Dear Stockholders:

On behalf of our entire Board of Directors, I cordially invite you to attend a Special Meeting of Stockholders, to be held at the law offices of Stroock & Stroock & Lavan LLP, 767 Third Avenue, 37th Floor, New York, New York 10017, on Monday, March 18, 2013, at 12:00 p.m., Eastern time. Information regarding the Special Meeting is set forth in the attached Notice of Special Meeting of Stockholders and Proxy Statement.

As more fully discussed in the attached Proxy Statement, our Board of Directors has unanimously determined that it would be in the best interests of our stockholders for Trump Entertainment Resorts, Inc. to amend its Amended and Restated Certificate of Incorporation so that we may deregister our common stock with the Securities and Exchange Commission. As a result of deregistering, Trump Entertainment Resorts, Inc. would no longer be required to comply with the public reporting requirements and certain other requirements of the Securities Exchange Act of 1934 (the "Exchange Act"). Our Board of Directors has determined, after careful consideration, that the costs and other disadvantages associated with being a reporting company under the Exchange Act outweigh any of the perceived advantages.

To allow for the deregistration of our common stock, our Board of Directors is unanimously recommending that stockholders approve certain proposed amendments to our Amended and Restated Certificate of Incorporation to provide for restrictions on ownership and transferability of our common stock that are applicable under the New Jersey Casino Control Act to gaming companies that are not reporting companies under the Exchange Act. The Proxy Statement contains a more extensive discussion of the proposal being presented at the meeting, and therefore, you should read the Proxy Statement carefully. If the proposed amendments are approved and become effective, we expect to promptly deregister our common stock under the Exchange Act, following which we would no longer be required to file annual, quarterly and other periodic reports with the Securities and Exchange Commission or comply with certain other requirements of the Exchange Act. Our Board of Directors unanimously recommends the proposed amendments to our Amended and Restated Certificate of Incorporation.

It is important that your shares be represented at the Special Meeting, regardless of the number of shares you hold or whether you plan to attend the Special Meeting in person. I urge you to vote your shares as soon as possible. You may vote online or by telephone as described in the proxy voting instructions set forth on the proxy card. Of course, you may also vote by completing the proxy card and returning it by mail.

Your cooperation and prompt attention are appreciated.

Sincerely,

Robert F. Griffin
Chief Executive Officer

PROXY STATEMENT

Introduction

Our Board of Directors (the “Board”) is soliciting proxies for a special meeting of stockholders (the “Special Meeting”). This proxy statement contains important information for you to consider when deciding how to vote at the Special Meeting. Please read it carefully.

In this proxy statement, “TER” refers to Trump Entertainment Resorts, Inc., a Delaware corporation, and words such as “we,” “us,” “our,” “our Company” and “the Company” mean TER and its subsidiaries and affiliates, including Trump Entertainment Resorts Holdings, L.P.

Our principal executive offices are located at Trump Taj Mahal Casino Hotel (“Trump Taj Mahal”), 1000 Boardwalk at Virginia Avenue, Atlantic City, New Jersey 08401. The main telephone number of our executive offices is (609) 449-5534. A copy of this proxy statement and the accompanying proxy card were first made available to stockholders on or about March 1, 2013.

Date, Time and Place

The Special Meeting will be held on Monday, March 18, 2013 at 12:00 p.m., Eastern time, at the law offices of Stroock & Stroock & Lavan LLP, 767 Third Avenue, 37th Floor, New York, New York 10017.

Matters to be Considered

At the Special Meeting, stockholders will be asked to consider and approve amendments (the “Amendments”) to our Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”), to provide for restrictions on ownership and transferability of our common stock that are applicable under the New Jersey Casino Control Act (the “NJCCA”) to gaming companies conducting business in New Jersey that are not reporting companies under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). See “Amendments to our Certificate of Incorporation.”

The Board does not know of any matters to be brought before the Special Meeting other than the approval of the Amendments. If any other matters properly come before the Special Meeting, the persons named in the form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

The Special Meeting may be adjourned from time to time without notice other than the announcement of the adjournment at the Special Meeting or at any adjournment of the Special Meeting. Any business for which notice is given may be transacted at any adjourned Special Meeting.

Record Date; Shares Outstanding and Entitled to Vote

Stockholders as of the close of business on February 12, 2013, the record date, are entitled to receive notice of and to vote at the Special Meeting. As of the record date, there were 10,875,002 shares of our common stock outstanding. Each share of our common stock is entitled to one vote. We do not have cumulative voting.

Our common stock votes as a single class with respect to the Amendments.

Required Votes

Under the Delaware General Corporation Law (the “DGCL”), our Certificate of Incorporation and our Amended and Restated Bylaws (“Bylaws”), approval of the Amendments requires the affirmative vote of a majority of the total outstanding shares of common stock entitled to vote at the Special Meeting. Abstentions from voting and broker non-votes, if any, will have the same effect as voting against the proposal.

Other matters to be voted on at the Special Meeting, if any, require the affirmative vote of a majority of the shares of common stock present in person or by proxy and entitled to vote at the Special Meeting.

Marc Lasry, currently Chairman of our Board until February 28, 2013, is the Chairman and a principal control person of Avenue Capital Management, II, LP (“Avenue Capital”), and David Licht and Robert Symington, both members of our Board, are executives of Avenue Capital. Avenue Capital beneficially owns 2,329,633 shares of our common stock, representing approximately 21.4% of the voting power of our voting shares outstanding as of the record date. Including such shares beneficially owned by Avenue Capital, our directors and executive officers as a group beneficially own in the aggregate approximately 23.5% of our common stock outstanding as of the record date (excluding shares issuable upon the exercise of outstanding warrants held by Donald J. Trump and excluding shares issuable pursuant to vested awards of restricted stock units held by our executive officers).

