NOTICE OF ANNUAL MEETING AND PROXY STATEMENT

Dear Shareholder:

We invite you to attend our Annual Meeting of Shareholders on October 14, 2015, at 10:00 a.m. Eastern Daylight Time at Cintas' Headquarters, 6800 Cintas Boulevard, Cincinnati, Ohio.

This booklet includes notice of the meeting and the proxy statement. The proxy statement tells you more about the agenda and procedures for the meeting. It also describes how the Board of Directors operates and gives personal information about our director nominees.

Shareholders entitled to vote at this Annual Meeting are those of record as of the close of business on August 17, 2015. Please note that only shareholders of record or holders of valid proxies from such shareholders may attend or vote at the meeting. Since seating will be limited, we ask shareholders to call 1-866-246-8277 to make a reservation for the meeting. When making your reservation, please give your full name, company name and address. If you do not make a reservation, you may not be provided entry into the meeting due to limited space.

Upon arrival at the Annual Meeting, shareholders may be asked for a form of personal identification and proof of stock ownership. This can be in the form of a brokerage statement or proxy card. Based on this proof of ownership and the reservation system noted above, an admission ticket will be given to the shareholder at the Annual Meeting. No cameras, recording equipment, electronic devices, cellular telephones, large bags, briefcases or packages will be permitted in the Annual Meeting.

We are once again pleased to take advantage of U.S. Securities and Exchange Commission rules that allow companies to furnish their proxy materials over the Internet. As a result, we are mailing to most of our shareholders a Notice of Internet Availability of Proxy Materials (the "Notice") instead of a paper copy of the proxy statement, the accompanying proxy card and our 2015 Annual Report. The Notice contains instructions on how to access and review those documents over the Internet and vote online, as well as how shareholders can elect to receive paper copies of the proxy statement, proxy card and 2015 Annual Report free of charge. We believe that this process will allow us to provide our shareholders with the information they need in a timely manner, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice.

Whether or not you plan to attend the meeting, please complete and return your proxy card or vote by telephone or via the Internet by following the instructions on your proxy card.

Sincerely,

Robert J. Kohlhepp
Chairman of the Board

PROXY
STATEMENT

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON OCTOBER 14, 2015

General Information

This proxy statement and accompanying proxy, mailed or provided online, is furnished in connection with the solicitation by the Board of Directors (the "Board") of Cintas Corporation, a Washington corporation ("we", "Cintas" or "the Company"), of proxies to be used at the Annual Meeting of shareholders of Cintas to be held on October 14, 2015, which we refer to as the Annual Meeting, and at any adjournment or postponement thereof. Cintas will bear the costs of this solicitation. The Notice Regarding the Availability of Proxy Materials (the "Notice") and, for those shareholders who requested paper copies, this proxy statement and accompanying proxy, were first mailed to our shareholders on or about September 4, 2015.

Who may vote

Shareholders of Cintas, recorded in our stock register on August 17, 2015, may vote at the Annual Meeting. As of that date, Cintas had 112,442,204 shares of common stock outstanding, including 1,880,630 outstanding shares of restricted stock. Each share is entitled to one vote on each matter submitted to the shareholders at the Annual Meeting.

How to vote

You may vote in person at the Annual Meeting or by proxy. You may also vote by Internet or telephone using one of the methods described in the proxy card. We recommend you vote by proxy, Internet or telephone even if you plan to attend the Annual Meeting. If you vote by Internet or telephone, please do not return the proxy card. If voting by mail, please complete, sign and date your proxy card enclosed with these proxy materials. If desired, you can change your vote at the Annual Meeting.

How proxies work

Cintas' Board is asking for your proxy. Giving us your proxy means you authorize us to vote your shares at the Annual Meeting in the manner you direct. You may vote for all, some or none of our director nominees. You may also vote for or against the other proposals or abstain from voting.

All proxies properly signed will, unless a different choice is indicated, be voted "FOR" the election of all nominees proposed by the Nominating and Corporate Governance Committee, "FOR" the resolution approving the compensation of our named executive officers, and "FOR" the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal 2016.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you hold shares through someone else, such as a stockbroker or bank, you may get material from them asking how you want to vote. Specifically, if your shares are held in the name of your stockbroker or bank and you wish to vote in person at the meeting, you should request your stockbroker or bank to issue you a proxy covering your shares.

If any other matters come before the meeting or any postponement or adjournment, each proxy will be voted in the discretion of the individuals named as proxies on the card.

Revoking a proxy

You may revoke your proxy at any time before the vote is taken by submitting a new proxy with a later date, by voting via the Internet or by telephone at a later time, by voting in person at the meeting or by notifying Cintas' Secretary in writing at the address under "Questions?" on page 40.

Quorum

In order to carry on the business of the Annual Meeting, we must have a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the Annual Meeting, either by proxy or in person.

Votes needed

The nine nominees receiving the most votes will be elected as members of the Board subject to a resignation policy in our Bylaws that applies to any nominee who does not receive a majority of the votes cast. See "Election of Directors" on page 3. Approval of Proposals 2 and 3 requires the affirmative vote of the majority of the votes cast on each proposal. Approval of all other matters considered at the meeting, including postponement or adjournment, will require the affirmative vote of a majority of the votes cast.

Abstentions (including abstentions with respect to one or more nominees) and broker nonvotes count for quorum purposes, but not for voting purposes. Broker nonvotes occur when a broker returns a proxy, but does not have authority to vote on a particular proposal.

Banks or brokers holding shares for beneficial owners must vote those shares as instructed. If the bank or broker has not received instructions from you, the beneficial owner, the bank or broker generally has discretionary voting power only with respect to the ratification of appointment of the independent registered public accounting firm. A bank or broker does not have discretion to cast votes with respect to Proposal 1 or 2 unless it has received voting instructions from the beneficial owner of the shares. It is therefore important that you provide instructions to your bank or broker if your shares are held by such a bank or broker so that your votes with respect to these Proposals are counted.

Abstentions and broker nonvotes will have no effect on Proposals 1 or 2, and abstentions will have no effect on Proposal 3. Because Proposal 3 is a "routine" matter, there will be no broker nonvotes on this Proposal.

Attending in person

Only shareholders, their proxy holders and Cintas' guests, each of which must be properly registered as described in the Notice, may attend the meeting.

ELECTION OF DIRECTORS

(Item 1 on the Proxy Card)

The Nominating and Corporate Governance Committee of the Board has nominated for election the following individuals, namely: Gerald S. Adolph, John F. Barrett, Melanie W. Barstad, Richard T. Farmer, Scott D. Farmer, James J. Johnson, Robert J. Kohlhepp, Joseph Scaminace and Ronald W. Tysoe. Proxies solicited by the Board will be voted for the election of these nominees if no direction is given. All directors elected at the Annual Meeting will be elected to hold office until the next Annual Meeting, with each director to serve until such director's successor is elected and qualified or until such director's earlier resignation or removal. In voting to elect directors, shareholders are not entitled to cumulate their votes.

In accordance with NASDAQ Stock Market, LLC ("NASDAQ") rules, our Board affirmatively determines the independence of each director and nominee for election as a director in accordance with the elements of independence set forth in the NASDAQ listing standards and rules promulgated under the Securities Exchange Act of 1934. Cintas' director independence standards, incorporated in the Corporate Governance Guidelines, are available on our website at www.cintas.com, under About Us – Investors – Corporate Governance. Based on these standards, the Board determined that each of the following nonemployee directors is independent: Gerald S. Adolph, John F. Barrett, Melanie W. Barstad, James J. Johnson, Joseph Scaminace and Ronald W. Tysoe. Our Audit, Compensation and Nominating and Corporate Governance Committees are composed solely of independent directors. All directors are elected for one-year terms. Information on each of our nominees is given below.

An uncontested election is one in which the number of nominees does not exceed the number of directors to be elected. In an uncontested election, like this election, our Bylaws require that any nominee who does not receive a majority of the votes cast with respect to such nominee must promptly offer his or her resignation to the Board. The Nominating and Corporate Governance Committee will take the matter under advisement and make a recommendation to the Board on whether to accept or reject the resignation or whether other action should be taken. The Board has 90 days following certification of the shareholder vote to consider the offer of resignation. Within such 90-day period, the Board will promptly disclose publicly its decision whether to accept the director's resignation offer. If a director nominee becomes unavailable before the election, your proxy card authorizes us to vote for a replacement nominee if the Board names one.

