**Item 8.01. Other Events.**

On December 13, 2004, Inland Real Estate Corporation (the "Company") issued a press release announcing that the Company has contributed five properties, with an approximate net equity value of \$56 million, to its previously announced strategic joint venture with the New York State Teachers' Retirement System. The Company expects to contribute an additional three retail centers, with an approximate net equity value of \$44 million, within the next few months to complete its initial contribution to the joint venture of eight retail centers with an approximate net equity value of \$100 million. The Company expects that the contribution of these properties may cause a potential, short-term reduction in property-level income, which may or may not be offset by its share of income received from new acquisitions made by the joint venture. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated in its entirety in this Item 8.01 disclosure by reference.
