Item 8.01 Other Events.

NCR has received anonymous allegations from a purported whistleblower regarding certain aspects of the Company's business practices in China, the Middle East and Africa, including allegations which, if true, might constitute violations of the Foreign Corrupt Practices Act. NCR has certain concerns about the motivation of the purported whistleblower and the accuracy of the allegations it received, some of which appear to be untrue. NCR takes all allegations of this sort seriously and promptly retained experienced outside counsel and began an internal investigation that is ongoing. NCR does not comment on ongoing internal investigations.

Certain of the allegations relate to NCR's business in Syria. NCR has ceased operations in Syria, which were commercially insignificant, notified the U.S. Treasury Department, Office of Foreign Assets Control (OFAC) of potential apparent violations and is taking other measures consistent with OFAC guidelines.
