The accompanying Notice of Annual Meeting, this Proxy Statement and the proxy card are first being mailed to stockholders on or about April 12, 2002. The Company's Annual Report on Form 10-K for the recently completed fiscal year, which includes the consolidated financial statements of the Company, is also enclosed.

The Company is a diversified financial services company which serves the financial needs of central Illinois. The Company directly or indirectly owns all the outstanding capital stock of First Mid-Illinois Bank & Trust, N.A., a national banking association (the "Bank"), with offices in Mattoon, Charleston, Effingham, Altamont, Neoga, Sullivan, Arcola, Taylorville, Tuscola, Monticello, Deland, Urbana, Decatur, Highland, and Pocahontas, Illinois; Mid-Illinois Data Services, Inc., a data processing company ("Data Services"); and The Checkley Agency, Inc., an insurance agency ("Checkley").

Only holders of record of the Company's Common Stock at the close of business on April 1, 2002 (the "Record Date") will be entitled to vote at the annual meeting or any adjournments or postponements of such meeting. On the Record Date, the Company had 3,382,872 shares of Common Stock issued and outstanding. In the election of directors, and for any other matters to be voted upon at the annual meeting, each issued and outstanding share of Common Stock is entitled to one vote.

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the annual meeting and all adjournments thereof. A stockholder who has executed a proxy has the power to revoke it at any time before it is voted by delivering written notice of revocation to the Secretary of the Company at 1515 Charleston Avenue, P.O. Box 499, Mattoon, Illinois 61938, by executing and delivering a subsequently dated proxy, or by attending the annual meeting and voting in person. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. WHERE NO INSTRUCTIONS ARE INDICATED, PROXIES WILL BE VOTED IN ACCORDANCE WITH THE RECOMMENDATIONS OF THE BOARD OF DIRECTORS WITH RESPECT TO THE PROPOSALS DESCRIBED HEREIN.

A quorum of stockholders is necessary to take action at the annual meeting. The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock of the Company entitled to vote at the meeting will constitute a quorum. Votes cast by proxy or in person at the meeting will be tabulated by the inspector of election appointed for the meeting and will be counted as present for purposes of determining whether a quorum is present. The inspector of election will treat broker non-votes as present and entitled to vote for purposes of determining whether a quorum is present. "Broker non-votes" refers to a broker or other nominee holding shares for a beneficial owner not voting on a particular proposal because the broker or other nominee does not have discretionary voting power regarding that item and has not received instructions from the beneficial owner.

The expenses of solicitation, including the cost of printing and mailing, will be paid by the Company. Proxies are being solicited principally by mail, by telephone, and by e-mail. In addition, directors, officers and regular employees of the Company may solicit proxies personally, by telephone, by fax or by special letter. The directors of the Company are divided into three classes having staggered terms of three years. At the annual meeting, the stockholders will be entitled to elect three Class I directors for a term expiring in 2005. The number of directors is nine, comprised of three directors in each of Class I, Class II, and Class III.

For this year's annual stockholders meeting, the Board of Directors has nominated for election as Class I directors Kenneth R. Diepholz, Steven L. Grissom, and Gary W. Melvin. Messrs. The three individuals receiving the highest number of votes cast will be elected as directors of the Company and will serve as Class I directors for three year terms expiring in 2005. The Company has no knowledge that any of the nominees will refuse or be unable to serve, but if any of the nominees become unavailable for election, the holders of the proxies reserve the right to substitute another person of their choice as a nominee when voting at the meeting.

PROPOSAL II - AMENDMENT OF 1997 STOCK INCENTIVE PLAN

In May 1997, the stockholders approved the First Mid-Illinois Bancshares, Inc. 1997 Stock Incentive Plan (the "Incentive Plan"). The Company is presently authorized to issue 150,000 shares of Common Stock under the Incentive Plan.

The stockholders will be requested at the meeting to approve an amendment to the Incentive Plan which increases from 150,000 to 300,000 the number of shares under the Incentive Plan. The purpose of the Incentive Plan is to promote equity ownership of the Company by directors of the Company and selected officers and employees of the Bank, to increase their proprietary interest in the success of the Company, and to encourage them to remain in the employ of the Company and the Bank. As of March 1, 2002, there were approximately 9 directors (of which 8 were non-employee directors) of the Company, and 13 officers and employees of the Bank eligible to participate in the Incentive Plan. The Board believes that the number of shares remaining available under the Incentive Plan will be insufficient to achieve the purpose of the Incentive Plan over the term of the Incentive Plan unless the additional shares are authorized. This following description of the Incentive Plan does not purport to be complete and is qualified in its entirety by reference to the complete text of the Incentive Plan, as amended, which is attached hereto as Appendix A.

