Fourth-Quarter and Full-Year 2007 Results
FOR IMMEDIATE RELEASE

Highlights

- Ø Fourth-quarter consolidated sales and operating income grew at double-digit rates
- Ø Fourth-quarter Television Broadcasting sales increased 5.6%, and operating segment income increased 7.6%, reaching a record fourth-quarter margin of 52.6%
- Ø Full-year Sky sales increased 8.7%, and operating segment income increased 9.5%, reaching a record full-year margin of 48.1%
- Ø Sign-on to sign-off audience share reached 70.9% in 2007

Consolidated Results

Mexico City, D.F., February 21, 2008—Grupo Televisa, S.A.B. (NYSE:TV; BMV: TLEVISA CPO; “Televisa” or “the Company”), today announced results for the fourth-quarter and the full year 2007. The results have been prepared in accordance with Mexican Financial Reporting Standards and are adjusted in millions of Mexican pesos in purchasing power as of December 31, 2007.

The following table sets forth a condensed statement of income for the years ended December 31, 2007 and 2006, in millions of Mexican pesos, as well as the percentage of net sales that each line represents, and the percentage change when comparing 2007 with 2006:

	2007	Margin	2006	Margin	Change
		%		%	%
Net sales	41,561.5	100.0	39,357.7	100.0	5.6
Operating income	14,480.9	34.8	14,265.7	36.2	1.5
Consolidated net income	9,018.4	21.7	9,519.3	24.2	(5.3)
Majority interest net income	8,082.5	19.4	8,908.9	22.6	(9.3)

Consolidated net sales increased 5.6% to Ps.41,561.5 million in 2007 compared with Ps.39,357.7 million in 2006. This increase was attributable to revenue growth in our Other Businesses, Sky, Cable and Telecom, Pay Television Networks, Publishing, Programming Exports, and Publishing Distribution segments. These increases were partially offset by a decrease in our Television Broadcasting segment.

Consolidated operating income increased 1.5% to Ps.14,480.9 million in 2007 compared with Ps.14,265.7 million in 2006. This increase was attributable to higher sales that were partially offset by higher cost of sales and operating expenses.

Majority Interest Net Income

Majority interest net income decreased 9.3% to Ps.8,082.5 million in 2007 compared with Ps.8,908.9 million in 2006. The net decrease of Ps.826.4 million reflected i) a Ps.65.3 million increase in other expense; ii) a Ps.124.5 million increase in equity in losses of affiliates, net; iii) a Ps.1,257.1 million increase in income taxes; and iv) a Ps.325.5 million increase in minority interest net income. This was partially offset by a Ps.215.2 million increase in operating income and a Ps.730.8 million decrease in integral cost of financing.

Fourth-Quarter Results by Business Segment

The following table presents fourth-quarter results ended December 31, 2007 and 2006, for each of our business segments. Amounts are presented in millions of Mexican pesos in purchasing power as of December 31, 2007.

Net Sales	4Q 2007	%	4Q 2006	%	Inc. %
Television Broadcasting	6,756.5	53.3	6,395.5	56.0	5.6
Pay Television Networks	514.9	4.0	362.3	3.2	42.1

¹ For segment reporting purposes, intersegment operations are included in each of the segment operations.

² Reflects the results of operations of one of the Company's soccer teams.

Television Broadcasting Fourth-quarter sales increased 5.6% compared with the same period of 2006.

Full-year sales decreased 2.5% to Ps.21,213.2 million compared with Ps.21,760.4 million in 2006. The annual decrease was attributable to i) an unfavorable comparison resulting from last years' political campaigns and Soccer World Cup advertising; and ii) an unexpected slowdown in

Edgar Filing: GRUPO TELEVISIA, S.A.B. - Form 6-K

consumer spending in Mexico, which led to a decline in advertising revenues during the year.

Fourth-quarter operating segment income increased 7.6% compared with the same period of 2006, and the margin reached a record fourth-quarter high of 52.6%.

Full-year operating segment income decreased 4.3% to Ps.10,518.1 million compared with Ps.10,996.3 million in 2006; the margin for the full year was 49.6% for the full year. These results reflect lower sales that were partially compensated by lower cost of sales and operating expenses.

Pay Television Networks

Fourth-quarter sales increased 42.1% compared with the same period of 2006.

Full-year sales increased 34.3% to Ps.1,852 million compared with Ps.1,379 million in 2006. The annual increase was driven by i) higher revenues from channels sold in Mexico and Latin America; ii) higher advertising sales; and iii) higher sales in TuTV, our pay-television joint venture with Univision.

