has adopted the corporate governance guidelines set forth below to assist and guide the Board in the exercise of its responsibilities. These guidelines should be interpreted in accordance with any requirements imposed by applicable federal or state law or regulation and the Second Amended and Restated Certificate of Incorporation and Restated Bylaws of the Company. The Board may review and amend these guidelines from time to time.

I. DIRECTOR QUALIFICATION STANDARDS

- **Director Criteria:** The Board of Directors shall consider and approve from time to time the criteria that it deems necessary or advisable for prospective Director candidates. The Board of Directors shall have full authority to modify such criteria from time to time as it deems necessary or advisable.

The Board of Directors has delegated to the Nominating and Corporate Governance Committee the responsibility for developing and recommending to the Board of Directors for its consideration and approval such criteria for prospective Director candidates as the Nominating and Corporate Governance Committee deems necessary or advisable. The Nominating and Corporate Governance Committee will recommend to the Board of Directors from time to time such criteria for its consideration and approval. The Board of Directors may, however, rescind this delegation to the Nominating and Corporate Governance Committee and thereafter the Board of Directors shall have the responsibility for developing and approving from time to time such criteria for prospective Director candidates as it deems necessary or advisable.

- **Process For Identifying and Selecting Directors:** The Board of Directors has delegated to the Nominating and Corporate Governance Committee the responsibility of identifying suitable candidates for nomination to the Board of Directors (including candidates to fill any vacancies that may occur) and assessing their qualifications in light of the policies and principles in these corporate governance guidelines and the committee’s charter. The Nominating and Corporate Governance Committee will recommend prospective Director candidates for the Board’s consideration and review the prospective candidates’ qualifications with the Board. The Board of Directors shall retain the ultimate authority to nominate a candidate for election by the stockholders as a Director or to fill any vacancy that may occur.

In identifying prospective Director candidates, the Nominating and Corporate Governance Committee may consider all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the prospective Director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board.

- **Independence:** At least a majority of the members of the Board of Directors shall meet the definition of independence set forth in Rule 4200(a)(15) of the Marketplace Rules of the National Association of Securities Dealers, Inc.

At least annually, the Board will evaluate all relationships between the Company and each Director in light of relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a potential conflict of interest or otherwise interfere with such Director’s ability to satisfy his or her responsibilities as an independent Director.

- **Limit on Number of Other Boards:** Carrying out the duties and fulfilling the responsibilities of a Director require a significant commitment of an individual’s time and attention. The Board does not believe, however, that explicit limits on the number of other boards of directors on which the Directors may serve, or on other activities the Directors may pursue, are appropriate. The Board, however, recognizes that excessive time commitments can interfere with an individual’s ability to perform his or her duties effectively. In connection with its assessment of Director candidates for nomination, the Nominating and Corporate Governance Committee will assess whether the performance of any Director has been or is likely to be adversely impacted by excessive time commitments, including service on other boards of directors. Directors must notify the Chairman of the Nominating and Corporate Governance Committee in connection with accepting a seat on the board of directors of another business corporation so that the potential for conflicts or other factors compromising the Director’s ability to perform his duties may be fully assessed.

- **Term and Age Limits:** The Board does not believe that arbitrary limits on the number of consecutive terms a Director may serve or on the Directors' ages are appropriate in light of the substantial benefits resulting from a sustained focus on the Company's business, strategy and industry over a significant period of time. Each individual's performance will be assessed by the Nominating and Corporate Governance Committee in light of relevant factors in connection with assessments of candidates for nomination to be Directors.
- **Succession:** The Nominating and Corporate Governance Committee shall be responsible for developing succession plans for the Board as appropriate in light of relevant facts and circumstances.