The Board recommends you vote FOR each of the following nominees:

Gerald S. Adolph⁽¹⁾⁽²⁾

61

Gerald S. Adolph was elected a Director of Cintas in 2006. He is the Chairman of the Compensation Committee. Mr. Adolph has been a Principal with PWC Strategy& (formerly Booz & Company), a consulting firm, since 1981. Mr. Adolph held numerous leadership positions at Booz & Company, including Worldwide Chemicals Practice Leader, Worldwide Consumer and Health Practice Leader and Global Mergers and Restructuring Practice Leader. He also served on the Booz Allen Hamilton board of directors from 1994 to 1997. The Board believes that Mr. Adolph's consulting experience, giving him insight into various corporate governance and business management issues, as well as his status as an independent director, make his service on the Board integral to Cintas.

John F. Barrett⁽²⁾⁽⁴⁾
66

John F. Barrett was elected a Director of Cintas in 2012. Mr. Barrett has been the Chairman, President and Chief Executive Officer of Western & Southern Financial Group, a Cincinnati-based diversified family of financial services companies, since 2002. Mr. Barrett is also a Director of Convergys Corporation. He served as a director of The Fifth Third Bancorp and its subsidiary, The Fifth Third Bank, from 1988 to 2009, and The Andersons, Inc. from 1992 to 2008. The Board believes that Mr. Barrett's principal executive officer experience and service as a director of other publicly-traded companies, which have provided him with a deep understanding of business matters, his broad financial acumen and his status as an independent director, makes his service on the Board valuable to Cintas.

Melanie W. Barstad⁽¹⁾⁽²⁾
62

Melanie W. Barstad was elected a Director of Cintas in 2011. Ms. Barstad was with the Johnson & Johnson Family of Companies, a diversified global provider of consumer products, prescription medicines and medical devices, for 23 years, retiring in 2009 as President of Women's Health in the Medical Device and Diagnostics Division. She served as a management board member on numerous Johnson & Johnson operating company boards including Johnson & Johnson Health Care Systems, Ethicon Endo Surgery and Johnson & Johnson Medical from 1997 to 2009. Ms. Barstad also served as co-chair of the Johnson & Johnson Women's Leadership Initiative. She has earned the National Association of Corporate Directors Board Leadership Fellow credentials. The Board believes that Ms. Barstad's experience running complex, enterprise-wide global businesses as a line executive and as a management board member and her status as an independent director makes her service on the Board valuable to Cintas.

Richard T. Farmer
80

Richard T. Farmer is the founder of Cintas and has served as Chairman Emeritus of the Board since 2009. He served as Chairman of the Board of Cintas and its predecessor companies from 1968 to 2009. Prior to the founding of Cintas, Mr. Farmer worked with his family owned company, which Cintas acquired in the early 1970s. Prior to August 1, 1995, Mr. Farmer also served as Cintas' Chief Executive Officer. The Board believes that Mr. Farmer, as the founder of Cintas, possesses unparalleled experience in, and insight into, all aspects of Cintas' business, which he is able to contribute to the Board through his position as Chairman Emeritus of the Board.

Scott D. Farmer⁽³⁾
56

Scott D. Farmer joined Cintas in 1981. He has held the positions of Vice President – National Account Division, Vice President – Marketing and Merchandising, Rental Division Group Vice President and Chief Operating Officer. In 1994, he was elected to the Board. He was elected Chief Executive Officer in July 2003. The Board believes that Mr. Farmer's breadth of knowledge and experience in the areas of marketing, business development and corporate strategy, as well as his familiarity with all aspects of Cintas' business, renders his service on the Board extremely beneficial to Cintas.

James J. Johnson⁽²⁾⁽⁴⁾
68

James J. Johnson was elected a Director of Cintas in 2009. Mr. Johnson was with The Procter & Gamble Company, a manufacturer and marketer of consumer products, for 35 years, retiring in June 2008 as Chief Legal Officer. The Board believes that Mr. Johnson's experience with the myriad of legal issues surrounding a publicly-traded company and his status as an independent director renders his service on the Board invaluable to Cintas.

Robert J. Kohlhepp⁽³⁾
71

Robert J. Kohlhepp has been a Director of Cintas since 1979. He has been employed by Cintas since 1967 serving in various executive capacities including Vice President – Finance, Executive Vice President, President, Chief Executive Officer and Vice Chairman of the Board. He was elected Chairman of the Board in 2009. He is also a Director of Parker Hannifin Corporation. He served as a director of Eagle Hospitality Properties Trust, Inc. from 2004 until 2008. The Board believes that Mr. Kohlhepp's long-time service to Cintas, much of which has been in an executive capacity, has given him significant experience with capital management and allocation and public company financial statement preparation, uniquely qualifying him to serve as the Chairman of the Board.

Joseph Scaminace⁽¹⁾⁽²⁾⁽³⁾
62

Joseph Scaminace was elected a Director of Cintas in 2010. He is designated as Lead Director of the Cintas Board of Directors and is Chairman of the Executive Committee and the Nominating and Corporate Governance Committee. Mr. Scaminace has been Chairman, President and CEO of OM Group, Inc. ("OMG"), a diversified industrial growth company, since 2005. Prior to joining OMG, Mr. Scaminace was the President and Chief Operating Officer of The Sherwin-Williams Company, a paint and coatings company, where he had worked in various capacities since 1983. He is a member of the Board of Trustees of The Cleveland Clinic. Mr. Scaminace is also a Director of Parker Hannifin Corporation. The Board believes that Mr. Scaminace's principal executive officer experience and service as a director of another publicly-traded company, which have provided him insight into high-level corporate governance and executive compensation matters, as well as his independent director status, make him an integral member of Cintas' Board.

Ronald W. Tysoe⁽²⁾⁽⁴⁾
62

Ronald W. Tysoe was elected a Director of Cintas in 2008. He is the Chairman of the Audit Committee. Mr. Tysoe served as Senior Advisor of Perella Weinberg Partners LP, a financial services firm, from October 2006 until his retirement in September 2007. He served as Vice Chairman of Federated Department Stores, Inc. (now known as Macy's Inc.), a clothing and home furnishings company, from April 1990 to October 2006. Mr. Tysoe is also a Director of Canadian Imperial Bank of Commerce, Scripps Networks Interactive, Inc., Taubman Centers, Inc. and J. C. Penney Company, Inc. (now known as Retail Opportunity Investments Corp.) from 2007 until 2009, and Pzena Investment Management Inc. from 2008 until 2013. The Board believes that Mr. Tysoe's service as a Vice Chairman of another publicly-traded company, his independent director status and the fact that he is an "audit committee financial expert" under SEC guidelines, given his understanding of accounting and financial reporting, disclosures and controls, make his Board service extremely beneficial to Cintas.

CORPORATE GOVERNANCE

Cintas is a Washington corporation and, therefore, governed by the corporate laws of Washington. Since its stock is publicly traded on the NASDAQ Global Select Market and it files reports with the SEC, it is also subject to the rules of NASDAQ as well as various provisions of federal securities laws and the Sarbanes-Oxley Act of 2002 ("SOX"). Governance of the Company is placed in the hands of the directors who, in turn, elect officers to manage the business operations. The Board oversees the management of Cintas on your behalf. It reviews Cintas' long-term strategic plans and exercises direct decision making authority in all major decisions, such as significant acquisitions, deconsolidations and the declaration of dividends. The Board also reviews financial and internal controls and management succession plans.

During fiscal 2015, the Board met on four occasions. In addition, the independent directors met in executive session on four occasions during fiscal 2015 without the presence of management directors. The Lead Director presided over each session.

Cintas expects all directors to attend all Board and shareholder meetings. All directors attended the 2014 Annual Meeting of Shareholders. Each of Cintas' directors attended all meetings of the Board and committees of which they were a member during fiscal 2015.

Shareholders may communicate with the full Board or individual directors on matters concerning Cintas by mail or through our website. Such communication should be sent to the attention of the Secretary. Interested persons may communicate directly and confidentially with our non-management directors by writing to Thomas E. Frooman, 6800 Cintas Boulevard, P.O. Box 625737, Cincinnati, Ohio 45262-5737. However, any such communications that are considered to be improper for submission to the intended recipients will not be provided to the directors. Examples of communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate, directly or indirectly, to Cintas' business or communications that relate to improper or irrelevant topics. In addition, please note that the Secretary will not forward communications that are spam, junk mail or mass mailings, resumes and other forms of job inquiries, surveys and business solicitations or advertisements.

The Board has adopted the Cintas Code of Conduct and Business Ethics applicable to officers, directors and employees. A copy of the Cintas Code of Conduct and Business Ethics is available on our website, www.cintas.com, under About Us. Cintas intends to post on its website within four business days after approval any amendments or waivers to the Code of Conduct and Business Ethics.