Effective as of February 28, 2013, the effective date of Mr. Lasry’s recent resignation from our Board, Robert F. Griffin, our Chief Executive Officer, will become the Chairman of our Board. In addition, the Board has appointed Michael Elkins to the Board effective February 28, 2013 to fill the vacancy created by Mr. Lasry’s resignation. Mr. Elkins was formerly an executive of Avenue Capital and now serves as a consultant to Avenue Capital and other clients.

Voting and Revocation of Proxies

As set forth in the instructions provided in the Notice of Special Meeting of Stockholders, you can vote by proxy over the Internet at www.proxyvote.com, by telephone at 1-(800)-690-6903, or by mail. If you received a printed version of these materials and a paper copy of the proxy card by mail, you can complete and properly sign each proxy card you received and return it to us in the prepaid envelope. It will be voted by one of the individuals indicated on the card—your “proxy”— as you direct. If you return your signed proxy card or vote over the Internet or by telephone, but do not indicate how you wish to vote, your shares will be voted FOR the Amendments.

You can vote one of three ways with respect to the Amendments:

- FOR the approval of the Amendments;
- AGAINST the approval of the Amendments; or
- ABSTAIN from voting.

If your shares are held in the name of a bank, broker or other nominee (i.e., “street name”), you should follow the voting instructions on the form you receive from such bank, broker or nominee.

You may change your vote at any time before the voting concludes at the Special Meeting. You may vote again on a later date by telephone or on the Internet (until 11:59 p.m., Eastern Time, on the day prior to the meeting date), or by signing and returning a new proxy card with a later date (only your latest proxy submitted prior to the Special Meeting will be counted) or by attending the Special Meeting and voting in person. However, your attendance at the Special Meeting will not automatically revoke your proxy unless you vote again at the Special Meeting or specifically request in writing that your prior proxy be revoked.

PROPOSAL 1

AMENDMENTS TO OUR CERTIFICATE OF INCORPORATION

General

After careful consideration, our Board has unanimously concluded that it would be in the best interests of our stockholders for the Company to terminate the registration of its common stock under the Exchange Act pursuant to Rule 12(g)(4) of the Securities and Exchange Commission (the “SEC”). By deregistering the Company’s common stock, the Company’s status as a reporting company and the Company’s duty to file annual, quarterly and other periodic reports with the SEC under Sections 13(a) and 15(d) of the Exchange Act (the “SEC Reporting Obligations”) will terminate and the Company will no longer be subject to certain other provisions of the Exchange Act. Without the SEC Reporting Obligations, the Company would be relieved of the considerable costs and administrative burdens associated with operating as a public company required to comply with the SEC Reporting Obligations.

Deregistration of the Company’s common stock does not require stockholder approval. However, in order to deregister the common stock, it is necessary for the Company to amend its Certificate of Incorporation as filed with the Secretary of State of the State of Delaware to incorporate certain restrictions on ownership and transferability of its common stock required to comply with the NJCCA. To allow for such amendments to the Certificate of Incorporation and the deregistration of our common stock, the Board unanimously recommends that stockholders authorize the proposed Amendments. The Amendments would not change the Company’s authorized capital stock, limitation-of-liability provisions or indemnification of officers and directors, but would impose restrictions on the ownership and transferability of the Company’s common stock.

Following approval by stockholders, the Board will have the option for a period of one year to implement the Amendments by filing an Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware (the “Certificate of Amendment”). If the proposed amendments are approved and become effective, we expect to promptly deregister our common stock pursuant to Rule 12(g)(4) of the SEC, following which the Company would no longer be required to file annual, quarterly and other periodic reports with the SEC or comply with certain other provisions of the Exchange Act applicable to public reporting companies. The Board, however, can elect to abandon the filing of the Amendments and the deregistration of the Company’s common stock at any time.

Unless stockholder approval for the Amendments is received, the Company will not be able to proceed with the deregistration of its common stock under the Exchange Act.

The following summary of the Amendments may not contain all the information that is important to you. The complete text of the Amendments, which shows the changes that would be made by this proposal, is contained in Appendix A to this proxy statement. You are urged to read Appendix A in its entirety.

Purpose and Effect of the Proposed Amendments

The Company is subject to regulation under the NJCCA. The NJCCA imposes certain restrictions upon the issuance, ownership and transfer of securities of a regulated company conducting the business of gaming in New Jersey. Under these restrictions, if the New Jersey Division of Gaming Enforcement (the “DGE”) and the New Jersey Casino Control Commission (the “CCC”, and together with the DGE, the “Gaming Authorities”) find that a holder of such securities is not qualified under the NJCCA, the Gaming Authorities have the right to take any necessary action to protect the public interest, including the right to force divestiture by such disqualified holder of such securities. In the event that certain disqualified holders fail to divest themselves of such securities, the Gaming Authorities have the power to revoke or suspend the casino license affiliated with the regulated company which issued the securities. If a holder is found unqualified, it is unlawful for the holder (i) to exercise, directly or through any trustee or nominee, any right conferred by such securities or (ii) to receive any dividends or interest upon such securities or any remuneration, in any form, from its affiliated casino licensee for services rendered or otherwise.

With respect to non-publicly-traded securities, the NJCCA and regulations issued by the Gaming Authorities require, among other things, that the corporate charter or partnership agreement of a regulated company provide (i) that any sale, assignment, transfer, pledge or other disposition (a “Transfer”) of its securities shall be effective five business days after notice (to be given in the form required by the NJCCA and regulations of the Gaming Authorities) is given to the Gaming Authorities, unless the CCC disapproves of such Transfer within such five business day period, and (ii) for an absolute right on the part of the regulated company to repurchase at the market price or the purchase price, whichever is the lesser, any such security, share or other interest in the event that the CCC disapproves of a Transfer (the “Non-Publicly Traded Security Restrictions”). With respect to publicly-traded securities, such corporate charter or partnership agreement is required by the NJCCA to provide that any such securities of the entity are held subject to the condition that if a holder thereof is found to be disqualified by the Gaming Authorities, such holder, among other items, shall dispose of such securities (the “Publicly Traded Security Restrictions”).

