

### **Item 8.01. Other Events.**

On November 7, 2014, the Company's board of directors (the "Board's") approved the cancellation of all certificates representing the securities of the Company and the filing of a Certification and Notice of Termination of Registration under Section 12(g) of the Securities Exchange Act of 1934 ("Form 15") with the United States Securities and Exchange Commission (the "SEC") to terminate the registration of the Company's securities in accordance with the previously announced Plan of Dissolution and Liquidation (the "Plan of Liquidation"). As a result, the Company's securities are no longer outstanding and the former holders of such securities are no longer Company shareholders. The Company currently anticipates that the Form 15 will be filed with the SEC on or about the date of the filing of this Form 8-K. Within some period of time following the filing of the Form 15, the identification of a shareholder's ownership interest in the Company's securities may no longer be reflected in the shareholder's brokerage account(s). As previously announced, the Company intends to use its limited remaining funds to complete the Plan of Liquidation as soon as practicable. The final distribution to shareholders was made in July 2014.

The Company's actual results could differ materially from those anticipated in such forward-looking statements as a result of certain factors, including the timing of the Company's completion and filing of the Form 15, the acceptance of the Form 15 by the SEC, the timing of the processing of the Form 15 by the SEC and others and the Company's ability to, the costs associated with and the time required to complete the Plan of Liquidation.

For a discussion of some additional factors that could cause actual results to differ, see the risks discussed under "Risk Factors" and the disclosures in the Company's Annual Report on Form 10-K for the fiscal year ended June 28, 2008 and subsequently filed reports and in "Certain Risks Related to the Dissolution and the Plan of Liquidation" and the disclosures in the Definitive Proxy Statement for the 2008 Annual Shareholders' Meeting filed with the Securities and Exchange Commission on November 7, 2008. The Company wishes to caution the reader that these forward-looking statements, including, without limitation, statements regarding the timing of the filing of the Form 15, the completion of the Plan of Liquidation and other statements contained in this Form 8-K regarding matters that are not historical facts, are only estimates or predictions. No assurance can be given that future results will be achieved.

Actual events or results may differ materially as a result of risks facing the Company or actual results differing from the assumptions underlying such statements. Any forward-looking statements contained in this Form 8-K represent the Company's estimates only as of the date of this Form 8-K, or as of such earlier dates as are indicated herein, and should not be relied upon

as representing the Company's estimates as of any subsequent date. While the Company may elect to update forward-looking statements at some point in the future, unless required by applicable law, the Company specifically disclaims any obligation to do so, even if its estimates change.
