PART I

ITEM 1. DESCRIPTION OF BUSINESS

(A) BUSINESS DEVELOPMENT - Chefs International, Inc. ("Chefs" or the "Company") was organized under the laws of the State of Delaware in March 1975. The Company currently operates eleven restaurants on a year-round basis, eight of which are free-standing seafood restaurants in New Jersey (four) and Florida (four); two of which are Mexican theme restaurants, one located in an Eatontown, New Jersey shopping mall and the other, a free-standing restaurant located in Freehold, New Jersey, and one of which is a free-standing restaurant also located in Freehold, New Jersey featuring an eclectic American food menu. Six of the seafood restaurants are operated under the name "Jack Baker's Lobster Shanty," one under the name "Baker's Wharfside" and one under the name "Mr. Manatee's." The two Mexican theme restaurants are operated under the name "Escondido's Mexican Restaurant." The eclectic American food restaurant is operated under the name "Moore's Tavern and Restaurant." The Company opened its first seafood restaurant in November 1978, its first Mexican theme restaurant in April 1996 and "Moore's Tavern and Restaurant" in February 2000. (As used herein, the term the "Company" may at times include Chefs and its various subsidiaries.)

The Company's executive offices are located at 62 Broadway, Point Pleasant Beach, New Jersey 08742. Its telephone number is (732) 295-0350.

DEVELOPMENTS SINCE THE BEGINNING OF THE LAST FISCAL YEAR

RESTAURANT OPENINGS

In February 2000, the Company executed a lease with Moore's Realty Associates, a New Jersey partnership ("Moore's Realty") whose partners are members of the Lombardi Group and other members of the Lombardi family. (The Lombardi Group, consisting of various members of the Lombardi Family and their affiliates, purchased a substantial number of shares of Chefs' Common Stock in May 1999 resulting in their ownership in May 1999 of in excess of 50% of the issued and outstanding shares of Chefs' Common Stock, and as a result, in ownership of voting control of the Company. The Lombardi Group currently owns approximately 63% of the issued and outstanding shares of Chefs' Common Stock. Five Lombardi brothers, each of whom is a member of the Lombardi Group, serve as Chefs' directors.) The lease was of premises on West Main Street (Route 537) in Freehold, New Jersey where an entity affiliated with Moore's Realty, Moore's Inn, Inc. was operating a restaurant and tavern under the name "Moore's Inn." The Company provided consulting services to the operators of Moore's Inn from January 3, 2000 until

2

February 23, 2000 when it executed the lease and the purchase agreements described under "Restaurant Operations" in this Item 1, and commenced to operate the facility under the name "Moore's Tavern and Restaurant."

In connection with the February 2000 execution of the lease of Moore's Inn

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

to the Company, Moore's Realty agreed not to sell or lease a building ("Building B") adjacent to the Moore's Inn or the nearby pad site for a proposed building ("Building C") to a third party for a period of one year. In October 2001, the Company leased Building B from Moore's Realty and in January 2002, opened a Mexican theme restaurant in Building B under the name "Escondido's Mexican Restaurant." In February 2002, the Company changed the name of its Mexican theme restaurant in the Monmouth Mall in Eatontown, New Jersey to "Escondido's." The Company had previously operated this mall restaurant under the name "Garcia's."

In April 2002, the Company commenced operation of a free-standing casual theme restaurant primarily featuring seafood items in a leased facility in Vero Beach, Florida continuing the operation of the restaurant under the name "Mr. Manatee's." See "Restaurant Operations" in this Item 1.

SHARE REPURCHASE PROGRAM

On June 8, 2000, the Company announced that it had decided to repurchase up to 400,000 shares of Chefs' Common Stock over the following 24 months. In its press release, the Company stated that the Board believed that Chefs' Common Stock was undervalued and that the Repurchase Program, if effected at current prices, could constitute an appropriate investment to the benefit of the Company's stockholders. Through January 27, 2002, the Company had repurchased an aggregate 28,191 shares of Chefs' Common Stock in the over-the-counter market at prices ranging from \$.73 to \$1.20 per share, and in addition, in August 2001, in a block transaction with a limited group of unaffiliated stockholders, repurchased an aggregate 262,603 shares of Chefs' Common Stock at \$2.10 per share. The block purchase was authorized by the Company's Board of Directors. It was the Board's opinion that although the repurchase price was greater than the then market price for the stock, the size of the block and the fact that the per share repurchase price was substantially below the per share book value of Chefs' Common Stock made the repurchase an appropriate investment to the benefit of Chefs' stockholders. The Company utilized available cash reserves to effect each of its stock repurchases. To date, an aggregate 287,244 of the 290,794 repurchased shares have been cancelled.

BANK LOANS

At January 29, 2001, the Company's principal bank financing was provided pursuant to a term loan originally in the amount of \$525,000 ("Term Loan X") from First Union National Bank ("First

3

Union") and a \$500,000 revolving line of credit ("L/C line") from First Union. At said date, approximately \$204,000 was outstanding under Term Loan X payable in monthly installments of principal with interest at an annual rate of 9 1/4% through December 2002 and no amounts were outstanding under the L/C line. Indebtedness under Term Loan X was secured by a first mortgage on the Company's Toms River, New Jersey seafood restaurant and indebtedness under the L/C line was secured by first mortgages on the Company's two Point Pleasant Beach, New Jersey seafood restaurants. During fiscal 2002, the Company reduced the outstanding principal balance of Term Loan X to \$93,000.

In September 2001, the Company restructured the above indebtedness. The existing L/C line under which there was no outstanding indebtedness was replaced with a new L/C line of \$500,000 expiring June 30, 2003 secured by a first mortgage on the Toms River restaurant. No borrowings were made by the Company under the new L/C line in fiscal 2002. In March 2002, the Company borrowed \$500,000 under the new L/C line and applied the proceeds towards the purchase of the assets of Mr. Manatee's. See "Restaurant Operations."

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

At the same time, the Company borrowed \$600,000 from First Union ("Term Loan Y") secured by a first mortgage on its Baker's Wharfside restaurant in Point Pleasant Beach and borrowed an additional \$600,000 from First Union ("Term Loan Z") secured by a first mortgage on its Jack Baker's Lobster Shanty restaurant in Point Pleasant Beach. Each of these two loans have a ten year maturity providing for annual principal payments of approximately \$60,000 commencing in fiscal 2003 together with interest on the unpaid balance at an annual rate of 7.57%. At January 27, 2002, the outstanding principal balance of each of these loans was \$597,500.

The Company applied the \$1,200,000 of loan proceeds as part of the \$1,300,000 it utilized to renovate, decorate and equip (kitchen, bar, furniture, fixtures) its Escondido's Mexican Restaurant in Freehold, New Jersey which opened in January 2002.

In May 1998, the Company borrowed \$124,000 from First Union to partially fund the purchase of property adjoining its Toms River, New Jersey seafood restaurant. The loan is repayable in monthly installments of principal with interest at LIBOR plus 2 1/4% through May 2003 and is secured by a first mortgage on the property. At January 27, 2002, approximately \$33,000 was outstanding under this loan.

In October 1998, the Company borrowed \$880,000 from First Union to fund the \$1,100,000 purchase of its Vero Beach, Florida seafood restaurant. This loan is repayable in monthly installments of \$8,319 comprised of principal and interest at an annual rate of 7.82% through November 2008 and is secured by a first mortgage on the Vero Beach property. At January 27, 2002, approximately \$774,000 was outstanding under this loan (which provides for a \$431,429 "balloon" payment in November 2008).

4

Repayment of the Company's term loans and of borrowings under its line of credit is guaranteed by each of the Company's subsidiaries.

Pursuant to its principal Loan Agreements, the Company has agreed to certain affirmative and negative covenants, violation of which without First Union's waiver would constitute a default under the Loan Agreements. Included are affirmative covenants by the Company to maintain its properties in good condition and repair; maintain adequate insurance coverage; conduct its business in the manner and at the locations where it is currently being conducted; maintain a Funds Flow Coverage of not less than 1.20 to 1.00; maintain a Tangible Net Worth at fiscal 2002 year end of not less than \$12,500,000 increasing by not less than \$50,000 in each subsequent year; maintain a ratio of Senior Liabilities to Effective Tangible Net Worth of not more than .50 to 1.00 measured semi-annually; and maintain liquid assets (cash, time deposits, marketable securities) of not less than \$500,000. Also included are negative covenants of the Company not to permit or effect a material change in ownership or in management; not to create or permit certain liens or encumbrances on its assets; not to guarantee third party obligations; and not to retire or otherwise acquire any of its capital stock (excluding repurchases of up to 400,000 shares at market prices pursuant to its June 2000 Stock Repurchase Program and the 262,000 share block purchase described above for which First Union delivered a waiver). The Company was in compliance with all material covenants under the Loan Agreements at January 27, 2002.

