REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Sun Communities, Inc.

We have audited the accompanying combined statement of revenues and certain expenses (the "Statement") of Kentland Communities (the "Communities") for the year ended December 31, 2010. This Statement is the responsibility of the Communities' management. Our responsibility is to express an opinion on the Statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as it relates to the Statement as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Communities' internal control over financial reporting as it relates to the Statement. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement was prepared for the purpose of complying with the rules and regulations of the United States Securities and Exchange Commission (for inclusion in this Form 8-K/A of Sun Communities, Inc.) as discussed in Note 1 to the Statement and is not intended to be a complete presentation of the Communities' revenues and expenses.

In our opinion, the Statement presents fairly, in all material respects, the revenues and certain expenses discussed in Note 1 to the Statement for the year ended December 31, 2010, in conformity with accounting principles generally accepted in the United States of America.

KENTLAND COMMUNITIES
NOTES TO THE COMBINED STATEMENTS OF REVENUES AND CERTAIN EXPENSES
FOR THE THREE MONTHS ENDED MARCH 31, 2011 (unaudited)
AND FOR THE YEAR ENDED DECEMBER 31, 2010

1. Basis of Presentation

In June 2011, Sun Communities, Inc. (the “Company”), acquired 17 manufactured home communities and 1 recreational vehicle community (the “Property”) from an unaffiliated third party, certain limited partnerships and limited liability companies (collectively, the “Seller”) controlled by Kentland Corporation, Wilbur A. Lettinga, William B. Lettinga and Michael Lettinga.

The statements of revenues and certain expenses (the “Historical Summaries” or “Historical Summary”) have been prepared for the purpose of complying with the provision of Article 3-14 of Regulation S-X promulgated by the United States Securities and Exchange Commission (the “SEC”), which requires certain information with respect to real estate operations to be included in certain filings with the SEC. The Historical Summary for the year ended December 31, 2010 is audited and includes the historical revenues and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and the Historical Summaries are not intended to be a complete presentation of the Property’s revenues and expenses. Items excluded consist of depreciation and amortization expense and corporate general and administrative expenses. In the opinion of management, the accompanying interim statement of revenues and certain expenses reflects all adjustments of a normal and recurring nature that are considered necessary for a fair presentation of the results for the interim period presented. Actual results could differ materially from the estimates in the near term, and the operating results for the interim period are not indicative of results for the year ending December 31, 2011.

2. Significant Accounting Policies

Revenue Recognition

Rental income attributable to sites is recorded on a straight-line basis when earned from tenants. Leases entered into by tenants generally range from month-to-month to two years and are renewable by mutual agreement from us and the resident. Revenue from the sale of manufactured homes is recognized upon transfer of title at the closing of the sales transaction. Interest income on notes receivable is recorded on a level yield basis over the life of the notes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires management to make estimates and assumptions related to the reported amounts that affect the reported amounts of revenues and expenses during the reported periods. Actual results could differ from those estimates.

Commitments and Contingencies

In connection with the ownership and operation of the Property, the Company may be potentially liable for costs and damages related to environmental matters. The Company has not been notified by any governmental authority of any non-compliance, liability or other claim related to the Property, and the Company is not aware of any other environmental condition that it believes will have a material adverse effect on the Property’s revenues and certain

expenses.

UNAUDITED PRO FORMA FINANCIAL INFORMATION

In June 2011, the Company closed on the acquisition of Kentland Communities (“Kentland”), comprising 17 manufactured home communities and 1 recreational vehicle community, from certain limited partnerships and limited liability companies (collectively, the “Seller”) controlled by Kentland Corporation, Wilbur A. Lettinga, William B. Lettinga and Michael Lettinga. The 18 communities acquired are located in Michigan and comprise approximately 5,400 developed sites.

In May 2011, the Company acquired Orange City RV Resort (“Orange City”), a Florida recreational vehicle community comprising 525 developed sites, from NHC-FL7 L.P.

The following unaudited pro forma condensed consolidated balance sheet as of March 31, 2011 is presented as if the Company acquired Kentland and Orange City on March 31, 2011. The following unaudited pro forma condensed consolidated statements of operations for the three months ended March 31, 2011 and for the year ended December 31, 2010 are presented as if the Company had acquired Kentland and Orange City on January 1, 2010. This unaudited pro forma condensed consolidated financial information should be read in conjunction with the historical financial statements and notes thereto included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2010, and the Company’s Quarterly Report on Form 10-Q for the period ended March 31, 2011 and are not necessarily indicative of what the actual financial position or results of operations would have been had the Company completed the transaction as of the beginning of the periods presented, nor is it necessarily indicative of future results. In the opinion of the Company’s management, the pro forma financial statements include all significant necessary adjustments that can be factually supported to reflect the effects of the acquisitions.