Fourth-quarter operating segment income increased 67.1% compared with the same period of 2006, and the margin reached a record fourth-quarter high of 63.8%.

Full-year operating segment income increased 62.5% to Ps.1,150.2 million compared with Ps.707.9 million in 2006, and the margin increased to 62.1%. This increase reflects higher sales that were partially offset by an increase in cost of sales and operating expenses.

Programming Exports

Fourth-quarter sales decreased 8.2% compared with the same period of 2006.

Full-year sales increased 3.3% to Ps.2,262.1 million compared with Ps.2,190.3 million in 2006. The annual increase was attributable to i) a 8.7% increase in royalties from Univision, which amounted to US\$138 million; and ii) higher programming sales to Europe, Asia, and Africa. This increase was partially offset by lower sales in Latin America and a negative translation effect on foreign-currency-denominated sales amounting to Ps.74.7 million.

Fourth-quarter operating segment income decreased 13.6% compared with the same period of 2006, and the margin was 39.6%.

Full-year operating segment income increased 14.4% to Ps.1,032 million compared with Ps.902 million in 2006, and the margin increased to 45.6%. These results reflect higher sales and lower cost of sales and operating expenses.

Publishing

Fourth-quarter sales increased 16.4% compared with the same period of 2006.

Full-year sales increased 10.6% to Ps.3,311.9 million compared with Ps.2,993.9 million in 2006. The annual increase was driven by a greater number of advertising pages sold as well as higher revenues from magazine circulation in Mexico and abroad, including incremental revenues generated by the acquisition of Atlántida. This was partially offset by a negative translation effect on foreign-currency-denominated sales amounting to Ps.29.8 million.

Fourth-quarter operating segment income increased 13.4% compared with the same period of 2006, and the margin was 23.7%.

Full-year operating segment income increased 8.3% to Ps.624.4 million compared with Ps.576.7 million in 2006, and the margin was 18.9%. This increase reflects higher sales that were partially offset by higher cost of sales and operating expenses.

Publishing
Distribution

Fourth-quarter sales increased 8.7% compared with the same period of 2006.

Full-year sales increased 6.5% to Ps.479.2 million compared with Ps.449.8 million in 2006. The increase was attributable to higher circulation in Mexico and abroad of magazines published by the Company.

Fourth-quarter operating segment loss increased 25% compared with the same period of 2006.

Full-year operating segment income increased 52.4% to Ps.28.5 million compared with Ps.18.7 million in 2006, and the margin increased to 5.9%. These results reflect higher sales and lower operating expenses that were partially offset by an increase in cost of sales.

Sky

Fourth-quarter sales increased 10.9% compared with the same period of 2006.

Full-year sales increased 8.7% to Ps.8,402.2 million compared with Ps.7,732.9 million in 2006. The annual increase was driven by an increase in the subscriber base in Mexico and the launch of Sky operations in Central America, and was partially offset by lower advertising revenues. As of December 31, 2007, the number of gross active subscribers increased to 1,585,109 (including 103,127 commercial subscribers), compared with 1,430,111 (including 91,127 commercial subscribers) as of December 31, 2006.

Fourth-quarter operating segment income increased 6.5% compared with the same period of 2006, and the margin was 46.8%.

Full-year operating segment income increased 9.5% to Ps.4,037.9 million compared with Ps.3,689.1 million in 2006, and the margin increased to a full-year record of 48.1%. This increase reflects higher sales and lower

operating expenses that were partially offset by higher cost of sales.

Cable and Telecom Fourth-quarter sales increased 43.2% compared with the same period of 2006. This increase reflects the consolidation of the operations of Bestel in our financial statements as of December 15, 2007; which represented incremental sales of Ps.184.8 million.

Full-year sales increased 26.8% to Ps.2,611.6 million compared with Ps.2,059.4 million in 2006. The annual increase was attributable to i) an 10.8% increase in the number of video subscribers, which, as of December 31, 2007, reached 539,662, compared with 486,825 subscribers reported during 2006; ii) a 52% increase in broadband subscribers to 145,973 compared with 96,035 reported during 2006; iii) the addition of 9,015 telephony subscribers during the year; iv) a 3% average rate increase effective March 1, 2007; and v) higher advertising sales.

Fourth-quarter operating segment income increased 19.3% compared with the same period of 2006, yielding a margin of 34.3%. The consolidation of Bestel represented incremental operating segment income of Ps.52.4 million.

Full-year operating segment income increased 11.8% to Ps.947.2 million compared with Ps.847.5 million in 2006, and the margin was 36.3%. These results reflect higher sales that were partially offset by an increase in cost of sales as well as programming and advertising expenses.