(B) BUSINESS OF ISSUER - The Company is engaged in one business; the operation of eleven restaurants in New Jersey and Florida on a year-round basis.

including shellfish such as lobster, scallops, shrimp, oysters and clams, and other fish including red snapper, bluefish, grouper and other varieties. A limited selection of non-seafood entrees is also offered including steak and chicken as well as a dessert selection. Most of the Company's seafood restaurants have a nautical decor.

JACK BAKER'S LOBSTER SHANTY RESTAURANTS

VERO BEACH, FLORIDA - This restaurant, consisting of approximately 6,900 square feet, is free standing in Vero Beach,

6

Florida on the intracoastal waterway, and seats approximately 200. It opened in December, 1979 pursuant to a lease from Gourmet Associates ("Gourmet") owned by the Company's then principal stockholder. During fiscal 1998, the Company constructed an outdoor deck with a bar and dining facilities at this restaurant at a cost of approximately \$125,000. At August 31, 1998, the Company was continuing to lease this restaurant on a month-to-month "net" basis at a monthly rental of \$10,000 with the Company also paying personal property taxes and insurance thereunder. On that date, the United States Bankruptcy Court for the District of New Jersey ordered the acceptance of the Company's bid of \$1,100,000 to purchase the Vero Beach restaurant property from Gourmet. On October 30, 1998, the Company completed the purchase of the property for \$1,100,000. To fund the purchase, the Company obtained an \$880,000 first mortgage loan from its principal lending bank, First Union National Bank, and paid the balance of the purchase price from working capital. The Company's successful bid was based upon an independent appraisal of the property and was equal to the appraised value. See "Bank Loans" herein as to the repayment terms of this loan.

During fiscal 2002, the Company was assessed and paid \$62,674 as its share for the development by the City of Vero Beach of the Royal Palm Pointe project. This project is a city park development contiguous to the Company's Jack Baker's Lobster Shanty and its Mr. Manatee's restaurants. Among other amenities, it provides municipal parking which the Company believes will enhance its restaurant business at those locations.

PT. PLEASANT BEACH, NEW JERSEY - This restaurant, consisting of approximately 17,000 square feet, is free standing with a waterfront location on Channel Drive in Pt. Pleasant Beach, New Jersey and seats approximately 750. It shares parking with the Baker's Wharfside restaurant in Pt. Pleasant Beach with space for approximately 250 automobiles. The Company purchased this restaurant and three others (including the land, buildings, improvements and businesses including personal property and fixtures, liquor licenses and all of the outstanding stock of the four corporations operating these restaurants) from its then principal stockholder, and from three partnerships owned by him, in October, 1980 for an aggregate \$7,750,000 less a subsequent \$250,000 prepayment discount.

TOMS RIVER, NEW JERSEY - This restaurant, consisting of approximately 10,750 square feet, is free standing on Robbins Parkway with a waterfront location on the Toms River in Toms River, New Jersey and seats approximately 375. Municipal parking facilities are available nearby. The Company purchased this restaurant and three others (including the land, buildings, improvements, and businesses including personal property and fixtures, liquor licenses and all of the outstanding stock of the four corporations operating these restaurants) from its then principal stockholder, and from three partnerships owned by him, in October 1980 for an aggregate \$7,750,000 less a subsequent \$250,000

prepayment discount. During fiscal 1998, the Company commenced an interior renovation of this restaurant, the bulk of which was completed in fiscal 1998 with the balance completed early in fiscal 1999. The total cost of this renovation was approximately \$338,000. In fiscal 1999, the Company constructed an outdoor deck with a bar and dining facilities at this restaurant adding approximately 125 seats at a cost of approximately \$188,000.

In May 1998, the Company spent \$166,000 to purchase a lot and building with a waterfront location adjacent to the Toms River Lobster Shanty. The Company partially funded the purchase price with the bank loan previously described. The Company has obtained the variances necessary for it to develop an outdoor patio dining area with seating for 125 on this site but has delayed construction pending resolution of a lawsuit initiated by a neighboring landowner attempting to prevent construction. The Company has been advised that the landowner is now attempting to sell his property for commercial use and if the property is sold for such use, management assumes there will be no further objection to the Company's planned patio dining area. If it is successful in resolving this matter, the Company estimates the total costs of construction and outfitting at approximately \$350,000 for an opening anticipated in fiscal 2004.

JENSEN BEACH, FLORIDA - This 200 seat restaurant, consisting of approximately 4,500 square feet, is located in a free standing building on the intracoastal waterway in Jensen Beach, Martin County, approximately 50 miles north of Palm Beach. The restaurant has parking for 100 automobiles. Acquired in October 1980 were two lots, the restaurant with furnishings and a liquor license from an unaffiliated party for \$975,000. The Company made a \$295,000 down payment and paid the balance over a ten year period through September, 1990.

COCOA BEACH, FLORIDA - This approximately 240 seat restaurant, consisting of approximately 9,600 square feet, is located in a free standing building on Highway A1A in Cocoa Beach and has parking for approximately 90 cars. The Company acquired this restaurant as well as a seafood restaurant in Titusville, Florida in September 1981 through the purchase from two unaffiliated individuals of the outstanding capital stock of two corporations engaged in the ownership and operation of a Florida seafood restaurant at each of the two sites. The corporations owned the land on which the restaurants were located, the restaurant buildings, the restaurant businesses including personal property and fixtures and liquor licenses for each restaurant, all of which were included in the sale. The purchase price paid by the Company for the stock of the two corporations (prior to closing adjustments) was \$3,370,000, the bulk of which was represented by 20-year promissory notes payable monthly and secured by mortgages on the restaurants. The Company sold the Titusville restaurant to an unaffiliated third party in January 1988 realizing a loss of approximately \$942,000. The Company prepaid the balance of the remaining indebtedness under the

notes in July 1993 using the net proceeds from the sale in June 1993 of another Florida restaurant property.

HIGHTSTOWN, NEW JERSEY - This restaurant, consisting of approximately 4,600 square feet, is free standing on State Highway 33 approximately two miles east of Hightstown and seats approximately 175. The restaurant has parking for approximately 100 automobiles. The Company purchased this restaurant and three others (including the land, buildings, improvements and businesses including personal property and fixtures, liquor licenses and all of the outstanding stock

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

of the four corporations operating these restaurants) from its then principal stockholder and from three partnerships owned by him, in October 1980 for an aggregate \$7,750,000 less a subsequent \$250,000 prepayment discount.

BAKER'S WHARFSIDE RESTAURANT

PT. PLEASANT BEACH, NEW JERSEY - This restaurant, consisting of approximately 7,500 square feet, is free standing with a waterfront location on Channel Drive in Pt. Pleasant Beach, New Jersey and seats approximately 500. It shares parking with the Lobster Shanty restaurant in Pt. Pleasant Beach with space for approximately 250 automobiles. The Company purchased this restaurant and three others (including the land, buildings, improvements and businesses including personal property and fixtures, liquor licenses and all of the outstanding stock of the four corporations operating these restaurants) from its then principal stockholder, and from three partnerships owned by him, in October, 1980 for an aggregate \$7,750,000 less a subsequent \$250,000 prepayment discount.

MR. MANATEE'S RESTAURANT

VERO BEACH, FLORIDA - This restaurant, consisting of approximately 4,000 square feet, is free standing at 30 Royal Palm Pointe in Vero Beach and seats approximately 165. It has parking for approximately 40 automobiles but there are additional municipal parking spaces available at the contiguous Royal Palm Pointe municipal park. Pursuant to a January 2002 asset purchase agreement, the Company purchased the furnishings, fixtures and equipment, liquor license, goodwill, right to the name and the business of Mr. Manatee's from an unaffiliated third party for \$800,000. The Company paid \$300,000 of the purchase price from its available cash reserves and borrowed the \$500,000 balance under its available Line of Credit. On April 1, 2002, the Company entered into a five year lease of the restaurant property at a monthly rental of \$8,000 under a triple "net-net" Lease. The Lease provides the Company with an option to renew the lease for up to three additional five year terms with the rental increasing by ten percent for each additional five-year renewal term. The Lease also provides the Company with the right to purchase the Property for \$1,075,000 at the expiration of the initial five year term of the Lease.

9

Mr. Manatee's opened under the Company's management on April 1, 2002. It is a casual theme restaurant primarily featuring seafood items, serving lunch meals, dinner meals and sandwiches. Management believes that the check average at Mr. Manatee's will be approximately 15% lower than the check average at its other seafood restaurants.

MEXICAN THEME RESTAURANTS

In November 1995, the Company entered into an agreement with Garcimex of New Jersey, Inc. ("Garcimex"), the purported exclusive owner of the "Garcia's" trademark, service mark and trade name along with the goodwill and recipes of a Mexican restaurant business associated with the marks. Pursuant to the agreement, the Company was granted the exclusive right to establish and open Mexican restaurants using the marks, goodwill and recipes in six New Jersey counties, Hunterdon, Mercer, Middlesex, Monmouth, Ocean and Somerset (the "Territory"). The Company was granted the right but not the obligation to open a restaurant utilizing the marks and goodwill in each of the first five 12-month periods, in the Territory, with a six-month grace period with respect to each such 12-month period. If the Company did not open a Garcia's restaurant in each of the first five 12-month periods (including the grace period), the agreement provided that the Company would lose the right to develop additional restaurants

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

within the Territory. The Company opened a Garcia's restaurant at the Monmouth Mall in Eatontown, New Jersey in April 1996 but did not open any additional Garcia's restaurants thereafter.

