FOR IMMEDIATE RELEASE

SHAMAN VOLUNTARILY FILES FOR CHAPTER 11 BANKRUPTCY PROTECTION

South San Francisco, CA - January 5, 2001 - Shaman Pharmaceuticals, Inc (OTC BB: SHPH.OB) today announced that it has voluntarily filed a Chapter 11 reorganization petition for protection under Federal Bankruptcy law in the United States Bankruptcy Court, Northern District of California. The decision to seek protection was taken because the Company believes that a bankruptcy reorganization provided the best means of maximizing the value of its real estate lease and intellectual property for the benefit of its creditors and shareholders. During the bankruptcy proceeding, Shaman will continue to operate as a debtor in possession, and anticipates promptly filing a plan of reorganization to restructure its debts.

Despite the filing, Shaman will continue to sell its products. Normal Stool Formula (NSF) will be sold in the near term through General Nutrition Centers (GNC) under a signed contract with GNC to market NSF as an anti-diarrheal product to health food and specialty store channels. NSF and NSF-IB will also continue to be sold through the Internet at www.NSFIB.com and at 800-987-9920, as well as through specific retail operations such as The Medicine Shoppe Pharmacies and other smaller retail pharmacies.

Edgar Filing: SHAMAN PHARMACEUTICALS INC - Form 8-K/A

Timing of the bankruptcy filing was imposed by several factors, including the need to preserve the value of the Company's below-market lease which may be assigned in bankruptcy to generate substantial funds for the Company and to provide clear title to buyers or licensees of certain key intellectual property assets of the Company. The Company has engaged Roth Capital Partners to assist with the sale or licensing of certain of its key assets, including discontinued pharmaceutical products.

This press release contains, among other things, certain statements of a forward-looking nature relating to Shaman's ability to advance its development and research programs. Such statements involve a number of risk and uncertainties including the Risk Factors listed in the Shaman Pharmaceuticals, Inc.'s Annual Report on Form 10K and 10K/A for the year ended December 31, 1999. SECURITY AGREEMENT

THIS SECURITY AGREEMENT is entered into as of January 2, 2001, between SHAMAN PHARMACEUTICALS, INC., a Delaware corporation ("DEBTOR"), for the benefit of LDI Goup, Inc., Freehan Partners, L.P., M. David Titus, Nezam Tooloee, Lisa A. Conte, and Steven King (each, individually a "SECURED PARTY").

RECITALS

A. Pursuant to the Secured Bridge Promissory Note of even date entered into between Secured Party and Debtor (the "PROMISSORY NOTE"), Debtor has agreed to pledge its assets as security for the payment of the Promissory Note.

B. Debtor is granting to Secured Party a fully perfected security interest in Debtor's accounts receivable from all subtenants, tenants, and assignees of Debtor's leased space and its present and future accounts (the "Collateral"), to secure prompt payment and performance of the Obligations and Debtor's obligations to Secured Party under this Agreement. This security interest will be prior to any competing security interest, lien or other interest or claim in such Collateral.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Debtor agrees as follows:

1. Grant of Security Interest. Debtor hereby assigns and grants to Secured Party, to secure the due and timely payment and performance of the Obligations (as defined below), whether now existing or hereafter arising, a first priority perfected security interest in all of Debtor's right, title and interest, whether now existing or hereafter arising, in and to the Collateral (as defined below).

2. Collateral. The "COLLATERAL" consists of the following personal property.

(a) All of Debtor's accounts receivable from all subtenants, tenants, and assignees of Debtor's leased space (collectively, the "ACCOUNTS

As used in this Security Agreement, the term "PROCEEDS" includes whatever is receivable or received when collateral or the proceeds thereof is paid, collected or otherwise disposed of whether such disposition is voluntary or involuntary, and all claims arising out of the damage, destruction, or decrease in value of the collateral.

3. Obligations Secured. The "OBLIGATIONS" secured by the Collateral consist of the full and timely payment and performance of all of debt evidenced by the Promissory Note and the obligations under this Security Agreement. The terms "indebtedness" and "obligations" are used in the most comprehensive sense and include all obligations in connection with the Promissory Note to Secured Party.

