Item 7.01 Regulation FD Disclosure

On June 1, 2011, Laboratory Corporation of America® Holdings (LabCorp®) (NYSE: LH) announced that it has entered into a definitive agreement to acquire Clearstone Central Laboratories, a leading global provider of central laboratory services for late-stage clinical trials. The transaction, which is subject to customary closing conditions, is expected to close in the second quarter of 2011. Terms of the agreement were not disclosed.

The agreement provides LabCorp with Clearstone's global network of central laboratories and clinical trials management system APOLLO CLPM™, which provides clients with real-time access to global data, strengthened chain of custody, automated sample stability monitoring and guaranteed consistency across all lab sites. The combined entity will have the largest available biomarker assay portfolio with globally harmonized and state-of-the-art testing

platforms in areas such as pharmacogenomics, microbiology, immunohistochemistry, allergy testing, cytogenetics and flow cytometry.