The agreement was for an initial term of 20 years. The agreement required the Company to pay a royalty to Garcimex equal to 3% of the gross annual sales of its Garcia's restaurants during the term of the agreement and granted the Company certain additional rights including a right of first refusal with respect to certain offers made to Garcimex.

In September 2001 after the Company raised questions concerning Garcimex's rights to the "Garcia's" tradename and withheld certain of the royalties owed to Garcimex, the parties entered into a settlement agreement. Pursuant to the settlement agreement, the parties agreed to terminate the November 1995 agreement and the Company agreed to pay the withheld royalties, a continuation of the royalty through January 27, 2002 and an additional \$80,000 to Garcimex. The Company paid these sums and was released by Garcimex from the restriction that prevented it from opening any other Mexican restaurants in the Territory prior to 2015.

After consummating the settlement with Garcimex, the Company changed the name of its "Garcia's" restaurant at the Monmouth Mall to Escondido's at the end of January 2002 and commenced to operate the restaurant under the name "Escondido's Mexican Restaurant" on February 1, 2002. The Company opened its second Mexican theme

10

restaurant in Freehold, New Jersey in January 2002 under the name "Escondido's Mexican Restaurant" as hereinafter described.

The Company's Mexican theme restaurants feature Mexican cuisine including fajitas, tortillas, burritos and enchiladas with cheese, beef, chicken, pork and seafood fillings. The menus also include appetizers, soups and salads and a limited number of American style offerings such as steaks and burgers. Alcoholic offerings such as margaritas and tequilas complement fruit drinks and other soft drinks.

MONMOUTH MALL, EATONTOWN, MONMOUTH COUNTY, NEW JERSEY - The Company's "Escondido's Mexican Restaurant" at the Monmouth Mall consists of 4,371 square feet of leased space and is decorated in a bright, multi-color Mexican motif. The restaurant has a bar and tables and booths which can accommodate approximately 130 patrons. The Company has a liquor license permitting the consumption of wine and alcoholic beverages on the premises. The restaurant is open for lunch and dinner seven days per week.

The Company's lease for this restaurant is for a twelve-year term ending in 2008 providing for a minimum annual rental of \$109,275 during each of the first five years and a minimum annual rental of \$118,017 per annum thereafter. The Company was granted a \$24,000 per year Construction Allowance for the five-year period commencing January 1, 1997 which was applied on a monthly basis in reduction of the minimum annual rental through December 2001. The Company is also required to pay additional rent equal to 5% of the restaurant's annual gross revenues in excess of \$2,185,000 in each of the first five years and in excess of \$2,360,340 in each subsequent year. The Company is also required to pay a proportionate share of the Mall's real estate taxes, utility charges and the Landlord's operating costs as well as certain other charges. The Company is attempting to negotiate a reduction in the minimum annual rental and other charges under this lease with the Mall Landlord. Although it was successful in previously negotiating a reduction in the minimum annual rental (to \$102,675)

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

for the twelve-month period ended January 31, 2001, no assurances can be given that it will be able to obtain any reduction in future periods.

The restaurant is on the site of the Company's La Crepe restaurant which closed in December 1995. The Company spent approximately \$720,000 to construct its Garcia's restaurant on this site and after its settlement agreement with Garcimex, changed the name of the restaurant to "Escondido's Mexican Restaurant" on February 1, 2002.

The Monmouth Mall has been in operation for approximately 20 years. Macy's and J.C. Penny are major department stores in the Mall. The Mall is a large shopping center with 1,500,000 square feet of shopping area on 105 acres with parking for 7,200 cars.

11

FREEHOLD, NEW JERSEY - The Company opened a second "Escondido's Mexican Restaurant" on West Main Street (Route 537) in Freehold, New Jersey in January 2002. This free-standing restaurant, consisting of approximately 5,000 square feet of leased space, is decorated in a bright multi-colored Mexican motif similar to the Monmouth Mall restaurant. The Freehold Mexican theme restaurant has a bar and tables and booths which can accommodate approximately 225 patrons and shares parking facilities with the adjoining Moore's Tavern and Restaurant. It has a liquor license permitting the consumption of wine and alcoholic beverages on the premises. The restaurant is open for lunch and dinner seven days per week.

The Company leased the facility ("Building B") from Moore's Realty (whose partners are members of the controlling Lombardi Group and other members of the Lombardi family). The lease is a "triple-net" lease pursuant to which the Company is required to pay real estate taxes, insurance and heating and air conditioning costs. The lease is for a five-year term through January 2007 and contains provisions for three consecutive five-year renewals at the Company's option which are automatically effective unless the Company gives written notice at least six months before the end of the applicable term that it does not intend that such option be exercised. The Company has the right to terminate the lease upon six months' written notice during the initial lease term provided that such notice cannot be given until 18 months after the commencement of the initial lease term and upon twelve months written notice during any renewal term.

The lease is a "triple-net" lease pursuant to which the Company will pay real estate taxes, insurance and heating and air conditioning costs. The lease provides for a minimum annual rental of \$90,000 during each year of the initial five-year term, \$100,000 during each year of the first five-year renewal period, \$112,500 during each year of the second five-year renewal period and \$125,500 during each year of the third five-year renewal period. In addition to the minimum annual rental, the Company is also required to pay an amount to Moore's Realty equal to (i) 6% of the total gross sales of food and beverages etc. at the facility in each year (excluding taxes and gratuities) (the "gross annual rental") less (ii) the minimum annual rental for that year. Moore's Realty has the right to terminate the lease upon twelve months' prior written notice if, for the preceding lease year, the gross annual rental did not exceed the minimum annual rental for that year.

The Company expended approximately \$1,300,000 to renovate, decorate and equip (kitchen, bar, furniture, fixtures) its Escondido's Mexican Restaurant in Freehold, New Jersey. The bulk of the costs were paid from the proceeds of two bank loans from First Union aggregating \$1,200,000. See "Developments Since the Beginning of the Last Fiscal Year - Bank Loans" in this Item 1. During the

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

renovation period, the Company paid an aggregate \$15,000 in rents to Moore's Realty with respect to Building B. The Company had no additional cost for the liquor license for these premises, the

12

license being permitted as an expansion of the license on the adjoining "Moore's Tavern and Restaurant."

MOORE'S TAVERN AND RESTAURANT

In February 2000, the Company executed a lease with Moore's Realty (whose partners are members of the controlling Lombardi Group and other members of the Lombardi family). The lease was of premises on West Main Street (Route 537) in Freehold, New Jersey where an entity affiliated with Moore's Realty, Moore's Inn, Inc. was operating a restaurant and tavern under the name "Moore's Inn." The Company provided consulting services to the operators of Moore's Inn from January 3, 2000 until February 23, 2000 when it executed the following described lease and purchase agreements and commenced to operate the facility under the name "Moore's Tavern and Restaurant."

The lease was for a five-year term through February 22, 2005 and contains provisions for three consecutive five-year renewals at the Company's option which are automatically effective unless the Company gives written notice at least six months before the end of the initial term or at least six months before the end of the applicable renewal period that it does not intend that such option be exercised. After 18 months, the Company can terminate the lease upon six months' written notice provided that during each of the five-year renewal periods, the Company must provide at least twelve months' prior written notice to terminate.

The lease is a "triple-net" lease pursuant to which the Company will pay real estate taxes, insurance and heating and air conditioning costs. The lease provides for a minimum annual rental of \$90,000 during each year of the initial five-year term, \$100,000 during each year of the first five-year renewal period, \$112,500 during each year of the second five-year renewal period and \$125,500 during each year of the third five-year renewal period. In addition to the minimum annual rental, the Company is also required to pay an amount to Moore's Realty equal to (i) 6% of the total gross sales of food and beverages etc. at the facility in each year (excluding taxes and gratuities) (the "gross annual rental") less (ii) the minimum annual rental for that year. For the fiscal year ended January 27, 2002, the gross rental aggregated \$135,859. Moore's Realty has the right to terminate the lease upon twelve months' prior written notice if, for the preceding lease year, the gross annual rental did not exceed the minimum annual rental for that year.

During the lease term, the Company has been granted the exclusive right to the use of the names "Moore's Inn" and "Moore's Tavern" within the State of New Jersey. Moore's Realty has agreed not to operate, lease, rent or permit to be operated as a restaurant or tavern during the lease term, any premises owned, leased or occupied by it or members of the Lombardi family (not

13

presently occupied as such), located within ten miles of Moore's Inn.

In connection with the lease, the Company purchased a New Jersey liquor license from Moore's Inn, Inc. for \$350,000 and agreed to sell the license back

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

to the Seller or to Moore's Realty at the termination of the lease for the same \$350,000. In addition, the Company purchased existing furniture, fixtures and equipment at Moore's Inn from Moore's Inn, Inc. for \$250,000 agreeing to leave all of the furniture, fixtures and equipment at the premises "...in good working condition, reasonable wear and tear excepted..." upon termination of the lease.