The directors have organized themselves into the committees described below to help carry out Board responsibilities. In particular, Board committees work on key issues in greater detail than would be possible at full Board meetings. Each committee reviews the results of its meetings with the full Board.

The Executive Committee is composed of Joseph Scaminace (Chairman), Scott D. Farmer and Robert J. Kohlhepp. It acts for the Board as required between Board meetings. This Committee had no meetings in fiscal 2015, but took several actions in writing.

Each of the Nominating and Corporate Governance Committee, Audit Committee and Compensation Committee is composed entirely of nonemployee directors, each of whom meets the relevant independence requirements established by NASDAQ and SOX that apply to their particular assignments.

Board Leadership Structure

The Board is responsible for evaluating and determining Cintas' leadership structure. Currently, two separate individuals serve in the capacities of Chairman and Chief Executive Officer ("CEO"). Mr. Robert J. Kohlhepp was elected our Chairman of the Board in 2009 and Mr. Scott D. Farmer has been our CEO since 2003. Mr. Kohlhepp has been employed by Cintas since 1967, serving in various executive capacities including Vice President – Finance, Executive Vice President, President, Chief Executive Officer and Vice Chairman of the Board. As Chairman, Mr. Kohlhepp is responsible for presiding over all meetings of the Board and shareholders, setting agendas for Board meetings and providing advice and counsel to Cintas' management regarding Cintas' business and operations. As CEO, Mr. S.D. Farmer is responsible for the general management, oversight, supervision and control of the business and affairs of Cintas, and ensuring that all actions and resolutions of the Board are carried into effect. With their many years of experience with Cintas, Cintas believes that Mr. Kohlhepp and Mr. S.D. Farmer are uniquely qualified to be Cintas' Chairman and CEO, respectively. We believe that this leadership structure is currently the most appropriate for Cintas.

In electing the Chairman and appointing the CEO, the Board considers nominees' knowledge of and experience with Cintas and its corporate culture, general industry experience and other executive skills. Our Board recognizes that, depending on the circumstances, leadership models other than the current model might be appropriate. Our corporate governance guidelines provide that the Board selects the Chairman of the Board in the manner that it determines to be in the best interests of Cintas' shareholders.

The Board considers it to be useful and appropriate to designate a nonemployee director to serve in a lead capacity to preside over meetings of independent directors, coordinate the activities of the other nonemployee directors, act as liaison among other directors, preside at Board meetings in the absence of the Chairman and to perform such other duties and responsibilities as the Board may determine. The Board has designated Joseph Scaminace as the Lead Director.

The Board's Role in Risk Oversight

The entire Board, rather than a separate board committee, oversees Cintas' risk management process. Cintas relies on a comprehensive enterprise risk management ("ERM") process to aggregate, monitor, measure and manage risks. The ERM approach is designed to enable the Board to establish a mutual understanding with management of the effectiveness of Cintas' risk management practices and capabilities, to review Cintas' risk exposure and to elevate certain key risks for discussion at the Board level as appropriate.

Our senior management is responsible for identifying, assessing and managing the company's exposure to risk, and we have established a risk committee which is responsible for overseeing and monitoring our risk strategy and chartering risk mitigation related actions. The risk committee is chaired by the CEO and has broad-based functional representation including senior management from Cintas' corporate audit, legal, operations, security and finance areas. The CEO is the only member of the Board on the risk committee.

The risk committee has scheduled quarterly meetings, which may or may not take place depending on the current needs. At its meetings, the risk committee discusses risks to Cintas' business (operational, financial and legal), the potential impact to the business and the probability of occurrence in order to determine the best solution and identify the need for resource allocation. This process includes evaluating management's preparedness to respond to the risk if realized.

One risk committee meeting annually focuses entirely on ERM. The risk profiles and current and future mitigating actions are discussed and refined during subsequent meetings with senior management and the CEO. Thereafter, the risk committee presents a comprehensive report to the Board in an interactive session during which the Board has the opportunity to further discuss the risk committee's assessments and conclusions.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for nominating persons for election as directors at each annual shareholders' meeting, making recommendations for filling any Board vacancies that may arise between meetings due to resignation or other factors and developing and recommending to the Board corporate governance policies and guidelines for Cintas. Cintas does not have a formal policy regarding diversity in determining director nominees. However, in nominating directors, the Nominating and Corporate Governance Committee takes into account, among other factors which it may deem appropriate, the judgment, skill, diversity, business experience and needs of the Board as its function relates to the business of Cintas. The Nominating and Corporate Governance Committee will consider nominees recommended by security holders in written correspondence directed to the Secretary of Cintas. The Nominating and Corporate Governance Committee evaluates the qualifications of candidates properly submitted by shareholders on the same basis as those of other director candidates. However, in no event shall any nomination made by a shareholder be binding on Cintas unless it is made in strict accordance with Cintas' Bylaws as they may be amended from time to time. A copy of the Nominating and Corporate Governance Committee Charter is available on our website, www.cintas.com, under About Us – Investors – Corporate Governance.

Committee members: Joseph Scaminace (Chairman), Gerald S. Adolph, John F. Barrett, Melanie W. Barstad, James J. Johnson and Ronald W. Tysoe.

Meetings last year: Two

Audit Committee

The Audit Committee is governed by a written charter adopted by the Board. A copy of the Audit Committee Charter is available on our website, www.cintas.com, under About Us – Investors – Corporate Governance. Ronald W. Tysoe has been designated as an Audit Committee financial expert by the Board and the Board has determined that Mr. Tysoe satisfies the expertise and audit committee independence standards required by NASDAQ and the SEC.

The Audit Committee is solely responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm. The Audit Committee also evaluates information received from the independent registered public accounting firm and management to determine whether the registered public accounting firm is independent of management. The independent registered public accounting firm reports directly to the Audit Committee.

The Audit Committee has established procedures for the receipt, retention and treatment of complaints received by Cintas concerning accounting, internal accounting controls or auditing matters and has established procedures for the confidential and anonymous submission by employees of any concerns they may have regarding questionable accounting, auditing or financial matters.

The Audit Committee approves all audit and nonaudit services performed for Cintas by its independent registered public accounting firm prior to the time that those services are commenced. The Chairman also has the authority to approve these services between regularly scheduled meetings. In this event, the Chairman reports approvals made by him to the full Committee at each of its meetings. For these purposes, the Committee, or its Chairman, is provided with information as to the nature, extent and purpose of each proposed service, as well as the approximate time frame and proposed cost arrangements for that service.

Committee members: Ronald W. Tysoe (Chairman), John F. Barrett and James J. Johnson.

Meetings last year: Eight (four of which were telephonic meetings)

AUDIT COMMITTEE REPORT

The Audit Committee oversees Cintas' financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. As part of the oversight processes, the Audit Committee regularly meets with management of Cintas, Cintas' independent registered public accounting firm and Cintas' Director of Internal Audit. The Audit Committee regularly meets with each of these groups separately in closed sessions. Throughout the year, the Audit Committee had full access to management, the independent registered public accounting firm and internal auditors for Cintas. To fulfill its responsibilities, the Audit Committee did, among other things, the following:

- (a) reviewed and discussed Cintas' audited financial statements for fiscal 2015 with Cintas' management and the independent registered public accounting firm, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements;

Compensation Committee

The Compensation Committee is governed by a written charter adopted by the Board. A copy of the Compensation Committee Charter is available on our website, www.cintas.com, under About Us – Investors – Corporate Governance. In discharging the responsibilities of the Board relating to compensation of Cintas' CEO and other senior executive officers, the purposes of the Compensation Committee are, among others, (i) to review and approve the compensation of Cintas' CEO and other senior executive officers, (ii) to oversee the compensation policies and programs of Cintas, including adopting, administering and approving Cintas' incentive compensation and stock plans and awards and amendments to the plans or awards and performing such duties and responsibilities under the terms of any executive compensation plan, incentive-compensation plan or equity-based plan and (iii) to oversee management succession planning. The Compensation Committee has the authority to delegate any of its responsibilities to subcommittees as the Compensation Committee may deem appropriate in its sole discretion. In fiscal 2015, the Committee believes it reviewed the necessary resources available to survey the compensation practices of Cintas' peers and keep abreast of compensation developments in the marketplace.

