This announcement is made pursuant to a letter of Istanbul Stock Exchange dated September 12, 2005.

In various news sources, it has been stated that Turkcell has been replaced with another firm in the Irancell consortium established for the first private GSM tender in Iran, and that talks with that firm will be initiated.

The Iranian government and the related ministry representatives have provided us no information, regarding this issue. We are continuing with our correspondence with both the local partners and the related Iranian officials in respect of the formation of the Irancell consortium.

As we have stated before, the Iranian Telecommunication Ministry has set November 21, 2005 as the deadline for the finalization of the GSM operator tender in Iran, to which we are a party through our stake in the Irancell Consortium. We are working towards finalization of the Irancell project together with our local partners within the provided timeframe.

We hereby confirm that the above-mentioned explanations are furnished as per the provisions of the Communiqué Serial no VIII/39, that they reflect all information we have gathered so far, that they are in accordance with our corporate documents, that we have used all endeavours to collect the complete and true related information and that we assume the responsibility for this disclosure.