The lease of the Moore's Inn and the purchase of the liquor license and the furniture, fixtures and equipment cannot be deemed "arm's length" transactions due to the interest of the Lombardi Group and other members of the Lombardi family. The transactions were negotiated for the Company by Anthony C. Papalia, its president and chief executive officer. In negotiating the transactions, Mr. Papalia took into account his experience in similar restaurant leases, the prices at which liquor licenses were sold in neighboring areas (finding such prices to be comparable to the liquor license purchase price paid by the Company) and the condition of the furniture, fixtures and equipment. The bulk of the furniture, fixtures and equipment had been purchased by the Seller during the twelve months ended June 30, 1999 at a price of \$621,893. Mr. Papalia and the non-interested directors concluded that the terms of the transaction were fair and in the best interests of the Company.

At the time of execution of the lease, Moore's Realty agreed not to sell or lease a building ("Building B") adjacent to the Moore's Inn or the nearby pad site for a proposed building ("Building C") for a period of one year. If during the first year, the Company entered into an agreement to purchase or lease Building B, Moore's Realty agreed not to sell or lease the pad site to anyone other than the Company for an additional one-year period. See "Mexican Theme Restaurants" herein as to the Company's lease of Building B from Moore's Realty in fiscal 2002, renovation of the facility and opening of an "Escondido's Mexican Restaurant" at the facility in January 2002. At the time of the Company's leasing of Building B, the Company and Moore's Realty executed an amendment to their January 21, 2000 lease agreement extending the initial term of the earlier lease to the termination date provided for in the later lease and similarly extending the renewal periods of the earlier lease to coincide with the renewal periods of the Building B lease.

The Moore's Tavern and Restaurant, consisting of approximately 7,700 square feet, is free standing and is located on West Main Street (Route 537) in Freehold, New Jersey. The restaurant seats approximately 260 (with an outdoor patio for warm weather use that can seat an additional approximately 40 persons) and accommodates parking for approximately 200 automobiles, the parking to be shared

14

with any businesses operated from Building B (now operated by the Company as an Escondido's Mexican Restaurant), and proposed Building C. The tavern portion of this restaurant is of an historic nature having been initially constructed in the late 18th century and owned by an officer in the American Revolutionary Army. The entire restaurant is decorated in a revolutionary period decor.

The Moore's Tavern and Restaurant is open for lunch and dinner on a year-round basis. It features an eclectic American food menu offering sandwiches, burgers, steak and other meats, chicken and fish, potatoes, vegetables and desserts, and alcoholic beverages.

SOURCES OF FOOD PRODUCTS

The food products used by the Company in the operation of its seafood restaurants, its Moore's Tavern and Restaurant and its Escondido's Mexican Restaurants are readily available from a variety of sources including national

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

distributors and local sources on an order basis when needed.

SEASONAL ASPECTS

To date, the Company's New Jersey seafood restaurants have experienced a significant portion of their sales from May through September whereas its Florida seafood restaurants have experienced a significant portion of their sales from January through April. During its initial period of operation by the Company, Moore's Tavern and Restaurant experienced a seasonality factor similar to but not as dramatic as the seasonality factor of the Company's New Jersey seafood restaurants. The Company's Monmouth Mall restaurant (operated under the name Garcia's until February 1, 2002 and now operated under the name Escondido's Mexican Restaurant) has experienced its greatest sales volume during the Thanksgiving through Christmas period. Management believes that the Freehold, New Jersey Escondido's Mexican Restaurant will experience a seasonality factor more similar to Moore's Tavern and Restaurant due to its location than to the Monmouth Mall restaurant.

TRADEMARKS

The Company has no patents, trademarks, licenses, franchises or concessions which it regards as material to its restaurant business with the exception of the service mark "Jack Baker's Lobster Shanty"R registered for a 20 year period with the U.S. Patent and Trademark Office in February, 1989, and its rights to use of the names "Moore's Inn" and "Moore's Tavern" as described above. The Company also believes its use of the service mark "Escondido's Mexican Restaurant" is material to its restaurant business. The Company has applied to the United States Commissioner of Trademarks to register the service mark "Escondido's Mexican Restaurant." The application is pending and no assurance can be given that the mark will be registered.

15

COMPETITION

The restaurant business is highly competitive and the success of any restaurant depends to a great extent upon the services it supplies and its location. The Company's seafood restaurants compete primarily with other local seafood restaurants and to a lesser extent, with local restaurants serving a more general fare. The principal national competition to the Company's seafood restaurants is the Red Lobster restaurant chain. This chain has substantially greater resources than the Company. The Company's Florida seafood restaurants also face competition from Shells seafood restaurants operating in their area. There are other restaurants in the vicinity of the locations where the Company is now operating its Escondido's Mexican Restaurants, all of which supply competition to the Company's Mexican theme restaurants. In addition, there are other Mexican style restaurants in the area. Typical "chain" competitors, all of which are affiliated with better established and more prominent national chains, are the Friendly Ice Cream chain, Ruby Tuesdays and TGI Fridays. The Moore's Tavern and Restaurant faces competition from local restaurants as well as from national chains including TGI Fridays and Chili's restaurants in the area. There can be no assurance that the Company's units will be able to successfully compete with any of such other restaurants.

GOVERNMENT REGULATION

The Company is subject to various Federal, state and local laws affecting the operation of its restaurants, including licensing and regulation by health, sanitation, safety and fire departments and alcoholic beverage control authorities. The Company is also subject to the Fair Labor Standards Act, which

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

governs such matters as minimum wages, overtime and other working conditions. While such regulations have not had a material negative impact on the Company's operations to date, difficulties in obtaining necessary licenses or permits could result in delays or cancellations in the opening of new restaurants and increases in the minimum wage could increase the Company's labor costs.

Each of the Company's New Jersey and Florida restaurants holds a state liquor license and is subject to the liquor licensing laws of New Jersey or Florida (depending on location). Management regards the aggregate and per claim liability insurance which it carries to be adequate for the nature of its operations taking into account the fact that it serves liquor at each location.

EMPLOYEES

The Company maintains its administrative employees at its executive offices including its principal officers (see "Item 9 - Directors, Executive Officers, Promoters and Control Persons; Compliance with Section 16(a) of the Exchange Act"), secretarial and bookkeeping personnel. Each of the Company's seafood restaurant units employs a general manager, two assistant managers and between

16

40 and 130 other employees to serve as waitresses, waiters, busboys, bartenders, cooks, dishwashers, kitchen help, hostesses and cashiers (some on a part-time basis). The Company's Escondido's Mexican Restaurant in the Monmouth Mall employs approximately 40 employees. It's Escondido's Mexican Restaurant in Freehold, New Jersey employs between 60 and 70 employees and its Moore's Tavern and Restaurant employs approximately 60 employees, in each case serving similar functions. The Company also presently employs three area supervisors, each responsible for certain of the Company's restaurants. Managerial candidates are recruited for the Company's restaurants from hotel and restaurant management schools, restaurant recruiting agencies, through advertising in restaurant management magazines and by promotion from within the Company's own organization. At January 27, 2002, the Company had approximately 550 employees (including part-time workers). The Company is not a party to any collective bargaining agreements and has enjoyed satisfactory employee relations since inception.

ITEM 2. DESCRIPTION OF PROPERTY

The Company's executive and administrative offices are located in an approximately 4,000 square foot two story Company owned building of cinder block construction at 62 Broadway, Point Pleasant Beach, New Jersey.

See Item 1 herein for a description of the Company's operating restaurants.

ITEM 3. LEGAL PROCEEDINGS

The Company is not a party to any material legal proceeding.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

No matters were submitted to a vote of the Company's security holders during the quarter ended January 27, 2002.

ITEM 5. MARKET FOR COMMON EQUITY AND RELATED STOCKHOLDER MATTERS

The Common Stock was listed on the NASDAQ Stock Market Small Cap System under the symbol "CHEF" until the close of business on December 16, 1998 when it was delisted because of the failure of the Common Stock to maintain a closing bid price at or above \$1.00 per share. Commencing December 17, 1998, the Common Stock has been traded in the over-the-counter market under the symbol "CHEF." The following chart sets forth the range of high and low closing bid prices for the Common Stock in the over-the-counter market for the periods indicated as obtained from the Pink Sheets LLC.

Quarter Ended -----	Bid Prices -----	
	High ----	Low ----
April 28, 2000	\$ 1.07	\$.68
July 28, 2000	.72	.60
October 27, 2000	.75	.63
January 26, 2001	.85	.71875
April 27, 2001	\$.90	\$.70
July 27, 2001	1.37	.81
October 26, 2001	1.41	1.07
January 25, 2002	2.15	1.15

The above quotations represent prices between dealers and do not include retail mark-ups, mark-downs or commissions. They do not necessarily represent actual transactions.