4. Covenants of Debtor. Debtor agrees:

(a) to do all acts necessary to maintain, preserve and protect the Collateral;

(b) not to change the location of the tangible Collateral, or to make any change in Debtor's name or place of business, or, if Debtor has more than one place of business, its head office, or office in which Debtor's records relating to the Collateral are kept beyond Debtor's ordinary course of business conduct;

(c) to procure and deliver from time to time any financing statements and other writings necessary to perfect, maintain and protect its security interest hereunder and the priority thereof and the purposes of this Agreement and to deliver promptly to Secured Party all originals of Collateral or proceeds consisting of chattel paper or instruments, if any;

(d) to keep separate, accurate and complete records of the Collateral and to provide Secured Party with such records and other reports and information relating to the Collateral as Secured Party may request from time to time;

(e) not to surrender or lose possession of (other than to Secured Party), sell, encumber, lease, rent, or otherwise dispose of or transfer any Collateral or right or interest therein, except for routine disposal of equipment being replaced in the ordinary course of business, and to keep the Collateral free from all levies and security interests or other charges except for security interests existing on the date of this Agreement with Lenders and those other levies, security interests or other charges approved in writing by Secured Party;

(g) not to cause or suffer any of Debtor's representations and/or warranties to become untrue;

(h) to appear in and defend any action or proceeding which may affect its title to or Secured Party's interest in the Collateral;

(i) not to use or permit any Collateral to be used unlawfully or in violation of this Agreement or any applicable law or regulation or policy of insurance covering the Collateral; and

(j) to promptly supply Secured Party with such other information concerning its affairs as Secured Party may request from time to time hereafter and shall promptly notify Secured Party of any material adverse change in Debtor's financial condition and any condition or event that constitutes a breach of or event that constitutes an Event of Default under this Agreement; and

5. Representations and Warranties. Debtor represents and warrants to Secured Party that:

(a) Debtor is duly existing and in good standing in its state of formation and qualified and licensed to do business in, and in good standing in, any jurisdiction in which the conduct of its business or its ownership of property requires that it be qualified. The execution, delivery and performance of the Documents have been duly authorized, and do not conflict with Debtor's formation documents, nor constitute an event of default under any material agreement by which Debtor is bound.

(b) Debtor has good title to the Collateral, free of competing liens, charges and encumbrances.

(c) No representation, warranty or other statement of Debtor in any certificate or written statement given to Secured Party contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained in the certificates or statements not misleading as of the date made.

Debtor has not at any time within the past four (4) months maintained its chief executive office or its records with respect to the Collateral at any other location. All tangible Collateral is and will be located in the State of California except.

6. Default. Debtor will be in default hereunder if:

(a) Debtor materially breaches any provision of this Security Agreement and such breach continues after written notice from Secured Party for a period of thirty (30) days or such longer period of time reasonably required to remedy the breach, provided Debtor promptly commences remedial action within thirty

Edgar Filing: SHAMAN PHARMACEUTICALS INC - Form 8-K/A

(30) days of such written notice and thereafter diligently pursues the remedial action.

(b) If a material portion of Debtor's assets are attached, seized or levied upon or if Debtor begins an insolvency proceeding or an insolvency proceeding is begun against Debtor (an "INSOLVENCY EVENT").

(c) If any warranty or representation in any Document or in any writing delivered to Secured Party is untrue or inaccurate in any material respect.

(d) Any material misrepresentation or material misstatement existing now or hereafter in any warranty or representation in any such guaranty in connection with such guaranty.

(e) Debtor fails to pay any amounts when due under the Promissory Note or breaches any other provision of the Promissory Note.

7. Remedies. Upon a default as defined in Section 6 above, Secured Party may, at Secured Party's option declare all Obligations immediately due and payable:

(a) Exercise with respect to the Collateral all of the remedies of a secured party under Article 9 of the California Commercial Code (including any right to recover any deficiency from Debtor);

(b) Exercise any and all remedies available under law or in equity.

(c) Payment in full of Indebtedness at any time shall cure any and all defaults, pursuant to which Secured Party shall relinquish, release and return to Debtor any and all collateral in its possession or under its control.

