EXPLANATORY NOTE

Acacia Research Corporation is filing this Amendment No. 1 on Form 10-K/A (“Amended 10-K”) to its Annual Report on Form 10-K for the year ended December 31, 2017 (“Original 10-K”) filed with the U.S. Securities and Exchange Commission (“SEC”) on March 7, 2018 to include the financial statements and related notes of Veritone, Inc. (“Veritone”), an unconsolidated investment of ours. We made our initial investment in Veritone in August 2016.

We own a 25% non-controlling interest in Veritone. Upon becoming eligible for the equity method of accounting, Acacia elected to apply the fair value option to account for its equity investment in Veritone, including all of its investments in Veritone common stock and common stock purchase warrants. Rule 3-09 of Regulation S-X under the Securities Exchange Act of 1934, as amended, provides that if a 50 percent-or-less-owned person accounted for by the equity method meets the first or third condition of the significant subsidiary tests set forth in Rule 1-02(w) of Regulation S-X, substituting 20 percent for 10 percent, separate financial statements for such 50 percent-or-less-owned person shall be filed. In applying Rule 3-09 and 4-08(g) disclosure thresholds to investments that would have been accounted for under the equity method had the fair value option not been elected, the income test is computed using as the numerator the change in the fair value reflected in the registrant’s income statement rather than the registrant’s equity in the earnings of the investee computed as if the equity method had been applied. Veritone met the significant subsidiary test described above for fiscal year ended December 31, 2017. The financial statements required by S-X 3-09 are required to be filed within 90 days after our December 31, 2017 fiscal year-end, or by April 2, 2018. Our Original 10-K is being amended by this Amended 10-K to include as exhibits: (i) the Veritone audited financial statements for the fiscal years ended December 31, 2017 and 2016 prepared in accordance with generally accepted accounting principles in the United States; (ii) the consent of the independent auditor of Veritone; and (iii) certifications by our President and Chief Financial Officer. Although we are providing full year audited financial statements of Veritone for the fiscal years ended December 31, 2017 and 2016, our initial investment in Veritone was made in August 2016. Accordingly, the audited financial statements of Veritone for the fiscal year ended December 2016 are not reflective of our investment in Veritone, which existed for only a portion of fiscal year 2016.

Except as stated in this Explanatory Note, this Amended 10-K does not update any exhibits as originally filed and does not otherwise reflect events that occurred after the filing date of the Original 10-K.
