PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
To Be Held On July 2, 2002**

Solicitation and Revocation of Proxies

This Proxy Statement and the accompanying Annual Report to Stockholders, the Notice of Annual Meeting and the proxy card are being furnished to the stockholders of Nutraceutix, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Company's Board of Directors for use at the Company's 2002 Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Edgewater Hotel, Pier 67, 2411 Alaskan Way, Seattle, Washington on July 2, 2002 at 10:00 a.m., Pacific Daylight Savings Time, and any adjournment thereof. All expenses of the Company associated with this solicitation will be borne by the Company. The solicitation of proxies by mail may be followed by personal solicitation of certain stockholders by officers or regular employees of the Company.

The two persons named as proxies on the enclosed proxy card, David T. Howard and Steven H. Moger, were designated by the Board of Directors. All properly executed proxies will be voted (except to the extent that authority to vote has been withheld) and where a choice has been specified by the stockholder as provided in the proxy card, it will be voted in accordance with the specification so made. Proxies submitted without specification will be voted FOR Proposal No. 1 to elect the nominee as a Class 1 director; FOR Proposal No. 2 to approve the proposed amendment to the Company's Certificate of Incorporation, as amended, to increase the number of shares of common stock authorized for issuance from 30,000,000 to 50,000,000; and FOR Proposal No. 3 to approve the proposed amendment to the Company's Certificate of Incorporation, as amended, to change the name of the Company to SCOLR, Inc.

A proxy may be revoked by a stockholder prior to its exercise by written notice to the Secretary of the Company, by submission of another proxy bearing a later date or by voting in person at the Annual Meeting. Such notice or later proxy will not affect a vote on any matter taken prior to the receipt thereof by the Company.

These proxy materials and the accompanying Annual Report to Stockholders are being mailed on or about June 3, 2002 to stockholders of record on May 24, 2002 of the Company's common stock. The principal executive office and mailing address of the Company is 8340 154th Avenue N.E., Redmond, Washington 98052.

Voting at the Meeting

The shares of common stock constitute the only class of securities entitled to notice of and to vote at the Annual Meeting. In accordance with the Company's Bylaws, the stock transfer records were compiled on May 24, 2002, the record date set by the Board of Directors for determining the stockholders entitled to notice of, and to vote at, the Annual Meeting and any adjournment thereof. On May 24, 2002, there were 20,438,954 shares of common stock outstanding and entitled to vote.

Each share of common stock outstanding on the record date is entitled to one vote per share at the Annual Meeting. Shares registered in the names of brokers or other "street name" nominees for which proxies are voted on some but not all matters will be considered to be voted only as to those matters actually voted, and will not be considered "shares present" as to the matters with respect to which a beneficial holder has not

Table of Contents

provided voting instructions (commonly referred to as "broker non-votes"). For purposes of determining the existence of a quorum, abstentions from voting identified as such on the proxy card and broker non-votes are treated as present at the Annual Meeting. With respect to tabulating the vote necessary for stockholder action on Proposal No. 1 at the Annual Meeting, abstentions and broker non-votes will have no effect on the votes. If a quorum (consisting of a majority of the shares of common stock outstanding as of the record date) is present at the Annual Meeting, the nominee for the director position who receives the greatest number of votes cast by the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote shall be elected. If a quorum (consisting of a majority of the shares of common stock outstanding as of the record date) is present at the Annual Meeting, Proposals No. 2 and No. 3 will be adopted if they each receive the affirmative vote of a majority of the outstanding stock entitled to vote thereon. Any broker non-votes on either Proposal No. 2 or No. 3 to amend the Certificate of Incorporation will have the effect of a vote against the proposal, because it requires the affirmative vote of a majority of the outstanding shares.

PROPOSAL NO. 1:**ELECTION OF DIRECTOR**

In accordance with the Company's Bylaws, the Board of Directors shall consist of no less than 4 and no more than 12 directors, the specific number to be determined by resolution adopted by the Board of Directors. The size of the Board is currently set at four persons, and the Board of Directors is divided into three classes, with staggered three-year terms. Class 2 is comprised of two directors and Class 1 and Class 3 are comprised of one director. One Class 1 director will be elected at the Annual Meeting.

The Class 1 director, Randall L-W. Caudill, has been appointed to a term that expires in 2002. The Class 2 directors, Herbert L. Lucas and David Howard, have been elected to a term that expires in 2003. The Class 3 Director, Daniel B. Ward, has been elected to a term that expires in 2004.