No delay or omission to exercise any right or remedy of Secured Party upon a default by Debtor will waive any right or remedy of Secured Party or be construed as a waiver of any similar default that occurs later. Debtor waives

4

any right to require Secured Party to proceed against any other person or to exhaust any Collateral or to pursue any other remedy in Secured Party's power.

(b) This Security Agreement contains the entire security agreement between Secured Party and Debtor and may be modified only by a writing signed by Secured Party and Debtor. If any of the provisions of this Security Agreement are held invalid or unenforceable, this Security Agreement will be construed as if not containing the invalid or unenforceable provisions.

(c) This Security Agreement will be construed in accordance with and governed by the laws of the State of California.

(d) Should any party hereto institute any action or proceeding to enforce any provisions hereof, or for damages by reason of any alleged breach of any provisions of this Agreement, or for a declaration of such party's rights or obligations hereunder, or for any other judicial remedy, the prevailing party shall be entitled to be reimbursed by the losing party all costs and expenses

1.1 PARTIES. As used in this Assignment, the terms "Assignor" and "Assignees" mean the parties above-identified by such designation and their respective heirs, executors, administrators, successors and assigns. The preceding sentence shall not be interpreted to authorize any transfer which is otherwise prohibited by any agreement of such parties.

1.2 OTHER DEFINITIONS. As used in this Assignment, the terms hereafter set forth shall have the respective meanings hereafter indicated.

"Event of Default" shall have the same meaning as the definition of such phrase appearing in the Security Agreement.

"Indebtedness" means all monetary amounts from time to time owing by Assignor to Assignee under the Note, under this Assignment and under the Security Agreement, including, without limitation, all, if any, amendments of this Assignment and all, if any, renewals, extensions, rearrangements and modifications of the Note and of the Security Agreement.

"Leases" means all present and future leases, lease assignments, and subleases with respect to which the leased premises of such Leases consist of any portion of the Property.

"Note" means that certain Secured Bridge Promissory Note or Secured Bridge Promissory Notes of even date executed by Assignor, as "Maker," bearing interest and being payable to the order of one or more of the Assignees, as "Payee," in installments in accordance with the terms and provisions therein set forth.

"Property" means the premises described on attached Exhibit "B" together with all improvements, rights, appurtenances, personalty and any other property which may be secured by the Security Agreement presently or hereafter situated on such land.

"Rents" means all rent (including, without limitation, fixed rent, minimum rent and percentage rent, if any) and all other monetary amounts of every type (including, without limitation, damages for breach or early termination of such Leases) which are from time to time payable by Tenants under any of the Leases (at the Property) to Assignor (as landlord, sublandlord or lease assignor) under the Leases or which are otherwise receivable by Assignor with respect to the Leases or Property and all of such previously mentioned sums which are from time to time payable by guarantors of the obligations of Tenants to Assignor (as landlord) under the Leases and all amounts payable by Tenants (and guarantors for Tenants) to Assignor (as landlord) under the provisions of the Bankruptcy Code as amended from time to time.

"Security Agreement" means that Security Agreement or Security Agreements of even date executed Assignor, as "Debtor," and one or more of the Assignees as "Secured Party" securing the Indebtedness evidenced by the Notes and creating a security interest in certain property of Assignor. This Assignment is not a security agreement, in view of the fact that this Assignment provides for an absolute assignment of Rents, not a collateral assignment of Rents.

"Tenants" means any tenant, subtenant, or assignee of Assignor's lease in connection with any portion of the Property, including without limitation any assignee of Assignee's lease in bankruptcy.

ARTICLE 2

ASSIGNMENT

Edgar Filing: SHAMAN PHARMACEUTICALS INC - Form 8-K/A

2.1 ABSOLUTE ASSIGNMENT. For and in consideration of the sum of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and confessed, Assignor does hereby absolutely assign, transfer, and set over to Assignee the Rents.

2.2 INCIDENTS OF ASSIGNMENT. This Assignment is absolute, unconditional and immediately effective. This Assignment does not collaterally transfer the Rents to Assignee and does not grant Assignee a lien on the Rents; instead, this Assignment absolutely vests title to the Rents in Assignee and constitutes Assignee as the owner of the Rents in accordance with the terms and provisions of this Assignment. It shall never be necessary for Assignee to institute legal proceedings of any kind to enforce the provisions of this Assignment.

