Forward Looking Statements

This Form 8-K and the Exhibit hereto may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements about: (i) the benefits of the merger between Sterling and Northern Empire, including future financial and operating results, cost savings, enhancements to revenue and accretion to reported earnings that may be realized from the merger; (ii) Sterling 's or Northern Empire 's plans, objectives, expectations and intentions and other statements that are not historical facts; and (iii) other statements identified by words such as expects, anticipates,

intends, plans, believes, seeks, estimates or words of similar meaning generally intended to identify forward-looking statements. These forward-looking statements are based upon the current beliefs and expectations of the management of Sterling and Northern Empire and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond our control. In addition, these forward-looking statements are subject to assumptions with respect to future business strategies and decisions that are subject to change. Actual results may differ materially from the anticipated results discussed in these forward-looking statements because of numerous possible uncertainties.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: (1) the businesses of Sterling and Northern Empire may not be combined successfully, or such combination may take longer, be more difficult, time-consuming or costly to accomplish than expected; (2) the expected growth opportunities and cost savings from the merger may not be fully realized or may take longer to realize than expected; (3) operating costs, customer losses and business disruption following the merger, including adverse effects on relationships with employees, may be greater than expected; (4) the shareholders of Sterling or Northern Empire may fail to approve the merger; (5) adverse governmental or regulatory policies may be enacted; (6) the interest rate environment may further compress margins and adversely affect net interest income; (7) results may be adversely affected by continued diversification of assets and adverse changes to credit quality; (8) competition from other financial services companies in Sterling's and Northern Empire's markets could adversely affect operations; and (9) an economic slowdown could adversely affect credit quality and loan originations. Additional factors that could cause actual results to differ materially from those expressed in the forward-looking statements are discussed in Sterling's and Northern Empire's reports (such as Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K) filed with the Securities and Exchange Commission and available at the SEC's website at www.sec.gov.

Sterling cautions that the foregoing list of factors is not exclusive. All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters attributable to Sterling or Northern Empire or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above. Sterling does not undertake any obligation to update any forward-looking statement to reflect circumstances or events that occur after the date the forward-looking statements are made.
