TO THE SHAREHOLDERS OF TOP SHIPS INC.

Top Ships is half way through its newbuilding program with the next delivery being only a few months away.

We have been examining various options to fund the company's capital needs, including raising equity on the capital markets, traditional bank lending as well as other alternatives. Despite the equity markets breaking one record after the other, shipping has not been successful in attracting equity investors' interest with numerous companies struggling to raise capital either via IPOs or follow-on offerings. Additionally, the difficulties facing the shipping markets generally have resulted in investors and banks looking at shipping in a more conservative way. While Top Ships' growth has historically been supported by public equity offerings as well as equity private placements and other investments by its major shareholders, these sources of capital may not be available in the current market. Despite these difficulties, to date we have secured a senior credit facility to cover a portion of our future capital requirements and continue to explore options to fund the balance of our newbuilding program.

Very truly yours,

PROPOSAL ONE
ELECTION OF DIRECTORS

The board of directors consists of seven members. As provided in the Company's Third Amended and Restated Articles of Incorporation, each director is elected to serve for a three-year term. Under the Third Amended and Restated Articles of Incorporation of the Company, the board of directors has been divided into three classes. Directors elected to the board of directors serve until the annual meeting of shareholders three years after their election or until a director's successor is duly elected. The terms of the directors in Class II expire at the Meeting. The terms of the directors in Class III will expire at 2016 Annual Meeting of Shareholders, and the terms of the directors in Class I will expire at the 2017 Annual Meeting of Shareholders.

The board of directors has nominated Alexandros G. Economou and Paolo Javarone, currently Class II directors, whose term expires at the 2015 Annual Meeting of Shareholders or whenever their successor is duly elected. Unless the proxy is marked to indicate that such authorization is expressly withheld, the persons named in the enclosed proxy intend to vote the shares authorized thereby FOR the election of the following nominees. It is expected that each nominee will be able to serve, but if before the election it develops that the nominee is unavailable, the persons named in the accompanying proxy will vote for the election of such substitute nominee as the current board of directors may recommend.

The Audit Committee currently consists of Alexandros G. Economou, Konstantinos Karelakis and Paolo Javarone. As the Company is a foreign private issuer, it is exempt from the committee corporate governance rules of the NASDAQ Global Select Market, other than the Audit Committee requirement.

Required Vote. Approval of Proposal One will require the affirmative vote of a plurality of the votes cast by shareholders entitled to vote and voting at the Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF THE PROPOSED DIRECTORS. PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH PROPOSED DIRECTORS UNLESS A CONTRARY VOTE IS SPECIFIED.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The board of directors is submitting for ratification at the Meeting the selection of Deloitte Hadjipavlou Sofianos & Cambanis S.A. ("Deloitte") as the Company's independent auditors for the fiscal year ending December 31, 2015. Deloitte has advised the Company that Deloitte does not have any direct or indirect financial interest in the Company, nor has such firm had any such interest in connection with the Company other than in its capacity as the Company's independent auditors.

All services rendered by the independent auditors are subject to review by the Audit Committee.

Required Vote. Approval of Proposal Two will require the affirmative vote of the majority of the votes cast by shareholders entitled to vote and voting at the Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF DELOITTE HADJIPAVLOU SOFIANOS & CAMBANIS S.A. AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A CONTRARY VOTE IS SPECIFIED.

PROPOSAL THREE

APPROVAL OF AMENDMENT TO AMENDED AND RESTATED ARTICLES OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT OF THE ISSUED COMMON SHARES AT A RATIO RANGING FROM ONE-FOR-TWO TO ONE-FOR-TWENTY

General

The board of directors has approved and is hereby soliciting shareholder approval of an amendment to Section D of the Company's Third Amended and Restated Articles of Incorporation to effect a reverse stock split of the Company's issued Common Shares at a ratio of not less than one-for-two and not more than one-for-twenty (the "Amendment").

A vote FOR Proposal Three will constitute approval of the Amendment providing for the combination of any number of shares of the Company's issued Common Shares between and including two and twenty into one share of Common Shares and will grant the board of directors the authority to select which of the approved exchange ratios within that range will be implemented. If the shareholders approve this proposal, the board of directors will have the authority, but not the obligation, in its sole discretion, and without further action on the part of the shareholders, to select one of the approved reverse stock split ratios and effect the approved reverse stock split by filing the Amendment with the Registrar of Corporations of the Republic of the Marshall Islands at any time after the approval of the Amendment. If the Amendment has not been filed with the Registrar of Corporations of the Republic of the Marshall Islands by the date of the Company's 2016 Annual Meeting of Shareholders, the board of directors will abandon the Amendment constituting the reverse stock split and shareholder approval would again be required prior to implementing any reverse stock split thereafter. If implemented, the reverse stock split will become effective as of the beginning of the business day after the filing of the Amendment with the Registrar of Corporations of the Republic of the Marshall Islands. The Amendment will not change the number of authorized shares or par value of the Company's Common Shares. After the reverse stock split, if implemented, the number of authorized Common Shares will remain at 1,000,000,000 Common Shares.

The board of directors believes that shareholder approval of an exchange ratio range (rather than an exact exchange ratio) provides the board of directors with maximum flexibility to achieve the purposes of the reverse stock split. If shareholders approve Proposal Three, the reverse stock split will be effected, if at all, only upon a determination by the board of directors that the reverse stock split is in the Company's and the shareholders' best interests at that time. In connection with any determination to effect the reverse stock split, the board of directors will set the time for such a split and select a specific exchange ratio within the range. These determinations will be made by the board of directors with the intention to create the greatest marketability of the Company's Common Shares based upon prevailing market conditions at that time.

The board of directors reserves its right to elect not to proceed, and abandon, the reverse stock split if it determines, in its sole discretion, that implementing this proposal is not in the best interests of the Company and its shareholders.

