OFF BALANCE SHEET ARRANGEMENT OF A REGISTRANT

On September 15, 2005, Dynamic Materials Corporation (the "Company") entered into a Credit Agreement with and delivered its related Revolving Line of Credit Note to Wells Fargo Bank, National Association (said Agreement and Note, collectively, the "Credit Facility"). The Credit Facility provides the Company until June 30, 2007 with a \$7,500,000 revolving line of credit for working capital and general corporate purposes. The Credit Agreement replaces the \$6 million credit facility between the Company and Wells Fargo Business Credit Inc., an affiliate of Wells Fargo Bank, National Association, that terminated concurrently with the signing of the new credit facility. The Company has yet to draw on the revolving credit.

Under the Credit Facility, revolving borrowings bear annual interest at the Company's option at (i) a fluctuating rate per annum of 0.50% below the lender's prime rate as in effect from time to time, or (ii) LIBOR for a borrowing period selected by Company of one, two or three months, adjusted for regulatory reserve requirements, plus 2.0%.

The Credit Facility contains a number of restrictive covenants including those requiring the Company to maintain minimum levels of net income and tangible net worth and to obtain the bank's prior consent prior to making investments in fixed assets in excess of \$4,000,000, incurring operating lease expense in excess of \$1,000,000 and making certain other loans or investments.

Under the Credit Facility it is an event of default if the Company fails to make the payments required of it or otherwise to fulfill the covenants applicable to it. In the case of events of default which are unremedied within allowable grace periods, the lender may terminate its revolving credit commitment and require immediate repayment of all outstanding borrowings.

A copy of the Credit Agreement is included as Exhibit 10.1 and a copy of the related Revolving Line of Credit Note is included as Exhibit 10.2 to this Current Report on Form 8-K, and such Exhibits are incorporated into this Item 2.03 by reference and any description of the Credit Facility in this Item 2.03 is qualified by such reference