ARTICLE 3

COVENANTS, REPRESENTATIONS AND WARRANTIES OF ASSIGNOR

3.1 COVENANTS OF ASSIGNOR. Assignor hereby unconditionally covenants and agrees as follows:

2

3.1.1 to use best efforts to observe, perform and discharge, diligently and punctually, all the obligations imposed upon the landlord under the Leases and not to do or permit to be done anything to impair the Leases or the Rents obligations or any of the other obligations of the tenants under the Leases; and Assignor shall give prompt notice to Assignee of any failure on the part of the Assignor to observe, perform and discharge, with respect to Leases involving more than 25% of the Property in Aggregate, any of Assignor's obligations under this paragraph or under any other portion of this Assignment;

3.1.2 not to grant any period of free rental or abated rental under any of the Leases except as may be part of a customary marketing plan in the ordinary course of business;

3.1.3 until payment of the Indebtedness in full, not to execute any other assignment of Rents (whether absolute or collateral) arising or accruing from the Leases or from the Property;

3.1.4 to execute and deliver at the request of Assignee all such reasonable further assurances and written instruments and take all such other reasonable action with respect to the Property as Assignee shall from time to time request in writing in order to carry out the purpose and intent of this Assignment;

3.1.5 to use its best efforts to enforce, in the name of Assignor (as landlord), and at the cost, expense and risk of Assignor, the performance of each and every obligation, term, covenant, condition and agreement in the Leases to be performed by any Tenant; and Assignor (as landlord) shall appear in and defend any action or proceeding arising under, occurring out of or in any manner connected with the Leases or the obligations, duties or liabilities of Assignor (as landlord) and any tenant thereunder, and, upon request by Assignee, Assignor will do so in the name and on behalf of Assignee;

3.1.6 not to waive, excuse, discount, setoff, compromise or in any manner release or discharge any tenant under any Lease (or any guarantor for any such tenant) of and from any monetary or other obligations, covenants, conditions and agreements to be kept, observed and performed by such tenant (or guarantor for such tenant), including, without limitation, the obligation to pay

Edgar Filing: SHAMAN PHARMACEUTICALS INC - Form 8-K/A

Rents thereunder, in the manner and at the time and place specified therein;

3.1.7 not to intentionally incur any indebtedness to any Tenant (or guarantor for any Tenant) under any of the Leases unless each such Tenant (or guarantor) contemporaneously expressly waives in writing any right to offset against (or recoup) any portion of such indebtedness from Rents; and

3.1.8 if requested by Assignee, to deliver to Assignee executed copies of all Leases when executed upon all or any part of the Property.

3.2 REPRESENTATIONS AND WARRANTIES OF ASSIGNOR. Assignor unconditionally represents and warrants to Assignee now and continuing throughout the term of this Assignment as follows:

3.2.1 Assignor is the tenant of the leasehold Property

3

3.2.2 Except for Assignor's landlord, no other person, firm, corporation or entity has any right, title or interest in the Rents; and

3.2.3 no Rents provided for under any of the Leases have been previously sold, assigned, transferred, mortgaged or pledged.

ARTICLE 4

TERMINABLE LICENSE OF ASSIGNOR TO COLLECT RENTS

4.1 TERMINABLE LICENSE OF ASSIGNOR. So long as there exists no Event of Default, Assignor shall have and is hereby granted the license (the "License") to receive and collect all of the Rents. At the request of Assignee, Assignor shall, at all times, keep Assignee advised in writing of the names and locations of each depository at which such accounts containing the Rents are maintained as well as the account number of each such account and, within seven (7) days following notice from Assignee to Assignor, Assignor shall advise Assignee of the balance in each such account to the extent that such information may be requested by Assignee. Assignor acknowledges and agrees that the License does not negate or otherwise affect the status of this Assignment as being an absolute assignment fully transferring to Assignee title to the Rents.

