The information set forth in Item 2.03 below regarding new financial obligations is incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 28, 2010, Key Technology, Inc. (the “Company”), effective on December 23, 2010, renewed its revolving credit accommodation for its European subsidiaries, Suplusco Holding B.V. and Key Technology B.V., with ABN AMRO Bank N.V. (“the Lender”). The credit accommodation totals €1.75 million and includes an operating line of the lesser of €250,000 or the available borrowing base, which is based on varying percentages of eligible accounts receivable and inventories, and a bank guarantee facility of €1.5 million. The credit facility bears interest at the lender’s prime rate, with a minimum of 3.00%, plus 1.75%. The credit accommodation contains a covenant which requires the maintenance of minimum tangible net worth levels at the subsidiaries. The credit accommodation has no fixed term or maturity. The operating line and bank guarantee facility are secured by all of the subsidiaries’ personal property. The credit facility allows overages on the bank guarantee facility. Any overages reduce the available borrowings under the operating line.
