## Edgar Filing: PARK ELECTROCHEMICAL CORP - Form 8-K

May 10, 2005, Park Electrochemical Corp. (the "Company") committed a plan to reduce the size of the workforce at its Neltec Europe SAS subsidiary in Mirebeau, France, from 138 employees to 103 employees, as a result of further deterioration of the European market for high-technology printed circuit materials. The Company expects to record a one-time termination benefits charge of approximately \$1 million during the 2006 fiscal year first quarter ending May 29, 2005 and expects that the payment of these termination benefits will be substantially completed by the end of the 2006 fiscal year second quarter ending August 28, 2005. All of these termination costs will constitute cash expenses.