4.2 AUTOMATIC TERMINATION OF ASSIGNOR'S LICENSE. Upon the occurrence of any Event of Default, the aforesaid License of Assignor under Section 4.1 of this Agreement shall, ipso facto, automatically terminate without the necessity that Assignee give Assignor any nature of notice or institute against Assignor any nature of legal proceedings or take any other action. Upon the occurrence of any such Event of Default and the resulting automatic termination of such License, unless Assignee gives Assignor notice to the contrary (a matter within the sole discretion of Assignee), all Rents thereafter received by Assignor shall, in their entirety, be promptly paid over by Assignor to Assignee and Assignee may exercise any and all legal and equitable remedies including, without limitation, the remedies provided for under Article 5 of this Assignment. Under no circumstances, however, does Assignee's legal ownership of the rents depend upon the occurrence of any such Event of Default or the resulting automatic termination of Assignor's License or the giving of notice by Assignee or the filing of any lawsuit or the taking of any other action whatsoever by Assignee, it being the agreement and intention of Assignor and Assignee that this Assignment is absolute (not collateral) and immediately vests ownership of the Rents in Assignee.

Edgar Filing: SHAMAN PHARMACEUTICALS INC - Form 8-K/A

4.3 IMPACT ON TENANTS OF TERMINATION OF ASSIGNOR'S LICENSE.

Notwithstanding any of the other terms or provisions of this Assignment, until receipt from Assignee of notice of the occurrence of an Event of Default, each Tenant may pay rentals directly to Assignor. Upon receipt by any Tenant under the Leases, however, of notice from Assignee that an Event of Default has occurred, irrespective of whether Assignor contests the occurrence or existence of such Event of Default or contests Assignee's entitlement to receive the Rents, each such Tenant under the Leases is hereby authorized and directed and required to pay directly to Assignee all Rents accruing after the date of the Event of Default stated in such notice from Assignee (irrespective of any contrary provision of the lease to such tenant or any other circumstances whatsoever); and the receipt by Assignee of Rents shall constitute a release of each Tenant paying such Rents to the extent of the amounts so paid to Assignee by such tenant. The notice from Assignee to tenants referred to in this Section 4.3 is intended solely for the benefit of each Tenant and shall never inure to

4

the benefit of Assignor or any party claiming through or under Assignor. The receipt by a Tenant of any such notice from Assignee constitutes full authorization and mandate for such tenant to make all future payment of Rents directly to Assignee and each Tenant paying such future Rents to Assignee after such notice from Assignee shall be permitted to rely on such notice and shall have no liability to Assignor after such notice for any Rents so paid to Assignee by such Tenant. In the event that any Tenant receiving any such notice from Assignee does not timely pay such future Rents to Assignee, whether on account of continued payment of such Rents by such Tenant to Assignor or withholding of such Rents by such Tenant or such Tenant's paying such rents into the registry of the court in connection with an interpleader or other action or any other non-payment of such Rents to Assignee by any Tenant, such Tenant will be liable to Assignee for the Rents not so paid to Assignee plus costs of court plus attorneys' fees of Assignee. Whenever requested by Assignee, Assignor shall promptly deliver to each Tenant a notice of this Assignment and that Assignee has, subject to the terms and provisions of this Assignment, granted Assignor a revocable (by Assignee) license to collect the Rents so long as there is no Event of Default and containing the other terms and provisions hereinabove set forth in this Section 4.3.

Assignor agrees that, upon the request by Assignee, the provisions of this Section 4.3 shall be contained in each Lease thereafter executed by Assignor (as landlord) and a Tenant.

ARTICLE 5

ARTICLE REMEDIES

5.1 REMEDIES. Assignor expressly acknowledges and agrees that upon or at any time after the occurrence of an Event of Default, Assignee's right, title and interest in and to the Leases and Rents shall be and remain absolute and inviolate in accordance with the provisions of this Assignment. Moreover, without limiting, altering, affecting or impairing in any manner or to any extent the absolute right, title and interest of Assignee as provided herein, upon the occurrence of such an Event of Default, Assignee shall have the complete right, power and authority hereunder, then or thereafter, to exercise and enforce any or all of the following rights and remedies:

5.1.1 To terminate the License and then and thereafter, without taking possession of the Property, in Assignor's own name, to demand, collect, receive, sue for, attach and levy on the Rents and give proper receipts, releases

and acquittances therefor, and after deducting all necessary and proper costs and expenses of operation of the Property and collection, as determined by Assignee, including attorneys' fees, and apply the net proceeds thereof, together with any funds of Assignor deposited with Assignee, in reduction or repayment of the Indebtedness and fulfillment of Assignor's other covenants, duties and obligations under this Agreement and under the Security Agreement in such order of priority as Assignee may, in its sole discretion, determine; and

