IMPORTANT SHAREHOLDER INFORMATION

These materials are for the Annual Meeting of Shareholders (the “Meeting”) scheduled for March 1, 2017, at 12 Noon, Eastern time. The enclosed materials discuss the proposals (the “Proposals” or each, a “Proposal”) to be voted on at the Meeting, and contain the Notice of Meeting, proxy statement and proxy card. A proxy card is, in essence, a ballot. When you vote your proxy, it tells us how you wish to vote on important issues relating to Templeton Emerging Markets Fund (the “Fund”). If you specify a vote on a Proposal, your proxy will be voted as you indicate. If you specify a vote on a Proposal, but not all Proposals, your proxy will be voted as specified on such Proposal and, on the Proposal for which no vote is specified, your proxy will be voted FOR such Proposal. If you simply sign, date and return the proxy card, but do not specify a vote on any Proposal, your proxy will be voted FOR the Proposals.

We urge you to spend a few minutes reviewing the Proposals in the proxy statement. Then, please fill out and sign the proxy card and return it to us so that we know how you would like to vote. When shareholders return their proxies promptly, the Fund may be able to save money by not having to conduct additional mailings.

We welcome your comments. If you have any questions, call Fund Information at (800) DIAL BEN®/342-5236.

PROXY STATEMENT

INFORMATION ABOUT VOTING

Who is asking for my vote?

The Board of Trustees of Templeton Emerging Markets Fund (the “Fund”), in connection with the Fund’s Annual Meeting of Shareholders (the “Meeting”), has requested your vote.

Who is eligible to vote?

Shareholders of record at the close of business on December 9, 2016, are entitled to be present and to vote at the Meeting or any adjourned Meeting. Each share of record is entitled to one vote (and a proportionate fractional vote for each fractional share) on each matter presented at the Meeting. The Notice of Meeting, the proxy statement, and the proxy card were first mailed to shareholders of record on or about December 28, 2016.

On what issues am I being asked to vote?

You are being asked to vote on two Proposals:

1. The election of four Trustees of the Fund; and
2. The ratification of the selection of PricewaterhouseCoopers LLP (“PwC”) as the independent registered public accounting firm for the Fund for the fiscal year ending August 31, 2017.

How do the Fund’s Trustees recommend that I vote?

The Trustees unanimously recommend that you vote FOR the election of the four nominees for Trustee and FOR the ratification of the selection of PwC as the independent registered public accounting firm for the Fund for the fiscal year ending August 31, 2017.

How do I ensure that my vote is accurately recorded?

You may attend the Meeting and vote in person or you may complete and return the enclosed proxy card. If you are eligible to vote by telephone or through the Internet, instructions are enclosed.

Proxy cards that are properly signed, dated and received at or prior to the Meeting will be voted as specified. If you specify a vote on any of the Proposals, your proxy will be voted as you indicate. If you simply sign, date and return the proxy card, but do not specify a vote on either Proposal 1 or 2, your shares will be voted FOR the election of all nominees for Trustee and FOR the ratification of the selection of PwC as the independent registered public accounting firm for the Fund for the fiscal year ending August 31, 2017.

May I revoke my proxy?

You may revoke your proxy at any time before it is voted by forwarding a written revocation or a later-dated proxy to the Fund that is received by the Fund at or prior to the Meeting, or by attending the Meeting and voting in person.

What if my shares are held in a brokerage account?

If your shares are held by your broker, then in order to vote in person at the Meeting, you will need to obtain a “Legal Proxy” from your broker and present it to the Inspector of Election at the Meeting. Also, in order to revoke your proxy, you may need to forward your written revocation or a later-dated proxy card to your broker rather than to the Fund.

May I attend the Meeting in Person?

Shareholders of record at the close of business on December 9, 2016 are entitled to attend the Meeting. Eligible shareholders who intend to attend the Meeting in person will need to bring proof of share ownership, such as a shareholder statement or a letter from a custodian or broker-dealer confirming ownership, as of December 9, 2016 and a valid picture identification, such as a driver’s license or passport, for admission to the Meeting. Seating is very limited. Shareholders without proof of ownership and identification will not be admitted.

THE PROPOSALS

PROPOSAL 1: ELECTION OF TRUSTEES

How are nominees selected?

The Board of Trustees of the Fund (the “Board” or the “Trustees”) has a Nominating Committee consisting of Edith E. Holiday (Chairperson), J. Michael Luttig and Larry D. Thompson, none of whom is an “interested person” of the Fund as defined by the Investment Company Act of 1940, as amended (the “1940 Act”). Trustees who are not interested persons of the Fund are referred to as the “Independent Trustees,” and Trustees who are interested persons of the Fund are referred to as the “Interested Trustees.”

The Nominating Committee is responsible for selecting candidates to serve as Trustees and recommending such candidates (a) for selection and nomination as Independent Trustees by the incumbent Independent Trustees and the full Board; and (b) for selection and nomination as Interested Trustees by the full Board. In considering a candidate’s qualifications, the Nominating Committee generally considers the potential candidate’s educational background, business or professional experience, and reputation. In addition, the Nominating Committee has established as minimum qualifications for Board membership as an Independent Trustee: (1) that such candidate be independent from relationships with the Fund’s investment manager and other principal service providers both within the terms and the spirit of the statutory independence requirements specified under the 1940 Act and the rules thereunder; (2) that such candidate demonstrate an ability and willingness to make the considerable time commitment, including personal attendance at Board meetings, believed necessary to his or her function as an effective Board member; and (3) that such candidate have no continuing relationship as a director, officer or board member of any U.S. registered investment company other than those within the Franklin Templeton Investments fund complex or a closed-end business development company primarily investing in non-public entities. The Nominating Committee has not adopted any specific policy on the issue of diversity, but will take this into account, among other factors, in its consideration of new candidates to the Board.