Purpose and Background of Reverse Stock Split

The purpose of the reverse stock split is to increase the per share trading value of the Company's Common Shares. The board of directors intends to effect the proposed reverse stock split only if it believes that a decrease in the number of Common Shares outstanding is likely to improve the trading price for the Company's Common Shares, and only if the implementation of a reverse stock split is determined by the board of directors to be in the best interests of the Company and its shareholders.

The NASDAQ Global Select Market has several listing criteria that companies must satisfy in order to maintain their listing. One of these criteria is that the Company's Common Shares have a minimum bid price that is greater than or equal to \$1.00 per share, and if the Company fails to maintain such \$1.00 minimum bid price for a period of 30 consecutive business days, under NASDAQ rules, the Company would have to regain compliance during the applicable grace period. On November 4, 2015, we received written notification from the Nasdaq Stock Market indicating that because the closing bid price of the Company's common stock for the previous 30 consecutive business days was below the minimum \$1.00 per share bid price requirement for continued listing on the Nasdaq Global Select Market, the Company is not in compliance with Nasdaq Listing Rule 5450(a)(1). The applicable grace period to regain compliance is 180 days.

The Company believes that effecting the reverse stock split will help maintain compliance with the minimum bid price per share listing requirement for listing its Common Shares on the NASDAQ Global Select Market. In addition, the Company believes that a number of institutional investors and investment funds are reluctant to invest, and in some cases may be prohibited from investing, in lower-priced stocks and that brokerage firms are reluctant to recommend lower-priced stocks to their clients. By effecting a reverse stock split, the Company believes it may be able to raise its Common Share price to a level where its Common Shares could be viewed more favorably by potential investors.

Other investors may also be dissuaded from purchasing lower-priced stocks because the brokerage commissions, as a percentage of the total transaction, tend to be higher for lower-priced stocks. A higher stock price after a reverse stock split could alleviate this concern.

The combination of continuing to be listed on the NASDAQ Global Select Market and the lower transaction costs and increased interest from institutional investors and investment funds could have the effect of improving the trading liquidity of the Company's Common Shares.

There can be no assurance that the reverse stock split, if implemented, will achieve any of the desired results. There also can be no assurance that the price per share of the Company's Common Shares immediately after the reverse stock split, if implemented, will increase proportionately with the reverse stock split, or that any increase will be sustained for any period of time.

Procedure for Exchange of Stock Certificates

As soon as practicable after the effective date of the reverse stock split, shareholders holding Common Shares in physical certificate form will be sent a letter of transmittal from the Company notifying them that the reverse stock split has been effected. The letter of transmittal will contain instructions on how shareholders should surrender to the Company's exchange agent certificates representing pre-split shares in exchange for certificates representing post-split shares. The Company expects that its transfer agent will act as its exchange agent for purposes of implementing the exchange of share certificates. No new certificates will be issued to a shareholder until such shareholder has surrendered such shareholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Any pre-split shares submitted for transfer, whether pursuant to a sale or other disposition, or otherwise, will automatically be exchanged for post-split shares. **SHAREHOLDERS SHOULD NOT DESTROY ANY SHARE CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO.**

Shareholders holding shares in book-entry form with the transfer agent need not take any action to receive post-split shares or cash payment in lieu of any fractional share interest, if applicable. If a shareholder is entitled to post-split shares, a transaction statement will automatically be sent to the shareholder's address of record indicating the number of shares of common stock held following the reverse stock split.

Upon the reverse stock split, the Company intends to treat shares held by shareholders in "street name" through a bank, broker or other nominee in the same manner as registered shareholders whose shares are registered in their names. Banks, brokers or other nominees will be instructed to effect the reverse stock split for their beneficial holders holding shares in "street name." However, these banks, brokers or other nominees may have different procedures than registered shareholders for processing the reverse stock split and making payment for fractional shares. If a shareholder holds shares with a bank, broker or other nominee and has any questions in this regard, shareholders are encouraged to contact their bank, broker or other nominee.

Fractional Shares

No fractional shares will be created or issued in connection with the reverse stock split. Shareholders of record who otherwise would be entitled to receive fractional shares because they hold a number of pre-split shares not evenly divisible by the number of pre-split shares for which each post-split share is to be exchanged, will be entitled, upon surrender to the exchange agent of certificates representing such shares or, in the case of non-certificated shares, such proof of ownership as required by the exchange agent, to a cash payment in lieu thereof at a price equal to the fraction to which the stockholder would otherwise be entitled multiplied by the closing price of the common stock on the NASDAQ Global Market on the last trading day prior to the effective date of the split as adjusted for the reverse stock split as appropriate or, if such price is not available, a price determined by the Board. The ownership of a fractional interest will not give the holder thereof any voting, dividend or other rights except to receive payment thereof as described herein.

Required Vote

Adoption of Proposal Three requires the affirmative vote of the holders of a majority of all outstanding shares of the Company's common stock eligible to attend and vote at the Meeting.

SOLICITATION

The cost of preparing and soliciting proxies will be borne by the Company. Solicitation will be made primarily by mail, but shareholders may be solicited by telephone, telegraph, or personal contact.

EFFECT OF ABSTENTIONS

Abstentions will not be counted in determining whether Proposals One or Two have been approved. Abstentions will have the effect of voting AGAINST Proposal Three.

OTHER MATTERS

No other matters are expected to be presented for action at the Meeting. Should any additional matter come before the Meeting, it is intended that proxies in the accompanying form will be voted in accordance with the judgment of the person or persons named in the proxy.

REPORTS TO SHAREHOLDERS

The Company's latest annual report to shareholders (the "Annual Report") and this Proxy Statement are available on the Company's website at www.topships.org.
