SECTION 5 CORPORATE GOVERNANCE AND MANAGEMENT

Item 1.01 Entry into a Material Definitive Agreement

Effective June 30, 2010, Northern Oil and Gas, Inc., a Nevada corporation (Northern Oil Nevada), completed its reincorporation in the State of Minnesota from the State of Nevada (the Reincorporation). The Reincorporation was completed pursuant to a Plan of Merger, dated as of June 30, 2010 (the Plan of Merger), between Northern Oil Nevada and Northern Oil and Gas, Inc., a Minnesota corporation and wholly-owned subsidiary of Northern Oil Nevada (the Company), pursuant to which Northern Oil Nevada merged with and into the Company (the Merger), with the Company surviving in the Merger. Pursuant to the recommendation of the Board of Directors of Northern Oil Nevada, the stockholders of Northern Oil Nevada approved the Reincorporation and the Plan of Merger at its 2010 Annual Meeting of Stockholders (the Annual Meeting) held on June 30, 2010.

Pursuant to the terms of the Plan of Merger, (i) the Company succeeded to the ownership of all of Northern Oil Nevada's assets, as well as the rights, powers and privileges of Northern Oil Nevada and assumed all of the obligations of Northern Oil Nevada then in existence; (ii) Northern Oil Nevada's officers and directors became the officers and directors of the Company; (iii) the Company's Articles of Incorporation and Bylaws govern the surviving corporation; and (vi) the name of the surviving corporation is Northern Oil and Gas, Inc.

As a result of the Reincorporation, (i) each share of Northern Oil Nevada's common stock, par value \$0.001 per share, outstanding immediately before the Reincorporation was automatically converted into one share of the Company's common stock, par value \$0.001 per share (Common Stock), and (ii) all options, warrants and other rights to acquire Northern Oil Nevada common stock outstanding immediately before the Reincorporation were also automatically converted into options, warrants and rights to acquire the same number of shares of Company Common Stock, with the same terms and conditions. Upon the Reincorporation, each outstanding certificate representing shares of certain Northern Oil Nevada common stock was deemed, without any action by the Northern Oil Nevada stockholders, to represent the same number and class of shares of Company Common Stock. Northern Oil Nevada stockholders do not need to exchange their stock certificates as a result of the Reincorporation. As of June 30, 2010, the rights of the Company's shareholders began to be governed by Minnesota corporation law and the Company's Articles of Incorporation and Bylaws.

The foregoing description of the Reincorporation, the Plan of Merger, the Articles of Incorporation and Bylaws is not complete and is qualified in its entirety by reference to the full text of the Plan of Merger, the Certificate of Incorporation and the Bylaws, which are attached as Exhibits 2.1, 3.1 and 3.2, respectively, to this Current Report on Form 8-K and incorporated herein by reference.