When the Board has or expects to have a vacancy, the Nominating Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Trustees, including any recommendations by “Qualifying Fund Shareholders” (as defined below). Such individuals are evaluated based upon the criteria described above. To date, the Nominating Committee has been able to identify, and expects to continue to be able to identify, from its own resources an ample number of qualified candidates. The Nominating Committee, however, will review recommendations from Qualifying Fund Shareholders to fill vacancies on the Board if these recommendations are submitted in writing and addressed to the Nominating Committee at the Fund’s offices and are presented with appropriate background material concerning the candidate that demonstrates his or her ability to serve as a Trustee, including as an Independent Trustee, of the Fund. A Qualifying Fund Shareholder is a shareholder who (i) has continuously owned of record, or beneficially through a financial intermediary, shares of the Fund having a net asset value of not less than two hundred fifty thousand dollars (\$250,000) during the twenty-four month period prior to submitting the recommendation; and (ii) provides a written notice to the Nominating Committee containing the following information: (a) the name and address of the Qualifying Fund Shareholder making the recommendation; (b) the number of shares of the Fund which are owned of record and beneficially by the Qualifying Fund Shareholder and the length of time that the shares have been owned by the Qualifying Fund Shareholder; (c) a description of all arrangements and understandings between the Qualifying Fund Shareholder and any other person or persons (naming such person or persons) pursuant to which the recommendation is being made; (d) the name, age, date of birth, business address and residence address of the person or persons being recommended; (e) such other information regarding each person recommended by the Qualifying Fund Shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the U.S. Securities and Exchange Commission (“SEC”) had the nominee been nominated by the Board; (f) whether the shareholder making the recommendation believes the person recommended would or would not be an “interested person” of the Fund, as defined in the 1940 Act; and (g) the written

consent of each person recommended to serve as a Trustee of the Fund if so nominated and elected/appointed.

The Nominating Committee may amend these procedures from time to time, including the procedures relating to the evaluation of nominees and the process for submitting recommendations to the Nominating Committee.

The Board has adopted and approved a formal written charter for the Nominating Committee. A copy of the charter is attached as Exhibit A to this proxy statement.

Who are the nominees and Trustees?

The Board is divided into three classes. Each class has a term of three years. Each year, the term of office of one class expires. This year, the terms of four Trustees expire: Harris J. Ashton, Mary C. Choksi, Edith E. Holiday and J. Michael Luttig. These individuals have been nominated for three-year terms, set to expire at the 2020 Annual Meeting of Shareholders. These terms continue, however, until their successors are duly elected and qualified. All of the nominees are currently members of the Board and deemed to be Independent Trustees. Mary C. Choksi is standing for election by the shareholders of the Fund for the first time. An incumbent Independent Trustee initially recommended Mary C. Choksi for consideration as a trustee of the Fund. In addition, all of the current nominees and Trustees are also directors or trustees of other investment companies within the Franklin Templeton Investments fund complex.

Interested Trustees of the Fund hold director and/or officer positions with, or are principal stockholders of, Franklin Resources, Inc. (“Resources”) and its affiliates. Resources is a publicly owned holding company, a principal stockholder of which is Rupert H. Johnson, Jr., who beneficially owned approximately 18.36% of its outstanding shares as of August 31, 2016. The shares deemed to be beneficially owned by Rupert H. Johnson, Jr. include certain shares held by a private charitable foundation or by his spouse, of which he disclaims beneficial ownership. Resources, a global investment management organization operating as Franklin Templeton Investments, is primarily engaged, through various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange (“NYSE”) listed holding company (NYSE: BEN). Rupert H. Johnson, Jr., Chairman of the Board, Trustee and Vice President of the Fund, is the uncle of Gregory E. Johnson, a Trustee of the Fund. There are no other family relationships among the Trustees or nominees for Trustee.

Each nominee currently is available and has consented to serve if elected. If any of the nominees should become unavailable, the designated proxy holders will vote in their discretion for another person or persons who may be nominated to serve as Trustees.

In addition to personal qualities, such as integrity, in considering candidates for the Fund Board, the Nominating Committee seeks to find persons of good reputation whose experience and background evidence that such person has the ability to comprehend, discuss and critically analyze materials and issues presented, in exercising judgments and reaching informed conclusions relevant to fulfillment of a Fund Trustee’s duties and fiduciary obligations. Information on the business activities of the nominees and other Trustees during the past five years and beyond appears below and it is believed that the specific background of each Trustee evidences such ability and is appropriate to his or her serving on the Fund’s Board. As indicated, Harris J. Ashton has served as a chief executive officer of a NYSE listed public corporation; Larry D. Thompson and Edith E. Holiday each have legal backgrounds, including high level legal positions with departments of the U.S. Government; David W. Niemiec has served as a chief financial officer of a major corporation; Ann Torre Bates has served as a chief financial officer of a major corporation and as a board member of a number of public companies; J. Michael Luttig has fifteen years of judicial experience as a Federal Appeals Court Judge; Robert E. Wade has over thirty years of experience as a practicing attorney; Constantine D. Tseretopoulos has professional and executive experience as founder and Chief of Staff of a hospital; Mary C. Choksi has an extensive background in asset management, including founding an investment management firm; and Rupert H. Johnson, Jr. and Gregory E. Johnson are both high ranking executive officers of Resources.

