-----

To be held on May 7, 2002 or  
as such date may be adjourned

VOTING SECURITIES

The Company has one class of capital stock, consisting of common stock, par value \$1.00 per share (the "Shares"), entitled to vote at the Annual Meeting of Shareholders. Each of the outstanding Shares entitles its holder to one vote. 2,025,899 Shares were issued and outstanding at the close of business on March 29, 2002 (the "Record Date"). Only holders of record of Shares as of the Record Date will be entitled to notice of and to vote at the Annual Meeting of Shareholders, or any adjournment or adjournments thereof.

SOLICITATION AND REVOCATION OF PROXIES

The enclosed proxy is for use only at the Annual Meeting of Shareholders to be held May 7, 2002 and any and all adjournments thereof. It is solicited on behalf of the Board of Directors of the Company.

## Edgar Filing: STAR STRUCK LTD - Form DEFR14A

The approximate date this proxy statement and accompanying materials are first being sent to security holders is April 12, 2002.

Shares represented by properly executed proxies will be voted and will be voted in accordance with the instructions contained therein. If no instructions are indicated, such shares will be voted FOR the election of the nominees as directors. As to any other business that may properly come before the meeting or any adjournment or adjournments thereof, such shares will be voted as the named proxies in their best judgment may decide. A shareholder may revoke his or her proxy at any time prior to its exercise at the Annual Meeting of Shareholders. A shareholder

1

may revoke his or her proxy by filing with the Secretary of the Company (at the Company's address indicated above) an instrument revoking it or by similarly filing a duly executed proxy bearing a later date or by appearing at the Annual Meeting of Shareholders and voting in person.

In addition to the use of the mails, proxies may be solicited by the directors, officers and employees of the Company without additional compensation, by personal interview, telephone or telegram.

The expense of making the solicitation will consist of preparing and mailing the proxies and Proxy Statement, any expenses incurred by Company representatives in making the contacts described above, the charges of brokerage houses and other custodians, nominees and fiduciaries forwarding documents to security owners and costs of returning proxies, and any incidental expenses. The costs of this proxy solicitation, will be borne by the Company. Such costs are expected to be those normally expended for a solicitation for an election of directors in the absence of a contest, including costs represented by salaries and wages of regular employees.

### NOMINEES FOR ELECTION AS DIRECTORS

#### ELECTION

The presence, in person or by proxy, of the record holders of a majority of the shares of stock entitled to be voted at the meeting constitutes a quorum for the conduct of business. If a quorum is present, the affirmative vote of the record holders of a majority of the shares of stock voting at the meeting in person or by proxy is necessary to elect directors. Abstentions and broker non-votes are included in the determination of the existence of a quorum but are not to be included in determining the number of votes cast.

Proxies received in response to this solicitation will be voted, unless such authority is withheld, FOR the election of the seven persons named in this section as nominees for the Board of Directors.

Each Director will hold office until the next annual meeting of the shareholders and until a successor is elected and qualifies.

There is no reason to believe that any of the nominees will, prior to the date of the Annual Meeting of Shareholders, refuse or be unable to accept election. If any nominee refuses or becomes unable to accept election, it is the intention of the persons named in the proxy to vote for such other person or persons as the current Board of Directors may recommend.