At January 27, 2002, the number of record holders of the Common Stock was 6,684. Such number of record holders was determined from the Company's shareholder records and does not include beneficial owners whose shares are held in nominee accounts with brokers, dealers, banks and clearing agencies.

The Company did not sell any of its equity securities during the fiscal year ended January 27, 2002.

ITEM 6. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

SAFE HARBOR STATEMENT UNDER THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995

Certain statements regarding future performance in this Annual Report on Form 10-KSB constitute forward-looking statements under the Private Securities Litigation Reform Act of 1995. No assurance

can be given that the future results covered by the forward-looking statements will be achieved. The Company cautions readers that important factors may affect the Company's actual results and could cause those results to differ materially from the forward-looking statements. Such factors include, but are not limited to, changing market conditions, weather, the state of the economy, substantial increases in insurance costs, the impact of competition to the Company's restaurants, pricing and acceptance of the Company's food products.

FINANCIAL REPORTING

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

Financial Reporting Release No. 60, which was recently issued by the Securities and Exchange Commission ("SEC"), requires all registrants to discuss critical accounting policies or methods used in the preparation of financial statements. Note 1 to the consolidated financial statements includes a summary of significant accounting policies and methods used in the preparation of the Company's consolidated financial statements. However, in the opinion of management, the Company does not have any individual accounting policy that is critical to the preparation of its consolidated financial statements. This is due principally to the nature of the accounting requirements of the Company's business. The following is a review of the more significant accounting policies and methods used by the Company.

Depreciation and Amortization: The Company depreciates its property and equipment and amortizes its goodwill and liquor licenses using straight-line methods. Through January 27, 2002 the Company used forty years to amortize goodwill and liquor licenses. Beginning January 28, 2002 with the adoption of a new accounting standard, the Company will no longer be required to amortize its goodwill and liquor licenses. The Company will continue to review annually its goodwill and liquor licenses for possible impairment or loss of value; however, the Company does not currently anticipate having to record an impairment loss when it adopts the new standard.

Income Taxes: In fiscal 2002, the Company determined that it was more likely than not that it would be able to utilize a portion of its operating loss carryforwards, and accordingly, recognized a deferred tax asset of \$1,166,000. Prior to fiscal 2002 the Company had not recognized any benefit associated with the operating loss carryforwards. The recognition of the deferred tax asset was based on management's best assumptions and estimates of future income. These assumptions and estimates will be periodically reviewed and, if needed, adjustments will be made as required.

Hedging Instruments: As of January 29, 2001, the Company adopted the provisions of the new accounting standard which requires that the fair value of all derivative financial instruments be recorded on the Company's consolidated balance sheet as assets or liabilities. The Company has interest rate swap agreements relating to substantially all of its variable rate debt.

19

The interest rate swap agreements are designated as cash flow hedges and are reflected at fair value in the consolidated balance sheet and the related losses on these contracts are deferred in shareholders' equity as a component of accumulated other comprehensive (loss).

OVERVIEW

The Company's principal source of revenue is from the operations of its restaurants. The Company's cost of sales includes food and liquor costs. Operating expenses include labor costs, supplies and occupancy costs (rent and utilities), marketing and maintenance costs. General and administrative expenses include costs incurred for corporate support and administration, including the salaries and related expenses of personnel and the costs of operating the corporate office at the Company's headquarters in Point Pleasant Beach, New Jersey.

At January 27, 2002, the Company was operating nine restaurants on a year-round basis. Seven of the restaurants are free-standing seafood restaurants in New Jersey and Florida and are operated under the names "Jack Baker's Lobster Shanty" or "Baker's Wharfside." At said date, the Company was also operating a Mexican theme restaurant in New Jersey under the name "Garcia's." The Company

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

opened its first seafood restaurant in November 1978 and opened its Garcia's restaurant in April 1996. In February 2000, the Company commenced the operation of the ninth restaurant, Moore's Tavern and Restaurant, ("Moore's"), a free-standing restaurant in Freehold, New Jersey serving an eclectic American food type menu. On January 29, 2002, the Company commenced operation of its tenth restaurant, Escondido's Mexican Restaurant ("Freehold"), a Mexican theme restaurant located in Freehold, New Jersey, adjacent to Moore's. On February 1, 2002, Garcia's began to operate under the trade name Escondido's ("Monmouth"). On April 1, 2002, the Company commenced operations of its eleventh restaurant, Mr. Manatee's Casual Grille ("Manatee's"), a casual theme restaurant primarily featuring seafood items, located in Vero Beach, Florida near the Company's Vero Beach, Florida Lobster Shanty.

Generally, the Company's New Jersey seafood restaurants derive a significant portion of their sales from May through September. The Company's Florida seafood restaurants derive a significant portion of their sales from January through April. The Company's Monmouth Escondido's restaurant derives a significant portion of its sales during the holiday season from Thanksgiving through Christmas. Moore's experiences a seasonality factor similar to but not as dramatic as the seasonality factor of the New Jersey seafood restaurants. The Company anticipates that Freehold Escondido's will experience a seasonality factor similar to Moore's and that Manatee's will follow the seasonality pattern of the other Florida restaurants.

20

The Company operated nine restaurants during the year ended January 28, 2001.

The statements of operations are comprised of a 52-week period for both the year ended January 27, 2002 ("fiscal 2002") and the year ended January 28, 2001 ("fiscal 2001").

RESULTS OF OPERATIONS

SALES

Sales for the year ended January 27, 2002 were \$20,798,300, an increase of \$641,400 or 3.2%, as compared to \$20,156,900 for the year ended January 28, 2001. The increase includes increases in sales of \$321,400 or 13.9% at the Vero Beach, Florida restaurant ("Vero") attributable in part to the completion of a municipal park ("Vero Park") adjacent to the restaurant and a sales increase of \$356,000 or 18.7% at Moore's. Moore's operated for the entire thirteen weeks of the first quarter of fiscal 2002 as compared to ten weeks for fiscal 2001's first quarter, whereas the last three quarters of the year include thirty-nine weeks of operations for each year. The remaining seven restaurants combined had decreased sales of \$36,000 versus last year primarily due to the September 11, 2001 ("9/11") tragedy and the weak national economy. The 9/11 tragedy had the greatest impact on the Cocoa Beach, Florida restaurant ("Cocoa") because the location of Patrick Air Force Base, a military base south of the restaurant, resulted in the closure of Route A1A, the sole access highway to the restaurant from the south. A1A was closed for approximately four months. During the A1A closure, Cocoa sales dropped approximately 29% versus last year. The number of customers served during fiscal 2002 in the nine restaurants increased by .6% versus fiscal 2001 while the average check paid per customer increased by 2.6%.

GROSS PROFIT; GROSS MARGIN

Gross profit was 68.4% of sales for fiscal 2002 as compared to 67.8% of sales for fiscal 2001. The primary reason for the improvement was lower costs of

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

high volume seafood items including shrimp, flounder, lobster and scallops which are primary components of the Company's menus. Additionally, Moore's gross profit percentage improved compared to the prior year.

OPERATING EXPENSES

Total operating expenses increased by 5.5% from \$13,053,500 for fiscal 2001 to \$13,766,200 for fiscal 2002. Payroll and related expenses were 30.1% of gross sales for fiscal 2002 compared to 29.8% of sales for fiscal 2001. The primary reasons for the increase were salary increases, higher health insurance premiums, and to a lesser extent, the 9/11 impact at Cocoa where management maintained salaries despite the substantial decrease in sales. Other operating expenses increased to 21% of sales for fiscal 2002

21

versus 20.5% in 2001 primarily due to increases in utility costs, higher occupancy costs due to higher property insurance premiums and rent expenses, a one-time special property assessment of \$62,700 at Vero for the restaurant's portion of the Vero Park project and approximately \$22,000 in rent and insurance costs at Freehold incurred during construction of Escondido's (Freehold) in the fourth quarter.

Depreciation and amortization increased by \$4,200 during fiscal 2002 versus the prior year. Increases include \$5,800 in increased depreciation associated with the purchase of Company vehicles in fiscal 2002 offset by the expiration of fully depreciated assets at the existing restaurants.

General and administrative expenses were \$244,400 higher in fiscal 2002 versus 2001. The primary components of the increase were increases in workers compensation and group health insurance costs of \$33,000, higher salaries and payroll taxes of \$49,000 and \$67,500 more in training and recruiting costs, the majority of which was spent on training the management team and employees for Escondido's (Freehold) which opened during the week following the year ended January 27, 2002. Salaries for fiscal 2002 included \$63,900 attributed to the Company's Executive Incentive Bonus Plan ("Bonus Plan") (see "Notes" to Consolidated Financial Statements - Note 9) while salaries in fiscal 2001 attributed to the Bonus Plan were \$79,900. Additionally, the Company incurred costs of \$80,000 to terminate an agreement with Garcimex of New Jersey and approximately \$26,000 in market research and legal costs to develop the trade name Escondido's Mexican Restaurant ("Escondido's"). In 1995 the Company entered into an agreement with Garcimex to open Mexican restaurants in New Jersey under the trade name of Garcia's in exchange for royalty payments of 3% of gross sales. The Company opened its only Garcia's at the Monmouth Mall in Eatontown, New Jersey in April 1996. The Company operated the Monmouth Mall restaurant as a Garcia's and paid the royalty fees through the year end, and on February 1, 2002, the Monmouth Mall restaurant began operating as Escondido's. Trademark applications have been filed to register federal service marks for Escondido's Mexican Restaurant.