Other Businesses Fourth-quarter sales increased 33.9% compared with the same period of 2006.

Full-year sales increased 39.8% to Ps.2,560.4 million compared with Ps.1,831.8 million in 2006. The annual increase was driven by higher sales in our gaming, feature-film distribution, soccer, and internet businesses.

Fourth-quarter operating segment loss decreased 43.2% compared with the same period of 2006.

Full-year operating segment loss increased 48% to Ps.266 million compared with Ps.179.7 million in 2006, reflecting higher cost of sales and operating expenses that were partially offset by higher sales.

Corporate Expenses

Share-based compensation expense in 2007 and 2006 amounted to Ps.140.5 million and Ps.243.9 million, respectively, and was accounted for as corporate expense. Share-based compensation expense is measured at fair value at the time the equity benefits are granted to officers and employees and is recognized over the vesting period in majority stockholders' equity.

Non-operating Results

Other Expense, Net

Other expense, net, increased by Ps.65.3 million, or 7.4%, to Ps.953.4 million for the year ended December 31, 2007, compared with Ps.888.1 million for the year ended December 31, 2006. This increase reflected i) a loss on disposition of shares in connection with the sale of our interest in Univision during the first quarter of 2007, and ii) an impairment adjustment in goodwill, donations, and professional services in connection with certain litigation and other matters. These unfavorable variances were partially offset by i) other income derived from the cancellation of an option to acquire an equity stake in the parent company of the controlling partners of La Sexta; and ii) the absence of non-recurring expenses incurred in connection with the tender offer made by Sky in 2006 for most of its Senior Notes due 2013.

Integral Cost of Financing

The following table sets forth integral cost of financing for the years ended December 31, 2007 and 2006, in millions of Mexican pesos in purchasing power as of December 31, 2007, which consisted of:

	2007	2006	Increase (decrease)
Interest expense	2,177.0	2,010.4	166.6
Interest income	(1,844.7)	(1,135.4)	(709.3)
Foreign-exchange (gain) loss, net	(215.9)	197.7	(413.6)
Loss from monetary position, net	293.8	68.3	225.5
	410.2	1,141.0	(730.8)

The integral cost of financing, net, decreased by Ps.730.8 million, or 64%, to Ps.410.2 million in 2007 from Ps.1,141 million in 2006. This decrease reflected primarily i) a Ps.709.3 million increase in interest income primarily in connection with a higher average amount of temporary, held-to-maturity and available-for-sale investments; ii) a favorable impact of Ps.413.6 million in net foreign-exchange results, driven primarily by a higher average amount of our net foreign-currency asset position. These favorable variances were partially offset by i) a Ps.166.6 million increase in interest expense, due mainly to a higher average amount of our outstanding debt; and ii) a Ps.225.5 million increase in loss from monetary position, resulting from a higher net monetary asset position.

Equity in Results of Affiliates, Net

Equity in losses of affiliates, net, increased by Ps.124.5 million, or 19.9%, to Ps.749.3 million for the year ended December 31, 2007, compared with Ps.624.8 million for the year ended December 31, 2006. This increase reflected i) the absence of equity in earnings of Univision, which we recognized through June 2006; and ii) a reduction of equity in earnings of OCEN, a live-entertainment venture in Mexico, and EMI Televisa Music, a music joint venture in the United States. These unfavorable variances were partially offset by a reduction in equity in loss of La Sexta, our 40% interest in a free-to-air television channel in Spain, which started operations in March 2006.

Income Taxes

Income taxes increased by Ps.1,257.1 million, or 60.1%, to Ps.3,349.6 million for the year ended December 31, 2007, from Ps.2,092.5 million for the year ended December 31, 2006. This increase reflected primarily a higher effective income tax rate.

Minority Interest

Minority interest net income increased by Ps.325.5 million, or 53.3%, to Ps.935.9 million in 2007, from Ps.610.4 million in 2006. This increase reflected primarily a higher portion of consolidated net income attributable to interests held by minority equity owners in our Sky segment, which was partially offset by a lower portion of consolidated net income attributable to interests held by minority stockholders in our Cable and Telecom segment.

Other Relevant Information

Capital Expenditures and Investments

In the year ended December 31, 2007, we invested approximately US\$355.1 million as capital expenditures, including approximately US\$122.3 million for our Sky segment; US\$78.7 million for our Cable and Telecom segment; US\$41.4 million for our gaming business; and US\$112.7 million for our Television Broadcasting segment and other businesses. We also made additional equity investments related to our 40% interest in La Sexta in the aggregate amount of €65.9 million.

