NOTE A

Significant Accounting Policies

Alliance National Municipal Income Fund, Inc. (the "Fund"), was incorporated in the state of Maryland on November 9, 2001 and is registered under the Investment Company Act of 1940 as a non-diversified, closed-end management investment company. Prior to the commencement of operations on January 28, 2002, the Fund had no operations other than the sale to Alliance Capital Management L.P. (the "Adviser") of 6,667 shares in the amount of \$100,005 on January 23, 2002. The financial statements have been prepared in conformity with accounting principles generally accepted in the United States, which require management to make certain estimates and assumptions that affect the reporting amounts of assets and liabilities in the financial statements and amounts of income and expenses during the reporting period. Actual results could differ from those estimates. The following is a summary of significant accounting policies followed by the Fund.

1. Security Valuation

Portfolio securities traded on a national securities exchange are generally valued at the last reported sale price or if there was no sale on such a day, the last bid price quoted on such day. If no bid prices are quoted, then the security is valued at the mean of the bid and asked prices as obtained on that day from one or more dealers regularly making a market in that security. Securities traded on the over-the-counter market are valued at the mean of the closing bid and asked prices provided by two or more dealers regularly making a market in such securities. U.S. government securities and other debt securities which mature in 60 days or less are valued at amortized cost unless this method does not represent fair value. Securities for which market quotations are not readily available are valued at fair value as determined in good faith by, or in

Edgar Filing: ALLIANCE NATIONAL MUNICIPAL INCOME FUND - Form N-30D

accordance with procedures approved by, the Board of Directors. Fixed income securities may be valued on the basis of prices provided by a pricing service when such prices are believed to reflect the fair market value of such securities.

2. Taxes

It is the Fund's policy to meet the requirements of the Internal Revenue Code applicable to regulated investment companies and to distribute all of its investment company taxable income and net realized gains, if any, to shareholders. Therefore, no provisions for federal income or excise taxes are required.

3. Organization Expenses and Offering Costs

Offering costs of \$614,150 (\$0.03 per common share) were charged to paid-in capital of the Fund at the completion of the initial offering of common shares. The Adviser agreed to pay the amount by which the aggregate of all the Fund's organization expenses and all offering costs (other than sales load) exceeded \$0.03 per common share.

Additionally, offering costs of \$283,710 and sales load of \$1,950,000 were charged to paid-in capital of the Fund

ALLIANCE NATIONAL MUNICIPAL INCOME FUND o 19

NOTES TO FINANCIAL STATEMENTS

at the completion of the offering of the preferred shares on March 27, 2002.

As of October 31, 2002, total offering costs of \$185,828 remain payable by the Fund.

4. Investment Income and Investment Transactions

Interest income is accrued daily. Investment transactions are accounted for on the date the securities are purchased or sold. Investment gains and losses are determined on the identified cost basis. The Fund amortizes premiums and accretes original issue discounts and market discounts as adjustments to interest income.

5. Dividends and Distributions

Dividends and distributions to shareholders are recorded on the ex-dividend date. Income and capital gains distributions are determined in accordance with federal tax regulations and may differ from those determined in accordance with accounting principles generally accepted in the United States. To the extent these differences are permanent, such amounts are reclassified within the capital accounts based on their federal tax basis treatment; temporary differences do not require such reclassification. For the fiscal period ended October 31, 2002, there were no permanent differences.

NOTE B

Advisory Fee and Other Transactions with Affiliates

Under the terms of an investment advisory agreement, the Fund pays the Adviser

Edgar Filing: ALLIANCE NATIONAL MUNICIPAL INCOME FUND - Form N-30D

an advisory fee at an annual rate of .65 of 1% of the Fund's average daily net assets. Such fee is accrued daily and paid monthly. The Adviser has agreed to waive a portion of its fees or reimburse the Fund for expenses in the amount of 0.25% of the Fund's average daily net assets for the first 5 full years of the Fund's operations, 0.20% of the Fund's average daily net assets in year 6, 0.15% in year 7, 0.10% in year 8, and 0.05% in year 9. For the period ended October 31, 2002, the amount of such fees waived was \$848,126.