II. DIRECTOR RESPONSIBILITIES

- **Role of Directors:** The business and affairs of the Company are managed by or under the direction of the Board of Directors, acting on behalf of the stockholders. The Board has delegated to the officers of the Company the authority and responsibility for managing the Company's everyday affairs. The Board of Directors has an oversight role and is not expected to perform or duplicate the tasks of the CEO or senior management.
- **Attendance at Meetings:** Each member of the Board is expected to make reasonable efforts to attend regularly scheduled meetings of the Board and to participate in telephone conference meetings or other special meetings of the Board. In the event that Directors are unable to make at least 75% of those regular or special meetings (together with the meetings of committees on which such Director serves), the Company will be required to disclose that fact in its annual proxy statement. In addition, attendance and participation at meetings is an important component of the Directors' duties and, as such, attendance rates will be taken into account by the Nominating and Corporate Governance Committee in connection with assessments of Director candidates for renomination as Directors.
- **Time Commitment; Advance Distribution and Review of Materials:** Directors are expected to spend the time needed and meet as frequently as the Board deems necessary or appropriate to discharge their responsibilities. Senior management is responsible for distributing information and data that are important to the Board's understanding of the business to be conducted at a Board or Committee meeting to the Directors. Directors should review these materials in advance of the meeting when reasonably practicable.

III. BOARD STRUCTURE

- **Size of Board:** The Board presently has 6 members. It is the sense of the Board that a board consisting of between 5 and 10 members is an appropriate size for the Company; however, the Board reserves the right to increase or decrease the size of the Board, subject to any relevant provisions in the Company's by-laws, depending on an assessment of the Board's needs and other relevant circumstances at any given time.
- **Committees:** The Board intends at all times to have an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each of these standing committees will have a written charter that sets forth the responsibilities of such committee and the qualifications for committee membership. The Board may from time to time establish additional committees as necessary or appropriate.

- Executive Sessions:** The independent Directors will meet at regularly scheduled executive sessions, at least twice each year, without management participation.

IV. DIRECTOR ACCESS TO MANAGEMENT AND INDEPENDENT ADVISORS

- In carrying out its responsibilities, the Board of Directors, and each committee thereof, shall be entitled to rely on the advice and information that it receives from management and such experts, advisors and professionals with whom the Board, or any such committee, may consult. The Board of Directors, and each committee thereof, shall have the authority to request that any officer or employee of the Company, the Company's outside legal counsel, the Company's independent auditor or any other professional retained by the Company to render advice to the Company, attend a meeting of the Board, or such committee, or meet with any members of or advisors to the Board. The Board or any committee thereof shall also have the authority to engage legal, accounting or other advisors to provide it with advice and information in connection with carrying out its or their responsibilities.

V. DIRECTOR COMPENSATION

- The form and amount of Director compensation will be reviewed periodically, but at least annually, by the Compensation Committee, which shall make recommendations to the Board based on such review. The Board shall retain the ultimate authority to determine the form and amount of Director compensation.

- The Company's executive officers shall not receive additional compensation for their service as directors.

VI. DIRECTOR ORIENTATION AND CONTINUING EDUCATION

- The Company will conduct an orientation program for each new Director within three months following the meeting at which the Director is elected. The orientation will include presentations by senior management designed to familiarize the new Director with the Company's business and strategic plans, key policies and practices, principal officers and management structure, auditing and compliance processes and its code of business conduct and ethics.

- The Company's senior management will be responsible for periodically providing materials or briefing sessions for continuing Directors on topics that will assist them in discharging their duties.

VII. MANAGEMENT SUCCESSION

- The Nominating and Corporate Governance Committee shall be responsible for developing a CEO succession plan for consideration by the Board and reporting on such plan to the Board.

VIII. ANNUAL PERFORMANCE EVALUATION OF THE BOARD AND COMMITTEES

- The Nominating and Corporate Governance Committee will oversee the evaluation of the Board and its committees and will conduct a self-evaluation at least annually for the purpose of determining whether it is functioning effectively. These evaluations will consider the performance of the board or the committee, as the case may be, as a unit.

IX. MISCELLANEOUS

- The Board believes that the management should be responsible for communications with the press, media and other outside parties made on behalf of the Company, though individual Board members may, at the request of management or of the Board, communicate with outside parties on behalf of the Company.

- These guidelines are not intended to modify, extinguish or in any other manner limit the indemnification, exculpation and similar rights available to the Directors of the Company under applicable law and/or the Company's certificate of incorporation and/or its by-laws.

- Although these corporate governance guidelines have been approved by the Board, it is expected that these guidelines will evolve over time as customary practice and legal requirements change. In particular, guidelines that encompass legal, regulatory or exchange requirements as they currently exist will be deemed to be modified as and to the extent such legal, regulatory or exchange requirements are modified. In addition, the guidelines may also be amended by the Board at any time as it deems appropriate.