Acquisitions

In August 2007, we acquired Editorial Atlántida, S.A., a leading publishing company in Argentina. In December 2007, an indirect majority-owned subsidiary of the Company, Cablestar, acquired the majority of the assets of Bestel, a privately held, facilities-based telecommunications company in Mexico.

Disposition of Investment in Univision

In March 2007, we cashed out our available-for-sale investment in shares of Univision in the amount of US\$1,094.4 million. As a result of this disposition, we recorded a non-cash loss of Ps.669,473, as other expense in our consolidated statement of income for the year ended December 31, 2007, which consisted primarily of loss on monetary position and foreign-exchange loss incurred from July 2006 through March 2007.

Debt

The following table sets forth our total consolidated debt, as well as Sky's satellite transponder lease obligation for the years ended December 31, 2007 and 2006, in millions of Mexican pesos in purchasing power as of December 31, 2007, which consisted of:

	2007	2006	Increase (decrease)
Current portion of long-term debt	488.6	1,023.4	(534.8)
Long-term debt (excluding current portion)	24,433.4	18,464.3	5,969.1
	24,922.0	19,487.7	5,434.3
Current portion of satellite transponder lease obligation	97.7	89.4	8.3
Long-term satellite transponder lease obligation (excluding current portion)	1,035.1	1,162.5	(127.4)
	1,132.8	1,251.9	(119.1)

In December 2007, Empresas Cablevisión, S.A.B. de C.V. ("Cablevisión"; BMV: CABLE), a majority-owned subsidiary of the Company, entered into a 5-year term loan facility in the aggregate principal amount of US\$225 million in connection with the financing for the acquisition of the assets of Bestel.

As of December 31, 2007, our consolidated net cash position (cash, temporary investments and long-term investments less total debt) was Ps.4,908.1 million, compared with a consolidated net debt position (total debt less cash, temporary investments and long-term investments) of Ps.2,146.5 million, as of December 31, 2006. Long-term investments as of December 31, 2007 and 2006, amounted to Ps.2,525.2 million and Ps.936.1 million, respectively.

Share Buyback Program

During 2007, we repurchased approximately 67.2 million CPOs in the aggregate nominal amount of approximately Ps.3,954.4 million.

Advertising Sales Plan

As of December 31, 2007, we had received aggregate upfront advertising deposits for television advertising of approximately Ps.16,230 million in real terms, representing a 3.2% decrease in real terms compared with the prior year. Approximately 67.9% of the advance deposits as of December 31, 2007, were in the form of short-term, non-interest-bearing notes receivable maturing the following year, with the remainder consisting of cash deposits. The weighted-average maturity of these notes was 3.6 months.

TelevisionRatings and Audience Share

National urban ratings and audience share reported by IBOPE confirm that, in 2007, Televisa continued to deliver strong ratings and audience shares. During weekday prime time (19:00 to 23:00, Monday to Friday), audience share amounted to 69%; in prime time (16:00 to 23:00, Monday to Sunday), audience share amounted to 69%; and in sign-on to sign-off (6:00 to 24:00, Monday to Sunday), audience share amounted to 70.9%. In 2007, Televisa aired 73% and 78% of the top-200 and top-100 rated programs, respectively.

About Televisa

Grupo Televisa, S.A.B., is the largest media company in the Spanish-speaking world and a major participant in the international entertainment business. It has interests in television production and broadcasting, production of pay-television networks, international distribution of television programming, direct-to-home satellite services, cable television and telecommunication services, magazine publishing and publishing distribution, radio production and broadcasting, professional sports and live entertainment, feature-film production and distribution, the operation of a horizontal internet portal, and gaming. Grupo Televisa also owns an unconsolidated equity stake in La Sexta, a free-to-air television venture in Spain.

¹National urban ratings and audience share are certified by IBOPE and are based upon IBOPE's national surveys, which are calculated seven days a week, in Mexico City, Guadalajara, Monterrey, and 25 other cities with a population of more than 500,000 people. "Ratings" for a period refers to the number of television sets tuned into the Company's programs as a percentage of the total number of all television households. "Audience share" is the number of television sets tuned into the Company's programs as a percentage of the number of households watching conventional over-the-air television during that period, without regard to the number of viewers.

2"Total Televisa" includes the Company's four networks as well as all local affiliates (including affiliates of Channel 4, most of which receive only a portion of their daily programming from Channel 4). Programming on affiliates of Channel 4 is generally broadcast in 12 of the 28 cities covered by national surveys. Programming on Channel 9 affiliates is broadcast in all of the cities covered by national surveys.

3"Televisa Prime Time" is the time during which the Company generally charges its highest rates for its networks.