The Company's Certificate of Incorporation currently contains the Publicly Traded Security Restrictions. Our Board proposes to amend the Certificate of Incorporation to replace the Publicly Traded Security Restrictions with the Non-Publicly Traded Security Restrictions, thereby providing, among other changes, (i) that any Transfer of the Company's common stock shall be effective five business days after notice (to be given in the form required by the NJCCA and regulations of the Gaming Authorities) is given to the Gaming Authorities, unless the CCC disapproves of such Transfer within such five business day period, and (ii) for an absolute right on the part of the Company to repurchase at the market price or the purchase price, whichever is the lesser, any such common stock in the event that the CCC disapproves of a Transfer. The complete text of the proposed Amendments, showing the proposed changes to our Certificate of Incorporation, is contained in Appendix A to this proxy statement.

If the proposed Amendments are approved and become effective, all stockholders would be required to notify the Gaming Authorities when seeking to Transfer any of the Company's common stock.

Although the proposed Amendments will restrict the transferability of the Company's common stock and may limit the opportunities for stockholders to sell our common stock, the Board believes that the Company and its stockholders will benefit materially if the proposed Amendments are adopted and the Company can then proceed to de-register its common stock. See “Factors Favoring Deregistration” and “Factors Disfavoring Deregistration.” Deregistering the Company's common stock would relieve the Company of the substantial time, expense, economic burden and distraction of management attention associated with operating as a company required to comply with the SEC Reporting Obligations.

If the proposed Amendments are approved by stockholders and filed with the Secretary of State of the State of Delaware, we intend to promptly file with the SEC a Form 15 to deregister our common stock under the Exchange Act. Upon the filing of the Form 15 and the deregistration of our common stock, our obligation to file annual, quarterly and other periodic reports under the Exchange Act will be immediately suspended. The deregistration of our common stock is permitted by SEC Rule 12(g)(4) because we currently have fewer than 300 stockholders. Upon deregistration of our common stock, our obligation to comply with the requirements of the proxy rules and to file proxy statements under Section 14 of the Exchange Act, and to comply with certain other requirements of the Exchange Act, will also be terminated. Deregistration of our common stock will be effective 90 days after filing of the Form 15. Once our obligation to file periodic and current reports under the Exchange Act is suspended, we will not be required to file periodic and current reports with the SEC in the future unless we subsequently file a registration statement under the Securities Act of 1933, as amended, or under the Exchange Act.

The proposed Amendments will not divest or limit the power of stockholders to adopt, amend or repeal our Certificate of Incorporation.

Summary of Proposed Changes to the Certificate of Incorporation

The significant amendments to the Certificate of Incorporation resulting from the Amendments will be as follows:

1.Paragraph B of Article V (“Disqualified Holders”) will be moved to Paragraph D (as discussed below) and replaced with a new Paragraph B, to read in its entirety as follows:

“New Jersey Approval of Transfers.

If the Corporation is not a “publicly traded corporation”, as such term is defined in Section 39 of the Casino Control Act, in accordance with Section 82d(10) of the Casino Control Act:

(1) then any sale, assignment, transfer, pledge or other disposition of the Corporation’s Securities shall be effective five business days after notice (to be given in the form required by the Casino Control Act and regulations of the Commission and the DGE) is given to the Commission and the DGE, unless the Commission disapproves of such Transfer within such five business day period; and

(2) the Corporation shall have the absolute right to repurchase at the Market Price or the purchase price, whichever is the lesser, any Securities, shares or other interests in the Corporation in the event the Commission disapproves a transfer in accordance with the provisions of the Casino Control Act. The repurchase price of the Securities, shares or other interests in the Corporation may be paid in cash, Redemption Securities or any combination thereof. The Corporation shall repurchase such Securities, shares or interests within 120 days of Commission disapproval of a transfer, or such other time period required by the Commission.”

2. A new Paragraph C will be added to Article V, to read in its entirety as follows:

“New Jersey Disqualified Holders.

If the Corporation is a “publicly traded corporation” as such term is defined in Section 39 of the Casino Control Act, in accordance with Section 82d(9) of the Casino Control Act, Securities of the Corporation are held subject to the condition that if a holder thereof is or becomes a Disqualified Holder, the Disqualified Holder shall dispose of the Securities of the Corporation held by the Disqualified Holder within 120 days following such disqualification, or such other time period required by the Commission.”

3.Former Paragraph B of Article V will be amended and moved to become new Paragraph D, to read in its entirety as follows:

“Regulatory Redemption.

Notwithstanding any other provision of this Certificate of Incorporation (except for Article V.B.2. to the extent applicable), and regardless of whether the Corporation is a “publicly traded corporation” as such term is defined in Section 39 of the Casino Control Act, Securities of the Corporation held by a Disqualified Holder shall be subject to redemption at any time by the Corporation by action of the Board as follows:

(1) the redemption price of the Securities to be redeemed pursuant to this Article V.D. shall be equal to the lesser of the Fair Market Value of such Securities or the price at which such Securities were purchased by the Disqualified Holder, or such other redemption price as required by pertinent state or federal law pursuant to which the redemption is required;

(2) the redemption price of the Securities may be paid in cash, Redemption Securities or any combination thereof;

(3) if less than all the Securities held by Disqualified Holders are to be redeemed, the Securities to be redeemed shall be selected in such manner as shall be determined by the Board, which may include selection first of the most recently purchased Securities thereof, selection by lot, or selection in any other manner determined by the Board;

(4) at least thirty (30) days' written notice of the Redemption Date shall be given to the record holders of the Securities selected to be redeemed (unless waived in writing by any such holder); provided, however, that the Redemption Date shall be deemed to be the date on which written notice shall be given to record holders if the cash or Redemption Securities, or combination thereof necessary to effect the redemption shall have been deposited in trust for the benefit of such record holders and subject to immediate withdrawal by them upon surrender of the stock certificates representing their shares of Securities to be redeemed;

(5) from and after the Redemption Date or such earlier date as mandated by pertinent state or federal law, any and all rights of whatever nature, which may be held by the Beneficial Owners of shares of Securities selected for redemption (including without limitation any rights to vote or participate in dividends declared on stock of the same class or series as such shares), shall cease and terminate and they shall thenceforth be entitled only to receive the cash, Redemption Securities, or combination thereof payable upon redemption; and

(6) such other terms and conditions as the Board shall determine.”