Listed below with the business activities of the nominees and Trustees are their names and years of birth, their positions and length of service with the Fund and the number of portfolios in the Franklin Templeton Investments fund complex that they oversee.

** Rupert H. Johnson, Jr. and Gregory E. Johnson are “interested persons” of the Fund as defined by the 1940 Act. The 1940 Act limits the percentage of interested persons that can comprise a fund’s board of trustees. Rupert H. Johnson, Jr. is considered an interested person of the Fund due to his position as an officer, director and major shareholder of Resources, which is the parent company of the Fund’s investment manager, and his position with the Fund. Gregory E. Johnson is considered an interested person of the Fund due to his position as an officer, director and shareholder of Resources. Rupert H. Johnson, Jr. is the uncle of Gregory E. Johnson. The remaining Trustees of the Fund are Independent Trustees.

The following tables provide the dollar range of equity securities of the Fund and of all U.S. registered funds in the Franklin Templeton Investments fund complex beneficially owned by the Trustees as of December 9, 2016:

How often do the Trustees meet and what are they paid?

The role of the Trustees is to provide general oversight of the Fund's business and to ensure that the Fund is operated for the benefit of all of the Fund's shareholders. The Trustees anticipate meeting at least five times during the current fiscal year to review the operations of the Fund and the Fund's investment performance, and will meet more frequently as necessary. The Trustees also oversee the services furnished to the Fund by Templeton Asset Management Ltd.—Hong Kong branch, the Fund's investment manager (the "Investment Manager"), and various other service providers.

The Fund's Independent Trustees constitute the sole independent Board members of 14 investment companies in the Franklin Templeton Investments fund complex for which each Independent Trustee currently is paid a \$155,000 annual retainer fee, together with a \$7,000 per meeting fee for attendance at each regularly scheduled Board meeting, a portion of which fees are allocated to the Fund. To the extent held, compensation also may be paid for attendance at specially called Board meetings. The Fund's Lead Independent Trustee is paid an annual supplemental retainer of \$25,000 for service to such investment companies, a portion of which is allocated to the Fund. Board members who serve on the Audit Committee of the Fund and such other investment companies receive a flat fee of \$3,000 per Audit Committee meeting attended in person and \$2,000 per Audit Committee telephonic meeting attended, a portion of which is allocated to the Fund. David W. Niemiec, who serves as Chairman of the Audit Committee of the Fund and such other investment companies, receives an additional fee of \$15,000 per year, a portion of which is allocated to the Fund. Members of a committee are not separately compensated for any committee meeting held on the day of a regularly scheduled Board meeting.

During the fiscal year ended August 31, 2016, there were five meetings of the Board, five meetings of the Audit Committee, and three meetings of the Nominating Committee. Each Trustee then in office attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which the Trustee served. The Fund does not currently have a formal policy regarding Trustees' attendance at the annual shareholders' meeting. No Trustees attended the Fund's last annual meeting held on March 1, 2016.

Independent Trustees are also reimbursed for expenses incurred in connection with attending Board meetings. The Interested Trustees and certain officers of the Fund who are shareholders of Resources are not compensated by the Fund for their services, but may receive indirect remuneration due to their participation in management fees and other fees received by the Investment Manager and its affiliates from the funds in Franklin Templeton Investments. The Investment Manager or its affiliates pay the salaries and expenses of the officers and the Interested Trustees. No pension or retirement benefits are accrued as part of Fund expenses.

The table below indicates the total fees paid to the Independent Trustees by the Fund individually and by all of the funds in the Franklin Templeton Investments fund complex. These Trustees also serve as directors or trustees of other funds in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Trustees and the Fund's management believe that having the same individuals serving on the boards of multiple funds in Franklin Templeton Investments enhances the ability of each fund to obtain, at a relatively modest cost to each separate fund, the services of high caliber, experienced and knowledgeable Independent Trustees who can bring their experience and talents to, and effectively oversee the management of, several funds.

(2) Compensation received for the 12 months ended September 30, 2016.

(3) We base the number of boards on the number of U.S. registered investment companies in the Franklin Templeton Investments fund complex. This number does not include the total number of series or funds within each investment company for which the Board members are responsible. Franklin Templeton Investments currently includes 45 U.S. registered investment companies, with approximately 164 U.S. based funds or series.

(4) Ms. Bates and Mr. Wade also are independent trustees of Franklin Mutual Series Funds and may, in the future, receive payments pursuant to a discontinued retirement plan that generally provides payments to independent board members who have served seven years or longer for such fund.

(5) Ms. Choksi became a Trustee in October 2016.

(6) Retired May 13, 2016.

(7) Retired November 1, 2016.

Board members historically have followed a policy of having substantial investments in one or more of the funds in Franklin Templeton Investments, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each Board member invest one-third of the fees received for serving as a director or trustee of a Templeton fund (excluding committee fees) in shares of one or more Templeton funds (which may include the Fund) until the value of such investments equals or exceeds five times the annual retainer and regular Board meeting fees paid to such Board member. Investments in the name of family members or entities controlled by a Board member constitute fund holdings of such Board member for purposes of this policy, and a three-year phase-in period applies to such investment requirements for newly elected Board members. In implementing such policy, a Board member's fund holdings existing on February 27, 1998, were valued as of such date with subsequent investments valued at cost.