The \$2,100 gain on disposal of assets in fiscal 2001 was realized on the disposal of a Company vehicle.

OTHER INCOME AND EXPENSE

Interest expense was \$9,400 higher in fiscal 2002 due to interest expenses associated with \$1,200,000 in bank loans the Company borrowed from its primary bank to finance the renovation of the Freehold Escondido's. The loans are repayable in various monthly installments of principal with interest at an annual rate of 7.57% through September 2011. Investment income increased by

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

approximately \$48,000 due primarily to dividend income received on investments and capital gains on the sale of investments (see Note 7). Investment income for fiscal 2001 included approximately

22

\$44,700 in interest income associated with notes receivable from the February 1997 sale of discontinued operations (see Note 12).

NET INCOME

For the year ended January 27, 2002, income from continuing operations was \$1,727,000 or \$.42 per share, which includes the recognition of a deferred tax asset of \$1,166,000 relating to the Company's net operating loss carryforwards (see Note 14). For the previous year, income from continuing operations was \$632,600 or \$.15 per share and net income was \$954,800 or \$.22 per share which included a gain of \$322,200 realized on the disposal of a discontinued business (see Note 12).

LIQUIDITY AND CAPITAL RESOURCES

The Company has financed its operations primarily from revenues derived from its restaurants.

The Company's ratio of current assets to current liabilities was 1.90:1 at January 27, 2002, compared to 2.15:1 at January 28, 2001. Working capital was \$2,301,500 at the end of fiscal 2002, an increase of \$192,600 over the prior year. During fiscal 2002, net cash increased by \$248,500. Net cash provided from operating activities was \$1,882,000. The primary changes in assets and liabilities included an increase in accounts payable of \$173,100 due primarily to payables associated with the opening of Escondido's in Freehold, an increase in accrued expenses and other liabilities of \$68,800 resulting primarily from additional rent of \$15,700 due to the percentage rent requirements of the Moore's lease (see Note 10) and in an increase of \$45,200 in the amount of unredeemed gift certificates held at the year end.

Investing activities during fiscal 2002 resulted in a net cash outflow of \$2,069,100. Capital expenditures were \$1,444,600 with the major components including approximately \$883,000 for design, construction, furniture and equipment costs at Escondido's in Freehold, \$66,800 for new Company vehicles and \$494,800 for routine improvements at the other nine restaurants. Other investing activities included the purchase of various investments totaling \$1,116,900 offset by \$525,700 from the sale of investments and proceeds from maturing certificates of deposit.

Financing activities for fiscal 2002 generated a net cash flow of \$435,200 and included debt repayment of \$177,700, bank loan proceeds of \$1,200,000 used to finance the construction of Escondido's, and \$569,900 to repurchase a block of an aggregate 262,603 shares of the Company's outstanding common stock from three shareholders and their affiliates at \$2.10 per share, for cash. The repurchase was authorized by the Company's Board of Directors and the shares were subsequently canceled. Additionally, approximately \$17,200 was paid by the Company to repurchase 17,916 shares of the Company's outstanding stock pursuant to a Stock Repurchase Plan ("Stock Plan") authorized by the Board in May 2000.

23

During the year ended January 27, 2002, the Company cancelled a total of 24,641

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

of the repurchased shares, including repurchases incurred during fiscal 2001 (see Note 11). During the third quarter ended October 28, 2001, the Company's \$500,000 bank line of credit ("bank line") was modified to extend the termination date from June 30, 2002 to June 30, 2003. The interest rate is variable, equal to the monthly LIBOR Market Index Rate plus 2.00%. At the year ended January 27, 2002 the entire \$500,000 was available for use (see Recent Developments below).

During fiscal 2001, net cash decreased by \$154,700. Net cash provided from operating activities was \$1,697,000. The primary changes in assets and liabilities were an increase in inventories of \$165,100 due to the addition of Moore's and bulk seafood purchases and an increase in accrued expenses resulting primarily from an increase of \$98,200 in accrued payroll costs, including the incentive bonus plan charge, additional rent of \$30,200 at Moore's pursuant to percentage rent requirements and an increase of \$27,200 in accrued health insurance costs. Investing activities for fiscal 2001 resulted in a net outflow of \$1,304,600. Capital expenditures were \$949,300 which included \$339,000 for the acquisition of furniture, fixtures, and equipment and improvements at Moore's, \$40,500 for Company vehicles, \$93,100 for improvements at the Hightstown, New Jersey restaurant, \$106,600 for significant improvements at the Florida restaurants and \$369,600 for routine restaurant improvements. Additionally, Moore's liquor license was purchased for \$357,900. Other investing activities include payments of \$570,300 attributed to the sale of a discontinued business and the purchase of various investments totaling \$947,900 offset by \$459,500 from the sale of investments and proceeds from maturing certificates of deposit. Financing activities in fiscal 2001 resulted in a net cash outflow of \$547,100 and include debt repayment of \$370,100, the repurchase of 233,334 shares of Chefs' common stock for \$168,000 (see Note 12) and approximately \$9,000 to repurchase 10,275 shares of Chefs' outstanding stock pursuant to the Stock Plan.

At the end of fiscal 2002, the Company was in compliance with all of the covenants under its loan agreements with its primary bank, First Union. The Company was also in full compliance at the year ended January 28, 2001.

RECENT DEVELOPMENTS

On January 29, 2002, the Company opened its tenth restaurant, Escondido's Mexican Restaurant ("Escondido's") in Freehold, New Jersey. Escondido's is open for lunch and dinner on a daily basis. Sales have exceeded management expectations and in addition, sales at Moore's, a Company restaurant adjacent to Escondido's, have continued to increase versus last year on a weekly basis. On February 1, 2002, Garcia's, the Company's other Mexican theme restaurant located in the Monmouth Mall in Eatontown, New Jersey, began operating under the trade name Escondido's.

On April 1, 2002, the Company, after a three month due diligence period, purchased the furniture, fixtures, equipment, liquor license, business name and franchise rights of Mr. Manatee's Casual Grille, a restaurant located in Vero Beach, Florida, for \$800,000. The purchase was paid for by a combination of \$300,000 in cash and \$500,000 in bank financing by drawing down the Company's bank credit line. Management and the bank have agreed in principle to restructure the \$500,000 as a five-year term loan. In addition, Management negotiated a five year triple net lease of the real property at an \$8,000 per month rental with three five year renewal options and an option to purchase the real property at the end of the first five year term. Mr. Manatee's features a casual menu primarily offering seafood items; has been in business for twelve years in Vero Beach and is located approximately a quarter of a mile from the

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

Company's Lobster Shanty restaurant. Mr. Manatee's has also experienced an increase in sales as a result of the completion of the Vero Park and management is pleased to add the Manatee's concept to the Company's other ten restaurants. Mr. Manatee's serves lunch and dinner, seven days a week and began operations as a Company restaurant on April 1, 2002. Management anticipates that Mr. Manatee's will not negatively impact sales at the Vero Beach Lobster Shanty.

During the month of April 2002, management negotiated the annual renewals for group health ("health") and property and casualty ("property") insurance coverages. Following a nationwide trend which started before the 9/11 tragedy, the Company renewed both coverages at higher rates than were previously in force. The health renewal resulted in a 20% increase in premiums, despite increased co-pays and deductibles, based primarily on medical inflation running about 15% nationwide and medical claims paid on behalf of Chefs' employees. The property coverage was renewed at an overall increase of 26%. Factors influencing the property increases included the 9/11 tragedy which had a tremendous impact on all insurance companies and the investment losses they experienced in the stock markets. Consequently, the insurance companies have raised premiums and reduced the amount and type of coverages that they are willing to provide while insisting on larger deductibles. Management expects that the insurance increases will have a negative impact on Company operating results for fiscal 2003.

Management anticipates that funds from operations will be sufficient to meet obligations in fiscal 2003, including projected capital expenditures of approximately \$475,000 for routine capital expenditures. A majority of the capital expenditures are expected to occur during the first and second quarters of fiscal 2003.

INFLATION

It is not possible for the Company to predict with any accuracy the effect of inflation upon the results of its operations in future years. In general, the Company is able to increase menu prices to counteract the majority of the inflationary effects of increasing costs with the exception of the substantial increase in

25

insurance costs that the Company will have to absorb in fiscal 2003.

EXECUTIVE OFFICERS

Anthony C. Papalia has been continuously employed by the Company for the preceding five years. He has served as a manager of various New Jersey Lobster Shanty restaurants and as an area supervisor. Mr. Papalia, who was elected senior vice president and a director of the Company in September 1985 and president and treasurer in March 1988, is currently devoting all of his working

28

time to the business of the Company. He resigned as a director of the Company in July 1999.