Under the term of a Shareholder, Inquiry Agency Agreement with Alliance Global Investor Services, Inc. (AGIS), an affiliate of the Adviser, the Fund reimburses AGIS for costs relating to servicing phone inquiries for the Fund. During the period ended October 31, 2002, there was no reimbursement paid to AGIS.

NOTE C

Investment Transactions

Purchases and sales of investment securities (excluding short-term investments and U.S. government securities) aggregated \$528,742,658 and \$52,440,168, respectively, for the period ended October 31, 2002. There were no purchases or sales of U.S. government and government agency obligations for the period ended October 31, 2002.

Preferred Stock

The Fund has authorized, issued and outstanding 7,800 shares of Auction Preferred Stock, consisting of 1,950 shares each of Series M, Series T, Series W and Series TH. The preferred shares have a liquidation value of \$25,000 per share plus accumulated, unpaid dividends. At certain times, the Preferred Shares are redeemable by the Fund, in whole or in part, at \$25,000 per share plus accumulated, unpaid dividends.

- (a) Commencement of operations. Net asset value immediately after the closing of the first public offering was \$14.30.
- (b) Based on average shares outstanding.
- (c) Net of fees waived by the Adviser.
- (d) Total investment return is calculated assuming a purchase of common stock on the opening of the first day and a sale on the closing of the last day of the period reported. Dividends and distributions, if any, are assumed for purposes of this calculation, to be reinvested at prices obtained under the Fund's dividend reinvestment plan. Generally, total investment return based on net asset value will be higher than total investment return based on market value in periods where there is an increase in the discount or a decrease in the premium of the market value to net asset value from the beginning to the end of such periods. Conversely, total investment return based on net asset value will be lower than total investment return based on market value in periods where there is a decrease in the discount or an increase in the premium of the market value to the net asset value from the beginning to the end of the period. Total investment return calculated for a period of less than one year is not annualized.
- (e) Annualized.
- (f) These expense and net investment income ratios do not reflect the effect of dividend payments to preferred shareholders.

ADDITIONAL INFORMATION
(unaudited)

Shareholders whose shares are registered in their own names can elect to participate in the Dividend Reinvestment Plan (the "Plan"), pursuant to which dividends and capital gain distributions to shareholders will be paid in or reinvested in additional shares of the Fund (the "Dividend Shares"). Equiserve Trust Company NA, (the "Agent") will act as agent for participants under the Plan. Shareholders whose shares are held in the name of broker or nominee should contact such broker or nominee to determine whether or how they may participate in the Plan.

If the Board declares an income distribution or determines to make a capital gain distribution payable either in shares or in cash, non-participants in the Plan will receive cash and participants in the Plan will receive the equivalent

Edgar Filing: ALLIANCE NATIONAL MUNICIPAL INCOME FUND - Form N-30D

in shares of Common Stock of the Fund valued as follows:

(i) If the shares of Common Stock are trading at net asset value or at a premium above net asset value at the time of valuation, the Fund will issue new shares at the greater of net asset value or 95% of the then current market price.

(ii) If the shares of Common Stock are trading at a discount from net asset value at the time of valuation, the Plan Agent will receive the dividend or distribution in cash and apply it to the purchase of the Fund's shares of Common Stock in the open market on the New York Stock Exchange or elsewhere, for the participants' accounts. Such purchases will be made on or shortly after the payment date for such dividend or distribution and in no event more than 30 days after such date except where temporary curtailment or suspension of purchase is necessary to comply with Federal securities laws. If, before the Plan agent has completed its purchases, the market price exceeds the net asset value of a share of Common Stock, the average purchase price per share paid by the Plan agent may exceed the net asset value of the Fund's shares of Common Stock, resulting in the acquisition of fewer shares than if the dividend or distribution had been paid in shares issued by the Fund.