Nominee for Director

The name and certain information concerning the person to be nominated by the Board of Directors at the Annual Meeting is set forth below. **THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ELECTION OF THE NOMINEE NAMED BELOW.** Shares represented by proxies will be voted for the election of the person named below unless authority has been withheld in the proxy. The nominee has consented to serve as a director. The Board of Directors has no reason to believe that the nominee will be unable to serve as director. In the event of the death or unavailability of the nominee, the proxy holders will have discretionary authority under the proxy to vote for a suitable substitute nominee as the Board of Directors may recommend. Proxies may not be voted for more than one nominee. The Board of Directors has nominated the person named in the following table:

Name	Age	Has Been a Director Since

PROPOSAL NO. 2:

AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION

TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors of the Company proposes that the stockholders approve an amendment to the Company's Certificate of Incorporation, as amended, to increase the number of shares of common stock authorized for issuance from 30,000,000 to 50,000,000. As of May 24, 2002, the Company had 20,438,954 shares of common stock outstanding and 3,519,408 shares reserved for issuance upon exercise of outstanding and future grants of awards under our stock option plan. The Board of Directors believes that the increase in authorized shares is appropriate to provide sufficient flexibility in furtherance of the Company's general corporate purposes.

The Board of Directors believes it is advisable to have a greater number of authorized but unissued shares of capital stock available for various corporate programs and purposes. In particular, the Company has been engaged in discussions with potential investors concerning various public or private financing transactions to provide the Company with capital that could involve the issuance of additional shares of common stock or securities convertible into common stock. In addition, the Company may, from time to time, consider joint ventures, strategic relationships with corporate partners or acquisitions that may involve the issuance of additional shares of common stock. Also, additional shares of common stock may be necessary to meet future obligations under employee benefit plans. The availability of additional shares is particularly important in the event that the Board of Directors determines to undertake any of the foregoing actions on an expedited basis and thus to avoid the time and expense of seeking stockholder approval in connection with the contemplated issuance of common stock. As of the date of this proxy statement, the Company has no agreement, arrangement or understanding to issue any of the shares for which approval is sought.

The Company believes that an increase in the number of authorized shares of capital stock will enhance its ability to respond promptly to any market or financing opportunities. The increase in authorized common stock will not have any immediate effect on the rights of existing stockholders. However, the Board of Directors will have the authority to issue authorized stock without requiring future stockholder approval, except as may be required by applicable law, for consideration in cash or otherwise and in the amounts that the Board of Directors may determine. To the extent that additional authorized shares are issued in the future, they may decrease the existing stockholders' percentage of equity ownership and, depending on the price at which they are issued, could be dilutive to existing stockholders.

Although the Board of Directors presently intends to employ the additional shares of capital stock solely for the purposes set forth above, these shares could be used by the Board of Directors to dilute the stock ownership of persons seeking to obtain control of the Company, possibly discouraging or deterring an attempt to obtain control of the Company and making removal of incumbent management more difficult. The proposal, however, is not a result of, nor does the Board of Directors have knowledge of, any effort to accumulate Company capital stock or to obtain control of the Company by means of a merger, tender offer, solicitation in opposition to the Board of Directors or otherwise.

The Board of Directors does not believe that an increase in the number of authorized shares of common stock will have a significant impact on any attempt to gain control of the Company. It is possible, however, that the availability of authorized but unissued shares of common stock could discourage third parties from attempting to gain control because the Board of Directors could authorize the issuance of shares of capital stock in a private placement or otherwise to one or more persons. The issuance of capital stock could dilute the voting power of a person attempting to acquire control of the Company, increase the cost of acquiring control or otherwise hinder efforts to acquire control. The proposal described in this proxy statement is not in response to any such action.

Table of Contents

As amended, Article Four would read as follows:

FOURTH: The Corporation shall have authority to issue in the aggregate 55,000,000 shares of stock. Such shares shall be divided into two classes as follows:

a. 50,000,000 shares of Common Stock with a par value of \$.001.

Any of the voting powers, designations, preferences, rights and qualifications, limitations or restrictions of any such class or series of stock may be made dependent upon facts ascertainable outside the Certificate of Incorporation or of any amendment thereto, or outside the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors pursuant to the authority which is expressly vested in it by the provisions hereof, provided that the manner in which such facts shall operate upon the voting powers, designations, preferences, rights and qualifications, limitations or restrictions of such class or series of stock is clearly and expressly set forth in this Certificate of Incorporation or in the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors. Notwithstanding the foregoing, each share of Common Stock shall be entitled to one vote on all matters requiring approval by the holders of the Corporation's Common Stock. Fully paid stock of this Corporation shall not be liable to any further call or assessment. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE PROPOSED AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES.