DESCRIPTION OF THE INCENTIVE PLAN. The Incentive Plan was initially approved by the stockholders in May 1997. As initially approved, the Incentive Plan reserved 150,000 shares (adjusted for the 3-for-2 stock split in November 2001) of the Company's Common Stock under the Incentive Plan. The amendment, if approved, would increase the number of shares reserved under the Incentive Plan by 150,000 shares. The total number of shares reserved under the Incentive Plan will be 300,000 upon adoption of the amendment.

ADMINISTRATION. The Incentive Plan is administered by the Stock Incentive Plan Administrative Committee, which is comprised of at least two non-employee directors appointed by the Board of Directors (the "Stock Incentive Committee"). The Stock Incentive Committee has the authority, subject to approval by the Board of Directors, to select the employees to whom awards may be granted, to determine the terms of each award, to interpret the provisions of the Incentive Plan and to make all other determinations for the administration of the Incentive Plan. The Incentive Plan provides for the grant of "incentive stock options," as defined under Section 422(b) of the Internal Revenue Code of 1986, as amended, options that do not so qualify (referred to herein as "nonstatutory options"), restricted stock and stock appreciation rights ("SARs"), as determined in each individual case by the Stock Incentive Committee. In general, if any award granted under the Incentive Plan expires, terminates, is forfeited or is cancelled for any reason, the shares of Common Stock allocable to such award may again be made subject to an award granted under the Incentive Plan.

AWARDS. Directors of the Company and key policy-making employees of the Bank are eligible to receive grants under the Incentive Plan. Director options will be granted at the fair market value of the Common Stock on the date of grant. Employee awards may be granted subject to a vesting requirement and in any event will become fully vested upon a merger or change of control of the Company. The exercise price of incentive stock options granted under the Incentive Plan must at least equal the fair market value of the Common Stock subject to the option (determined as provided in the Incentive Plan) on the date the option is granted. The exercise price of nonstatutory options and SARs will be determined by the Stock Incentive Committee.

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form DEF 14A

An incentive stock option granted under the Incentive Plan to an employee owning more than 10% of the combined voting power of all classes of stock of the Company must have an exercise price of at least 110% of the then current fair market value of the shares of Common Stock issuable upon exercise of the option and may not have an exercise term of more than five years. Incentive stock options are also subject to the further restriction that the aggregate fair market value (determined as of the date of grant) of Common Stock as to which any such incentive stock option first becomes exercisable in any calendar year, is limited to \$100,000. To the extent options covering more than \$100,000 worth of Common Stock first become exercisable in any one calendar year, the excess will be nonstatutory options.

Each director and key employee eligible to participate in the Incentive Plan will be notified by the Stock Incentive Committee. The award agreement will specify the type of award to be granted, the number of shares of Common Stock (if any) to which the award relates, the terms and conditions of the award and the date granted. In the case of an award of options, the award agreement will also specify the price at which the shares of Common Stock subject to the option may be purchased, the date(s) on which the option becomes exercisable and whether the option is an incentive stock option or a nonstatutory option.

The full exercise price for all shares of Common Stock purchased upon the exercise of options under the Incentive Plan may be paid by cash, personal check, personal note, award surrender or Common Stock owned at the time of exercise, as directed by the Stock Incentive Committee. Incentive stock options granted under the Incentive Plan will remain outstanding and exercisable for ten years from the date of grant or until the expiration of three months (or such lesser period as the Stock Incentive Committee may determine) from the employee's date of termination of employment with the Company. Nonstatutory options and SARs granted under the Incentive Plan remain outstanding and exercisable for such period as the Stock Incentive Committee may determine.

INCOME TAX. With respect to incentive stock options, no taxable income is recognized by the option holder for income tax purposes at the time of the grant or exercise of an incentive stock option, and there is no income tax deduction available to the Company as a result of such a grant or exercise. Any gain or loss recognized by an option holder on the later disposition of shares of Common Stock acquired pursuant to the exercise of an incentive stock option generally will be treated as capital gain or loss if such disposition does not occur prior to one year after the date of exercise of the option, or two years after the date the option was granted. If disposition occurs within this period of time, the option holder will recognize ordinary income on the difference between the sale price and the exercise price, and the Company will recognize a corresponding tax deduction. If the disposition occurs after the end of these periods of time, the difference between fair market value on the date of exercise and the exercise price will be an item of tax preference for alternative minimum tax purposes. With respect to nonstatutory stock options, restricted stock or SARs, no taxable income will result to the recipient at the date of grant of the awards, nor will the Company then be entitled to an income tax deduction. However, upon the exercise of nonstatutory stock options, or the lapse of restrictions on restricted stock, the award holder will generally recognize ordinary income equal to the difference between the exercise price and the fair market value of the shares of Common Stock acquired on the date of exercise, or the fair market value of the Common Stock on the date that the restrictions lapse, and the Company will be entitled to an income tax deduction in the amount of the ordinary income recognized by the option holder. Upon exercise of an SAR, the award holder generally will recognize ordinary income on the amount of the appreciation of the value of the SAR between the date of grant and the date of exercise, and the Company will recognize a corresponding tax deduction. In general, any gain or loss realized by the option holder on the subsequent disposition of such shares will be a capital gain or loss.

