## Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
  - \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- The reporting person's sale of MLP common stock reported herein was matchable under Section 16(b) of the Securities Exchange Act of 1934, to the extent of 23,300 shares, with the reporting person's purchase of 23,300 shares of MLP common stock, 9,000 of which were purchased on November 16, 2005 and 14,300 of which were purchased on November 17, 2005.
- Profit is computed by matching the highest sale price with the lowest purchase price within six months, the next highest sale price with the next lowest purchase price within six months, and so on, until all shares have been included in the computation. Because all of the reporting person's matchable transactions, using the above described formula, resulted in a loss, there was no profit realized and, hence, there is nothing to disgorge.

### Remarks:

Reminder: Report on a separate line for each class of securities beneficially owned directly or indirectly.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