4. A new Paragraph E will be added to Article V, to read in its entirety as follows:

“Indemnification and Costs.

A Disqualified Holder shall indemnify the Corporation for any and all direct or indirect costs, including attorneys' fees, incurred by the Corporation in performing its obligations and exercising its rights under this Article.”

If the Amendments are approved by stockholders at the Special Meeting, it is expected that a Certificate of Amendment will be filed with the Secretary of State of the State of Delaware to incorporate the Amendments into the Company's Certificate of Incorporation.

No Appraisal Rights

Under the Delaware General Corporation Law, stockholders are not entitled to appraisal rights in connection with the Amendments.

Approval and Effectiveness of the Proposed Amendments

Under the Delaware General Corporation Law, approval of the Amendments requires the affirmative vote of holders of a majority of the shares of common stock entitled to vote at the Special Meeting. Following stockholder approval, if obtained, the Amendments would take effect on the date we file the Certificate of Amendment with the Secretary of State of the State of Delaware.

Factors Favoring Deregistration

Our common stock is currently registered with the SEC under Section 12(g) of the Exchange Act and as a result we are subject to reporting and other requirements applicable to public companies under the Exchange Act and the rules and regulations of the SEC thereunder. If approved by stockholders, the Amendments will enable the Company to deregister its common stock under the Exchange Act pursuant to Rule 12(g)(4) of the SEC. Our Board believes that there would be several significant benefits to the Company and its stockholders resulting from deregistering the common stock.

Cost-Savings

The Company currently incurs substantial direct and indirect costs associated with its status as a public-reporting company. Among the most significant are the costs associated with compliance with the SEC Reporting Obligations. Direct costs associated with compliance with the SEC Reporting Obligations include, but are not limited to:

- auditing fees;
 - legal fees;
 - financial printer fees; and
- miscellaneous clerical and other administrative expenses, such as word processing, conversion to EDGAR, mailing of documents to various parties and transmission charges associated with the filing of periodic reports with the SEC.

Based on our experience in prior years, the direct costs of complying with the SEC Reporting Obligations are estimated to be approximately \$750,000 annually.

In addition, as a public company with securities registered under the Exchange Act, we are also subject to certain additional regulations and compliance procedures required of public companies under Section 404 of the Sarbanes-Oxley Act of 2002 (“SOX”), which requires companies to perform an audit of internal controls and requires each annual report of a public company to include a report by management on the company’s internal control over financial reporting. The direct and indirect costs of complying with the requirements of Section 404 of SOX are estimated to be approximately \$100,000 annually.

If our common stock is deregistered and we are able to eliminate the costs of complying with the SEC Reporting Obligations, we will still continue to incur certain costs associated with preparation and filing of annual and quarterly financial statements. However, these costs are expected to be significantly less than the costs we currently incur in complying with the SEC Reporting Obligations. Under the NJCCA, we are required to prepare and file with the DGE annual audited financial statements and quarterly unaudited financial statements with respect to each of our casino properties. We currently own and operate two casino properties in Atlantic City, Trump Taj Mahal Casino Resort and Trump Plaza Hotel Casino (which we have entered into an asset purchase agreement to sell to Meruelo Gaming Holdings, LLC, as previously disclosed). The financial statements we file with the DGE for our casino properties are publicly available on the DGE’s website. In addition, provisions of our Amended and Restated Credit Agreement with our senior secured lenders, which are entities affiliated with Icahn Partners LLC, require us to prepare and deliver certain financial and other information to these lenders, including annual audited financial statements and quarterly unaudited financial statements for the Company.

We also anticipate that if our common stock is deregistered we will continue to incur costs associated with soliciting stockholder votes for various reasons, as currently provided in our Certificate of Incorporation, and to meet other state corporate law requirements, although these costs should be significantly less than the direct and indirect costs of complying with the SEC Reporting Obligations.

If our common stock is deregistered and we cease to be subject to the SEC Reporting Obligations, certain information regarding the Company will remain publicly available. The financial statements we file with the DGE for our casino properties will continue to be available on the DGE’s website (www.nj.gov/oag/ge/index.html) and we intend to make these statements available through our website (www.trumpcasinos.com) for review by our stockholders and certain other interested investors. In addition, so long as we continue to be required to prepare and deliver annual and quarterly financial statements to our senior secured lenders, we expect to make these statements available through our website for review by our stockholders and certain other interested investors. From time to time, we may also provide certain stockholders with additional financial and other information on a confidential basis by entering into letter agreements with such stockholders. The decision regarding what information will be publicly available, however, will be made in the discretion of the Company’s management and our Board.

Management Focus and Greater Flexibility

If deregistration is completed, our Board, management and staff will be able to focus more of their efforts on conducting our business rather than time-consuming compliance with the requirements of the Exchange Act. The Company will not be required to comply with the SEC Reporting Obligations and will not have to file proxy materials before stockholders are asked to consider proposals, nor will it have to comply with the proxy rules or be required to prepare and mail an annual report to stockholders. However, the Company will continue to be regulated under the NJCCA and other related gaming rules and regulations, as well as requirements of the DGCL, and our directors and officers will continue to be subject to Delaware fiduciary duties, even if we are no longer subject to all the requirements of the Exchange Act.

