Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Each share of performance stock represents a contingent right to receive one share of the Issuer's common stock.
 On January 3, 2006, the reporting person was granted 100,000 shares of performance stock whereby 100,000 shares of common stock would be issued to the reporting person after the end of the performance period if a predetermined performance goal attributable to the Issuer was attained at any time during the performance period (i.e., January 1, 2006 through December 31, 2008). The performance goal
- (2) was met, based upon the information provided in the Issuer's press release issued on November 2, 2006; however, the delivery of the shares of stock will not occur until after the end of the performance period since the delivery of the shares requires the certification by the Issuer's Compensation Committee that the related performance goal was satisfied, which certification is expected to occur as soon as practicable following the end of the performance period.
 Notwithstanding the satisfaction of the performance goal for the performance stock, the issuance of the shares subject to the grant is conditioned on the reporting person not experiencing a termination of service for any reason prior to the end of the performance period.
- (3) The shares will be delivered earlier if the Issuer experiences a change in control prior to the end of the performance period and the reporting person is employed by the Issuer at such time.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
