Item 2.05. Costs Associated with Exit or Disposal Activities.

Albany International Corp. (the "Company") issued a news release on August 2, 2007 announcing plans to further reduce manufacturing capacity in North America. As announced, the Company intends to discontinue operations at its press fabric manufacturing facility in East Greenbush, New York, and to cease the manufacture of dryer fabrics in Menands, New York. The plans are in response to the continuing consolidation within the paper industry in the U.S. and Canada and the need to balance the Company's PMC manufacturing capacity in North America with anticipated paper mill demand.

Edgar Filing: ALBANY INTERNATIONAL CORP /DE/ - Form 8-K

Discussions with labor representatives at the affected operations are expected to begin shortly. Until they are concluded, the Company is unable reasonably to estimate the costs expected to be incurred in connection with these plans. The Company will disclose the amount, type and timing of these costs promptly after they are determined.