The Compensation Committee periodically reviews the compensation programs and policies that apply to all Cintas employee-partners to determine whether such programs and policies are reasonably likely to have a material adverse effect on Cintas. As part of the Compensation Committee's on-going process, the Compensation Committee, with the assistance of Cintas' human resources, finance and legal departments, conducted a formal assessment of these compensation programs and policies and determined that they do not create risks that are reasonably likely to have a material adverse effect on Cintas. Among the areas the Compensation Committee considered in determining that Cintas' compensation programs and policies do not pose a material risk to Cintas included Cintas': compensation philosophy; compensation plan design (balanced pay mix, weightings of measures, performance targets and annual and long-term incentives); and compensation plan governance and oversight (selection of performance targets, stock ownership requirements, claw-back policy, and hedging policy).

Cintas' executive compensation policies are designed to support the corporate objective of maximizing the long-term value of Cintas for its shareholders and employee-partners. To achieve this objective, the Committee believes it is important to provide competitive levels of compensation to attract and retain the most qualified employees, to recognize individuals who exceed expectations and to closely link executive compensation with corporate performance. Cintas, with the Compensation Committee's oversight, uses short and long-term incentive and equity compensation plans to ensure company objectives are achieved.

The Compensation Committee processes and procedures for the consideration and determination of executive and director compensation are discussed in the section entitled "Executive Compensation."

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section discusses and analyzes the compensation awarded to, earned by, or paid to Cintas' named executive officers, as set forth in the Fiscal 2015 Summary Compensation Table and other executive compensation tables and narratives contained in this proxy statement. It also discusses the principles underlying our policies and decisions. For fiscal 2015, the Company's named executive officers include the following five current executive officers:

Name	Title
Scott D. Farmer	Chief Executive Officer
J. Phillip Holloman	President and Chief Operating Officer
J. Michael Hansen	Vice President - Finance and Chief Financial Officer (former Vice President and Treasurer)
Thomas E. Frooman	Senior Vice President, Secretary and General Counsel
Robert J. Kohlhepp	Chairman of the Board

In addition, the following former executive officer is also considered a named executive officer for fiscal 2015:

Name	Title
William C. Gale	Former Senior Vice President and Chief Financial Officer

Overview of Compensation Program

The Compensation Committee oversees the compensation programs of Cintas, with particular attention to the compensation for its CEO and the other executive officers. It is the responsibility of the Compensation Committee to review and approve or, as the case may be, recommend to the Board for approval, changes to Cintas' compensation policies and benefit plans, to administer Cintas' stock plans including recommending and approving stock-based awards to executive officers, and to otherwise ensure that Cintas' compensation philosophy is consistent with the best interests of Cintas and its shareholders and is properly implemented and monitored. Generally, the types of compensation and benefits provided to all executive officers are similar.

The day-to-day administration of savings plans, profit sharing plans, stock plans, health, welfare and paid-time-off plans and policies applicable to salaried employees in general is handled by Cintas' human resources, finance and legal department employees. The responsibility for certain fundamental changes outside the day-to-day requirements necessary to maintain these plans and policies belongs to the Compensation Committee.

Compensation Philosophy and Objectives

The primary focus of our executive compensation program is to support the corporate objective of maximizing the long-term value for our shareholders and employee-partners. We also strive to provide a competitive level of total compensation to all of our employee-partners, including the executive officers, that attracts and retains talented and experienced individuals and that motivates them to contribute to Cintas' short-term and long-term success.

Our incentive compensation program is designed to reward both individual and team performance, measured by overall Cintas results and individual achievement. The Management Incentive Plan for fiscal 2015 applies to all of our executive officers, except for Mr. Kohlhepp who does not participate in the Management Incentive Plan. The incentive compensation arrangement for our CEO, Mr. Scott D. Farmer, was based on Cintas' earnings per share ("EPS"), growth in sales and other performance goals selected by the Committee. The incentive compensation arrangement for our President and Chief Operating Officer, Mr. J. Phillip Holloman, was based on Cintas' EPS, growth in sales for operations within his responsibility, growth in net income for operations within his responsibility and the accomplishment of certain individual goals. The incentive compensation arrangements for our Vice President - Finance and Chief Financial Officer, Mr. J. Michael

Hansen, our Senior Vice President, Secretary and General Counsel, Mr. Thomas E. Frooman, and our former Senior Vice President and Chief Financial Officer, William C. Gale, were based on Cintas' EPS and achievement of certain individual goals.

Compensation Decision-Making Process

The Compensation Committee determines the compensation for the executive officers based on recommendations made by management as discussed below. Annually, the Committee reviews a market analysis of executive compensation plans. The analysis looks at published general industry survey data by revenue size. The Committee evaluates base salary, annual cash incentives, long-term compensation and other compensation. Our analysis shows that our named executive officers' target compensation is competitive with the total compensation of respective named executive officers in our market analysis.

Based on the market analysis and individual performance, the Chairman of the Board makes a recommendation to the Committee on the CEO's base salary and annual cash incentive target for the upcoming fiscal year. The CEO makes a recommendation to the Committee for the base salaries and annual cash incentive targets for the upcoming fiscal year for other executive officers.

In October 2014, and at various meetings held during the remainder of fiscal 2015, the Board reviewed the results of our 2014 "say-on-pay" vote, where over 98% of the votes cast approved of our named executive officers' compensation. Based on the results of the 2011 "say-on-frequency" vote, the Board determined that we will conduct say-on-pay votes on an annual basis until the next say-on-frequency vote is held. In addition, after taking into consideration the strong support for our executive compensation program reflected in the 2014 say-on-pay results, the Compensation Committee decided to generally continue to apply the same philosophy, compensation objectives and governing principles as it used for fiscal 2014 when making subsequent decisions or adopting subsequent policies regarding named executive officer compensation. The Committee believes the voting results demonstrate significant support for our named executive officer pay program and did not make any changes to the fiscal 2015 program specifically in response to the 2014 say-on-pay results. The Compensation Committee has, however, continued to monitor the voting policies of our institutional shareholders and their advisors since last year as well as review the overall program to ensure it achieves the designed goal as set forth in "Compensation Philosophy and Objectives" and will continue to take those voting policies and the effectiveness of the program into account when considering changes to our executive compensation program.

Recent Executive Officer Transition

During fiscal 2015, Mr. Gale, former Senior Vice President and Chief Financial Officer, announced his retirement from Cintas, effective as of January 31, 2015. Cintas appointed Mr. Hansen to Vice President - Finance and Chief Financial Officer effective as of Mr. Gale's retirement and adjusted Mr. Hansen's compensation accordingly. After Mr. Hansen's appointment to Chief Financial Officer, the position of Treasurer remained open for the remainder of fiscal 2015. As a result of this transition, the Company's compensation discussion and analysis section and the related compensation tables and narratives cover six named executive officers for fiscal 2015. Not all of the named executive officers participated in or received all of the compensation elements described in this section. When discussing each compensation element in this section, Cintas explains the degree to which each named executive officer participated in or was eligible for the described elements.

Key Elements of Compensation

The table below summarizes the key fiscal 2015 compensation program elements for our named executive officers:

Element	Form of Compensation	Purpose
Base Salaries	Cash	Provides competitive, fixed compensation to attract and retain exceptional executive talent
Annual Cash Incentives	Cash	Provides a variable financial incentive to achieve corporate and individual operating goals
Long-Term Equity Incentives	Non-qualified stock options (or restricted stock units) and/or restricted stock	Encourages, under the terms of Cintas' equity plan, named executive officers to build and maintain a long-term equity ownership position in Cintas so that their interests are aligned with our shareholders
Health, Retirement and Other Benefits	Eligibility to participate in benefit plans generally available to our employee-partners, including Partners' Plan contributions, health, life insurance and disability plans, deferred compensation plan, and certain perquisites	Benefit plans are part of a broad-based employee benefits program. The deferred compensation plan and perquisites provide competitive benefits to our named executive officers

We believe that each element of our compensation program plays a substantial role in maximizing long-term value for our shareholders and employee-partners because of the significant emphasis on pay-for-performance principles. Generally, approximately 50% of a named executive officer's total compensation is based on Cintas' results and the attainment of individual goals. As a result, Cintas' performance has a significant effect on the amount of compensation realized by the executive officers.

Each of these elements of pay is described and analyzed in more detail in the following pages.

Base Salaries

The Compensation Committee annually reviews the base salaries of our executive officers. The Committee also reviews an executive officer's base salary whenever there is a change in that executive officer's job responsibilities. The factors that influence base salary decisions are level and scope of responsibility, salary offered by comparably sized companies, overall performance of the individual and overall performance of Cintas.

