PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of SMITH-MIDLAND CORPORATION (the "Company") for use at the Annual Meeting of Stockholders to be held on Wednesday, September 4, 2013, at 5:00 p.m. local time at Smith-Midland Corporation located at 5119 Catlett Road, Midland, Virginia 22728 and at any adjournment or adjournments thereof.

These proxy solicitation materials are first being mailed to stockholders of record on or about August 1, 2013, together with the Company's Annual Report to Stockholders.

This proxy statement, form of proxy and the annual report are available at: <http://www.edocumentview.com/SMID>

Stockholders of record at the close of business on July 16, 2013 will be entitled to vote at the Annual Meeting or any adjournment thereof. On or about the record date, 4,794,962 shares of the Company's Common Stock, \$.01 par value per share ("Common Stock"), were issued and outstanding. The Company has no other outstanding voting securities.

Each share of Common Stock entitles the holder to one vote with respect to all matters submitted to Stockholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the shares outstanding. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner and (2) the broker lacks discretionary authority to vote the shares.

Abstentions or broker non-votes or failures to vote will have no effect in the election of directors, who will be elected by a plurality of the affirmative votes cast.

The affirmative vote of the holders of a majority of the shares present in person or by proxy and entitled to vote to ratify the appointment of BDO Seidman, LLP as the Company's independent auditors for the current fiscal year will be required for approval. An abstention will be counted as a vote against this proposal and broker non-votes will have no effect on the vote.

The affirmative vote of the majority of the shares present in person or by proxy and entitled to vote is required to approve an advisory vote on executive compensation for named executives. Because this vote is advisory it will not be binding on the Company's Board of Directors. Abstentions will be counted as votes cast against this proposal and broker non-votes will have no effect on the vote.

The frequency option (one year, two years or three years) receiving the plurality of the votes cast will be the frequency that has been "approved" by stockholders. Because the vote is advisory, it will not be binding on the Company's Board of Directors. However, the Board will consider the outcome of the vote when determining the frequency of future advisory votes on executive compensation. Abstentions and broker non-votes will have no effect on this vote.

An Annual Report, containing the Company's audited financial statements for the years ended December 31, 2012 and December 31, 2011, is being mailed to all Stockholders entitled to vote.

Execution of a proxy will not in any way affect a Stockholder's right to attend the Annual Meeting and vote in person. The proxy may be revoked at any time before it is exercised by written notice to the Secretary prior to the Annual Meeting, or by giving to the Secretary a duly executed proxy bearing a later date than the proxy being revoked at any time before such proxy is voted, or by appearing at the Annual Meeting and voting in person. The shares represented by all properly executed proxies received in time for the Annual Meeting will be voted as specified therein. In the absence of a special choice, shares will be voted in favor of the election of Directors of those persons named in this Proxy Statement and in favor of the proposal to ratify and approve the selection of BDO Seidman, LLP as the independent auditors for the Company for the year ending December 31, 2013. In addition, in absence of a special choice, shares will be voted in support of the compensation of the

named executive officers and for a three year frequency on future say-on-pay advisory votes for compensation of the named executive officers.

The Board of Directors knows of no other matter to be presented at the Annual Meeting. If any other matter should be presented at the Annual Meeting upon which a vote may be taken, such shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies. The Board of Directors knows of no matter to be acted upon at the Annual Meeting that would give rise to appraisal rights for dissenting stockholders.

Proposal No. 1

ELECTION OF DIRECTORS

Five Directors, constituting the entire Board of Directors, are to be elected at the Annual Meeting. Each Director of the Company is elected at the Company's Annual Meeting of Stockholders and serves until his successor is elected and qualified. Vacancies and newly created directorships resulting from any increase in the number of authorized Directors may be filled by a majority vote of Directors then remaining in office. Officers are elected by and serve at the discretion of the Board of Directors.

