Amendments to Credit Facilities

On September 6, 2013, Northeast Utilities (NU) and its subsidiaries, The Connecticut Light and Power Company (CL&P), NSTAR Gas Company (NSTAR Gas), NSTAR LLC (NSTAR), Public Service Company of New Hampshire (PSNH), Western Massachusetts Electric Company (WMECO) and Yankee Gas Services Company (Yankee Gas) entered into a First Amendment to Credit Agreement (the NU Amendment) with Bank of America, N.A., as Administrative Agent, and other lenders named therein. The NU Amendment amended the Credit Agreement, dated July 25, 2012, by and among NU, CL&P, NSTAR Gas, NSTAR LLC, PSNH, WMECO, Yankee Gas and the banks named therein, pursuant to which Bank of America, N.A. serves as Administrative Agent (the NU Facility) to: (i) increase the aggregate principal amount available thereunder from \$1.15 billion to \$1.45 billion; (ii) extend the expiration date from July 25, 2017 to September 6, 2018; and (iii) increase CL&Ps' borrowing sublimit from \$300 million to \$600 million. All other terms and conditions of the NU Facility, including the borrowing sublimits of the other subsidiaries, remained unchanged.

Also on September 6, 2013, NSTAR Electric Company (NSTAR Electric), another subsidiary of NU, entered into a First Amendment to Credit Agreement (the NSTAR Electric Amendment) and, together with the NU Amendment, the Amendments) with Barclays Bank PLC, as Administrative Agent, and other lenders named therein. The NSTAR Electric Amendment amended the Credit Agreement, dated July 25, 2012, by and between NSTAR Electric and the banks named therein, pursuant to which Barclays Bank PLC serves as Administrative Agent (the NSTAR Electric Facility) and, together with the NU Facility, the Facilities) to extend the expiration date from July 25, 2017 to September 6, 2018. All other terms and conditions of the NSTAR Electric Facility remained unchanged.

The Facilities will continue to be used for working capital, capital expenditures and repayment of debt, and to backstop the NU and NSTAR Electric commercial paper programs.

Edgar Filing: NORTHEAST UTILITIES - Form 8-K

The increase in CL&P borrowing sublimit set forth in the NU Amendment to the NU Facility replaced the Credit Agreement, dated March 26, 2012, by CL&P and the banks named therein, pursuant to which Union Bank, N.A., served as Administrative Agent (the CL&P Facility).

The foregoing description of the Facilities and related matters is qualified in its entirety by reference to the text of each Facility, copies of which were filed by NU, CL&P, NSTAR Electric, PNSH and WMECO as exhibits to the Combined Quarterly Report on Form 10-Q for the period ended September 30, 2012, and by reference to the Amendments, copies of which are filed as exhibits to this Current Report on Form 8-K.

NU's Commercial Paper Program Increase

On September 6, 2013, the maximum aggregate principal amount of commercial paper notes outstanding at any time under NU's commercial paper program, originally commenced on July 25, 2012 (the Program), was increased from \$1.15 billion to \$1.45 billion. The proceeds of the commercial paper issuances will continue to be used for general corporate purposes. Citigroup Global Markets Inc., Goldman, Sachs & Co., and J. P. Morgan Securities LLC will continue to act as dealers under the Program pursuant to the terms and conditions of their respective Commercial Paper Dealer Agreements with NU. Citibank N.A. will continue to act as issuing and paying agent under the Program.

Item 1.02

Termination of a Material Definitive Agreement.

Effective September 6, 2013, the CL&P Facility was terminated. No material termination penalties were incurred in connection with the termination of the CL&P Facility.
