Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Section 2.02-1 of the Texas Business Corporation Act (the "TBCA") empowers a corporation to indemnify its directors and officers and to purchase and maintain liability insurance for directors and officers. Section 2.02-1 of the TBCA permits indemnification of directors and officers of corporations under certain conditions and subject to certain limitations and, under certain

circumstances, requires such indemnification. The TBCA provides further that a provision for indemnification of a director, whether contained in the articles of incorporation, the bylaws, a resolution of shareholders or directors, an agreement, or otherwise, is valid only to the extent it is consistent with Article 2.02-1 of the TBCA, as limited by the articles of incorporation, if such limitation exists. Article 12 of the registrant's Restated Articles of Incorporation contains a provision providing for indemnification of directors and officers to the full extent permitted by law. Section 8.01 of the registrant's Amended and Restated Bylaws, as amended, contains a provision providing for indemnification to the full extent permitted by law. Additionally, Article 11 of the registrant's Restated Articles of Incorporation limits the personal liability of directors of the registrant to the registrant or its shareholders for monetary damages for an act or omission in such director's capacity as a director, except that such Article 11 does not eliminate or limit the liability of a director for (i) a breach of the director's duty of loyalty to the registrant or its shareholders; (ii) an act or omission not in good faith or that involves intentional misconduct or a knowing violation of law, (iii) a transaction from which such director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of such director's office, (iv) an act or omission for which the liability of such director is expressly provided for by statute, or (v) an act related to an unlawful stock purchase or payment of a dividend.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

The foregoing summaries are necessarily subject to the complete text of the statutes and the registrant's Restated Articles of Incorporation and registrant's Amended and Restated Bylaws, as amended, referred to above and are qualified in their entirety by reference thereto.

Item 7. Exemption from Registration Claimed

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether

such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