5.1.2 To declare the unpaid principal balance on the Note, the unpaid accrued interest and any other accrued but unpaid portion of the Indebtedness immediately due and payable without any (or any further) notice of default, notice of intent to accelerate, notice of acceleration, presentment, protest, demand or action of any nature whatsoever (each of which hereby is expressly waived by Assignor) whereupon the same shall become immediately due and payable and, at Assignee's option, exercise all of the rights and remedies contained in the Security Agreement.

5

5.2 EXCULPATION OF ASSIGNEE. The acceptance by Assignee of this Assignment, and the exercise by Assignee of any of the rights, powers, privileges and authority provided under this Agreement, shall not, prior to action (if any) by Assignee in entering upon and taking possession of the Property, be deemed or construed to constitute Assignee a "mortgagee in possession," nor thereafter or at any time or in any event obligate Assignee to appear in or defend any action or proceeding relating to the Leases, the Rents or the Property or to take any action hereunder or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability of Assignor (as landlord) under any Lease or to assume any obligation or responsibility for any security deposits or other deposits delivered to Assignor by any tenant which were not actually delivered by Assignor to Assignee, nor shall Assignee be liable in any way for any injury or damage to persons or property sustained by any person, firm or corporation in or about the Property. Assignee shall, however, be liable for its acts or omissions with respect to the Property after having taken possession thereof.

5.3 NO WAIVER OR ELECTION OF REMEDIES.

5.3.1 No Waiver: Neither the collection of the Rents by Assignee nor application of the Rents by Assignee as provided for in this Assignment shall be deemed to cure or to waive any Event of Default (except to the extent that application cures an Event of Default which is non-payment) or to waive, modify or affect any notice of default under the Security Agreement. If Assignee shall thereafter elect to discontinue the exercise of any such right or remedy, the same or any other right or remedy under this Agreement may be reasserted at any time and from time to time following any subsequent Event of Default.

5.3.2 Election of Remedies: The failure of Assignee to assert any of the terms, covenants and conditions of this Assignment for any period of time or at any time or times shall not be construed or deemed to be a waiver of any such right, and nothing contained in this Agreement nor anything done or omitted to be done by Assignee pursuant to this Assignment shall be deemed to be an election of remedies or a waiver by Assignee of any of its rights and remedies under any of the Security Agreement or under the law. The right of Assignee to collect and enforce the payment of the Indebtedness may be exercised by the Assignee either prior to or simultaneously with or subsequent to any action taken under this Assignment.

5.4 INDEMNIFICATION BY ASSIGNOR. ASSIGNOR HEREBY AGREES TO INDEMNIFY AND HOLD ASSIGNEE FREE AND HARMLESS FROM AND AGAINST ANY AND ALL LIABILITY, LOSS, COST, DAMAGE OR EXPENSE WHICH ASSIGNEE MAY INCUR UNDER OR BY REASON OF THIS

ARTICLE MISCELLANEOUS

6.1 POSSIBLE INCONSISTENCY BETWEEN ASSIGNMENT AND OTHER DOCUMENTS. Notwithstanding that the Note or Security Agreement may indicate the transfer of Rents by Assignor to Assignee to be a pledge or a collateral assignment or assignment which is made as security or as further security for the payment or performance of some monetary or other obligation of Assignor, such provisions are not controlling and are intended to be and are hereby superseded by the provisions of this Assignment indicating that the assignment of Rents is an absolute assignment of Rents passing ownership of the Rents to Assignee subject to the terms and provisions of this Assignment.

Upon payment in full of the Indebtedness, performance of all of the covenants, duties and obligations of Assignor under the Security Agreement and performance of all of the covenants, duties and obligations of Assignor under this Assignment, this Assignment shall be and become void and of no effect and, upon request of Assignor, Assignee shall promptly execute and deliver to Assignor an instrument under which Assignee releases its rights under this Assignment and sets forth the consent of Assignee to each tenant's future payment of Rents to Assignor.