Shares represented by all proxies received by the Board of Directors and not so marked as to withhold authority to vote for an individual Director, or for all Directors, will be voted (unless one or more nominees are unable or unwilling to serve) for the election of the nominees named below. The Board of Directors knows of no reason why any such nominee should be unwilling to serve, but if such should be the case, proxies will be voted for the election of some other person or for fixing the number of Directors at a lesser number.

The Board unanimously recommends that Stockholders vote FOR election of the five nominees for Director.

The following table sets forth certain information concerning each nominee for election as a Director of the Company:

GENERAL INFORMATION RELATING TO THE BOARD OF DIRECTORS AND OFFICERS

Director Independence

Currently Andrew G. Kavounis and Frederick L. Russell, Jr. are the only independent directors of the Company as determined under the NASDAQ Marketplace Rules. If elected G.E. Nick Borst will also be an independent director of the Company. The other Directors are not considered independent in view of their positions as executive officers of the Company.

Meetings and Committees of the Board of Directors

The Board of Directors has a standing Compensation Committee which consists of Messrs. Frederick L. Russell, Jr. and Andrew G. Kavounis. The Compensation Committee was established to set and administer the policies that govern annual compensation for the Company's executives. Messrs. Rodney I. Smith, Ashley B. Smith and Wesley A. Taylor may, in certain circumstances, make recommendations to the Compensation Committee with respect to compensation matters. Following review and approval by the Compensation Committee of the compensation policies, all issues pertaining to executive compensation are submitted to the Board of Directors for approval. The Compensation Committee negotiates and approves compensation arrangements for executive officers, board advisers and directors of the Company, including, but not limited to, the grant of options to purchase the Common Stock pursuant to the Company's 2008 Stock Option Plan or other plans which may be established. The Compensation Committee did not meet during fiscal 2012. Instead, the Board of Directors as a whole addressed these matters. The Company does not currently have a Compensation Committee charter.

The Company believes that a standing nominating committee is not necessary or cost efficient for a company its size. All directors participate in the consideration of director nominees. The Company does not have a formal nominating committee charter. For at least the past seven years, other than Mr. Russell's nomination and Mr. Borst's nomination as set forth in this Proxy Statement, the Board of Directors has not received a recommendation from a stockholder as to a candidate for nomination to the Board of Directors and therefore has not previously formed a policy with respect to consideration of such a candidate. Among other reasons, in view of the significant investment in the common stock of the Company by Tall Cotton Partners, LLC, of which Mr. Russell is Managing Partner, and his business background, Mr. Rodney I. Smith, Chairman of the Board, recommended Mr. Russell's nomination. In addition to the nomination of Mr. Russell, Mr. Rodney I. Smith, Chairman of the Board recommended Mr. Borst nomination to replace retiring board member Mr. Andrew G. Kavounis. It is the Board's intent to consider any stockholder nominees that may be put forth in the future. The Board has not identified any specific minimum qualifications or skills that it believes must be met by a nominee for director. It is the intent of the Board to review from time to time the appropriate skills and characteristics of directors in the context of the current make-up of the Board and the requirements and needs of the Company at a given time.

In selecting nominees for the Board, the Company considers the diversity of each candidate in regards to the anticipated needs of the Company as a whole so as to leverage the experience and education of each director in achieving the goals of the Company.

The Board of Directors met formally one time during 2012, met informally on a number of occasions, voting on corporate actions, in some cases, by written consent. All of the Company's current directors attended the meetings of the Board of Directors either in person or by telephone.

With the exception of Rodney I. Smith and Ashley B. Smith, who are father and son, respectively, no Director or executive officer of the Company is related by blood, marriage, or adoption to any of the Company's other Directors or executive officers.

Leadership Structure

We believe that the Company is better served by the combined Chairman/CEO type of leadership. By having a strong single leader, a company of our size can adapt to market changes faster with fewer levels of decision makers. It provides a cohesive vision and strategy for the Company and strong execution ability. This type of leadership model helps assure a clear and direct line of communication to the Board of any risks, challenges or other key management issues and opportunities.

