**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

*Acceleration of Options*

The Financial Accounting Standards Board recently published Statement of Financial Accounting Standards No. 123 (Revised 2004), Share-Based Payment (SFAS 123R). SFAS 123R, which is effective for the fiscal year beginning January 1, 2006 of First Community Corporation (the Company), will require that the fair value of share-based payments to employees, including stock options, be recognized as compensation expense in the statement of income in the financial statements. Accordingly, the Company will implement the revised standard on January 1, 2006. Currently, the Company accounts for its share-based payment transactions under the provisions of APB 25, under which it has not recognized any compensation expense for its stock option grants.

The board of directors upon recommendation of the Human Resources Committee approved accelerating the vesting of 67,000 unvested stock options. The accelerated vesting will be effective as of December 31, 2005. All of the other terms and conditions applicable to the outstanding stock options will remain unchanged.

**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

## Edgar Filing: FIRST COMMUNITY CORP /SC/ - Form 8-K

The decision to accelerate vesting of these options will avoid recognition of pre-tax compensation expense by the Company upon the adoption of SFAS 123R. In the Company's view, the future compensation expense could outweigh the incentive and retention value associated with the stock options. The future pre-tax compensation expense that will be avoided, based upon the effective date of January 1, 2006, is expected to be approximately \$123,000, \$76,000 and \$45,000 in fiscal years 2006, 2007 and 2008, respectively.

The Company intends to disclose the pro-forma effect of the Acceleration in its audited consolidated financial statements for the fiscal year ending December 31, 2005, that will be contained in its 2005 Annual Report to shareholders, as permitted under applicable transition guidance relating to SFAS 123R.