Lack of Capital from Public Sector and Lack of Trading Market

The Company's circumstances are such that management believes that it is not likely to be able to take advantage of the capital available through the public markets. The Board does not have any present intention to raise capital through sales of the Company's securities in a public offering or to acquire other business entities using the Company's common stock as consideration for such acquisition. Accordingly, the Company has not been able to, and is not likely to, make use of, or benefit from, many of the advantages generally associated with operating as a public company.

Furthermore, as the Company's common stock is not listed on any securities exchange and trading in the common stock occurs only infrequently, there is currently no meaningful trading market for our common stock, resulting in the common stock having limited liquidity, notwithstanding our current status as a public reporting company. Under current circumstances, stockholders are limited in their ability to sell shares of our common stock.

Factors Disfavoring Deregistration

Lack of Sale Opportunities

If the Company is able to deregister its common stock as a result of stockholder approval of the Amendments, this will terminate our SEC Reporting Obligations. As a result, the limited trading market that currently exists for our common stock is likely to become even more limited following deregistration. In addition, if approved, the Amendments would incorporate into our Certificate of Incorporation the Non-Publicly Traded Security Restrictions of the NJCCA, which will require stockholders of the Company to notify the Gaming Authorities when seeking to Transfer any of the Company's common stock, further limiting opportunities for our stockholders to sell shares of our common stock.

Termination of Obligation to File Publicly Available Information

Upon terminating the Company's SEC Reporting Obligations, the Company will no longer file, among other things, annual, quarterly or other periodic reports with the SEC. Accordingly, certain information regarding the Company's business that is currently available to the general public and the Company's investors will not be available once the Company terminates its SEC Reporting Obligations. In addition, as a result of termination of the Company's SEC Reporting Obligations, stockholders will not receive the benefit of other protections provided to stockholders of a company subject to SEC Reporting Obligations, including, but not limited to, certain corporate governance, reporting, and management certifications required under SOX and disclosure and liability applicable to reports and statements made pursuant to the requirements of the Exchange Act.

The Company intends, however, to continue to report to its stockholders in accordance with the DGCL. The Company will continue to hold annual meetings of stockholders as required under the DGCL and in conjunction with such meetings expects to continue to distribute proxy materials, even though these materials are likely to be significantly less extensive than those that would be required if the Company remained subject to the SEC Reporting Obligations. Under the DGCL, the Company will not be required to mail or otherwise distribute quarterly or annual reports to stockholders. In addition, as noted above, financial statements the Company files with the DGE for its casino properties will continue to be available on the website of the DGE and we also expect to make these statements

available through our website for review by our stockholders and certain other interested investors, along with the annual and quarterly financial statements we deliver to our senior secured lenders, so long as we continue to be required by our credit agreement to prepare such statements.

Limitation on Capital Raising

There are certain sources of capital that will only invest in companies that file reports with the SEC in accordance with the Exchange Act. If we deregister and cease filing under the Exchange Act, certain capital raising sources will no longer be available to the Company. As noted above, however, the Company's circumstances are such that, to date, the Company has not been able to obtain capital through the public markets and it is not likely that it would be able to obtain capital through the public markets if we were to remain a public reporting company.

If we deregister our common stock and then were to conduct a public offering of shares of common stock or other securities in the future, or register shares for resale by existing holders, we would have to again become a reporting company, and we would once again incur many of the expenses that we are seeking to eliminate. However, in the view of our Board, it is unlikely that we would undertake a public offering in the foreseeable future.

Reporting Obligations of Certain Insiders

Pursuant to Section 16(a) of the Exchange Act, directors, officers, and 10% stockholders of companies having shares registered under the Exchange Act are required to report changes in their respective beneficial ownership of such shares to the SEC. Such insiders are required to file an initial Form 3 showing their respective beneficial holdings within 10 days after becoming subject to Section 16(a). Thereafter, a reporting insider is generally required to file a report on Form 4 within two business days following most acquisitions and dispositions by the insider of company shares. As a related deterrent to improper trading on inside information, insiders are also subject to the so-called "short-swing profit" disgorgement requirements of the Exchange Act. All of these rights are eliminated if the Company deregisters. As noted above, however, given the limited opportunities that currently exist for insiders or other stockholders to sell shares of our common stock, our Board believes these reporting requirements provide little benefit to the Company or its stockholders.

Approval Rights for Transfers of Shares in Non-Reporting Companies

The NJCCA imposes certain restrictions upon the issuance, ownership and transfer of securities of a regulated company, whether its securities are or are not considered publicly traded. If the Gaming Authorities find that a holder of a regulated company's securities is not qualified under the NJCCA, it has the right to take any necessary action to protect the public interest, including the right to force divestiture by such disqualified holder of such securities. In the event that certain disqualified holders fail to divest themselves of such securities, the Gaming Authorities have the power to revoke or suspend the casino license affiliated with the regulated company which issued the securities. If a holder is found unqualified, it is unlawful for the holder (i) to exercise, directly or through any trustee or nominee, any right conferred by such securities or (ii) to receive any dividends or interest upon such securities or any remuneration, in any form, from its affiliated casino licensee for services rendered or otherwise.

With respect to non-publicly-traded securities, the NJCCA and regulations of the Gaming Authorities require that the corporate charter or partnership agreement of a regulated company contain the Non-Publicly Traded Security Restrictions. With respect to publicly-traded securities, such corporate charter or partnership agreement is required to contain the Publicly Traded Security Restrictions.

By adopting the Amendments and deregistering its common stock, the Company's common stock would become subject to the requirements that (i) any Transfer of the Company's common stock shall be effective five business days after notice (to be given in the form required by the NJCCA and regulations of the Gaming Authorities) is given to the Gaming Authorities, unless the CCC disapproves of such Transfer within such five business day period, and (ii) the

Company has an absolute right to repurchase at the market price or the purchase price, whichever is the lesser, any such securities in the event that the CCC disapproves a Transfer.