Martin W. Fletcher has been continuously employed by the Company for the preceding five years in various capacities. He has served as general manager of the Company's Toms River, New Jersey Lobster Shanty, as area supervisor for its Florida west coast restaurants, as assistant controller, since September 1987 as controller and since March 1988 as secretary and a director of the Company. He resigned as a director of the Company in July 1999. He is currently devoting all of his working time to the business of the Company.

COMPLIANCE WITH SECTION 16 (A) OF THE EXCHANGE ACT

Based solely upon a review of Forms 3, 4 and 5 the Company believes that with respect to fiscal 2002, all Section 16(a) filing requirements applicable to its officers, directors and beneficial owners of more than 10% of its equity securities were timely complied with except for a late filing made in June 2001 by Michael F. Lombardi regarding his May 2001 purchase of 2,000 shares, late filings made in June 2001 and July 2001 by Robert M. Lombardi regarding his May 2001 and June 2001 purchases of 6,000 shares and 5,300 shares respectively, a late filing made in July 2001 by Stephen F. Lombardi regarding his June 2001 purchase of 4,000 shares, and a late filing made in April 2002 by Raymond L. Dademo regarding his October 2001 purchase of 1,000 shares.

ITEM 10. EXECUTIVE COMPENSATION

The following table sets forth information concerning the compensation paid or accrued by the Company during the three fiscal years ended January 27, 2002 to its Chief Executive Officer as well as to any other executive officer of the Company or a subsidiary who earned at least \$100,000 during fiscal 2002. During

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

the three-year period ended January 27, 2002, the Company did not grant any restricted stock awards or have any long-term incentive plan in effect. The Company maintains a non-qualified Supplemental Employee Benefit Program for its officers, supervisors, restaurant managers and assistant managers paying annual contributions ranging from \$1,000 to approximately \$3,000 per individual. The Program provides life insurance death benefits, disability income benefits and retirement income benefits. A former officer and director, James Fletcher, the father of Martin W. Fletcher, is not covered under this Program but the Company agreed that if he remained in its employ until age 65 and left such employ at any time thereafter, the Company would pay him \$20,000 annually for the ten year period following such termination of employment or until his death, if he dies prior thereto. To date, the Company has made annual payments over a five year period pursuant to this agreement.

SUMMARY COMPENSATION TABLE

Name and Principal Position -----	Fiscal Year -----	Annual Compensation -----		Other Annual Compensation (b) -----
		Salary -----	Bonus (a) -----	
Anthony Papalia President and Chief Executive	2002	\$169,497	\$8,429	\$2,008
	2001	\$164,557	\$14,000	\$2,088
	2000	\$159,975	\$-0-	\$2,088
Martin Fletcher Controller and Secretary	2002	\$98,308	\$8,500	\$2,908
	2001	\$95,398	\$10,910	\$2,902
	2000	\$92,674	\$-0-	\$2,902

(a) In May 2000, the Company's Board of Directors adopted an executive incentive bonus plan providing for an annual cash bonus to be paid to Company employees performing executive type functions with respect to each fiscal year (commencing with fiscal 2001) in which the Company achieved certain specified levels of earnings before deducting interest, income taxes, depreciation and amortization. Extraordinary items are excluded for purposes of the computation. The bonus pool for fiscal 2002 aggregated \$63,900 and was distributed to seven employees including Anthony Papalia who received \$8,429 and Martin Fletcher who received \$8,500.

(b) Represents contributions under the Supplemental Employee Benefit Program.

EMPLOYMENT AGREEMENTS

At the annual meeting of the Company's stockholders held on December 19, 1995, stockholders ratified employment contracts between the Company and Anthony Papalia as chief executive officer and chief financial officer and between the Company and Martin Fletcher as controller. Each contract expired at the conclusion of the Company's 1999 fiscal year and was automatically renewed on a year by year basis for up to five consecutive additional one-year terms unless either party gave at least six months' prior notice that he or it did not desire such renewal. As no such notice was given during fiscal 1999, each contract was extended for a first renewal year. Mr. Papalia's annual salary under the contract was \$150,000 and Mr. Fletcher's annual salary under the contract was \$87,000 but each individual's salary was made subject to automatic increase in each Renewal Year based on increases in the Consumer Price Index. If the employment of either individual is terminated other than for cause, he will

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

become entitled to a Severance Payment equal to the amount of his compensation over the balance of the contract term. Each individual is also entitled to terminate his employment and receive a Severance Payment equal to six months' salary in the event of a "change of control" of the

30

Company. Amendments to each employment contract executed in June 1999 and August 1999 extended the first renewal year through March 31, 2000, renewed each contract for a second renewal year through March 31, 2001 and recast each renewal year so as to commence on April 1 of each year and to expire on March 31 of the following year. Notice of intention not to renew must now be given no later than September 30 of the year preceding the year in which the renewal term commences. In November 2001, each employment contract was further amended to renew the term through March 31, 2005. The amendments retained the automatic salary increase provision based on increases in the Consumer Price Index and provided for an automatic one year renewal in the absence of prior notice not to renew. During fiscal 2002, Mr. Papalia's annual salary was increased to \$169,497 and Mr. Fletcher's annual salary was increased to \$98,308.

STOCK OPTIONS

At January 28, 2001 and at January 27, 2002 there were no outstanding employee or non-employee stock options exercisable to purchase shares of Chefs' Common Stock.

DIRECTORS' COMPENSATION

During fiscal 2002, no compensation was paid to any of the Company's directors for serving in such capacity. Furthermore, no method of compensation has been established at this date for the current directors.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Chefs International, Inc. and Subsidiaries
Point Pleasant, New Jersey

We have audited the accompanying consolidated balance sheet of Chefs International, Inc. and subsidiaries as of January 27, 2002, and the related consolidated statements of income, stockholders' equity and cash flows for each of the two fiscal years in the period ended January 27, 2002. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Chefs International, Inc. and subsidiaries as of January 27, 2002, and the results of their operations and their cash flows for each of the two fiscal years in the period ended January 27, 2002 in conformity with accounting principles generally accepted in the United States of America.

CHEFS INTERNATIONAL, INC. AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business:

Chefs International, Inc. and its subsidiaries (the "Company") operate seven seafood restaurants, located in New Jersey and Florida, generally under the trade name, "Lobster Shanty". The Company also operates Escondido's Mexican Restaurant and Moore's Tavern and Restaurant, an eclectic American restaurant. Escondido's and Moore's Tavern are both located in New Jersey. Segment information is not presented since all of the Company's revenue is attributable to a single reportable segment.

Principles of Consolidation:

The accompanying consolidated financial statements include the accounts of the Company and all of its wholly-owned subsidiaries. Intercompany transactions and balances have been eliminated in consolidation.

Concentrations of Credit Risk:

The Company maintains cash balances at several financial institutions in New Jersey and Florida. The balances are insured by the Federal Deposit Insurance Corporation up to \$100,000 at each financial institution. Uninsured cash balances totaled approximately \$1,172,200.

Cash and Cash Equivalents:

Cash equivalents are comprised of certain highly liquid investments with a maturity of three months or less when purchased.

Investments:

Investments consist of certificates of deposit and are classified as current or long-term based on their maturities at the balance sheet date.

Available-for-Sale Securities:

At January 27, 2002, available-for-sale securities consist of convertible bonds, mutual funds, and equity securities. Available-for-sale securities are carried at fair value with unrealized gains or losses reported in a separate component of stockholders' equity. Realized gains or losses are determined based on the specific identification method.

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Available-for-Sale Securities (Continued):

Details as to available-for-sale securities at January 27, 2002 are as follows:

	Gross Cost	Gross Unrealized Gains	Gross Unrealized (Losses)	Fair Value
	-----	-----	-----	-----
Convertible bonds	\$ 33,450	\$ 11,235	\$ (1,200)	\$ 43,485

	=====	=====	=====	=====

Inventories:

Inventories consist of food, beverages and supplies. Inventories are stated at the lower of cost (determined by the first-in, first-out method) or market.

Property and Equipment and Depreciation:

Property and equipment are carried at cost. Depreciation is computed over the estimated useful lives of the assets using the straight-line method ranging from 3 to 40 years.

Goodwill and Liquor Licenses:

Goodwill represents cost in excess of fair value of businesses acquired. Goodwill and liquor licenses are being amortized over an estimated useful life of 40 years under the straight-line method.

Impairment:

Certain long-term assets of the Company, including goodwill, liquor licenses and property and equipment, are reviewed on a restaurant by restaurant basis at least annually as to whether their carrying value has become impaired. This evaluation is done by comparing the carrying value of the asset to the value of the projected undiscounted 10 year estimate of net cash flow from related operations. Impairment, if any, is measured by the amount that the carrying value of the asset exceeds the fair value usually measured by projected undiscounted net cash flow.

Management also re-evaluates annually the periods of amortization to determine whether subsequent events and circumstances warrant revised estimates of useful lives. As of January 27, 2002, management expects these assets to be fully recoverable.