PROPOSAL 2: RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

How are independent auditors selected?

The Board has a standing Audit Committee currently comprised of David W. Niemiec (Chairman), Ann Torre Bates, J. Michael Luttig and Constantine D. Tseretopoulos, all of whom are Independent Trustees and considered to be “independent” as that term is defined by the NYSE’s listing standards. The Audit Committee is responsible for the appointment, compensation and retention of the Fund’s independent registered public accounting firm (“independent auditors”), including evaluating their independence, recommending the selection of the Fund’s independent auditors to the full Board, and meeting with such independent auditors to consider and review matters relating to the Fund’s financial reports and internal controls.

Which independent auditors did the Board select?

The Audit Committee and the Board have selected the firm of PricewaterhouseCoopers LLP (“PwC”) as the independent auditors for the Fund for the current fiscal year. PwC has examined and reported on the fiscal year-end financial statements dated August 31, 2016, and certain related SEC filings. You are being asked to ratify the Board’s selection of PwC for the current fiscal year ending August 31, 2017. Services to be performed by the independent auditors include examining and reporting on the fiscal year-end financial statements of the Fund and certain related filings with the SEC.

The selection of PwC as the independent auditors for the Fund for the fiscal year ending August 31, 2017, was recommended by the Audit Committee and approved by the Board on October 18, 2016. PwC’s reports on the financial statements of the Fund for the fiscal years for which it has served as auditors did not contain an adverse opinion or a disclaimer of opinion, nor were qualified or modified as to uncertainty, audit scope or accounting principles.

The Audit Committee and the Board have been advised by PwC that neither PwC nor any of its members have any material direct or indirect financial interest in the Fund. Representatives of PwC are not expected to be present at the Meeting, but will have the opportunity to make a statement if they wish, and will be available should any matter arise requiring their presence.

AUDITOR INFORMATION

Audit Fees. The aggregate fees paid to PwC for professional services rendered by PwC for the audit of the Fund’s annual financial statements or for services that are normally provided by PwC in connection with statutory and regulatory filings or engagements were \$44,341 for the fiscal year ended August 31, 2016, and \$44,796 for the fiscal year ended August 31, 2015.

Audit-Related Fees. There were no fees paid to PwC for assurance and related services rendered by PwC to the Fund that are reasonably related to the performance of the audit of the Fund’s financial statements and not reported under “Audit Fees” above for the fiscal years ended August 31, 2016 and August 31, 2015.

In addition, the Audit Committee pre-approves PwC’s engagement for audit-related services to be provided to the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. For the fiscal years ended August 31, 2016, and August 31, 2015, there were no fees paid to PwC for such services.

Tax Fees. There were no fees paid to PwC for professional services rendered by PwC to the Fund for tax compliance, tax advice and tax planning for the fiscal years ended August 31, 2016, and August 31, 2015.

In addition, the Audit Committee pre-approves PwC's engagement for tax services to be provided to the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. For the fiscal years ended August 31, 2016 and August 31, 2015 there were no fees paid to PwC for such services.

All Other Fees. The aggregate fees paid for products and services provided by PwC to the Fund, other than the services reported above, were \$0 for the fiscal year ended August 31, 2016, and \$71 for the fiscal year ended August 31, 2015. The services for which these fees were paid included review of materials provided to the Board in connection with the investment management contract renewal process.

In addition, the Audit Committee pre-approves PwC's engagement for other services to be provided to the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. For the fiscal years ended August 31, 2016 and August 31, 2015 there were no fees paid to PwC for such services.

Aggregate Non-Audit Fees. The aggregate fees paid to PwC for non-audit services provided by PwC to the Fund or to the Investment Manager and to any entity controlling, controlled by, or under common control with the Investment Manager that provides ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund, were \$0 for the fiscal year ended August 31, 2016, and \$71 for the fiscal year ended August 31, 2015. The aggregate non-audit fees for the fiscal year ended August 31, 2016, include the amounts shown under Tax Fees (including services provided to the Investment Manager and its control entities) and All Other Fees (including services provided to the Investment Manager and its control entities).

The Audit Committee has determined that the provision of the non-audit services that were rendered to the Investment Manager and to any entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund is compatible with maintaining PwC's independence.

Audit Committee Pre-Approval Policies and Procedures. As of the date of this proxy statement, the Audit Committee has not adopted written pre-approval policies and procedures within the meaning of Regulation S-X. As a result, all such services described above and provided by PwC must be directly pre-approved by the Audit Committee or by a designated member of the Audit Committee.

Audit Committee Charter. The Board has adopted and approved a formal written charter for the Audit Committee which sets forth the Audit Committee's responsibilities. A copy of the charter is attached as Exhibit B to this proxy statement.

As required by the charter, the Audit Committee reviewed the Fund's audited financial statements and met with management, as well as with PwC, the Fund's independent auditors, to discuss the financial statements.