6.3 NON-LIABILITY OF ASSIGNEE FOR PERFORMANCE OF DUTIES OF ASSIGNOR UNDER LEASES. INTERCREDITOR AGREEMENT

This Intercreditor Agreement (this "Intercreditor Agreement") is entered into as of January 2, 2001, by and among Alcamin Anstalt, Tradewinds Debt Strategies Fund, L.P, Nezam Tooloee, and Lisa A. Conte (collectively, the "Lenders") and Shaman Pharmaceuticals, Inc., a Delaware corporation ("Shaman").

RECITALS

Lenders have agreed to advance additional funds to Shaman, and Shaman and the Lenders have agreed to have separate amended and restated notes evidence both certain prior indebtedness of Shaman to each of the Lenders as well as the indebtedness for these new advances (the "Lender Notes"). Shaman has executed and delivered the Lender Notes, together with a Security Agreement securing all indebtedness under the Lender Notes (including for prior advances) by its intellectual property and tangible assets relating to SP-303, SB-300, NSF and NSF-IB, and to Shaman's products, inventory, and work in process that embody that intellectual property (the "SP-303 Collateral") and to certain intellectual property rights relating to its diabetes products (the "Diabetes Collateral") (collectively, the SP-303 Collateral and Diabetes Collateral is the "Collateral").

Lenders have agreed that should any of them exercise their rights under the Security Documents or otherwise foreclose on the collateral, or should any sale of the Collateral occur, with the proceeds to be distributed to the creditors with security interests therein, then the parties' rights to the proceeds will be as set forth in this Intercreditor Agreement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Lenders agree as follows:

AGREEMENT

Edgar Filing: SHAMAN PHARMACEUTICALS INC - Form 8-K/A

1. Lenders agree that their respective security interests in the SP-303 Collateral and Diabetes Collateral is and shall be of equal priority.

2. The priorities specified in Section 1 of this Agreement shall be applicable irrespective of the time, manner or order of attachment or perfection of security interests or the time or order of filing financing statements.

3. In any foreclosure, sale or liquidation of the Collateral, regardless of whether conducted by any of the Lenders or all of them, or a third party, Lenders agree to share the net proceeds of such sale or liquidation (after reimbursement of their reasonable costs and expenses of such sale or liquidation) as follows: First, in proportion to the ratio of the dollar amounts of their respective New Advances identified in their respective Lender Notes (the "New Advances" which include for purposes of this Intercreditor Agreement the \$250,000 in loans from Lender TradeWinds advanced to Shaman in November, 2000); and second, in proportion to the ratio of the dollar amounts of their prior advances as reflected in their respective Lender Notes (the "Old Advances"). In any transaction where the Lenders strictly foreclose on the Collateral, retaining it satisfaction of their debts or acquire the Collateral from Shaman in return in whole or part for forgiveness of the indebtedness to

them, the Lenders agree to share ownership in the Collateral so acquired (or in the newly formed entity such collateral is contributed to) by calculating their respective ownership shares by proportionate dollar indebtedness owed under the Lender Notes, adjusted as follows: Their New Advances shall be double-weighted (2x); and Old Advances shall be given single weight (1x).

4. Each of the Lenders agrees that if Shaman borrows at least \$350,000 to be secured by the Diabetes Collateral, or sells or transfer any interest in the Diabetes Collateral for at least \$350,000, then such Lenders shall release their security interest in the Diabetes Collateral without any additional consideration. Each Lender hereby irrevocably appoints Lisa Conte its, his, or her attorney-in-fact to execute and deliver any documents releasing the Lenders' lien in the Diabetes Collateral in accordance with this paragraph 4, including, without limitation, the filing of a UCC-2 evidencing the release of such Lenders' security interest in the Diabetes Collateral.

5. This Agreement is solely for the benefit of, and shall be binding on, Lenders, Shaman and their respective successors and assigns. No other person or entity shall have any right, benefit, priority or interest under this Agreement or because of the existence of this Agreement.

6. This Agreement shall be governed by and construed in accordance with the internal laws of the State of California.

7. This Agreement may be executed in counterparts, each of which so executed shall be deemed an original, and said counterparts shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.