Our Board considered the cost and other adverse consequences to the Company of continuing to file periodic reports with the SEC and complying with the proxy and annual reporting requirements under the Exchange Act, as well as the other factors favoring deregistration, compared to the benefits to the Company and our stockholders of continuing to operate as a public reporting company. The Board concluded that it is in the Company's and its stockholders' best interests to eliminate the burden and costs associated with maintaining the Company's SEC Reporting Obligations. Our Board believes that the benefits to the Company's long-term welfare are substantially strengthened by the approval of the Amendments and the Company's deregistration of its common stock and termination of its SEC Reporting Obligations.

The Board recommends a vote FOR the proposal to approve amendments to our Certificate of Incorporation to provide for restrictions on ownership and transferability of our common stock that are applicable under the NJCCA to gaming companies that are not reporting companies under the Exchange Act, to permit the deregistration of the Company's common stock and the termination of the Company's status as a reporting company under the Exchange Act.

As of the Plan Effective Date, pursuant to the Plan, all previously existing equity interests of the Corporation were cancelled by order of the Bankruptcy Court.

B. The Preferred Stock.

The Board of Directors of the Corporation (the “Board”) is authorized without stockholder approval, subject to limitations prescribed by law and the provisions of this Article IV, to provide for the issuance of the shares of Preferred Stock in one or more series, and by directing an officer of the Corporation to file a certificate pursuant to the

applicable law of the State of Delaware, to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereof.

The authority of the Board with respect to each series shall include, but not be limited to, determination of the following:

- (1) The number of shares constituting that series and the distinctive designation of that series;
- (2) The dividend rate on the shares of that series, whether dividends shall be cumulative, and, if so, from which date or dates, and the relative rights of priority, if any, of payment of dividends on shares of that series;
- (3) Whether that series shall have voting rights, in addition to the voting rights provided by law, including without limitation the authority to confer multiple votes per share, voting rights as to specified matters or issues such as mergers, consolidations or sales of assets, or voting rights to be exercised either together with holders of Common Stock as a single class, or independently as a separate class, and, if so, the terms of such voting rights;
- (4) Whether that series shall have conversion privileges, and if so, the terms and conditions of such conversion, including provision for adjustment of the conversion rate in such events as the Board shall determine;
- (5) Whether the shares of that series shall be redeemable, and, if so, the terms and conditions of such redemption, including the date or dates upon or after which they shall be redeemable, and the amount per share payable in case of redemption, which amount may vary under different conditions and at different redemption dates;
- (6) Whether that series shall have a sinking fund for the redemption or purchase of shares of that series, and, if so, the terms and amount of such sinking fund;
- (7) The rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding up of the Corporation, and the relative rights of priority, if any, of payment of shares of that series; and
- (8) Any other relative rights, preferences and limitations of that series as shall be determined from time to time by the Board and shall be stated in a resolution or resolutions providing for the issuance of such Preferred Stock (a "Preferred Stock Designation").

Except as may be provided by the Board in a Preferred Stock Designation or by law, shares of any series of Preferred Stock that have been redeemed (whether through the operation of a sinking fund or otherwise) or purchased by the Corporation, or that, if convertible or exchangeable, have been converted into or exchanged for shares of stock of any other class or classes shall have the status of authorized and unissued shares of Preferred Stock and may be reissued as a part of the series of which they were originally a part or may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board or as part of any other series of Preferred Stock.

The designations, powers, preferences and relative rights of the shares of each series of Preferred Stock and the qualifications, limitations and restrictions thereof, may, to the extent permitted by law, be similar to or differ from those of any other series. All shares of the Preferred Stock of any one series shall be identical to each other in all respects, except that shares of any one series issued at different times may differ as to the dates from which dividends thereon, if cumulative, shall be cumulative.

C. The Common Stock.

The Common Stock shall be subject to all of the rights, privileges, preferences and priorities of any series of Preferred Stock. Except as otherwise provided in this Article IV or as otherwise required by applicable law, all shares of

Common Stock shall be identical in all respects and shall entitle the holders thereof to the same rights and privileges, subject to the same qualifications, limitations and restrictions.

(1) **Rights Upon Liquidation.** In the event of any voluntary or involuntary liquidation, dissolution or winding-up of the affairs of the Corporation, the holders of Common Stock shall be entitled to share ratably, in accordance with the number of shares held by each such holder, out of the assets of the Corporation legally available for distribution to its stockholders, an amount equal to the par value per share of such Common Stock. After the payment in full of the amount described in the immediately preceding sentence to the holders of the Common Stock, the holders of the Common Stock shall be entitled to receive ratably, in accordance with the number of shares held by each such holder, in all of the remaining assets of the Corporation available for distribution to the holders of Common Stock.

(2) **Voting.** Except as may be provided by the Board in a Preferred Stock Designation or by applicable law, the holders of Common Stock shall have the exclusive right to vote for the election of directors of the Corporation and on all other matters requiring, or otherwise submitted, for the approval of the stockholders of the Corporation. Each holder of Common Stock shall be entitled to one vote for each share of Common Stock held by such holder.

(3) **Dividends.** Subject to the rights of holders of any outstanding series of Preferred Stock, the Board shall have power to cause dividends to be paid to the holders of shares of Common Stock from time to time out of funds legally available therefor and to fix the date or dates for the payment of dividends. When and as dividends are declared, they may be payable in cash, in property or in shares of Common Stock. The holders of the Common Stock shall be entitled to share equally in, and to receive in accordance with the number of shares of Common Stock held by each such holder, all such dividends.

(4) **Fractional Shares.** Common Stock may be issued or transferred in fractions of a share equal to one-thousandth (.001) of a share or any integral multiple thereof.

(5) **Consideration.** Subject to applicable law and except as otherwise provided in this Certificate of Incorporation, Capital Stock of the Corporation may be issued for such consideration and for such corporate purposes as the Board may from time to time determine.