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form DEF 14A

AMENDMENT AND TERMINATION. The Incentive Plan expires ten years after its adoption, unless sooner terminated by the Board of Directors. The Board has authority to amend the Incentive Plan in such manner as it deems advisable, except that the Board of Directors is not permitted, without stockholder approval, to amend the plan in a manner which would prevent the grant of incentive stock options or increase the number of shares of Common Stock available.

INCENTIVE PLAN BENEFIT TABLE. Of those eligible to participate in the Incentive Plan, it is not possible to determine how many will participate in the Incentive Plan in the future. For informational purposes, the following table sets forth certain information concerning the value and number of Incentive Plan grants which have been made with respect to the 2001 fiscal year.

FIRST MID-ILLINOIS BANCSHARES, INC. 1997 STOCK INCENTIVE PLAN

NAME AND POSITION	DOLLAR VALUE (\$) (1)	NUMBER OF UNITS

Executive Officer Group	\$8,775	13,500
Non-Executive Director Group	\$5,200	8,000
Non-Executive Officer and Employee Group	\$11,700	18,000

All options will be exercisable at a price equal to 100% of the fair market value of the underlying security on the date of the grant.

REQUIRED AFFIRMATIVE VOTE. The affirmative vote of the holders of a majority of the shares of Common Stock present in person or by proxy at the meeting is required to approve the amendment to the Incentive Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL.

EMPLOYMENT AGREEMENTS. In January 2002, the Company entered into a new employment agreement with William S. Rowland. The employment agreement generally provides for an initial base salary, which may be increased but not decreased, and a bonus of up to 40% of base salary, as well as other benefits under the agreement. The agreement has an initial term of three years, which may be extended upon mutual agreement. In the event of termination of Mr. Rowland's employment by the Company without cause, the Company will be obligated to pay an amount equal to one year's salary. Under certain circumstances, if Mr. Rowland's employment discontinues following a change in control of the Company, the successor to the Company is obligated, among other things, to pay an amount equal to two years' base salary. The members of the compensation committee of the Board of Directors of the Company for the fiscal year ended December 31, 2001 were Messrs. Diepholz (Chairman), Adams, Grissom, Lumpkin, Marvin, Melvin, and Sparks, and Ms. Preston. Other than Mr. Marvin, the former Chairman, President and Chief Executive Officer of the Company, no other member of the compensation committee is a former or current officer or employee of the Company or its subsidiaries.

COMPENSATION COMMITTEE REPORT. It is the compensation committee's responsibility to evaluate the performance of management, review total management compensation levels and consider management succession and other related matters. The committee reviews and approves in detail all aspects of compensation for the fourteen highest paid officers within the Company and uses state, regional and national salary studies to ascertain existing market conditions for personnel.

The compensation philosophy of the Company is that executive compensation

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form DEF 14A

be linked to the interests of the Company's shareholders and that a portion of the annual compensation of each officer relates to and must be contingent upon the performance of the Company, as well as the individual contribution of each officer. As a result, a portion of each executive officer's annual compensation is based upon the officer's performance, the performance of the operating unit for which the officer has primary responsibility and the performance of the Company as a whole. The formulas for measuring performance and awarding bonuses objectively link financial and individual performance with bonus amounts.

During 2001, the Company's net income amounted to \$6,516,000, a \$856,000 or 15.1% improvement from 2000's level. In addition, the Company's market share increased and various other improvements were made in the Company's operating and administrative functions. Accordingly, Messrs. Rowland, Hedges, and Swift were awarded incentive bonuses of \$48,136, \$29,573, and \$23,866, respectively.

The relationships between the base salaries and incentive compensation of Messrs. Rowland, Hedges, and Swift for 2001, 2000 and 1999 were as follows:

	INCENTIVE COMPENSATION AS A % OF BASE SALARY		
	2001	2000	1999
	----	----	----
William S. Rowland	28%	30%	--% (*)
John W. Hedges	24%	26%	19%
Robert J. Swift, Jr.	20%	---	---

*In lieu of a cash bonus, Mr. Rowland was awarded 4,500 additional options.