The following are the fiscal 2015 base salaries that were approved by the Compensation Committee for our named executive officers:

Officer	Fiscal 2015 Base Salary (\$)	% Increase Over the Prior Year
Scott D. Farmer	840,474	3.0%
J. Michael Hansen ⁽¹⁾	340,000	17.9%
Thomas E. Frooman	485,000	4.1%
J. Phillip Holloman	625,210	3.0%
Robert J. Kohlhepp	408,434	0.0%
William C. Gale ⁽²⁾	512,940	3.0%

⁽¹⁾ Mr. Hansen was appointed to Vice President - Finance and Chief Financial Officer effective as of January 31, 2015 upon the retirement of Mr. Gale. Upon this appointment, Mr. Hansen's base salary was adjusted from \$297,134, which was his salary for the first seven months of the fiscal year, to \$340,000 for the last five months of the fiscal year.

⁽²⁾ Mr. Gale's base salary represents the salary he would have received had he been acting CFO for the full fiscal year.

Annual Cash Incentives

The Compensation Committee strongly believes that variable annual cash incentives provide a direct financial incentive for executive officers to achieve corporate and individual operating goals. At the beginning of each fiscal year, the Committee establishes an annual cash incentive target for each participating named executive officer based on certain financial and non-financial goals.

The performance components and targets were derived from the operating plans for Cintas for fiscal 2015 and represent goals for that year that the Committee believed would be challenging for Cintas, yet achievable if senior and operating management met or surpassed their business unit goals and objectives.

The Committee anticipates that similar performance components and targets will be utilized in fiscal 2016 because these objectives are important and Cintas continues to make progress on these objectives. However, the Committee reserves the right to determine on an ongoing basis the performance components and targets it will use in developing the performance-based portion of the named executive officers' compensation.

For fiscal 2015, the Committee approved a total compensation plan for Mr. S. D. Farmer. The aggregate amount of Mr. S. D. Farmer's annual cash incentive for fiscal 2015 is comprised of the financial objectives of fiscal 2015 Cintas EPS, fiscal 2015 sales growth and certain non-financial goals. The EPS and sales growth goals were established with reference to the operating plans for Cintas for fiscal 2015. The EPS goals for all participants were identical. The percentage of the target annual cash incentive related to the fiscal 2015 Cintas EPS, the growth of fiscal 2015 sales and the non-financial goals relating to safety, employee diversity, growth metrics and software implementation, were 37.5%, 37.5% and 25%, respectively. The Management Incentive Plan provided that if Cintas met the targeted EPS, sales growth and the other non-financial goals, Mr. S. D. Farmer would receive a target annual cash incentive of \$546,315. Based upon the overall achievement of these objectives, Mr. S. D. Farmer could earn from 0% to a maximum of 200% of the target annual cash incentive.

Under the Management Incentive Plan, annual cash incentive calculations for achievement of financial goals are based on actual results, subject to adjustment at the discretion of the Compensation Committee to

exclude items that are not operational, such as accounting principle changes or revenue from an acquisition that was not in the business plan.

The annual cash incentive payout percentage multiplier for each component of Mr. S. D. Farmer's target annual cash incentive is provided in the following tables (for each participating named executive officer, annual cash incentive payouts are interpolated on a straight-line basis for achievement between the levels of achievement established for the financial components of the annual cash incentives):

EPS Component Level of Achievement	EPS Goals	Annual Cash Incentive Payout	
Below Threshold	<\$2.93	0	%
Threshold	\$2.93	25	%

The Grants of Plan-Based Awards for Fiscal 2015 table outlines estimated possible payouts under this non-equity incentive plan award. Based on Cintas' EPS and sales growth for fiscal 2015, Mr. S. D. Farmer received an annual cash incentive award of \$665,821. Fiscal 2015 EPS used in the incentive plan calculations, which is an adjusted figure and not the Company's reported diluted EPS, was \$3.47 per diluted share. The adjusted figure excludes the impacts of the deconsolidated and divested Document Management businesses. Sales growth for fiscal 2015, which is an adjusted figure that excludes the impacts of the Document Management businesses, was 6.75%. Mr. S. D. Farmer received \$136,579 based on the performance of the non-financial goals outlined above. His individual performance level was "Meets Goals." Mr. S. D. Farmer's total fiscal 2015 annual cash incentive award was \$802,400.

For fiscal 2015, the Committee approved a total compensation plan for Mr. Holloman. The aggregate amount of Mr. Holloman's annual cash incentive for fiscal 2015 is comprised of the financial objectives of fiscal 2015 Cintas EPS, fiscal 2015 sales growth for operations within his responsibility, fiscal 2015 income growth for the operations within his responsibility and the accomplishment of certain non-financial goals. The sales growth and income growth goals were established with reference to the operating plans for operations within Mr. Holloman's responsibility for fiscal 2015. The percentage of the target annual cash incentive related to fiscal 2015 Cintas EPS, the growth of fiscal 2015 sales for operations within his responsibility, the growth of fiscal 2015 income for operations within Mr. Holloman's responsibility and the non-financial goals relating to safety, employee diversity, cross selling and inventory management are 30%, 30%, 15% and 25%, respectively. The Management Incentive Plan provided that if Cintas met the targeted EPS as well as sales growth and income growth for operations within his responsibility and the other non-financial goals, Mr. Holloman would receive a target annual cash incentive of \$376,672. Based upon the overall achievement of these objectives, Mr. Holloman could earn from 0% to a maximum of 200% of the target annual cash incentive.

The annual cash incentive payout percentage multiplier for each financial component of Mr. Holloman's target annual cash incentive is provided in the following tables:

EPS Component Level of Achievement	EPS Goals	Annual Cash Incentive Payout	
Below Threshold	<\$2.93	0	%
Threshold	\$2.93	50	%

The Grants of Plan-Based Awards for Fiscal 2015 table outlines estimated possible payouts under this non-equity incentive plan award. Based on Cintas' EPS, sales growth for operations within his responsibility for fiscal 2015 and income growth for operations within his responsibility for fiscal 2015, Mr. Holloman received an annual cash incentive award of \$377,612 for these components. Mr. Holloman received \$94,168 based on the performance of the non-financial goals outlined above. His individual performance level was "Meets Goals." Mr. Holloman's total fiscal 2015 annual cash incentive award was \$471,780.

For fiscal 2015, the Committee approved total compensation plans for Mr. Hansen, Mr. Frooman and Mr. Gale. As Chairman of the Board, Mr. Kohlhepp does not participate in the annual cash incentive plan. The aggregate amount of annual cash incentive for fiscal 2015 for Mr. Hansen, Mr. Frooman and Mr. Gale is comprised of the sum of that named executive officer's incentive for the Cintas EPS component and the individual performance component (consisting of a subjective performance evaluation rather than performance against specified individual performance goals). Annual cash incentive compensation for Mr. Hansen and Mr. Gale was pro-rated during fiscal 2015 due to the retirement of Mr. Gale and the promotion of Mr. Hansen. Based upon overall performance, the eligible named executive officers could earn from 0% to a maximum of 200% of the annual cash incentive target. The following table sets forth the annual cash incentive targets and performance criteria that were reviewed and approved by the Committee:

Name	Annual Cash Incentive Target	EPS Component	Individual Performance Component
J. Michael Hansen ⁽¹⁾	\$116,600	50%	50%
Thomas E. Frooman	\$227,900	50%	50%
William C. Gale ⁽²⁾	\$208,000	50%	50%

⁽¹⁾ Mr. Hansen's target annual cash incentive was adjusted mid-year in conjunction with his appointment to Vice President - Finance and Chief Financial Officer. Upon this appointment, Mr. Hansen's target annual cash incentive was adjusted from \$78,747, which was his cash incentive target for the first seven months of the fiscal year, to \$116,600 for the last five months of the fiscal year.

⁽²⁾ Mr. Gale's target annual cash incentive was for the full fiscal year. His actual incentive payment was pro-rated based on his retirement.

