A stockholder attending in person or by proxy will be counted as part of the quorum for the meeting, even if that person abstains or otherwise does not vote on any matter. A majority of the outstanding shares of the Company entitled to vote, represented in person or by proxy shall constitute a quorum. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16 of the Securities Exchange Act of 1934, certain officers, directors and stockholders of the Company are required to file reports of stock ownership and changes therein with the Securities and Exchange Commission. The Company believes that its officers, directors and stockholders complied with the Section 16 filing requirements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2004, the Company purchased approximately \$2,185,000 of food products from Alma Food Imports, Inc., a company owned by Julia Jenkins Fancelli, sister of Howard M. Jenkins, Carol Jenkins Barnett and Nancy E. Jenkins, aunt of William E. Crenshaw, cousin of Charles H. Jenkins, Jr. and sister-in-law of Hoyt R. Barnett.

During 2004, the Company paid approximately \$352,000 to the law firm of Hahn, McClurg, Watson, Griffith & Bush for legal services. E. Vane McClurg is a director and continues to provide legal services to the Company.

In the opinion of management, the terms of the foregoing transactions are no less favorable than terms that could have been obtained from unaffiliated parties.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Compensation Committee members, who were all directors of the Company during 2004, include: Joan G. Buccino, Sherrill W. Hudson and Kelly E. Norton, Chairman. There were no interlocks of the executive officers or directors of the Company serving on the compensation or equivalent committee of another entity which has any executive officer or director serving on the Compensation Committee, other committee or Board of Directors of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee has responsibility for reviewing and setting the salary and benefits structure of the Company with respect to its executive officers. The compensation for the named executive officers, including the Chief Executive Officer (CEO), includes a base salary and an incentive bonus.

The factors considered in determining the base salary include: (1) the overall level of responsibility and the relationship to compensation levels of the Company's management, (2) the compensation levels of supermarket chains in the Company's Peer Group Index, taking into account the size and financial

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

performance of the Company, (3) anticipated competitive operating conditions and (4) overall economic conditions. Charles H. Jenkins, Jr.'s annual base salary was increased by approximately 10.6% to \$537,550. This increase was heavily influenced by factor (2) above, the compensation levels of supermarket chains in the Company's Peer Group Index, taking into account the size and financial performance of the Company. The most recently available base salaries of the CEOs in the Company's Peer Group Index range from \$560,000 to \$1,300,000. The lowest CEO base salary is for a supermarket chain with approximately \$2 billion in sales. The financial performance of the Company has been significantly better than the performance of the supermarket chains in the Company's Peer Group Index.

Bonuses are paid generally once per year in the year following the year earned. The incentive bonus plan covers approximately 375 management employees. The Company's incentive bonus plan is based on a target bonus equal to two months pay for all full incentive bonus participants (participants generally transition in to the incentive bonus over a two year period). The formula for the incentive bonus plan is based on the Company achieving its sales and profit goals for the fiscal year and thus paying the target bonus. The incentive bonus would be more or less than the target bonus based on the Company's actual results compared to its sales and profit goals. There is no incentive bonus unless greater than 80% of the target profit is achieved. In general, the bonus pool is allocated among the participating management employees, including the named executive officers, according to their relative base compensation amounts paid to them during the calendar year for which the incentive bonus is being paid. The bonuses compensate the management employees for their services during the calendar year and an employee must be employed at the end of the calendar year to participate in the bonus. Although the Company has a defined method for calculating the incentive bonus, the Company's Executive Committee retains the right to alter or discontinue the incentive bonus plan at its discretion at any time, for all or any participating employees except for the Company's executive officers. Any changes to the incentive bonus plan for all or any of the executive officers are at the discretion of the Compensation Committee. For fiscal 2004, based on the application of the parameters of the incentive bonus plan, the Compensation Committee awarded Charles H. Jenkins, Jr. the bonus of \$176,381 as set forth in the following Summary Compensation Table.

The compensation earned by the executive officers named in the following Summary Compensation Table ranks at or near the bottom of compensation earned by comparable positions among the peer group supermarket chains in the Company's Peer Group Index included in the performance graphs on pages 13 and 14.

This report is submitted by the following members of the Compensation Committee at the end of 2004: Joan G. Buccino, Sherrill W. Hudson, and Kelly E. Norton, Chairman.

