---

The purpose of this Schedule 13D/A is to reflect a letter that was sent on February 10, 2006 by the Fund, one of the Reporting Persons, to the Board of Directors of the Issuer, in which the Fund requests the following:

- o that the Issuer immediately move to create an independent board of directors and appoint two designees of the Fund to the Issuer's board of directors, to fill the vacancies recently created by the resignations of Messrs Halpin and Weisman; and
- o the Messrs. Jessie and Joey Sutton, the sons of Morris Sutton, immediately resign or be removed as officers and employees of the Issuer.

Item 3. Source and Amount of Funds or Other Consideration.

Since the date of the previous amendment number 7 to the Schedule 13D, the Fund used \$654,983.33 of investment capital to purchase an aggregate of 530,901 shares of Common Stock.

Item 4. Purpose of Transaction.

The shares of Common Stock owned by the Reporting Persons were acquired for investment purposes. The Reporting Persons have purchased and hold the shares of Common Stock reported by them for investment purposes.

On May 11, 2005, one of the Reporting Persons, sent a letter to the Issuer's board of directors requesting that (i) two nominees of the Fund be appointed to serve on the Issuer's board, (ii) the Issuer withdraw and amend its recently-filed proxy statement relating to its 2005 annual meeting of shareholders, to remove from shareholder consideration the proposal to amend the Issuer's certificate of incorporation to permit a staggered board consisting of three classes of directors, (iii) the board conduct a thorough review of the Issuer's operations and business model, with a view to maximizing financial performance and limiting SG&A growth to ensure that the forecasted 50% revenue growth the Issuer has publicly projected in fiscal 2005 translates into healthy margin expansion and improved earnings as a percentage of overall revenues; and (iv) that management compensation be better aligned with operating results and shareholder return. The letter further states that in the event that the Issuer's common shares continue in the Fund's view to remain undervalued, that it may seek to accumulate additional common shares and become more actively involved in the Issuer. The Issuer's board has failed to respond to the May 11, 2005 letter.

On September 28, 2005, the Fund made an offer (the "Offer") to the Issuer in a letter addressed to the Issuer's board of directors to invest \$5 million in the Issuer through the purchase from the Issuer of 3,333,333 shares of Common Stock at a price of \$1.50 per share, representing a premium of 13.6% over the closing price of the Common Stock on the date immediately preceding the Offer.

On October 6, 2005, the Fund received a response from the Issuer's board of directors that stated sonly that the board reviewed the Offer and "does

## Edgar Filing: MAJESCO ENTERTAINMENT CO - Form SC 13D/A

not feel that this proposal is in the best interests of our shareholders (other than Trinad). The Issuer has failed to provide any further explanation or justification for its response.

In the absence of any information to the contrary, the Reporting Persons believe that this response is entirely unsatisfactory, and that the basis for this response is the view of the Issuer's board that the current trading price of the Issuer's Common Stock is far less than the intrinsic value of such shares. To the knowledge of the Reporting Persons, the Offer represents the only currently viable source of equity financing for the Issuer, and that such financing is currently necessary in light of the Issuer's financial position and prospects of an impending liquidity crisis. Further, considering that the Offer continues to represent a premium over the current trading price of the Issuer's common shares, the Reporting Persons believe that the board should be compelled to accept the Offer.

On October 18, 2005, the Fund sent another letter to the Issuer's board requesting that it immediately begin exploring strategic alternatives to increase shareholder value, including, without limitation, a debt or equity financing to improve liquidity, one or more strategic acquisitions (combined with any required financing), a merger of the Issuer with another company or a sale of the Issuer, whether through the sale of its assets, a merger or

consolidation or otherwise. In that letter, the Fund also requested the immediate resignation of Jesse Sutton as a member of the board of directors of the Issuer.

Despite an announcement by the Issuer that it had amended its existing Factoring Agreement, the Reporting Persons continue to believe that the Issuer is facing a liquidity crisis. Further, to the knowledge of the Reporting Persons, the Issuer has not received any other offers to make an equity investment in the Issuer. The Reporting Persons continue to believe that the Issuer would stand to benefit substantially by the infusion of additional equity capital. Such equity capital would improve the Issuer's financial position and increase the likelihood that it would be able to obtain additional, needed equity capital and funds from additional borrowings, if necessary. Accordingly, on October 28, 2005, the Fund made another offer (the "Revised Offer") to the Issuer's board of directors to invest \$7.5 million in the Issuer through the purchase from the Issuer of approximately 4,285,714 shares of Common Stock at a price of \$1.75 per share, representing a premium of more than 20% over the closing price of the Common Stock on the date immediately preceding the Offer. The Revised Offer also represents an increase of 16.7% in the per share price, and an aggregate increase of \$2,500,000, compared to the initial Offer. The Revised Offer is subject to a satisfactory due diligence review of the Issuer and to majority representation on the Issuer's board of directors of qualified individuals nominated by the Fund .

On November 7, 2005, the Fund sent another letter to the Issuer's board in which it questions the failure by the Issuer to respond to the Fund's offer to provide \$7.5 million in equity financing to the Issuer at a price that represents a substantial premium to the current trading price of the Issuer's Common Stock. In that letter the Fund also requested that the Issuer immediately call a special meeting of the shareholders so that the Issuer's shareholders may immediately consider again whether a staggered board is appropriate given the Issuer's disappointing performance, and whether the current members of the board are suitable to continue to lead the Issuer.

