### Item 15. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law permits a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if such person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful. In the case of an action other than an action by or in the right of the corporation, the termination of such action by judgment, order, settlement, conviction, or upon plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

In the case of an action by or in the right of the corporation, Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action in any of the capacities set forth above against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interests, except that indemnification is not permitted in respect of any claim, issue or matter as to which such person is adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery, or the court in which such action or suit was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court deems proper.

Section 145 further provides that: (i) a Delaware corporation is required to indemnify a director, officer, employee or agent against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with any action, suit or proceeding or in defense of any claim, issue or matter

II-1

therein as to which such person has been successful on the merits or otherwise, (ii) indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled, (iii) indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators and (iv) empowers the corporation to purchase and maintain insurance on behalf of a director or officer against any such liability asserted against him in any such capacity or arising out of his status as such whether or not the corporation would have the power to indemnify him against liability under Section 145. A Delaware corporation may provide indemnification only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct. This determination is to be made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not party to such action, suit or proceeding, (ii) if such a quorum is

## Edgar Filing: MOTHERS WORK INC - Form S-3/A

not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion or (iii) by stockholders.

Article Twelve of our certificate of incorporation provides that we shall, to the full extent permitted by the Delaware General Corporation Law, as amended from time to time, indemnify all persons which we have the power to indemnify pursuant thereto. In addition, Article V, Section 1 of our By-Laws provides that each person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was one of our directors, officers, employees or agents or is or was serving at our request as a director, officer, employee or agent of another company or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, shall be indemnified and held harmless by us to the fullest extent authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended (but, in the case of such amendment, only to the extent that such amendment permits us to provide broader indemnification rights that said law permitted us to provide prior to such amendment), against all expenses (including attorneys' fees, judgments, fines and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith. Article V, Section 5 of our By-Laws provides that expenses incurred by an officer or director in defending a civil, criminal, administrative or investigative action, suit or proceeding may be paid by us in advance of final disposition upon receipt of an undertaking by or on behalf of such person to repay such amount if it ultimately is determined that he is not entitled to be indemnified by us. We may, by action of our Board of Directors, provide indemnification to our employees and agents with the same scope and effect as the foregoing indemnification of directors and officers. The foregoing right to indemnification and advancement of expenses is not exclusive.

Our directors and officers are covered by policies of insurance under which they are insured, within limits and subject to certain limitations, against certain expenses incurred in connection with the defense of actions, suits or proceedings, and certain liabilities which might be incurred as a result of such actions, suits or proceedings, in which they are parties by reason of being or having been directors or officers. We are also insured with respect to certain payments that we might be required to make to our directors or officers under applicable statutes and our certificate of incorporation.

Additionally, Article Thirteen of our certificate of incorporation limits the liability of our directors under certain circumstances. Article Thirteen provides that a director shall have no personal liability to us or our stockholders for monetary damages for breach of his or her fiduciary duty as a director, provided, however, that Article Thirteen does not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to us or our stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of a law; (iii) for the unlawful payment of dividends or unlawful stock repurchases under Section 174 of the General Corporation Law

II-2

of the State of Delaware or (iv) for any transaction from which the director derived an improper personal benefit.

For the undertakings with respect to indemnification, see Item 17 herein.

**Item 17. Undertakings**

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and where, applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