Risk Oversight

It is the responsibility of the Board to oversee the assets of the Company and to ensure that appropriate controls are in place to minimize risks associated with such assets. While the Board is tasked with the responsibility to detect potential high

level risks, management is tasked with managing risk on a daily basis. Where possible, management, in conjunction with the Board, has defined high level risk controls to help mitigate the most significant risks to the Company.

Code of Ethics

Our Board of Directors has adopted a Professional Code of Ethics as well as a Finance Code of Professional Conduct. The Professional Code of Ethics covers all employees of the Company and describes the policies and procedures for their ethical conduct. The Finance Code of Professional Conduct covers conduct in the practice of financial management and specifically relates to the Chief Executive Officer, the Chief Financial Officer, Controller and other associates of the finance organization.

Audit Committee

The Company currently has a standing Audit Committee with the members being Messrs. Frederick L. Russell, Jr. and Andrew G. Kavounis. The audit committee did not meet during fiscal 2012 as the committee was not appointed until late 2012. Frederick L. Russell, Jr., is designated the committee's financial expert because of his 25 years experience in the finance industry. Messrs. Russell and Kavounis are considered to be independent when using the definition of the NASDAQ Marketplace Rules.

The Audit Committee discussed our audited financial statements as of and for the year ended December 31, 2012 with the Board of Directors and the Chief Financial Officer.

The Audit Committee reviewed and discussed with representatives of BDO USA, LLP, our independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU §380), as amended. The Audit Committee has also received and reviewed the written disclosures and the letter from BDO USA, LLP required by PCAOB Standards, and has discussed with BDO USA, LLP their independence.

Based on the foregoing reviews and decisions, the Audit Committee and the Board of Directors recommended that the audited financial statements for fiscal year ended December 31, 2012 be included in the Company's Annual Report on Form 10-K for the fiscal year then ended.

Communications Between Stockholders and the Board of Directors

Stockholders and other interested parties wishing to communicate with members of the Board of Directors should send a letter to the Secretary of the Company with instructions as to which director(s) is to receive the communication. The Secretary will forward the written communication to each member of the Board of Directors identified by the stockholder or, if no individual director is identified, to all members of the Board of Directors.

Director Attendance at Annual Meeting

The Company has not in the past required members of the Board of Directors to attend each annual meeting of the stockholders because the formal meetings have been attended by very few stockholders, and have generally been brief and procedural in nature. All of the Company's directors, however, attended the 2012 and 2011 annual meetings of stockholders. The Board will continue to monitor stockholder interest and attendance at future meetings and re-evaluate this policy as appropriate.

Director Compensation

All Directors, whether employee or non-employee, receive \$1,000 per meeting attended as compensation for their services as Directors and are reimbursed for expenses incurred in connection with the performance of their duties. For the twelve months ended December 31, 2012, total payments made to all Directors were \$5,000.

Employment Contracts and Termination of Employment and Change in Control Arrangements.

The Company entered into a four-year Employment Agreement with Rodney I. Smith, its current President and Chief Executive Officer, effective as of September 30, 2002. The term of employment automatically renews commencing on the date one year after the effective date, and on an annual basis thereafter, for an additional one year, unless earlier terminated or not renewed as provided for therein. The agreement provides for an annual base salary of \$99,000 (“Base Salary”), which will be reviewed at least annually and adjusted from time to time at the determination of the Board of Directors. It also provides for an

annual royalty fee of \$99,000 payable as consideration for Mr. Smith's assignment to the Company of all of his rights, title and interest in and to the Patents (as defined in the agreement). Payment of the royalty continues only for as long as the Company is using the inventions underlying the Patents. Mr. Smith is also entitled to performance-based bonus as determined by the Board each calendar year.