The Agent will maintain all shareholders' accounts in the Plan and furnish written confirmation of all transactions in the account, including information needed by shareholders for tax records. Shares in the account of each Plan participant will be held by the Agent in non-certificate form in the name of the participant, and each shareholder's proxy will include those shares purchased or received pursuant to the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTES TO FINANCIAL STATEMENTS
October 31, 2001

NOTE A

Significant Accounting Policies

Alliance National Municipal Income Fund, Inc. (the "Fund"), was incorporated in the state of Maryland on November 9, 2001 and is registered under the Investment Company Act of 1940 as a non-diversified, closed-end management investment company. Prior to the commencement of operations on January 28, 2002, the Fund had no operations other than the sale to Alliance Capital Management L.P. (the "Adviser") of 6,667 shares in the amount of \$100,005 on January 23, 2002. The financial statements have been prepared in conformity with accounting principles generally accepted in the United States, which require management to make certain estimates and assumptions that affect the reporting amounts of assets and liabilities in the financial statements and amounts of income and expenses during the reporting period. Actual results could differ from those estimates. The following is a summary of significant accounting policies followed by the Fund.

1. Security Valuation

Portfolio securities traded on a national securities exchange are generally valued at the last reported sale price or if there was no sale on such a day, the last bid price quoted on such day. If no bid prices are quoted, then the security is valued at the mean of the bid and asked prices as obtained on that day from one or more dealers regularly making a market in that security.

Edgar Filing: ALLIANCE NATIONAL MUNICIPAL INCOME FUND - Form N-30D

Securities traded on the over-the-counter market are valued at the mean of the closing bid and asked prices provided by two or more dealers regularly making a market in such securities. U.S. government securities and other debt securities which mature in 60 days or less are valued at amortized cost unless this method does not represent fair value. Securities for which market quotations are not readily available are valued at fair value as determined in good faith by, or in accordance with procedures approved by, the Board of Directors. Fixed income securities may be valued on the basis of prices provided by a pricing service when such prices are believed to reflect the fair market value of such securities.

2. Taxes

It is the Fund's policy to meet the requirements of the Internal Revenue Code applicable to regulated investment companies and to distribute all of its investment company taxable income and net realized gains, if any, to shareholders. Therefore, no provisions for federal income or excise taxes are required.

3. Organization Expenses and Offering Costs

Offering costs of \$614,150 (\$0.03 per common share) were charged to paid-in capital of the Fund at the completion of the initial offering of common shares. The Adviser agreed to pay the amount by which the aggregate of all the Fund's organization expenses and all offering costs (other than sales load) exceeded \$0.03 per common share.

Additionally, offering costs of \$283,710 and sales load of \$1,950,000 were charged to paid-in capital of the Fund

ALLIANCE NATIONAL MUNICIPAL INCOME FUND o 19

NOTES TO FINANCIAL STATEMENTS

at the completion of the offering of the preferred shares on March 27, 2002.

As of October 31, 2002, total offering costs of \$185,828 remain payable by the Fund.

4. Investment Income and Investment Transactions

Interest income is accrued daily. Investment transactions are accounted for on the date the securities are purchased or sold. Investment gains and losses are determined on the identified cost basis. The Fund amortizes premiums and accretes original issue discounts and market discounts as adjustments to interest income.

5. Dividends and Distributions

Dividends and distributions to shareholders are recorded on the ex-dividend date. Income and capital gains distributions are determined in accordance with federal tax regulations and may differ from those determined in accordance with accounting principles generally accepted in the United States. To the extent these differences are permanent, such amounts are reclassified within the capital accounts based on their federal tax basis treatment; temporary differences do not require such reclassification. For the fiscal period ended October 31, 2002, there were no permanent differences.