CHEFS INTERNATIONAL, INC. AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes:

Deferred taxes are provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

Advertising:

The Company expenses advertising costs as incurred. Advertising costs for fiscal 2002 and 2001 were \$471,172 and \$500,932, respectively.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

52-53 Week Period:

The Company's year-end is the last Sunday in January. The statements of operations are comprised of a 52-week period both for fiscal 2002 and 2001.

2. NEW ACCOUNTING STANDARDS

Effective January 29, 2001, the Company adopted Statement of Financial Accounting Standard (SFAS) No. 133, "Accounting for Derivative Instruments and Hedging Activities," as amended. Under this guidance, all derivative instruments are recognized as assets or liabilities in the consolidated balance sheet at fair value.

The Company has entered into interest rate swap contracts under which the Company agrees to pay fixed-rates of interest. The contracts are considered to be a hedge against changes in the amount of future cash flows associated with the Company's interest payments on variable-rate debt obligations. Accordingly, the interest rate swap contracts are designated as cash flow hedges and are reflected at fair value in the consolidated balance sheet and the related gains or losses on these

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

contracts are deferred in shareholders' equity (as a component of accumulated other comprehensive income (loss)). To the extent that any of these contracts are not considered to be perfectly effective in offsetting the change in the value of the interest payments being hedged, any changes in fair value relating to the ineffective portion of these contracts are immediately recognized in income. The net effect of this accounting on the Company's operating results is that interest expense on the portion of variable-rate debt being hedged is generally recorded based on fixed interest rates.

2. NEW ACCOUNTING STANDARDS (Continued)

The value of the swaps upon initial application of SFAS 133 was not material.

During 2001, the FASB issued SFAS No. 141, "Business Combinations" and SFAS No. 142, "Goodwill and Other Intangible Assets." Effective January 28, 2002, the Company will no longer be required to amortize indefinite life goodwill and intangible assets (liquor licenses) as a charge to earnings. In addition, the Company will be required to conduct an annual review of goodwill and other intangible assets for potential impairment. The Company does not currently anticipate having to record a charge to earnings for the potential impairment of goodwill or other intangible assets as a result of adopting these new standards.

3. INVENTORIES

Inventories consist of the following:

Food	\$ 564,547
Beverages	149,735

Annual maturities for fiscal years 2004 through 2007 are \$171,491, \$166,346, \$170,770 and \$174,909, respectively.

At January 27, 2002, the Company has a \$500,000 line of credit which is collateralized by real estate located in Toms River, New Jersey. The line is due June 30, 2003 and bears interest at LIBOR plus 2.00%. At January 27, 2002, there were no amounts used under the line of credit.

LIBOR was 1.86% at January 27, 2002.

As of January 27, 2002, the Company had interest rate swap agreements relating to substantially all of the Company's variable rate debt. Unrealized net losses under the interest rate swap agreements totaled approximately \$55,000 at January 27, 2002. These unrealized net losses are recorded in Accumulated Other Comprehensive Income (Loss) in the consolidated balance sheet. Since the Company does not intend to terminate the swap agreements during the upcoming year, the Company does not anticipate that any of these unrealized losses will be reclassified into earnings in the next twelve months. No gain or loss was recognized in earnings during the year ended January 27, 2002 as a result of hedge ineffectiveness.

All of the Company's mortgages and loans are with the same financial institution. The loan covenant governing the borrowings includes, among other items, requirements relating to tangible net worth, capital expenditures and working capital components.

8. RETIREMENT PROGRAMS

The Company has a non-qualified supplemental retirement program which provides life insurance to certain eligible employees. The Company is the owner of all cash values of the policies. The death benefit is split, reimbursing the Company for premiums paid with the balance paid to the beneficiary designated by the employee. Employees vest in the program after ten years, with the option to take ownership of the policy at that

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

time or let the Company continue to fund the policy. The Company has recorded, as a long-term asset in the accompanying balance sheet, its equity in life insurance for premiums advanced and has included in other long-term liabilities the Company's estimated liability for the amount of the equity in life insurance which the Company will be required to turn over to employees.

Additionally, the Company has an agreement with a former director/employee which provides for the payment of \$20,000 per year through 2007. The discounted present value of this agreement is included in other long-term liabilities. The amount has been partially insured with a life insurance contract owned by the Company.

The Company's expense for these plans was \$44,521 and \$42,840, for fiscal 2002 and 2001, respectively.

9. EXECUTIVE INCENTIVE BONUS PLAN

In Fiscal 2001, the Board of Directors approved an executive incentive bonus plan which provides eligible employees an annual cash bonus if the Company achieves certain financial goals. The charge to operations applicable to the incentive plan for fiscal 2002 and 2001 was \$63,929 and \$79,910, respectively.

10. TRANSACTIONS WITH RELATED PARTIES

In December 1999, the Company entered into an agreement with a company controlled by the principal shareholders of the Company. The agreement called for the Company to provide consulting to the officers and employees of the company concerning all matters relating to the operation of a restaurant and tavern known as Moore's Inn. The agreement provided for the Company to receive fees of \$1,800 per week. Consulting income for fiscal 2001, pursuant to this agreement, was \$6,093. The agreement terminated on February 23, 2000, when the Company acquired the assets of Moore's Inn.

10. TRANSACTIONS WITH RELATED PARTIES (Continued)

Upon acquiring the assets of Moore's Inn the Company entered into a five-year lease for the restaurant property with a partnership owned by the principal shareholders of the Company. The lease requires minimum annual rentals of \$90,000, plus percentage rent of 6% of sales exceeding \$1.5 million. The lease contains three five-year renewal options.

On October 1, 2001, the Company entered into a five-year lease for the property adjacent to Moore's Inn for the Company's new restaurant, Escondido's Mexican Restaurant (Note 16). The terms of this lease are the same as the lease for Moore's Inn.

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

Rent expense paid pursuant to these leases for fiscal 2002 and 2001 was \$150,859 and \$114,497, respectively, which included percentage rent of \$45,859 and \$30,187, respectively.

The Company has a retirement agreement with a former director/employee (see Note 8).

11. COMMITMENTS AND CONTINGENCIES

Leases:

The Company leases restaurants, parking lots and equipment under operating leases expiring at various times through fiscal 2009.

Minimum future rental payments under noncancelable operating leases as of January 27, 2002 are as follows:

11. COMMITMENTS AND CONTINGENCIES (Continued)

Employment Agreements:

The Company has employment agreements through March 2005 with two employees for annual amounts ranging from \$99,100 to \$170,800. The agreements provide for annual adjustments based on the increase in the consumer price index. These agreements also provide for lump sum payments in the event of the termination of the employees without cause or a change in control of the Company, as defined, for a portion of the unexpired term of the contracts.

Stock Repurchase Plan:

On May 24, 2000 the Board of Directors authorized the Company to repurchase over a two-year period up to 400,000 shares of its outstanding stock at market price. Through January 27, 2002, the Company had repurchased 28,191 shares for \$26,171, of which 24,641 shares had been retired.

Edgar Filing: CHEFS INTERNATIONAL INC - Form 10KSB

Additionally, on August 14, 2001 the Board of Directors authorized the Company to purchase a block of 262,603 common shares for \$569,896. These common shares were purchased on August 29, 2001.

12. GAIN ON DISPOSAL OF DISCONTINUED ICE CREAM BUSINESS

On February 20, 1997, the Company sold 95% of the common stock of Mister Cookie Face ("MCF"), its ice cream production segment, to a former director for an aggregate purchase price of \$1,600,000, consisting of a \$500,000 cash payment and three notes totaling \$1,100,000. The first note for \$100,000 was due on or before March 24, 1997, the second note for \$500,000, was due in installments through July 1, 2000, and the third note for \$500,000 was due on or before February 20, 2004, with mandatory prepayments based on MCF's cash flow. Based on the estimated present value of the payments, management recorded a valuation allowance of \$601,050 against the second and third notes. The 5% of MCF common stock retained by the Company was valued at \$35,000.

On June 30, 2000, the Company sold both Notes B and C and its 5% holding of MCF common stock to MCF for a cash payment of \$367,163 and the return of 233,334 shares of the Company's common stock owned by the president of MCF. These shares were subsequently cancelled by the Company. The Company recognized a gain from discontinued operations of approximately \$322,000 in its financial statements for the year ended January 28, 2001, which represents partial recoveries of the valuation allowance previously provided for against Notes B and C.

	=====

As of January 27, 2002, a valuation allowance of \$1,230,000 has been provided for because, in the opinion of management, it is more likely than not that some portion of the deferred tax assets will not be realized. The net change in the valuation allowance for fiscal 2002 was a reduction of \$1,742,000. During fiscal 2002, the Company recognized a deferred tax asset of \$1,166,000 as management determined that it is more likely than not that future taxable income will be sufficient to partially utilize the net operating loss carryforwards. The remaining part of the reduction for 2002 was due to the utilization and expiration of tax loss carryforwards.

The Company has available at January 27, 2002, operating loss carryforwards as follows:
