**Exhibit 99.1**

**AMERISERV FINANCIAL, INC. ANNOUNCES EXPECTED HIGHER FIRST QUARTER 2016 LOAN LOSS PROVISION AND FURTHER PROFITABILITY IMPROVEMENT INITIATIVES**

JOHNSTOWN, PA AmeriServ Financial, Inc. (NASDAQ: ASRV) announced that it expects to record an increased provision for loan losses and higher net loan charge-offs in the first quarter of 2016 to resolve the Company's only meaningful direct loan exposure to the energy industry. The Company presently expects to record a \$3.0 million to \$3.5 million provision for loan losses in the first quarter of 2016 largely related to a single borrower in the fracking industry who had filed for bankruptcy protection in the fourth quarter of 2015. With the bankruptcy recently changing from Chapter 11 (reorganization) to Chapter 7 (liquidation), the Company concluded that its previously established reserves on these non-accrual loans are not sufficient to cover the discounted collateral values that will result from the liquidation process. This higher provision will cause the Company to report a net loss for the first quarter of 2016 but the Company's overall loan portfolio and asset quality continues to be strong.

In connection with our ongoing profitability improvement efforts, the Company also recently completed two additional initiatives that will further reduce non-interest expenses and improve the Company's future profitability. Specifically, the Company has closed its South Atherton branch office in the State College market and consolidated the retail customer accounts from this branch into its nearby and newer branch office located on North Atherton Street. The Company remains committed to the State College market and this consolidation will allow for a more efficient operation that positions us to continue to compete in this demographically attractive but highly competitive banking market. Separately, the Company also realigned its executive leadership team by eliminating one senior position in its executive office. The combined annual cost savings from these two profitability improvement initiatives should approximate \$750,000 in future periods.

AmeriServ Financial, Inc. is the parent of AmeriServ Financial Bank and AmeriServ Trust and Financial Services Company in Johnstown, PA. The Company's subsidiaries provide full-service banking and trust and wealth management services through sixteen community offices in southwestern Pennsylvania. At December 31, 2015, AmeriServ had total assets of \$1.15 billion, shareholders equity of \$119 million, a book value of \$5.19 per common share and a tangible book value of \$4.56 per common share.