Edgar Filing: ALLIANCE NATIONAL MUNICIPAL INCOME FUND - Form N-30D

NOTE B

Advisory Fee and Other Transactions with Affiliates

Under the terms of an investment advisory agreement, the Fund pays the Adviser an advisory fee at an annual rate of .65 of 1% of the Fund's average daily net assets. Such fee is accrued daily and paid monthly. The Adviser has agreed to waive a portion of its fees or reimburse the Fund for expenses in the amount of 0.25% of the Fund's average daily net assets for the first 5 full years of the Fund's operations, 0.20% of the Fund's average daily net assets in year 6, 0.15% in year 7, 0.10% in year 8, and 0.05% in year 9. For the period ended October 31, 2002, the amount of such fees waived was \$848,126.

Under the term of a Shareholder, Inquiry Agency Agreement with Alliance Global Investor Services, Inc. (AGIS), an affiliate of the Adviser, the Fund reimburses AGIS for costs relating to servicing phone inquiries for the Fund. During the period ended October 31, 2002, there was no reimbursement paid to AGIS.

NOTE C

Investment Transactions

Purchases and sales of investment securities (excluding short-term investments and U.S. government securities) aggregated \$528,742,658 and \$52,440,168, respectively, for the period ended October 31, 2002. There were no purchases or sales of U.S. government and government agency obligations for the period ended October 31, 2002.

At October 31, 2002, the cost of investments for federal income tax purposes was \$476,438,287. Accordingly, gross unrealized appreciation of investments was \$14,675,068 and gross unrealized depreciation of investments was \$909,728 resulting in net unrealized appreciation of \$13,765,340.

Preferred Stock

The Fund has authorized, issued and outstanding 7,800 shares of Auction Preferred Stock, consisting of 1,950 shares each of Series M, Series T, Series W and Series TH. The preferred shares have a liquidation value of \$25,000 per share plus accumulated, unpaid dividends. At certain times, the Preferred Shares are redeemable by the Fund, in whole or in part, at \$25,000 per share plus accumulated, unpaid dividends.

Although the Fund will not ordinarily redeem the Preferred Shares, it may be required to redeem shares if, for example, the Fund does not meet an asset coverage ratio required by law or to correct a failure to meet a rating agency guideline in a timely manner. Edgar Filing: ALLIANCE NATIONAL MUNICIPAL INCOME FUND - Form N-30D

The Preferred Shareholders, voting as a separate class, have the right to elect at least two Directors at all times and to elect a majority of the Directors in the event two years' dividends on the Preferred Shares are unpaid. FINANCIAL HIGHLIGHTS

- (a) Commencement of operations. Net asset value immediately after the closing of the first public offering was \$14.30.
(b) Based on average shares outstanding.
(c) Net of fees waived by the Adviser.
(d) Total investment return is calculated assuming a purchase of common stock on the opening of the first day and a sale on the closing of the last day of the period reported. Dividends and distributions, if any, are assumed for purposes of this calculation, to be reinvested at prices obtained under the Fund's dividend reinvestment plan. Generally, total investment return based on net asset value will be higher than total investment return based on market value in periods where there is an increase in the discount or a decrease in the premium of the market value to net asset value from the beginning to the end of such periods. Conversely, total investment return based on net asset value will be lower than total investment return based on market value in periods where there is a decrease in the discount or an increase in the premium of the market value to the net asset value from the beginning to the end of the period. Total investment return calculated for a period of less than one year is not annualized.

Edgar Filing: ALLIANCE NATIONAL MUNICIPAL INCOME FUND - Form N-30D

the statement of changes in net assets applicable to common shareholders and the financial highlights for the period from January 28, 2002 (commencement of operations) to October 31, 2002. These financial statements and financial highlights are the responsibility of the Fund's management. Our responsibility is to express an opinion on these financial statements and financial highlights based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and financial highlights are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements and financial highlights. Our procedures included confirmation of securities owned as of October 31, 2002, by correspondence with the custodian and brokers. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In accordance with Federal tax law, the Fund's designation of "exempt-interest dividends" paid during the fiscal year ended October 31, 2002 was \$12,892,934. As required by Federal tax law rules, shareholders will receive notification of their portion of the Fund's taxable ordinary dividends (if any) and capital gain distributions (if any) paid for the 2002 calendar year on Form 1099-DIV which will be mailed by January 31, 2003.