The annual cash incentive payout percentage multiplier for each component is provided in the following tables:

EPS Component Level of Achievement	EPS Goals	Annual Cash Incentive Payout	
Below Threshold	<\$2.93	0	%
Threshold	\$2.93	50	%
Target	\$3.15	100	%
Maximum	\$3.47	200	%
Individual Performance Component Level of Achievement		Annual Cash Incentive Payout	
Does Not Meet Goals		0	%
Meets Most Goals		50	%
Meets Goals		100	%
Exceeds Goals		150	%
Outstanding Achievement		200	%

The Grants of Plan-Based Awards for Fiscal 2015 table outlines estimated possible payouts under these non-equity incentive plan awards. As presented to and approved by the Committee, the actual annual cash incentive payments earned for fiscal 2015 as reflected in the Fiscal 2015 Summary Compensation Table are as follows: Mr. Hansen earned a fiscal 2015 annual cash incentive award of \$159,888, which was adjusted mid-way through the fiscal year due to his promotion to Vice President - Finance and Chief Financial Officer as a result of Mr. Gale's retirement. Mr. Hansen's individual performance level was "Exceeds Goals" and Cintas' EPS was "Maximum." Mr. Frooman earned a fiscal 2015 annual cash incentive award of \$398,825. His individual performance level was "Exceeds Goals" and Cintas' EPS was "Maximum." Mr. Gale earned a fiscal 2015 annual cash incentive award of \$277,333, which was pro-rated for eight of the twelve months

based on his retirement date, effective as of January 31, 2015. His individual performance level was "Outstanding Achievement" and Cintas' EPS was "Maximum."

Long-Term Equity Incentives

Long-term equity incentive compensation is comprised of opportunities to earn non-qualified stock options and restricted stock. With respect to the participating named executive officers, these awards are made pursuant to the criteria outlined in the Management Incentive Plan. The purpose of such awards is to incentivize named executive officers to profitably grow Cintas' long-term business objectives and encourage named executive officers to build and maintain a long-term equity ownership position in Cintas so that their interests are aligned with those of our shareholders.

The amount of equity awards eligible for Mr. S. D. Farmer is based on a target level of Cintas' EPS and a target level of Cintas' sales growth. After the non-qualified stock option award is calculated, the Committee determined the form of payout, which for fiscal 2015 was restricted stock units for Mr. Farmer.

The amount of equity awards eligible for Mr. Holloman is based on a target level of Cintas' EPS, sales growth for operations within his responsibility and net income growth for operations within his responsibility. After the non-qualified stock option award is calculated, the Committee determined the form of payout, which for fiscal 2015 was restricted stock for Mr. Holloman.

The amount of equity awards eligible for Mr. Hansen and Mr. Frooman is based on a target level of Cintas' EPS and individual achievement. Mr. Frooman and Mr. Hansen receive 75% of their award value paid in stock options and 25% of their award value paid in restricted stock as determined by the Committee. Mr. Kohlhepp does not participate in this program, and due to his retirement, Mr. Gale did not receive any equity awards for fiscal 2015.

The tables below provide more detail with respect to the award percentage multiplier tied to each milestone level of achievement:

EPS Component Level of Achievement	EPS Goals	Equity Award %	
Below Threshold	<\$2.93	0	%
Threshold	\$2.93	50	%
Target	\$3.15	100	%
Maximum	\$3.47	200	%

The sales growth component for Mr. S. D. Farmer was considered by the Committee on a basis identical to the table shown previously under the Annual Cash Incentives section. Both the sales growth and net income components for Mr. Holloman were considered by the Committee on a basis identical to the tables shown previously under the Annual Cash Incentives section.

The Committee determined that equity awards would be based on an established target for Mr. Hansen and Mr. Frooman. The factors that influence the setting of targets are level of responsibility, market compensation analysis and overall performance of the individual. The Committee reviewed and approved the targets at the beginning of the fiscal year, and the award was granted based upon that named executive officer's performance compared to the targets outlined below:

Individual Performance Component Level of Achievement	Equity Award %	
Does Not Meet Goals	0	%
Meets Most Goals	50	%
Meets Goals	100	%
Exceeds Goals	150	%
Outstanding Achievement	200	%

Non-Qualified Stock Options

On July 20, 2015, Mr. Hansen and Mr. Frooman were awarded 15,750 and 29,050 non-qualified stock options, respectively, under Section 6 of the 2005 Equity Compensation Plan based on Cintas' fiscal 2015 EPS and their individual performance level, as outlined under the Annual Cash Incentives section. Mr. S. D. Farmer and Mr. Holloman's awards were also denominated in opportunities to earn both non-qualified stock options and restricted stock, but in accordance with the 2005 Equity Compensation Plan and with consideration that Mr. S. D. Farmer and Mr. Holloman are over the age of 55, the Committee determined to settle Mr. S. D. Farmer's non-qualified stock option opportunity in time-based restricted stock units and Mr. Holloman's non-qualified stock option opportunity in time-based restricted stock. Mr. Kohlhepp and Mr. Gale were not eligible for any equity awards.

As dictated by the 2005 Equity Compensation Plan, stock option awards have an exercise price equal to the closing stock price on the date of the award. As a result, stock options awarded to the named executive officers increase in value only if the market price of the common stock increases. Stock options vest at a rate of 33% per year, beginning on the third anniversary of the date of grant and ending on the fifth anniversary of the date of grant.

Restricted Stock and Restricted Stock Units

On August 4, 2015, Mr. S. D. Farmer was awarded 51,742 shares of restricted stock under Section 8 of the 2005 Equity Compensation Plan and 51,133 restricted stock units under Section 10 of the 2005 Equity Compensation Plan. These shares and units were awarded as Mr. S. D. Farmer's long-term equity award. Also on August 4, 2015, Mr. Holloman was awarded 34,976 shares of restricted stock under Section 8 of the 2005 Equity Compensation Plan as his long-term equity award. On July 20, 2015, Mr. Hansen and Mr. Frooman were awarded 5,308 and 12,250 shares of restricted stock, respectively, under Section 8 of the 2005 Equity Compensation Plan based on Cintas' fiscal 2015 EPS and their individual performance level, as outlined under the Annual Cash Incentives section. Mr. Kohlhepp and Mr. Gale were not eligible for any equity awards. In addition, on August 4, 2015, Mr. S. D. Farmer was awarded 13,918 restricted stock units that will settle in cash on July 28, 2017, which grant was made in connection with the correction of the amount of Mr. S. D. Farmer's 2014 time-based restricted stock grant.

Restricted stock and restricted stock units generally vest three years from the date of grant.

Health, Retirement and Other Benefits

Cintas' benefits program includes retirement plans and group insurance plans. The objective of our group insurance plans is to provide our executive officers with reasonable and competitive levels of protection from events which could interrupt the executive officer's employment and/or income received as an active employee.

The retirement plans offered to executive officers include Cintas' Partners' Plan and the Deferred Compensation Plan. The Partners' Plan is a noncontributory employee stock ownership plan and profit sharing plan with a 401(k) savings feature which covers substantially all employees. The Deferred Compensation Plan is discussed in more detail in the Nonqualified Deferred Compensation for Fiscal 2015 table of this proxy statement, and its accompanying narrative and footnotes.

Executive perquisites are kept by the Committee to a minimal level and do not play a significant role in executive compensation. These benefits and their incremental cost to Cintas are described in the Fiscal 2015 Summary Compensation Table and its footnotes. The Committee believes these perquisites to be reasonable, comparable with peer companies and consistent with Cintas' overall compensation practices.

Stock Ownership Guidelines

The Compensation Committee believes that Cintas' named executive officers should own particular amounts of shares of stock to align their long-term objective of managing Cintas with the interests of Cintas' shareholders. The Compensation Committee has adopted a stock ownership requirement for the named executive officers. Each named executive officer is required to maintain a minimum equity stake in Cintas stock based on his job position. The following table shows the stock ownership requirements for the named executive officers:

Officer	Minimum Ownership Requirement (Multiple of Base Salary)
Chief Executive Officer	6x
Chief Financial Officer	3x
President and Chief Operating Officer	3x
Senior Vice President, Secretary, and General Counsel	3x
Chairman of the Board	6x

The guidelines are assessed annually and are determined based on the current market practice and utilizing the respective named executive officer's base salary and closing stock price on the last day of the fiscal year. The named executive officers are notified about their ownership requirements annually. With the exception of the CEO, all named executive officers must come into compliance within five years from the effective date of these requirements, which was July 2010. All newly hired or promoted named executive officers will have seven years from the time of hiring or promotion to achieve the minimum ownership requirement. Currently, all continuing named executive officers are in compliance with their ownership requirements.

For purposes of these requirements, stock ownership includes: (i) stock held outright by the named executive officer (or his spouse or dependents); (ii) stock held beneficially through the Cintas Partners' Plan; (iii) stock held in an individual brokerage account; (iv) granted to the named executive officer but not yet vested (i.e. restricted stock); and (v) stock obtained through stock option exercise. Failure to meet or to show sustained progress toward meeting the ownership requirements may result in a reduction in future annual and/or long-term cash incentive payouts in the form of stock. Exceptions to these stock ownership requirements may be made at the discretion of the Compensation Committee if compliance would create a severe hardship.