EXECUTIVE COMPENSATION

The following table summarizes the compensation earned by the Company's CEO and the Company's four most highly compensated executive officers other than the CEO who were serving as executive officers at the end of 2004 and for services rendered in all capacities to the Company during the years ended 2004, 2003 and 2002:

The Company may make a discretionary annual matching contribution to eligible participants of this plan as determined by the Board of Directors. During 2004, 2003 and 2002, the Board of Directors approved a match of 50% of eligible contributions up to 3% of eligible wages, not to exceed a maximum match of \$750 per employee. The match, which is determined as of the last day of the plan year and paid in the subsequent year, is in common stock of the Company. The plan does not discriminate, in scope, terms, or operation, in favor of officers or directors of the Company. The match earned for 2004, 2003 and 2002 under the plan by the CEO and the four most highly compensated executive officers other than the CEO are listed in the Summary Compensation Table.

The Company's group health and dental insurance plans are available to eligible full-time and part-time employees and the group life insurance plan and long-term disability plan are available to eligible full-time employees. These plans do not discriminate, in scope, terms, or operation, in favor of officers or directors of the Company.

AUDIT COMMITTEE REPORT

At the end of 2004, the Audit Committee of the Company's Board of Directors was comprised of three Board members who were not involved in the current management of the Company. The Audit Committee members are independent as defined by the rules of the New York Stock Exchange.

The roles and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board of Directors. A copy of the charter was attached as an appendix to the 2004 Proxy Statement. The Audit Committee reviews and reassesses the charter annually and recommends any changes to the Board of Directors for approval.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and an audit of the Company's internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States). The Audit Committee monitors and oversees these processes as described in the Audit Committee charter.

The Audit Committee reviewed and discussed with management and the Company's independent registered public accounting firm the Company's audited consolidated financial statements for the fiscal year ended December 25, 2004. The Audit Committee also discussed with the Company's independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Audit Committee received the written disclosures and the letter from the Company's independent registered public accounting firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with the independent registered public accounting firm its independence.

Based upon the review and discussions referred to in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 25, 2004, for filing with the Securities and Exchange Commission.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The firm of KPMG LLP was the Company's independent registered public accounting firm during 2004. The Audit Committee will make its recommendation to the Board of Directors as to the Company's independent registered public accounting firm for 2005 later this year.

Representatives of KPMG LLP will be present at the meeting with an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The fees of the Company's independent registered public accounting firm, KPMG LLP, for the indicated services performed for the fiscal years ended December 25, 2004 and December 27, 2003, were as follows:

	2004	2003
	----	----
(Amounts are in thousands)		
Audit fees (1)	\$1,103	336
Audit-related fees (2)	41	23
Tax fees (3)	95	78
All other fees	--	--
	-----	----
	\$1,239	437
	=====	===

- (1) Fees for audit services include fees associated with the annual audit of the Company's financial statements, annual audit of the Company's internal control over financial reporting and reviews of the Company's quarterly financial statements. The increase in audit fees for 2004 was primarily due to the audit of the internal control over financial reporting as required by the Sarbanes-Oxley Act of 2002.
- (2) Fees for audit-related services primarily include fees associated with the annual audit of employee benefit plans and other audit services.
- (3) Fees for tax services include fees associated with tax compliance, tax advice and tax planning.

The Audit Committee has reviewed and discussed the fees of KPMG LLP during the last fiscal year for audit and non-audit services and has determined that the provision of the non-audit services are compatible with the firm's

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

independence.

Under its charter and in accordance with the Audit Committee Pre-Approval Policy adopted in 2003, the Audit Committee must pre-approve all engagements of the Company's independent registered public accounting firm. The Audit Committee Pre-Approval Policy provides that the Audit Committee is required to pre-approve all audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services will not impair its independence. The Audit Committee has delegated the Chairman of the Audit Committee the authority to evaluate and approve engagements on behalf of the Audit Committee in the event that the need for pre-approval arises between Audit Committee meetings. If the Chairman approves any such engagements, he will report that approval to the Audit Committee at its next meeting. During 2004, each new engagement of the independent registered public accounting firm was approved in accordance with the policy.

PERFORMANCE GRAPHS

The following performance graph sets forth the Company's cumulative total stockholder return during the five years ended December 25, 2004, with the cumulative total return on the S&P 500 Index and a custom Peer Group Index including companies in the same line of business (supermarket retail companies) (1). The Peer Group Index is weighted based on the various companies' market capitalization. The comparison assumes \$100 was invested at the end of 1999 in the Company's common stock and in each of the related indices and assumes reinvestment of dividends.

The Company's common stock is valued as of the end of each fiscal quarter. After the end of a quarter, however, shares continue to be traded at the prior valuation until the new valuation is received. The cumulative total return for the companies represented in the S&P 500 Index and the custom Peer Group Index is based on those companies' calendar year end trading price. Therefore, the Company has provided a performance graph based on the Company's fiscal year end valuation (rather than the trading price at fiscal year end, representing the appraised value as of the prior fiscal quarter). For comparative purposes, additional information is provided based on the fiscal year end trading price of the Company's shares.