Audit Committee Report. The Audit Committee received the written disclosures and the letter from PwC required by the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") regarding PwC's communications with the Audit Committee concerning independence. The Audit Committee also received the report of PwC regarding the results of their audit. In connection with the Audit Committee's review of the financial statements and PwC's report, the members of the Audit Committee discussed with a representative of PwC, PwC's independence, as well as the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, issued by the PCAOB, including the following: PwC's responsibilities in accordance with generally accepted auditing standards; PwC's responsibilities for information prepared by management that accompanies the Fund's audited financial statements and any procedures performed and the results; the initial selection of, and whether there were any changes in, significant accounting policies or their application; management's judgments and accounting estimates; whether there were any significant audit adjustments; whether there were any disagreements with management; whether there was any consultation with other accountants; whether there were any major issues discussed with management prior to PwC's retention; whether the auditors encountered any difficulties in dealing with management in performing the audit; and PwC's judgments about the quality of the Fund's accounting principles.

Based on its review and discussions with management and PwC, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements. Accordingly, the Audit Committee recommended to the Board that the audited financial statements be included in the Fund's Annual Report to Shareholders for the fiscal year ended August 31, 2016, for filing with the SEC.

ADDITIONAL INFORMATION ABOUT THE FUND'S BOARD OF TRUSTEES

Board Role in Risk Oversight. The Board, as a whole, considers risk management issues as part of its general oversight responsibilities throughout the year at regular Board meetings, through regular reports that have been developed by management in consultation with the Board and its counsel. These reports address certain investment, valuation and compliance matters. The Board also may receive special written reports or presentations on a variety of risk issues, either upon the Board's request or upon the Investment Manager's initiative. In addition, the Audit Committee of the Board meets regularly with the Investment Manager's internal audit group to review reports on their examinations of functions and processes within Franklin Templeton Investments that affect the Fund.

With respect to investment risk, the Board receives regular written reports describing and analyzing the investment performance of the Fund. In addition, the portfolio managers of the Fund meet regularly with the Board to discuss portfolio performance, including investment risk. To the extent that the Fund changes a particular investment strategy that could have a material impact on the Fund's risk profile, the Board generally is consulted with respect to such change. To the extent that the Fund invests in certain complex securities, including derivatives, the Board receives periodic reports containing information about exposure of the Fund to such instruments. In addition, the Investment Manager's investment risk personnel meet regularly with the Board to discuss a variety of issues, including the impact on the Fund of the investment in particular securities or instruments, such as derivatives and commodities, if applicable.

With respect to valuation, the Fund's administrator provides regular written reports to the Board that enable the Board to monitor the number of fair valued securities in the Fund's portfolio, the reasons for the fair valuation and the methodology used to arrive at the fair value. Such reports also include information concerning illiquid securities within the Fund's portfolio. The Board also reviews dispositional analysis information on the sale of securities that require special valuation considerations such as illiquid or fair valued securities. In addition, the Fund's Audit Committee reviews valuation procedures and results with the Fund's independent auditors in connection with the Committee's review of the results of the audit of the Fund's year-end financial statements.

With respect to compliance risks, the Board receives regular compliance reports prepared by the Investment Manager's compliance group and meets regularly with the Fund's Chief Compliance Officer ("CCO") to discuss compliance issues, including compliance risks. In accordance with SEC rules, the Independent Trustees meet regularly in executive session with the CCO and the CCO prepares and presents an annual written compliance report to the Board. The Fund's Board adopts compliance policies and procedures for the Fund and approves these procedures for the Fund's service providers. The compliance policies and procedures are specifically designed to detect and prevent violations of the federal securities laws.

The Investment Manager periodically provides an enterprise risk management presentation to the Board to describe the way in which risk is managed on a complex-wide level. The presentation covers such areas as investment risk, reputational risk, personnel risk, and business continuity risk.

Board Structure. Seventy-five percent or more of the Fund's Board members consist of Independent Trustees who are not deemed to be "interested persons" by reason of their relationship with the Fund's management or otherwise as provided under the 1940 Act. While the Chairman of the Board is an interested person, the Board is also served by a Lead Independent Trustee. The Lead Independent Trustee, together with independent counsel, reviews proposed agendas for Board meetings and generally acts as a liaison with Fund management with respect to questions and issues raised by the Independent Trustees. The Lead Independent Trustee also presides at separate meetings of Independent Trustees held in advance of each scheduled Board meeting where various matters, including those being considered at such Board meeting, are discussed. It is believed such structure and activities assure that proper consideration is given at Board meetings to matters deemed important to the Fund and its shareholders.

FURTHER INFORMATION ABOUT VOTING AND THE MEETING

Solicitation of Proxies. Your vote is being solicited by the Trustees. The cost of soliciting proxies, including the fees of a proxy soliciting agent, is borne by the Fund. The Fund reimburses brokerage firms and others for their reasonable expenses in forwarding proxy material to the beneficial owners and soliciting them to execute proxies. In addition, the Fund may retain a professional proxy solicitation firm to assist with any necessary solicitation of proxies. The Fund expects that the solicitation would be primarily by mail, but also may include telephone, facsimile, electronic or other means of communication. If the Fund does not receive your proxy by a certain time, you may receive a telephone call from a proxy soliciting agent asking you to vote. If professional proxy solicitors are retained, it is expected that soliciting fees would be approximately \$5,000, plus expenses. The Fund does not reimburse Trustees and officers of the Fund, or regular employees and agents of the Investment Manager involved in the solicitation of proxies. The Fund intends to pay all costs associated with the solicitation and the Meeting.

