FOR IMMEDIATE RELEASE

CRISTALERIAS DE CHILE ANNOUNCES THE TERMINATION OF ITS AMERICAN DEPOSITARY SHARE ("ADS") PROGRAM IN THE UNITED STATES

Santiago, Chile (April 19, 2005) - Cristalerias de Chile S.A., a Chilean conglomerate and the largest producer of glass containers in Chile (the "Company"), today announced the following:

On April 19, 2005, the Company requested that the Bank of New York terminate its American Depositary Share ("ADS") program as a first step toward delisting from the New York Stock Exchange (the "NYSE") and deregistering with the U.S. Securities and Exchange Commission (the "SEC"). The termination of the ADS program is subject to a 60-day notice period. Suspension in the trading of the ADSs, the termination of the ADS program, and the delisting of the ADSs from the NYSE are expected to occur on or about June 21, 2005. Thereafter, the Company intends, when permitted by applicable SEC regulations, to terminate the SEC registration of the ADSs and the common shares underlying the ADSs.

The Company's strategy to terminate the ADS program, to delist from the NYSE, and to deregister from the SEC is due to a significant decrease over the last several years in: (i) the number of Company shares trading on the NYSE relative to the total number of outstanding Company shares (currently, ADSs trading on the NYSE represent 1.7% of the total number of outstanding common shares of the Company); and (ii) the number of U.S. holders of its ADSs and common shares (currently, there are fewer than 300 U.S. holders of the Company's ADSs and common shares). The Company intends to remain listed on the Chilean stock exchanges.

The Company cannot provide any assurance that it will successfully delist its ADSs from the NYSE and/or deregister its securities with the SEC. The Company will continue to comply with SEC reporting requirements unless and until its securities are deregistered.

* * *

This release may contain certain forward-looking statements (as that term is used in U.S. securities laws) regarding anticipated results of operations, financial condition, business operations or strategy of Cristalerias de Chile or its consolidated subsidiaries. Forward-looking statements may be identified by the use of words such as "anticipates," "believes," "expects," "predicts," "intends," "estimates," "should" or "may" or similar expressions relating to statements that are not of historical facts. Such forward-looking statements are believed to be reasonable, but are not guarantees of future performance. Actual results could vary from our objectives or expectations due to many factors including, among others, changes in consumer beverage preferences, new technologies, a downturn in the Chilean wine industry, significant disruption of the Chilean media market, the macroeconomic performance of Chile and the behavior of Latin American markets more generally.
