Item 1.01 Entry Into a Material Definitive Agreement

On May 23, 2012, Century Casinos, Inc. (the "Company"), through its subsidiaries Century Resorts Alberta Inc. ("CRA") and Century Casino Calgary Inc. ("CAL"), agreed to the terms of a CAD 28.0 million (approximately \$27.0 million USD based on the exchange rate in effect on May 23, 2012) credit agreement with Bank of Montreal ("BMO"). Proceeds from the credit agreement will be used to repay the balance of CRA's mortgage debt related to the Edmonton property ("Edmonton Mortgage") and to pursue the development or acquisition of new gaming opportunities. The credit agreement has a term of five years and is guaranteed by the Company.

The credit agreement consists of three credit facilities to be utilized as follows:

- 1) Credit Facility A is a CAD 1.0 million (approximately \$1.0 million USD based on the exchange rate in effect on May 23, 2012) revolving credit facility to be used for the costs of the financing, ongoing working capital requirements and operating regulatory requirements.
- 2) Credit Facility B is a CAD 25.0 million (approximately \$24.3 million USD based on the exchange rate in effect on May 23, 2012) committed, non-revolving, reducing standby facility.

Of this CAD 25.0 million, up to CAD 11.0 million (approximately \$11.0 million USD based on the exchange rate in effect on May 23, 2012) of the facility is to be used to repay all or part of the Edmonton Mortgage with the remainder available for working capital requirements and general corporate purposes. On May 23, 2012, the Company repaid the outstanding balance of approximately \$6.4 million USD on the Edmonton Mortgage. The repayment of the Edmonton Mortgage was funded with a \$3.6 million USD borrowing under the credit agreement and \$2.8 million USD of cash on hand.

Once the principal balance of an advance under Credit Facility B has been repaid, it cannot be re-borrowed.

- 3) Credit Facility C is a CAD 2.0 million (approximately \$2.0 million USD based on the exchange rate in effect on May 23, 2012) treasury management risk management facility.

The credit agreement bears interest based on credit facilities as follows:

- 1) Advances under Credit Facility A may be in the form of:

- i. Not less than 50% of the advances under Credit Facility B must be made under interest rates fixed for not less than two years.
- 4) Any funds that are not drawn down under either Credit Facility A or B are classified as a CAD Standby Facility.