Anti-Hedging Policy

Pursuant to our Insider Trading Policy, we have prohibited our officers from purchasing any financial instrument or engaging in any other transaction, such as a zero-cost collar or a forward sale contract, that is designed to hedge or offset any decrease in the market value of Cintas securities. Our Insider Trading Policy also prohibits our officers from participating in short sales of Cintas securities and from participating in a transaction involving options, such as puts, calls or other derivative securities, involving Cintas securities, unless approved in advance by our Chief Executive Officer in connection with a planned retirement from Cintas. Currently, all named executive officers are in compliance with this anti-hedging policy.

Change in Control Agreements

Cintas has no policy regarding change in control agreements. For a further discussion on this topic, please see the section titled "Potential Payments Upon Termination, Retirement or Change of Control" of this proxy statement.

Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code places a limit of \$1 million on the amount of compensation we may deduct in any one year with respect to certain named executive officers. There is an exception to the \$1 million limitation for performance-based compensation meeting certain requirements. The Compensation Committee believes that this tax deduction is only one of several relevant considerations in setting compensation. As a result, the Compensation Committee may approve compensation that in certain cases is not deductible for federal income tax purposes. Moreover, even if the Compensation Committee intends to grant compensation that qualifies as performance-based compensation for purposes of Section 162(m) of the Code, Cintas cannot guarantee that such compensation will so qualify or ultimately will be deductible.

Recovery of Prior Awards

The Committee has adopted a claw-back policy, which provides that in the event of an accounting restatement due to material noncompliance with financial reporting requirement under the U.S. federal securities laws, the Committee has the right to use reasonable efforts to recover from any of our current or former officers who received incentive based compensation (including annual cash incentives, non-qualified stock options

or restricted stock) during the three-year period preceding the date on which Cintas is required to prepare an accounting restatement any excess incentive based compensation awarded as a result of the misstatement. This policy applies to incentive based compensation granted after June 1, 2011. This claw-back policy is intended to be interpreted (or in future years revised) in a manner consistent with any applicable rules or regulations adopted by the SEC or NASDAQ as contemplated by Section 10D of the Securities Exchange Act of 1934 and any other applicable law and shall otherwise be interpreted in the best business judgment of the Committee.

(1) Mr. S. D. Farmer is eligible for an annual cash incentive and a long-term equity incentive award based on the achievement of targeted Cintas EPS and sales growth and other performance goals outlined by the Compensation Committee. If Cintas meets the targeted EPS and targeted sales growth and Mr. S. D. Farmer achieves his non-financial goals, Mr. S. D. Farmer will receive the targeted amount. This amount for EPS can decrease to 0% or increase up to 200%. For other performance goals this amount can decrease to 0% but not exceed the targeted amount, depending on the extent to which these goals are achieved. Restricted stock and restricted stock units are granted pursuant to the terms and conditions of the 2005 Equity Compensation Plan.

(2) Mr. Hansen, Mr. Frooman and Mr. Gale are eligible for an annual cash incentive and a long-term equity incentive award based on the achievement of targeted Cintas EPS and individual goals linked to the named executive officer's individual area of responsibility. If Cintas meets the targeted EPS and the named executive officer achieves his individual goals, he will receive the targeted amount. This amount can decrease to 0% or increase up to 200% of the target depending on the extent to which EPS and individual goals are achieved. This portion was originally denominated in options, and in accordance with the 2005 Equity Compensation Plan and with consideration that Mr. S. D. Farmer and Mr. Holloman are over the age of 55, the Committee determined to settle Mr. S. D. Farmer's portion in restricted stock units and Mr. Holloman's portion in restricted shares. Restricted shares and restricted stock units vest after three years and are settled in shares.
- (5) Stock option portion of the fiscal 2015 equity opportunity. Stock options vest at a rate of 33% per year, beginning on the third anniversary of the date of grant and ending on the fifth anniversary of the date of grant.
- (6) Restricted stock portion of the fiscal 2015 equity opportunity, actual grants under which will vest three years from the date of actual grant. This portion was denominated in and settled in restricted shares.
- (7) The exercise price of the option is equal to the closing stock price on the date of actual grant.
- (8) Amounts shown in this column represent the grant date fair value of stock and option awards calculated in accordance with ASC 718. NONQUALIFIED DEFERRED COMPENSATION FOR FISCAL 2015

Our named executive officers are eligible to participate in a Deferred Compensation Plan. This Deferred Compensation Plan permits a group of highly compensated employees of Cintas to defer the receipt of current year compensation which they have earned during the year. This Deferred Compensation Plan is intended to assist Cintas in the retaining and attracting of individuals of exceptional ability.

Our named executive officers may elect to defer up to 75% of their base salary and up to 90% of their earned annual cash incentive awards. Amounts deferred are credited to the named executive officer's account under the Deferred Compensation Plan and are fully vested.

Future payments are distributed in a lump sum or in annual installments, based on the choice of the named executive officer. If the form of payment selected provides for subsequent payments, subsequent payments will be made on the anniversary of the initial payment. All amounts are payable in a lump sum if the named executive officer terminates employment prior to meeting the definition of retirement; should they meet the definition of retirement, the balance will be distributed as elected. All distribution decisions and payments under the Deferred Compensation Plan are subject to compliance with Section 409A of the Internal Revenue Code.

While deferred, amounts are credited with "earnings" as they were invested as the named executive officers chose in one or more investment options available under the Deferred Compensation Plan. The named executive officers' accounts under the Deferred Compensation Plan will be adjusted from time to time, up or down, depending upon performance of the investment options chosen.

The following table provides information relating to the activity in the Deferred Compensation Plan accounts of the named executive officers during fiscal 2015 and the aggregate balance of the accounts as of May 31, 2015:

Name	Executive Contributions in Fiscal 2015 ⁽¹⁾ (\$)	Aggregate Earnings in Fiscal 2015 ⁽²⁾ (\$)	Aggregate Balance at May 31, 2015 ⁽³⁾ (\$)
Scott D. Farmer	880,813	94,246	2,488,520
J. Michael Hansen	50,936	25,513	413,442
Thomas E. Frooman	86,862	6,618	113,767
J. Phillip Holloman	229,124	66,515	822,188
Robert J. Kohlhepp	—	48,594	1,529,126
William C. Gale	—	—	—

(1) Executive contributions are included in the named executive officer's salary and/or non-equity incentive plan compensation, as applicable and as presented in the Fiscal 2015 Summary Compensation Table.

(2) Reflects the amount of gains during fiscal 2015 based on the performance of the investment options chosen by the named executive officer. None of these amounts are included in the Fiscal 2015 Summary Compensation Table.

(3) Include executive contributions previously reported in the Deferred Compensation Plan tables for prior years as follows: \$1,219,236 for Mr. S. D. Farmer, \$144,707 for Mr. Hansen, \$91,948 for Mr. Frooman, \$374,732 for Mr. Holloman and \$1,136,635 for Mr. Kohlhepp.

POTENTIAL PAYMENTS UPON TERMINATION, RETIREMENT OR CHANGE OF CONTROL

Payments Made Upon Termination

Regardless of the manner in which an executive officer's employment terminates, except for a "for cause" termination, he is entitled to receive amounts earned during his term of employment. Such amounts include:

- the right to exercise within 60 days of termination all vested stock options granted under Cintas' equity compensation plans as reflected in the Outstanding Equity Awards at Fiscal 2015 Year-End table;
- amounts contributed, earned and vested under the Cintas Partners' Plan; and
- amounts contributed and earned under the Deferred Compensation Plan as reflected in the Nonqualified Deferred Compensation for Fiscal 2015 table.

In addition, if Cintas elects to terminate an executive officer, he will receive four weeks' written notice or four weeks of base salary instead of notice. Generally, Cintas makes no payments to executives terminated for cause. Cintas has no policy regarding severance payments.

Payments Made Upon Retirement

NONEMPLOYEE DIRECTOR COMPENSATION FOR FISCAL 2015

Effective October 2014, the Compensation Committee approved increases to the nonemployee director compensation. Directors who are not employees of Cintas received a \$55,000 cash annual retainer, payable quarterly, plus an additional \$3,750 for each meeting attended. Directors received \$1,875 for each telephonic meeting attended. Committee members also received \$1,650 for each committee meeting attended and \$825 for each telephonic committee meeting attended. The Nominating and Corporate Governance Committee Chairmen, Audit Committee Chairman and Compensation Committee Chairman received an additional fee of \$15,000, \$12,000 and \$9,000, respectively. Prior to October 2014, the following nonemployee director compensation amounts were effective: Director's received a \$46,000 cash annual retainer, payable quarterly, plus an additional \$3,150 for each meeting attended. Directors received \$1,575 for each telephonic meeting attended. Committee members also received \$1,400 for each Committee meeting attended and \$700 for each telephonic committee meeting attended. Committee Chairmen (other than the Audit Committee Chairman) received an additional fee of \$6,500. The Audit Committee Chairman received an additional fee of \$9,000. Directors are also reimbursed for reasonable out-of-pocket travel expenses incurred in connection with attendance at Board or committee meetings. Directors who are employees of Cintas are not separately compensated for serving as directors.