D. Preemptive Rights.

(1) Prior to December 31, 2013, the Corporation shall not sell or issue to any Person (including any then-current stockholder) (a "Preemptive Purchaser"), any shares of Common Stock, or other securities that are convertible into or exchangeable for Common Stock of the Corporation, or options, warrants or rights carrying any right to purchase Common Stock (the "New Securities") other than pursuant to (A) the issuance of a warrant issued on the Plan Effective Date in accordance with the Plan, (B) a management equity plan approved by the Board, (C) a pro rata distribution to all holders of Common Stock or (D) a sale of Common Stock for cash at a time when the Common Stock is listed on the New York Stock Exchange or Nasdaq at a price at least equal to the Fair Market Value of the Common Stock, unless the Corporation first submits written notice (the "Preemptive Rights Notice") to each Person that, individually or with its Affiliates, (i) is a record owner (or establishes to the Corporation's reasonable satisfaction that it is a Beneficial Owner) of shares of Common Stock representing at least 5% of the then-issued and outstanding shares of Common Stock, (ii) is a Backstop Party (as defined in the Plan) (other than a Backstop Party who has waived such notice) and (iii) is duly authorized to acquire such increased amount by the Commission (a "Preemptive Stockholder"). The Preemptive Rights Notice shall identify the material terms of the New Securities (including the price, number or aggregate principal amount and type of securities, and all other material terms) and shall offer to each Preemptive Stockholder the opportunity to purchase a portion of the New Securities (a "Pro Rata Portion") on terms and conditions, including price, not less favorable to the Preemptive Stockholder than those on which the Corporation proposes to sell or issue the New Securities to the Preemptive Purchaser. A Preemptive Stockholder's Pro Rata Portion shall be equal to (i) the total number or amount of New Securities subject to the sale or issuance multiplied by (ii) a fraction, (a) the

numerator of which is the number of then-issued and outstanding shares of Common Stock owned by the Preemptive Stockholder, and (b) the denominator of which is the total number of the then-issued and outstanding shares of Common Stock owned by all Preemptive Stockholders.

(2) The Corporation's offer to a Preemptive Stockholder shall remain open for a period of twenty (20) days after the Preemptive Rights Notice is delivered in accordance with Article X.B. The Preemptive Stockholder may accept such offer by delivering written notice of such acceptance to the Corporation prior to the expiration of such 20-day period, which notice shall set forth the number of such New Securities to be purchased by such Preemptive Stockholder (not to exceed an amount equal to such Preemptive Stockholder's Pro Rata Portion). If not all Preemptive Stockholders subscribe for their full Pro Rata Portion of New Securities, then the Corporation shall notify in writing the fully-subscribing Preemptive Stockholders of such fact and offer such Preemptive Stockholders the right to acquire such unsubscribed New Securities. Each fully-subscribing Preemptive Stockholder shall have the right to elect to purchase its pro rata share of such unsubscribed New Securities (in proportion to the Pro Rata Portion of all fully-subscribing Preemptive Stockholders), in the manner set forth above, within ten (10) days from the date such notice from the Corporation is delivered to such Preemptive Stockholders. To the extent the procedure described in the preceding sentence does not result in the subscription of all unsubscribed New Securities, such procedure shall be repeated until there are no unsubscribed New Securities or until the maximum subscription requests of all Preemptive Stockholders have been fulfilled.

(3) In the event that any New Securities are not subscribed for by the Preemptive Stockholders in accordance with this Article IV.D., the Corporation will have ninety (90) days after the expiration of the last period in which Preemptive Stockholders are entitled to subscribe for New Securities to sell the unsubscribed New Securities, at a price and upon other terms no more favorable to the Preemptive Purchaser than those specified in the Preemptive Rights Notice delivered to the Preemptive Stockholders pursuant to Article IV.D.2. In the event the Corporation has not sold such unsubscribed New Securities within such 90-day period, the Corporation will not thereafter issue or sell any New Securities without first offering such New Securities to each of the Preemptive Stockholders in the manner provided in this Article IV.D.

ARTICLE V

STOCKHOLDER QUALIFICATION

A. New Jersey Qualification.

All Securities (as defined by the Casino Control Act) of the Corporation are held subject to the condition that, if a holder thereof is found to be disqualified by the Commission pursuant to the provisions of the Casino Control Act, such holder becomes a Disqualified Holder, the Disqualified Holder shall, to the extent required by the Casino Control Act, and/or the Commission or DGE: (a) dispose of the Securities of the Corporation held thereby; (b) not receive any dividends or interest upon any such Securities; (cb) not exercise, directly or through any trustee or nominee, any voting right conferred by such Securities; and (dc) not receive any remuneration in any form from the casino licensee Corporation or any subsidiary for services rendered or otherwise. If any such unsuitable or Disqualified Holder fails to so dispose of its Securities of the Corporation within 180 days following such disqualification, (i) such Securities shall be subject to redemption by the Corporation, as provided in Article V.B., provided further that the redemption price of such Securities shall be payable only in cash and not in Redemption Securities or any combination thereof, and (ii) such unsuitable or Disqualified Holder shall indemnify the Corporation for any and all direct or indirect costs, including attorneys' fees, incurred by the Corporation as a result of such holder's continuing ownership or failure to promptly divest such Securities to the extent required by the Casino Control Act and/or the Commission.

B. New Jersey Approval of Transfers.

If the Corporation is not a “publicly traded corporation”, as such term is defined in Section 39 of the Casino Control Act, in accordance with Section 82d(10) of the Casino Control Act:

(1) then any sale, assignment, transfer, pledge or other disposition of the Corporation’s Securities shall be effective five business days after notice (to be given in the form required by the Casino Control Act and regulations of the Commission and the DGE) is given to the Commission and the DGE, unless the Commission disapproves of such Transfer within such five business day period; and

ARTICLE VIII

INDEMNIFICATION

A. Indemnification.

The Corporation shall indemnify to the fullest extent permitted under and in accordance with the laws of the State of Delaware (as the same exists or may hereafter be amended, but only to the extent any such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment) any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that the Person is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director, officer, trustee, employee or agent of, or in any other similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the Person in connection with such action, suit or proceeding if the Person acted in good faith and in a manner the Person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the Person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Person did not act in good faith and in a manner which the Person reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, shall not, of itself, create a presumption that the Person had reasonable cause to believe that the Person's conduct was unlawful.

