Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, on March 23, 2009, Stifel Financial Corp.'s ("Stifel") principal operating subsidiary, Stifel, Nicolaus & Company, Incorporated ("Stifel Nicolaus"), entered into a definitive agreement (the "Agreement") with UBS Financial Services Inc. ("UBS") to acquire up to 55 branches from the UBS Wealth Management Americas

branch network.

On May 4, 2009, Stifel Nicolaus and UBS entered into Amendment No. 1 to the Agreement (the "Amendment"). Pursuant to the Amendment, three additional branches from the UBS Wealth Management Americas branch network were added to the 55 branches originally included in the transactions contemplated by the Agreement. The 58 total branches are located in 24 states throughout the country, and employ an aggregate of approximately 350 Financial Advisors.

In consideration of the addition of the three branches, the potential base acquisition price was increased, such that the potential aggregate upfront cash payment(s) to UBS of approximately \$27 million was increased to approximately \$29 million. In addition, the aggregate payments Stifel could be required to make for net fixed assets and employee forgivable loans under the Agreement was increased from approximately \$19 million to approximately \$21.1 million. These payments remain variable based on the actual number of Financial Advisors and branches acquired by Stifel Nicolaus. The Amendment also effected certain clarifications with respect to the calculation of the contingent "earn-out" payments provided for in the Agreement and to other terms of the Agreement.

As previously announced, Stifel Nicolaus had the right to terminate the Agreement by paying a non-refundable termination payment if certain limited branch acceptance criteria specified in the Agreement had not been satisfied; as of the date of this report, such minimum branch acceptance criteria has been satisfied.

The parties continue to expect the closing of the transaction, which may be completed in a series of up to four separate closings, to occur during the third quarter of 2009. There is no assurance the transaction will be consummated within the presently contemplated timeframe, or at all.

The foregoing description of the Amendment is qualified in its entirety to the full text of the Amendment, which is attached hereto at Exhibit 2.1.
