Report of Independent Registered Public Accounting Firm

The Participants and the Administrative Committee

Jack in the Box Inc. EasySaver Plus Plan:

We have audited the accompanying statements of net assets available for benefits of the Jack in the Box Inc. EasySaver Plus Plan (the Plan) as of December 31, 2003 and 2002, and the related statements of changes in net assets available for benefits for each of the years in the two-year period ended December 31, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2003 and 2002, and the changes in net assets available for benefits for each of the years in the two-year period ended December 31, 2003, in conformity with the accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subject to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**JACK IN THE BOX INC. EASY\$AVER PLUS PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**1. DESCRIPTION OF THE PLAN**

The following brief description of the Jack in the Box Inc. Easy\$aver Plus Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

*General* - The Plan was established effective April 1, 1983 for the purpose of enabling employees to enhance their long-range financial security through regular savings with the benefit of Jack in the Box Inc. (the Company) contributions. The benefits provided under the Plan are intended to supplement the retirement benefits provided under other plans sponsored by the Company. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA); however, benefits under the Plan are not eligible for plan termination insurance provided by the Pension Benefit Guaranty Corporation under Title IV of ERISA.

The Company, as plan sponsor, makes contributions to the Plan and pays a portion of the administrative costs. Subject to certain restrictions, the plan sponsor also has the authority and responsibility for the general administration of the Plan. The Chairperson of the Company's Board of Directors is authorized to appoint the members of the Administrative Committee (the Committee). Mellon Bank, N.A., as the trustee, has the authority to hold, manage and protect the assets of the Plan in accordance with the provisions of the Plan. The recordkeeping administrative services are performed by Mellon HR Solutions.

The Plan covers substantially all administrative, clerical, warehouse, distribution employees and equipment technicians of the Company who have completed one year of service with at least 1,000 hours of service, receive regular payroll compensation from within the United States, and have attained age 21. Participation by eligible employees is voluntary.

*Contributions* - Participants can elect to contribute to the Plan any amount from 2% to 30% of their compensation in 1% increments through payroll deductions not to exceed \$12,000 and \$11,000, in 2003 and 2002, respectively. This deferral is referred to as a pre-tax deferral, i.e., it is not subject to income taxes in the year deferred. The Company contributes 50% of the first 4% of compensation that a participant contributes to the Plan.

**NOTES TO FINANCIAL STATEMENTS**

**(continued)**

**1. DESCRIPTION OF THE PLAN (continued)**

*Vesting* - Participants have a fully vested interest in their contributions plus actual earnings thereon. Company contributions vest at the rate of 25 percent for each year of service by the participant or fully vest upon attainment of age sixty-five, disability, death or termination of the Plan. The vested amount in a participant's account normally is distributed upon termination of employment or death. The amount of the Company's contribution that is not vested with respect to any participant is forfeited upon termination of employment, but is restored if the participant becomes an eligible employee within five years after termination. Forfeitures are used to reduce employer contributions. No forfeitures were used to reduce employer contributions in 2003. As of December 31, 2003 and 2002, plan assets included \$70,793 and \$34,382, respectively, of unallocated forfeitures, which were invested in the Dreyfus Standish Stable Value Fund and the Dreyfus Certus Stable Value Fund, respectively.

*Participant Accounts* - As of December 31, 2003, the trustee maintains eleven investment funds. Effective June 2, 2003 the Oakmark Equity and Income Fund was added as a new investment option in the plan. Effective June 2, 2003, the Dreyfus Lifetime Funds were frozen to new investments and effective November 28, 2003 the Dreyfus Lifetime Funds were removed from the Plan and any remaining balances were transferred into either the Dreyfus Standish Stable Value Fund or the Oakmark Equity and Income Fund. Effective July 1, 2003 the Dreyfus Certus Stable Value Fund was aligned with Standish Mellon Asset Management, as such the name of the fund was changed to the Dreyfus Standish Stable Value Fund. Participants may direct their contributions and Company matching contributions to be placed in any of the eleven active investment funds allocated in multiples of 1% to any combination of these investment funds. Effective December 15, 2003, participants may only direct up to 50% of their salary deferrals into Jack in the Box Common Stock. Earnings derived from the assets of any investment fund are reinvested in the fund to which they relate.

Participants may elect to transfer all or any multiple of 1% of the value of their accounts among funds on any market trading day. Pending investment of the assets in an investment fund, the trustee may temporarily make certain short-term investments.

The Plan permits voluntary withdrawals by participants of their after-tax contributions and related earnings no more than once every six months. Because of certain Internal Revenue Service ( IRS ) regulations, participants may, with Committee approval, withdraw pre-tax deferrals, Company matching contributions (if the participant is fully vested) and certain related earnings only in the event of a financial hardship.

**NOTES TO FINANCIAL STATEMENTS**

**(continued)**

**1. DESCRIPTION OF THE PLAN (continued)**

*Participant Loans* - The Plan permits participants to borrow from the investment funds. Loans are subject to such rules and regulations as the Committee may adopt, including but not limited to the following: (1) the amount of the loan is subject to certain limitations, (2) the loan bears interest at prevailing rates and repayments are to be made through payroll deductions, and (3) the payment of a processing fee is required. Amounts loaned to participants are treated as invested in such loans and, to the extent unpaid, do not generate any earnings other than interest thereon.

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the previous 12 months, if any, or 50% of their account balance. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Committee. Interest rates range from 5% to 11%.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting* - The financial statements of the Plan are prepared using the accrual method of accounting.

*Investments* - The Plan's common/collective trust funds are stated at fair value, which have been determined based on the unit values of the funds. The Plan's investments in common stocks and mutual funds are stated at fair value, which is determined by quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. All receivables and liabilities are valued at cost, which approximates fair value.

*Administrative Expenses* - Administrative expenses represent estimates of amounts incurred for recordkeeping services and other administrative type services.

*Use of Estimates* - The preparation of financial statements in conformity with the standards of the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**4. FEDERAL INCOME TAXES**

The Plan received its latest determination letter dated May 29, 2002, in which the IRS has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan sponsor believes that the Plan continues to qualify and to operate as designed, and the related trust is tax exempt.

The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.