ADDITIONAL INFORMATION

ADDITIONAL INFORMATION
(unaudited)

Shareholders whose shares are registered in their own names can elect to participate in the Dividend Reinvestment Plan (the "Plan"), pursuant to which dividends and capital gain distributions to shareholders will be paid in or reinvested in additional shares of the Fund (the "Dividend Shares"). Equiserve Trust Company NA, (the "Agent") will act as agent for participants under the Plan. Shareholders whose shares are held in the name of broker or nominee should

Edgar Filing: ALLIANCE NATIONAL MUNICIPAL INCOME FUND - Form N-30D

contact such broker or nominee to determine whether or how they may participate in the Plan.

If the Board declares an income distribution or determines to make a capital gain distribution payable either in shares or in cash, non-participants in the Plan will receive cash and participants in the Plan will receive the equivalent in shares of Common Stock of the Fund valued as follows:

(i) If the shares of Common Stock are trading at net asset value or at a premium above net asset value at the time of valuation, the Fund will issue new shares at the greater of net asset value or 95% of the then current market price.

(ii) If the shares of Common Stock are trading at a discount from net asset value at the time of valuation, the Plan Agent will receive the dividend or distribution in cash and apply it to the purchase of the Fund's shares of Common Stock in the open market on the New York Stock Exchange or elsewhere, for the participants' accounts. Such purchases will be made on or shortly after the payment date for such dividend or distribution and in no event more than 30 days after such date except where temporary curtailment or suspension of purchase is necessary to comply with Federal securities laws. If, before the Plan agent has completed its purchases, the market price exceeds the net asset value of a share of Common Stock, the average purchase price per share paid by the Plan agent may exceed the net asset value of the Fund's shares of Common Stock, resulting in the acquisition of fewer shares than if the dividend or distribution had been paid in shares issued by the Fund.

The Agent will maintain all shareholders' accounts in the Plan and furnish written confirmation of all transactions in the account, including information needed by shareholders for tax records. Shares in the account of each Plan participant will be held by the Agent in non-certificate form in the name of the participant, and each shareholder's proxy will include those shares purchased or received pursuant to the Plan.

There will be no charges with respect to shares issued directly by the Fund to satisfy the dividend reinvestment requirements. However, each participant will pay a pro rata share of brokerage commissions incurred with respect to the Agent's open market purchases of shares.

26 o ALLIANCE NATIONAL MUNICIPAL INCOME FUND

ADDITIONAL INFORMATION

The automatic reinvestment of dividends and distributions will not relieve participants of any income taxes that may be payable (or required to be withheld) on dividends and distributions.

Experience under the Plan may indicate that changes are desirable. Accordingly, the Fund reserves the right to amend or terminate the Plan as applied to any voluntary cash payments made and any dividend or distribution paid subsequent to written notice of the change sent to participants in the Plan at least 90 days before the record date for such dividend or distribution. The Plan may also be amended or terminated by the Agent on at least 90 days' written notice to participants in the Plan. All correspondence concerning the Plan should be directed to the Agent at Equiserve Trust Company N.A. c/o Alliance National Municipal Income fund, P.O. Box 43011, Providence, RI 02940-3011

Since the filing of the most recent amendment to the Fund's registration statement with the Securities and Exchange Commission, there have been (i) no material changes in the Fund's investment objectives or policies, (ii) no changes to the Fund's charter or by-laws that would delay or prevent a change of control of the Fund, (iii) no material changes in the principal risk factors associated with investment in the Fund, and (iv) no change to the persons primarily responsible for the day-to-day management of the Fund's portfolio, who are David Dowden, and Terrance Hults, each of whom is a Vice President of the Fund.