On February 10, 2006, in the wake of the resignation of two additional members of the Issuer's board of directors, the Fund send another letter to the Issuer's board, in which the Fund requested the following:

## Edgar Filing: MAJESCO ENTERTAINMENT CO - Form SC 13D/A

- o that the Issuer immediately move to create an independent board of directors and appoint two designees of the Fund to the Issuer's board of directors, to fill the vacancies recently created by the resignations of Messrs Halpin and Weisman; and
- o the Messrs. Jessie and Joey Sutton, to sons of Morris Sutton, immediately resign or be removed as officers and employees of the Issuer; and
- o that Morris Sutton, the Chief Executive Officer and a member of the board of directors of the Issuer, cease making threats to resign from the Issuer and establish a new business in competition with the Issuer.

The full text of this letter is attached hereto as Exhibit A.

The Reporting Persons may at any time, or from time to time, acquire additional shares of Common Stock or dispose of their shares of Common Stock, propose or pursue any of the foregoing actions or matters or change their intentions with respect to the matters referred to herein.

## Edgar Filing: MAJESCO ENTERTAINMENT CO - Form SC 13D/A

Attention: Board of Directors of Majesco Entertainment Company

Gentlemen:

As you know, Trinad Capital Master Fund Ltd. and its affiliates ("Trinad" or "we"), which has been a long-time shareholder of Majesco Entertainment Company ("Majesco" or the "Company"), have made repeated requests for fundamental changes in the Company's management structure, corporate governance, executive compensation and board composition in our letters to you over the past several months.

Trinad and its affiliates currently hold approximately 16% of the Company's outstanding shares of common stock ("Common Stock"), and has the support of holders of 15% of the outstanding shares of Common Stock, or an aggregate of more than 30% of such shares, for the actions described below.

It has come to our attention that Jim Halpin and Marc Weisman have recently resigned from the Company's board of directors (the "Board"). We would prefer to avoid the expense and the related time delays in requesting the Company to call a special meeting of shareholders at this time and, accordingly, hereby respectfully request that the Board consider and appoint Messrs. Robert Ellin and Jay Wolf (the "Nominees") to fill the current vacancies on the Board. Our requests and recommendations have been repeatedly ignored by the current Directors over a period of ten months during which time the share value has declined by over 90%. We believe that we can add a great deal of value to the Company by representing all of the Company's shareholders on an independent basis, in contrast to the current Board members, who are notably not shareholders or are not independent as a result of their employment with the Company and other personal financial relationships. We respectfully urge the Board to consider and appoint the Nominees to the Board as soon as practicable, and have been assured that the Nominees are available to meet with the Board at its convenience.

We note that the Board's failure to respond to our many overtures has resulted in the continued deterioration of the Company. As you know, on October 28, 2005, we made an offer to the Board to invest \$7.5 million in the Company through the purchase from the Company of approximately 4,285,714 shares of the Company's Common Stock at a price of \$1.75 per share. The Offer price represented a premium of more than 20% over the closing price of the Common Stock on the date immediately preceding the Offer, and represents a premium of nearly 60% over yesterday's closing price of the Common Stock. To the shock and dismay of us and our fellow Company shareholders, the Board did not even bother to respond to our Offer. At the time, and clearly in retrospect, it is clear that the Board's inaction amounted to a gross and blatant disregard of the interests of the Company and its shareholders. Given the current condition of the Company, this Offer has naturally been withdrawn. However, in the

event that the Board takes the other actions described herein, we would be willing to meet with the Board to discuss alternative financing plans.

We also hereby request the immediate resignation or removal of Messrs. Jessie and Joey Sutton, the sons of Morris Sutton. It is clear that, by keeping these individuals (neither of whom is competent or qualified) in top level management positions, the Board--acting at the direction of Morris Sutton--is seeking to treat the Company as a family-owned business rather than a publicly held company that has thousands of owners. Further, should Morris Sutton continue to empower his sons at the expense of the Company, we also would request that he immediately resigns or is removed from office. The Sutton family has for a very long period of time conducted the business of the Company as

their "alter-ego," without regard to shareholders or the continued development of the Company's business. Furthermore, this continued conduct is most certainly actionable under a wide variety of legal grounds and principles. We have also been advised that Morris Sutton has made repeated threats to resign and establish a business of his own in direct competition with the Company in the event his children are removed from the business. We want Morris and the board to know that we would pursue every available legal means at our disposal, including legally restraining any member of the Sutton family from diverting any business opportunity from any client or prospect of the Company.

We believe that the current Board composition leaves the Company with insufficient shareholder representation and has amazingly entrenched the very group that is responsible for hundreds of millions of dollars in lost shareholder value. We are offering a way to create a more independent Board that represents the interests of more than just one minority group of shareholders while also bringing individuals to the Board who will contribute new thoughts and ideas on how to revive the Company from its current nearly insolvent state. We believe that the Board has no viable alternative to our demands, and that its failure to act upon our requests will even more clearly demonstrate that it is not now, nor has it for many months, acted in good faith.

In the event that Morris Sutton decides to resign in protest of his children's dismissal we have identified management candidates who could immediately be charged to manage the business in a responsible way commensurate with the practices of a public Company that is accountable to all its shareholders. We are willing to immediately meet with the independent directors to enter into a dialogue to move this forward.

Neither we, nor the other shareholders of the Company, will stand by while Mr. Sutton continues this course of conduct. In the event that the Board does not meet to consider our Nominees and immediately cause the management changes described above to occur, then we intend to commence an action in Federal court against all of the members of the Board and certain members of management, including the members of the Sutton family. The acquiescence by the allegedly "independent" members of the Board to the egregious actions taken by the Board and the Sutton family, and the failure by such individuals to take appropriate action under the circumstances, necessarily makes them as well as the members of the Sutton family, equally suitable targets for claims by the shareholders based on gross and willful misconduct. Please do not take these words lightly. We will in fact cause such an action to be brought on or before March 1, 2006 if our demands have not been addressed by that time.

Time is of the essence.

Very truly yours,

TRINAD CAPITAL MASTER FUND LTD.