Voting by Broker-Dealers. The Fund expects that, before the Meeting, broker-dealer firms holding shares of the Fund in "street name" for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms' proxy solicitation materials, the Fund understands that current NYSE Rules permit the broker-dealers to vote on the Proposals on behalf of their customers and beneficial owners. Certain broker-dealers may exercise discretion over shares held in their name for which no instructions are received by voting these shares in the same proportion as they vote shares for which they received instructions.

Quorum. A majority of the Fund's shares entitled to vote at the Meeting—present in person or represented by proxy—constitutes a quorum at the Meeting. The shares over which broker-dealers have discretionary voting power, the shares that represent “broker non-votes” (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), and the shares whose proxies reflect an abstention on any item will all be counted as shares present and entitled to vote at the Meeting for purposes of determining whether the required quorum of shares exists.

Method of Tabulation. Provided a quorum is present or represented at the Meeting, Proposal 1, the election of Trustees, requires the affirmative vote of a plurality of the Fund's shares present in person or represented by proxy and voting on the Proposal at the Meeting. Proposal 2, ratification of the selection of the independent auditors, requires the affirmative vote of (i) sixty-seven percent (67%) or more of the voting securities present in person or represented by proxy at the Meeting, if the holders of more than fifty percent (50%) of the outstanding voting securities of the Fund are present or represented by proxy; or (ii) more than fifty percent (50%) of the outstanding voting securities of the Fund, whichever is less. Abstentions and broker non-votes will be treated as votes present at the Meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on Proposal 1, but may have the effect of an “against” vote on Proposal 2.

Simultaneous Meetings. The Meeting is to be held at the same time as the annual meetings of shareholders of Templeton Emerging Markets Income Fund and Templeton Global Income Fund. If any shareholder at the Meeting objects to the holding of simultaneous meetings and moves for an adjournment of the Meeting to a time promptly after the simultaneous meetings, the persons designated as proxies will vote in favor of such adjournment.

Adjournment. The Chairman of the Board or an authorized officer of the Fund for the Meeting, or the holders of a majority of the shares present (in person or by proxy) and entitled to vote at the Meeting, may adjourn the Meeting from time to time. Such authority to adjourn the Meeting may be used in the event that a quorum is not present at the Meeting or, in the event that a quorum is present but sufficient votes have not been received to approve the Proposals, or for any other reason consistent with Delaware law and the Fund's By-Laws, including to allow for the further solicitation of proxies. Unless otherwise instructed by a shareholder granting a proxy, the persons designated as proxies may use their discretionary authority to vote as instructed by management of the Fund on questions of adjournment and on any other proposals raised at the Meeting to the extent permitted by the SEC's proxy rules, including proposals for which management of the Fund did not have timely notice, as set forth in the SEC's proxy rules and the Fund's proxy statement for the 2016 annual meeting.

Shareholder Proposals. The Fund anticipates that its 2018 Annual Meeting of Shareholders will be held on or about March 1, 2018. A shareholder who wishes to submit a proposal for consideration for inclusion in the Fund's proxy statement for the 2018 Annual Meeting of Shareholders must send such written proposal to the Fund's offices at 300 S.E. 2nd Street, Fort Lauderdale, Florida 33301-1923, Attention: Secretary, so that it is received no later than August 30, 2017 in order to be included in the Fund's proxy statement and proxy card relating to that meeting and presented at the meeting.

A shareholder of the Fund who has not submitted a written proposal for inclusion in the Fund's proxy statement by August 30, 2017, as described above, may nonetheless present a proposal at the Fund's 2018 Annual Meeting of Shareholders if such shareholder notifies the Fund in writing at the Fund's offices, of such proposal not earlier than October 2, 2017 and not later than November 1, 2017. If a shareholder fails to give notice within these dates, then the matter shall not be eligible for consideration at the shareholders' meeting. If, notwithstanding the effect of the foregoing notice provisions, a shareholder proposal is acted upon at the 2018 Annual Meeting of Shareholders, the persons designated as proxies for the 2018 Annual Meeting of Shareholders may exercise discretionary voting power with respect to any shareholder proposal not received by the Fund at the Fund's offices by November 13, 2017. A shareholder proposal may be presented at the 2018 Annual Meeting of Shareholders only if such proposal concerns a

matter that may be properly brought before the meeting under applicable federal proxy rules and state law. In addition to the requirements set forth above, a shareholder must comply with the following:

1. A shareholder intending to present a proposal must (i) be entitled to vote at the meeting; (ii) comply with the notice procedures set forth in this proxy statement and in the Fund's By-Laws; and (iii) have been a shareholder of record at the time the shareholder's notice was received by the Secretary of the Fund.
2. A notice regarding a nomination for the election of a Trustee shall set forth in writing (i) the name, age, business address and, if known, residence address of each nominee proposed in such notice; (ii) the principal occupation or employment of each such nominee; (iii) the number of outstanding shares of the Fund which are beneficially owned by each such nominee; and (iv) all such other information regarding each such nominee as would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had each such nominee been nominated by the Trustees of the Fund. In addition, the shareholder making such nomination shall promptly provide any other information reasonably requested by the Fund.

3. A notice regarding a business proposal shall set forth in writing as to each matter: (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting; (ii) the name and address, as they appear on the Fund's books, of the shareholder proposing such business; (iii) the number of shares of the Fund which are beneficially owned by the shareholder; (iv) any material interest of the shareholder in such business; and (v) all such other information regarding each such matter that would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had each such matter been proposed by the Trustees of the Fund.

Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the Fund's proxy statement or presented at the meeting.

Lori A. Weber

EXHIBIT A

TEMPLETON FUNDS NOMINATING COMMITTEE CHARTER

I. The Committee.

The Nominating Committee (the “Committee”) is a committee of, and established by, the Board of Directors/Trustees of the Fund (the “Board”). The Committee consists of such number of members as set by the Board from time to time and its members shall be selected by the Board. The Committee shall be comprised entirely of “independent members.” For purposes of this Charter, independent members shall mean members who are not interested persons of the Fund (“Disinterested Board members”) as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “1940 Act”).

II. Board Nominations and Functions.

1. The Committee shall make recommendations for nominations for Disinterested Board members on the Board to the incumbent Disinterested Board members and to the full Board. The Committee shall evaluate candidates’ qualifications for Board membership and the independence of such candidates from the Fund’s investment manager and other principal service providers. Persons selected must be independent in terms of both the letter and the spirit of the 1940 Act. The Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, e.g., business, financial or family relationships with investment managers or service providers.

2. The Committee also shall evaluate candidates’ qualifications and make recommendations for “interested” members on the Board to the full Board.

3. EXHIBIT B

TEMPLETON FUNDS AUDIT COMMITTEE CHARTER

I. The Committee.

The Audit Committee (“Committee”) is a committee of, and established by, the Board of Directors/Trustees of the Fund (the “Board”). The Committee shall consist of such number of members as set by the Board from time to time, but in no event less than three, and its members shall be selected by the Board. The Committee shall be comprised entirely of “independent” members, as defined in Item 3(a)(2) of SEC Form N-CSR (“Disinterested Board members”). Members shall be financially literate, meaning that each member is able to read and understand fundamental financial statements, including the Fund’s balance sheet and income statement. At least one member of the Committee shall be designated by the Board as an “audit committee financial expert,” as defined in Item 3(b) of SEC Form N-CSR, unless the Board determines that the Fund does not have an audit committee financial expert on the Committee.

II. Purposes of the Committee.

The function of the Committee is to be directly responsible for overseeing the Fund’s accounting and auditing processes, which shall include the appointment, compensation, retention and oversight of the work of the Fund’s independent registered public accounting firm (“auditors”) engaged (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund. It is management’s responsibility to maintain appropriate systems for accounting and internal controls. It is the auditors’ responsibility to plan and carry out an audit in accordance with the standards of the Public Company Accounting Oversight Board and to report directly to the Committee. It is not the duty of the Committee to plan or conduct audits or to determine that the Fund’s financial statements are complete and in accordance with generally accepted accounting principles; it is the responsibility of the auditors to conduct audits and the responsibility of management to prepare the Fund’s financial statements in accordance with generally accepted accounting principles.

In giving its recommendations to the Board with respect to the Fund’s financial statements, the Committee will rely on:

1. management’s representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles,
2. the report of the Fund’s auditors with respect to such financial statements.

Consistent with such allocation of functions, the purposes of the Committee are:

- (a) To oversee the Fund’s accounting and financial reporting policies and practices and its internal controls, and to obtain, where it deems appropriate, reports on internal controls of service providers to the Fund;
- (b) To oversee the quality, objectivity and integrity of the Fund’s financial statements and the independent audit thereof;
- (c) To act as a liaison between the Fund’s auditors and the Board; and

(d) To consider such other matters as it deems appropriate in carrying out its purpose and any other matters that may be assigned to it by the Board.

In addition, the Committee shall serve as the Fund's Qualified Legal Compliance Committee ("QLCC") pursuant to Section 205 of the SEC's Standards of Professional Conduct for Attorneys (the "Standards"). In this capacity, the Committee is required to adopt and maintain written procedures for the confidential receipt, retention and consideration of any report of evidence of a material violation. "Evidence of a material violation" means credible evidence, based upon which it would be unreasonable, under the circumstances, for a prudent and competent attorney not to conclude that it is reasonably likely that a material violation of an applicable U.S. federal or state securities law, a material breach of fiduciary (or similar duty) to the Fund arising under U.S. federal or state law, or a similar material violation of any U.S. federal or state law has occurred, is ongoing, or is about to occur.

III. Powers and Duties.

The Committee shall have the following powers and duties to carry out its purposes:

(a) To select the auditors, subject to approval both by the Board and by a separate vote of the Disinterested Board members, and, in connection therewith, to evaluate the independence and qualifications of the auditors in accordance with applicable federal securities laws and regulations and the rules and standards of the Independence Standards Board and American Institute of Certified Public Accountants.

(b) To be directly responsible for approving the services to be provided by, and the compensation of, the auditors, including:

- (i) pre-approval of all audit and audit related services;
- (ii) pre-approval of all non-audit related services to be provided to the Fund by the auditors;
- (iii) pre-approval of all non-audit related services to be provided by the auditors to the Fund's investment adviser or to any entity that controls, is controlled by or is under common control with the Fund's investment adviser and that provides ongoing services to the Fund where the non-audit services relate directly to the operations or financial reporting of the Fund; and
- (iv) if deemed necessary or appropriate, as an alternative to Committee pre-approval of services to be provided by the auditors, as required by paragraphs (ii) and (iii) above;

(A) establishment by the Committee of policies and procedures to pre-approve such services, provided the policies and procedures are detailed as to the particular service and the Committee is informed of each service and such policies and procedures do not include delegation of audit committee responsibilities, as contemplated under the Securities Exchange Act of 1934, to management; or

(B) delegation by the Committee to one or more designated members of the Committee who are Disinterested Board members authority to pre-approve such services, provided the Committee is informed of the decisions of any member pursuant to such delegated authority no later than its next scheduled meeting;

subject, in the case of (ii) through (iv), to any waivers, exceptions or exemptions that may be available under applicable law or rules.

