Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

Long Term Incentive Awards

On November 7, 2006, the Personnel and Compensation Committee of the Board of Directors approved commencement of a new three-year Performance Period, the performance measures associated therewith and the participants to which the Performance Period will apply (all capitalized terms have the meaning ascribed to them in the Kaman Corporation 2003 Stock Incentive Plan (the "Plan") as filed with the SEC on November 9, 2004, Document Number 0000054381-04-000081) for the Plan's Long - Term Performance Award feature ("LTIP"). The Performance Period will extend from January 1, 2007 to December 31, 2009. The participants who are executive officers of the Corporation included in the Summary Compensation Table of the Corporation's Proxy Statement for its 2006 Annual Meeting as filed with the SEC on March 9, 2006 (Document Number 0001193125-06-049168) and their individual target award opportunity are as follows:

<u>Participant</u>		Target Award as % of Base Salary
Paul R. Kuhn	Chairman, President and Chief Executive Officer, Kaman Corporation	160%
Robert M. Garneau	Executive Vice President and Chief Financial Officer, Kaman Corporation	110%
T. Jack Cahill	President, Kaman Industrial Technologies Corporation, a subsidiary of Kaman Corporation	95%
Candace A. Clark	Senior Vice President and Chief Legal Officer, Kaman Corporation	95%
Robert H. Saunders, Jr.	President, Kaman Music Corporation, a subsidiary of Kaman Corporation	95%

The LTIP feature was added to the Plan effective with calendar year 2003. For those individuals receiving an LTIP award, it generally represents a replacement for other types of stock incentive awards. LTIP payments will be determined by the Personnel and Compensation Committee based upon the Corporation's level of achievement of goals established for growth in earnings per share, return on capital and total return to shareholders over the Performance Period measured against the Russell 2000 index, as more specifically described in Exhibit 10.1 to this report. The Personnel and Compensation Committee will certify in writing prior to any payment the extent to which performance measures for the Performance Period have been achieved and the resulting LTIP payment that has been earned for each participant. LTIP payments will generally be made in cash, however up to one-third of each payment may be made in stock at the discretion of the Personnel and Compensation Committee. The participant may also request the Personnel and Compensation Committee to approve a greater percentage of the payment to be made in stock. However, at least one-third of the net after-tax gain of an earned award must be paid in stock to the extent the participant has not satisfied the Corporation's stock ownership guidelines.

Item 8.01 Other Events