B. Additional Indemnification.

The Corporation shall indemnify to the fullest extent permitted under and in accordance with the laws of the State of Delaware (as the same exists or may hereafter be amended, but only to the extent any such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment) any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor, by reason of the fact that such Person is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director, officer, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by such Person in connection with the defense or settlement of such action or suit if the Person acted in good faith and in a manner the Person reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such Person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such Person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

C. Payment of Expenses.

(1) Expenses (including reasonable attorneys' fees and disbursements) incurred in defending any civil, criminal, administrative or investigative action, suit or proceeding shall (in the case of any action, suit or proceeding against a director or officer of the Corporation) or may (in the case of any action, suit or proceeding against a trustee, employee or agent) be paid by the Corporation in advance of the final disposition of such action, suit or proceeding as authorized

by the Board upon receipt of an undertaking by or on behalf of the indemnified Person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation as authorized in this Article VIII.

(2) The rights to indemnification and reimbursement or advancement of expenses provided by, or granted pursuant to, this Article VIII shall be enforceable by any Person entitled to such indemnification or reimbursement or advancement of expenses in any court of competent jurisdiction. Neither the failure of the Corporation (including its Board, its independent legal counsel and/or its stockholders) to have made a determination prior to the commencement of such action that such indemnification or reimbursement or advancement of expenses is proper in the circumstances nor an actual determination by the Corporation (including its Board, its independent legal counsel and/or its stockholders) that such Person is not entitled to such indemnification or reimbursement or advancement of expenses shall constitute a defense to the action or create a presumption that such Person is not so entitled. Such a Person shall also be indemnified for any expenses incurred in connection with successfully establishing his or her right to such indemnification or reimbursement or advancement of expenses, in whole or in part, in any such proceeding.

D. Insurance.

The Corporation shall have the power to purchase and maintain insurance on behalf of any Person that is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director, officer, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such Person and incurred by such Person in any such capacity, or arising out of such Person's status as such, whether or not the Corporation would have the power to indemnify such Person against such liability under the provisions of this Article VIII, the Bylaws or under Section 145 of the DGCL or any other provision of law.

E. Interpretation of Applicable Law.

Any Person entitled to be indemnified or to reimbursement or advancement of expenses as a matter of right pursuant to this Article VIII may elect to have the right to indemnification or reimbursement or advancement of expenses interpreted on the basis of the applicable law in effect at the time of the occurrence of the event or events giving rise to the applicable indemnification or reimbursement or advancement of expenses, to the extent permitted by law, or on the basis of the applicable law in effect at the time such indemnification or reimbursement or advancement of expenses is sought. Such election shall be made, by a notice in writing to the Corporation, at the time indemnification or reimbursement or advancement of expenses is sought; provided, however, that if no such notice is given, the right to indemnification or reimbursement or advancement of expenses shall be determined by the law in effect at the time indemnification or reimbursement or advancement of expenses is sought.

F. Nonexclusivity of Provision; Termination.

The indemnification and other rights set forth in this Article VIII shall not be exclusive of any provisions with respect thereto in the Bylaws or any other contract or agreement between the Corporation and any officer, director, employee or agent of the Corporation or any rights entitled pursuant to a vote of stockholders or disinterested directors or otherwise. Any of the indemnification and other rights provided for in this Article VIII shall not terminate solely because an indemnified Person has ceased to be a director, officer, employee or agent of the Corporation, or has ceased to serve at the request of the Corporation as a director, officer, trustee, employee or agent of, or in any other similar capacity with, another corporation, partnership, joint venture, trust or other enterprise and shall inure to the benefit of such Person's heirs, executors and administrators.

G. Limitation on Liability.

No director or officer shall be personally liable to the Corporation or any stockholder for monetary damages for breach of fiduciary duty as a director or officer, except for any matter in respect of which such director or officer (i) shall be liable under Section 174 of the DGCL or any amendment thereto or successor provision thereto, or (ii) shall

be liable by reason that, in addition to any and all other requirements for liability, such director or officer:

- (1) shall have breached his or her duty of loyalty to the Corporation or its stockholders;
- (2) shall not have acted in good faith or, in failing to act, shall not have acted in good faith;
- (3) shall have acted in a manner involving intentional misconduct or a knowing violation of law or, in failing to act, shall have acted in a manner involving intentional misconduct or a knowing violation of law; and/or
- (4) shall have derived an improper personal benefit.

If the DGCL is amended after the date hereof to authorize corporate action further limiting or eliminating the personal liability of directors or officers, then the liability of a director or officer of the Corporation shall be further limited or eliminated to the fullest extent permitted by the DGCL, as so amended.

H. Effect of Repeal.

Neither the amendment nor repeal of any provision of this Article VIII, nor the adoption of any provision of this Certificate of Incorporation inconsistent with any provision of Article VIII, shall eliminate or reduce the effect of this Article VIII in respect of any matter occurring before such amendment, repeal or adoption of an inconsistent provision or in respect of any cause of action, suit or claim relating to any such matter which would have given rise to a right of indemnification, right to receive expenses or limitation of liability pursuant to this Article VIII if such provision had not been so amended or repealed or if a provision inconsistent therewith had not been so adopted.

I. Severability.

If any provision of this Article VIII shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (1) the validity, legality and enforceability of the remaining provisions of this Article VIII (including, without limitation, each portion of any subparagraph of this Article VIII containing any such provision held to be invalid, illegal or unenforceable, that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (2) to the fullest extent possible, the provisions of this Article VIII (including, without limitation, each portion of any subparagraph of this Article VIII containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

The record date for determining stockholders entitled to take action without a meeting is the date upon which a writing upon which the action is to be taken is first received by the Corporation.