(c) To meet with the auditors, including private meetings, as necessary to (i) review the arrangements for and scope of the annual audit and any special audits; (ii) discuss any matters or concerns relating to the Fund's financial statements, including any recorded and/or unrecorded adjustments to such statements recommended by the auditors, or other results of audits; (iii) consider the auditors' comments with respect to the Fund's financial, accounting and reporting policies, procedures and internal controls and management's responses thereto; and (iv) to review the form of opinion the auditors propose to render.

(d) To receive and consider reports from the auditors:

- (i) as required by generally accepted accounting standards; and
- (ii) annually and by update as required by SEC Regulation S-X, regarding: (w) all critical accounting policies and practices of the Fund to be used; (x) alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with management of the Fund, including ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditors; (y) other material written communications between the auditors and management of the Fund, such as any management letter or schedule of unadjusted differences; and (z) all non-audit services provided to any entity in an investment company complex, as defined in SEC Regulation S-X, that were not pre-approved by the Committee pursuant to SEC Regulation S-X.

(e) To consider the effect upon the Fund of any changes in accounting principles or practices proposed by management or the auditors.

(f) In considering the independence of the auditors, to request from, and discuss with, the auditors a written statement, and other reports as necessary, describing all relationships between the auditors and the Fund, the Fund's investment adviser and service providers, and other entities advised or serviced by, including any entities controlling, controlled by or under common control with, the investment adviser or any other service providers to the Fund that, in the auditors' judgment, could be thought to bear upon the auditors' independence; to receive and consider, if applicable, periodic reports from the auditors regarding whether the provision of non-audit services is compatible with maintaining the auditors' independence; and to request from the auditors a certificate that they are independent auditors under the Federal securities laws and are in compliance with all standards adopted by the Independence Standards Board.

(g) To require that the auditors regularly provide timely information to the Committee with respect to new rules and pronouncements by applicable regulatory and accounting standards agencies, along with an explanation of how such developments may affect the Fund's financial statements and accounting principles and practices.

B-1

(h) To review, at such times and in the manner deemed appropriate by the Committee, the results of the annual audit of, and the report of the auditors on the Fund's annual financial statements, including footnotes and any significant audit findings.

(i) To consider any reports of difficulties that may have arisen during the course of the audit, including any limitations of the scope of the audit, and management's response thereto.

(j) To review certifications of the Fund's Chief Executive Officer – Finance and Administration, and Chief Financial Officer and Chief Accounting Officer concerning (i) all significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect the Fund's ability to record, process, summarize and report financial information; and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in the Fund's internal controls over financial reporting, and for any other purposes the Committee deems appropriate, as required by §302 of the Sarbanes-Oxley Act.

(k) To inform the chief legal officer ("CLO") and chief executive officer ("CEO") of the Fund (or the equivalents thereof) of any report of evidence of a material violation by the Fund, its officers, directors/trustees, employees (if any), or agents (collectively, "affiliates"). In connection therewith, the Committee shall:

(i) determine whether an investigation is necessary regarding any report of evidence of a material violation by the Fund or its affiliates;

(ii) if the Committee determines such an investigation is necessary or appropriate, (A) notify the Board; (B) initiate an investigation, which may be conducted by either the CLO or by outside attorneys; and (C) retain such additional expert personnel as the Committee deems necessary to assist in the investigation;

(iii) at the conclusion of any such investigation, (A) recommend by a majority vote, that the Fund implement an appropriate response (as defined in Section 205.2(b) of the Standards) to evidence of a material violation, and (B) inform the CLO and the CEO and the Board of the results of such investigation and the appropriate remedial measures to be adopted;

(iv) acting by majority vote, take all other appropriate action, including the authority to notify the SEC in the event the Fund fails in any material respect to implement an appropriate response that the Committee has recommended the Fund to take; and

(v) otherwise respond to evidence of a material violation.

IV. Other Functions and Procedures of the Committee.

(a) The Committee shall meet at least twice each year or more frequently, in open or executive sessions, as may be necessary to fulfill its responsibilities. The Committee shall meet as frequently as circumstances require with (i) the auditors as provided in III (c), above; and (ii) management's internal audit department to review and discuss internal audit functions and reports. The Committee may invite members of management, the auditors, counsel, advisers and others to attend its meetings as it deems appropriate. The Committee shall have separate sessions with the auditors, management and others, as and when it deems appropriate.

questionable accounting or auditing matters.

(c) The Committee shall have the authority to engage special counsel, experts and advisers as and when it determines necessary to carry out its duties and the Fund must provide for appropriate funding, as determined by the Committee, for payment of (i) compensation to any auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund; (ii) compensation to any advisers employed by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

(d) The Committee shall have unrestricted access to the Fund's management and management of the Fund's adviser, including, but not limited to, their chief executive officer(s), chief financial officer(s), internal auditors and any other executives and financial officers.