Table of Contents**PROPOSAL NO. 3:****AMENDMENT TO THE COMPANY S CERTIFICATE OF INCORPORATION****TO CHANGE THE NAME OF THE COMPANY**

The Board of Directors of the Company proposes that the stockholders approve an amendment to the Company s Certificate of Incorporation, as amended, to change the name of the Company to SCOLR, Inc. The Board of Directors believes that the proposed new name better reflects the Company s shift in focus from its nutraceutical business to developing its drug delivery technology. If Proposal No. 3 is approved, the Company will promptly file an Amendment to the Company s Certificate of Incorporation with the State of Delaware and file any other documents necessary to effect the Company s name change from Nutraceutix, Inc. to SCOLR, Inc. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE PROPOSED AMENDMENT TO THE COMPANY S CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY S NAME.**

Employment Contracts and Termination of Employment and Change of Control Arrangements

The Company had a three year employment contract with William D. St. John, which commenced on April 1, 1998, and which was renewable for an additional three-year period unless either party gave 180 days notice to the other. The employment agreement provided for an initial base annual salary of not less than \$150,000. As of October 1, 1998, the base salary paid to Mr. St. John increased from \$150,000 to \$175,000. Mr. St. John resigned, as an officer and director of the Company, effective as of January 15, 2001 and the employment contract was superseded and replaced with a Separation Agreement. See Certain Relationships and Related Transactions.

DIRECTOR COMPENSATION

The Company pays no additional remuneration to employees of the Company who serve as directors. All directors are entitled to reimbursement for expenses incurred in traveling to and from meetings of the Company's Board of Directors. Effective September 24, 1999 and as further clarified on March 27, 2000, the Board of Directors has adopted the following compensation plan for non-employee directors (Eligible Directors): (a) on October 1 of each year each Eligible Director is granted an option exercisable for 30,000 shares of the Company's common stock at an exercise price equal to the closing price of the Company's common stock on the date of grant, which option shall be fully vested as of the date of grant, (b) on October 1 of the first year of service, each new Eligible Director is granted an option for 2,500 shares for each whole month of service prior to October 1, (c) in the event an Eligible Director resigns prior to October 1 in any year, such eligible Director is granted an option on October 1 of the year of resignation for 2,500 shares for each whole month of service completed prior to the date of resignation, and (d) each Eligible Director receives a quarterly cash retainer paid in arrears in the amount of \$3,750 for services as a Director. In accordance with this compensation policy, on October 1, 2001, Mr. Lucas and Mr. Ward (together with two other non-employee directors who are no longer serving) were each granted nonqualified stock options exercisable for 30,000 shares of the Company's common stock at an exercise price of \$0.38 per share. In addition, on February 9, 2001, Mr. Lucas and Mr. Ward (together with two other non-employee directors who are no longer serving) were each also granted a nonqualified stock option fully exercisable for 25,000 shares of the Company's common stock at an exercise price of \$0.66 per share.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company and William D. St. John entered into a Separation Agreement pursuant to which Mr. St. John's employment as a director and Chairman of the Board with the Company ceased as of January 15, 2001. The Separation Agreement superseded and replaced his employment agreement with the

Company. Pursuant to the terms of Mr. St. John's Separation Agreement, he is entitled to receive 36 monthly severance payments of \$12,500, subject to certain offsets against future earnings. Additionally, Mr. St. John's options for 85,000 shares of the Company's common stock became fully vested and were converted into nonqualified options, exercisable until January 31, 2002.

The Company and Patricia A. St. John, wife of Mr. St. John, entered into a Separation Agreement pursuant to which Mrs. St. John's employment as Vice President Administration, Secretary and Treasurer ceased as of January 15, 2001. Pursuant to the terms of the Separation Agreement, Mrs. St. John is entitled to 12 monthly severance payments of \$7,088.33 for the period January 15, 2001 to January 15, 2002. Additionally, Mrs. St. John's options for 94,000 shares of the Company's common stock became fully vested and were converted into nonqualified options, exercisable until January 31, 2002.

In December 2001, the Company sold 205,000 shares of common stock to Ed Moger, Jr. brother of Steve Moger for \$80,000. The sale was part of a sale of 2,255,000 shares of common stock in a private placement exempt from registration under the Securities Act of 1933, as amended.

On March 25, 2002, the Company entered into an Exclusive Patent License Agreement with Archer-Daniels-Midland Company (ADM), a beneficial owner of more than 5% of the Company's common stock. Under the terms of the agreement, the Company granted ADM an exclusive license to manufacture, use and sell products covered by certain patents owned by the Company. ADM will pay the Company a running royalty based on the Company's net sales for the covered products on a quarterly basis. ADM reimbursed the Company in the amount of \$50,000 for the costs in developing and formulating one of its nutraceuticals covered by the patents and has agreed to reimburse the Company an additional \$150,000 for the Company's costs in developing and formulating another of its nutraceuticals covered by the patents in the event ADM exercises its option to use such formula. The Company has not yet realized royalty revenue under the agreement. The Company believes the terms of the agreement with ADM are as favorable to the Company as those which could have been obtained from unrelated third parties at the time of its execution.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company or otherwise in its files and on written representations from its directors, executive officers and ten percent stockholders no other reports were required during the fiscal year ended December 31, 2001. The Company's officers, directors and ten percent stockholders complied with all applicable Section 16(a) filing requirements.