For fiscal 2015, directors also received upon annual election or appointment to the Board restricted stock valued at approximately \$50,000 based on the closing market price of Cintas common stock on the date of the grant and options to purchase Cintas common stock valued at approximately \$50,000 based on the fair value of these options estimated at the date of the grant using a Black-Scholes option-pricing model. The value of the grants is prorated for directors appointed to the Board in the middle of the year. Each nonemployee director was therefore granted 703 shares of restricted stock and an option to purchase 2,554 shares of Cintas common stock at an exercise price equal to the closing market price on the date of grant of October 21, 2014. Beginning in fiscal 2015, both restricted stock awards and stock options vest 100% after one year from the date of the grant. Prior to fiscal 2015, restricted stock awards vest 100% after three years from the date of grant, and stock options vest 25% per year, beginning on the first anniversary of the grant.

Nonemployee directors may choose to defer all or part of these fees into Cintas common stock equivalents with dividends or into a deferred account that earns interest at a rate equal to one-year U.S. treasury bills, determined as of the preceding December 31, increased by 100 basis points. Deferred fees are payable either in a lump sum or in 12 to 120 monthly installments beginning in the month selected by the director, but in no case later than the first month after the director leaves the Board.

The following table details fiscal 2015 compensation paid to nonemployee directors:

Name	Fees Earned or Paid in Cash ⁽¹⁾ (\$)	Stock Awards ⁽²⁾ (\$)	Option Awards ⁽²⁾ (\$)	Total (\$)
Gerald S. Adolph	83,275	50,033	50,007	183,315

Melanie W. Barstad	74,900	50,033	50,007	174,940
James J. Johnson	79,775	50,033	50,007	179,815

Ronald W. Tysoe	91,025	50,033	50,007	191,065

Represents the amount of cash compensation earned in fiscal 2015 for Board and committee service. A director may choose to have all or part of his or her compensation deferred in the form of Cintas stock or one-year U.S. treasury bills plus 100 basis points. The directors who invested in Cintas stock would receive earnings equal to any (1) other shareholder who invested like money at the same time during fiscal 2015. Mr. Adolph, Mr. Barrett, Mr. Johnson, and Mr. Tysoe chose to receive all or a portion of their fees in Cintas stock as described above. Mr. Adolph received 1,138 shares, Mr. Barrett received 1,090 shares, Mr. Johnson received 545 shares and Mr. Tysoe received 323 shares.

The amounts reported for restricted stock and stock options is the aggregate grant date fair value of awards granted during the fiscal year calculated in accordance with the stock-based compensation accounting rules set forth in ASC 718. For more information on the assumptions used, see Note 12 of the Consolidated Financial Statements in our Annual Report on Form 10-K for the fiscal year ended May 31, 2015.

Stock Ownership Guidelines

The Compensation Committee believes that Cintas' nonemployee directors should own particular amounts of shares of common stock to align their long-term objective of managing Cintas with the interests of Cintas' shareholders. The Compensation Committee has adopted a stock ownership requirement for the nonemployee directors. Each nonemployee director is required to maintain a minimum equity stake in Cintas stock equivalent to 5 times the annual cash retainer.

The guidelines are assessed annually and are determined based on the current market practice and utilizing the cash retainer and closing common stock price on the last day of the fiscal year. The directors are notified about their ownership requirements annually. All directors must come into compliance within five years from the effective date of these requirements, which was in January, 2013. All newly appointed directors will have five years from the time of appointment to achieve the minimum ownership requirement.

For purposes of these requirements, stock ownership includes: (i) stock held outright by the nonemployee director (or his spouse or dependents); (ii) stock held in an individual brokerage account; (iii) stock granted to the director but not yet vested (in other words, restricted stock); and (iv) stock obtained through stock option exercise. Exceptions to these stock ownership requirements may be made at the discretion of the Compensation Committee if compliance would create a severe hardship.

Anti-Hedging Policy

Pursuant to our Insider Trading Policy, we have prohibited our directors from purchasing any financial instrument or engaging in any other transaction, such as a zero-cost collar or a forward sale contract, that is designed to hedge or offset any decrease in the market value of Cintas securities. Our Insider Trading Policy also prohibits our directors from participating in short sales of Cintas securities and from participating in a transaction involving options, such as puts, calls or other derivative securities, involving Cintas securities, unless approved in advance by our Chief Executive Officer in connection with a planned retirement from Cintas. Currently, all directors are in compliance with this anti-hedging policy.

Based solely upon its review of reports received by it, or upon written representation from certain reporting persons that no reports were required, Cintas believes that during fiscal 2015 all filing requirements were met.

Cintas manages the airplane under an operating agreement whereby each party pays their own operating expenses for use of the plane, and common costs are shared based on ownership percentages. For fiscal 2015, Cintas was reimbursed \$1,589,344 under this arrangement.

Cintas engages Keating Muething & Klekamp PLL for a variety of legal services. Robert E. Coletti, a partner of the firm, is an in-law of Richard T. and Scott D. Farmer. Cintas paid the firm fees of \$5,603,356 for legal services during the fiscal year ended May 31, 2015. Mr. Coletti does not receive any direct compensation from fees paid by Cintas to the firm.

Certain stock exchange rules require Cintas to conduct an appropriate review of all related party transactions (those required to be disclosed by Cintas pursuant to SEC Regulation S-K Item 404) for potential conflict of interest situations on an ongoing basis and that all such transactions must be approved by the Audit Committee or another committee comprised of independent directors. As a result, the Audit Committee annually reviews all such related party transactions and approves such related party transactions only if it determines that it is in the best interests of Cintas. In considering the transaction, the Audit Committee may consider all relevant factors, including as applicable (i) Cintas' business rationale for entering into the transaction; (ii) the alternatives to entering into a related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties, or in the case of employment relationships, to employees generally; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to Cintas.

While Cintas adheres to this policy for potential related person transactions, the policy is not in written form (other than as part of listing agreements with stock exchanges to the extent required). However, approval of such related person transactions is evidenced by Audit Committee resolutions in accordance with our practice of approving transactions in this manner.

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

(Item 2 on the Proxy Card)

The Board is committed to excellence in governance. As part of that commitment, and as required by Section 14A of the Securities Exchange Act of 1934, the Board is providing our shareholders with an opportunity to vote to approve, on an advisory basis, named executive officer compensation, which is commonly known as "say-on-pay." We are currently conducting say-on-pay votes every year, and expect to hold the next say-on-pay vote in connection with our 2016 Annual Meeting of Shareholders.

We are asking our shareholders to indicate their support for the compensation of our named executive officers as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the executive compensation program and practices described in this proxy statement. Please read the Compensation Discussion and Analysis and the executive compensation tables and narrative disclosure for a detailed explanation of our executive compensation program and practices. In 2014, our shareholders approved, on an advisory basis, the compensation of our named executive officers with a "FOR" vote of 98% of the votes cast. Accordingly, we are asking our shareholders to vote "FOR" the following resolution:

"RESOLVED, that the compensation of the named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables and any related material disclosed in this proxy statement, is hereby approved."

As an advisory vote, this proposal is not binding on Cintas. However, the Compensation Committee of our Board, which is responsible for designing and administering our executive compensation program and practices, values the opinions expressed by shareholders in their vote on this proposal, and expects to consider the outcome of the vote when making future compensation decisions for named executive officers.

YOUR BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

(Item 3 on the Proxy Card)

Although not required, the Board is seeking shareholder ratification of the selection by the Audit Committee of Ernst & Young LLP as Cintas' independent registered public accounting firm for fiscal 2016. If shareholders do not ratify this selection, the Audit Committee intends to continue the employment of Ernst & Young LLP at least through fiscal 2016, as the new fiscal year has already commenced. However, the Audit Committee will take the vote into account in selecting the independent registered public accounting firm for fiscal 2017. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement, if they desire to do so, and to respond to appropriate questions that may be asked by shareholders.

YOUR BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.