Mr. Smith's employment agreement provides further that if Mr. Smith (i) voluntarily leaves the employ of the Company within six months of his becoming aware of a Change of Control (as defined in the agreement) of the Company, then he shall be entitled to receive a lump sum amount equal to three times the five-year average of his combined total annual compensation, which includes the Base Salary and bonus, less one dollar (\$1.00), and certain other unpaid accrued amounts as of the date of his termination, or (ii) is terminated by the Company without Cause (as defined in the agreement) or leaves the Company with Good Reason (as defined in the agreement), Mr. Smith shall be entitled to a lump sum payment equal to three times the combined Base Salary and bonus paid during the immediately preceding calendar year, and such other unpaid accrued amounts. In any of such cases, the Company will provide Mr. Smith with certain Company fringe benefits for two years, subject to certain conditions as provided for in the agreement, and all of Mr. Smith's unvested options to purchase Company stock shall become fully vested and exercisable on the date of termination. Mr. Smith will be entitled to exercise all such options for three years from the date of termination. The Company will have no further obligations to Mr. Smith, other than with respect to the payment of royalties.

In the event Mr. Smith's employment by the Company is terminated as a result of Mr. Smith's (i) death, his estate shall be entitled to a lump sum payment of one times the combined Base Salary and bonus, and certain other accrued and unpaid amounts, or (ii) disability, Mr. Smith shall be entitled to Base Salary and bonus for a period of one year commencing with the date of termination, and all other unpaid accrued amounts.

In the event Mr. Smith's employment is terminated for cause or Mr. Smith voluntarily leaves the employ of the Company for no reason, Mr. Smith shall be entitled to accrued but unpaid Base Salary and Bonus up to the date of termination, and all other unpaid amounts.

The employment agreement also contains non-competition and non-solicitation covenants for one year following Mr. Smith's termination of employment for any reason.

On December 31, 2008, the board of directors approved an amendment to the Employment Agreement to include changes required to be in compliance with Section 409A of the Internal Revenue Code, nonqualified deferred compensation.

Based solely on a review of the copies of such forms furnished to the Company and written representations from the executive officers and Directors, the Company believes that all Section 16(a) filing requirements applicable to its executive officers, Directors and greater than ten per cent (10%) beneficial owners were satisfied during 2012.

Proposal No. 3

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

As required by Section 14A of the Securities Exchange Act of 1934, the Board of Directors is providing the shareholders of the Company with an advisory vote to approve the officer compensation of its named executive officers. This advisory vote is commonly known as shareholder "say-on-pay". The Company and its Board of Directors fully supports this new requirement and hopes that each shareholder will take advantage of this opportunity to make their opinion known.

Please review the Compensation of Executive Officers section along with the Summary Compensation Table located in the prior section for the salaries, bonuses and equity compensation for the named executive officers of the Company. We believe the salaries of the named executive officers are reasonable and necessary to attract and maintain competent personnel to manage the Company in a responsible and profitable manner.

We are asking our shareholders to indicate their support for the compensation of the named executive officers as described in this proxy with a vote "For" the following resolution:

"Resolved, that our shareholders approve on an advisory basis, the compensation of our named executive officers, as disclosed in our proxy statement for the 2013 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC.

While this vote is non-binding, our Compensation Committee will give this vote careful consideration when setting policy and making decisions regarding the salaries and other compensation arrangements for the named executive officers of the Company.

Proposal No. 4

FREQUENCY OF ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

The Board of Directors has, pursuant to the requirements of Section 14A of the Securities Exchange Act of 1934, is providing the shareholders of the Company an advisory vote on the frequency of say-on-pay votes for the named executive officers of the Company. This advisory vote allows the shareholders to decide how often they would prefer to vote on the say-on-pay provisions as described above. The choice of votes for this proposal will be one, two, three years or abstention from voting.

The Board of Directors has closely reviewed the voting options available and has come to the conclusion that the advisory vote on this proposal would best be held every third year. As this vote is advisory in nature, the Board of Directors will carefully weigh the outcome of the vote when making its final decision as to how often to establish the voting policy.

We are asking our shareholders to vote for a "Three Year" frequency on future say-on-pay advisory votes for compensation of the named executive officers of the Company.
