Item 5. Other Events

On March 6, 2003, the Company received non-objection from the Office of Thrift Supervision ("OTS") to the Company's repurchase of up to 5% (or up to 2,937,532 shares) of its common stock. The regulatory non-objection was necessary because the repurchase program will commence less than one year from the date of the Company's reorganization and stock offering, which closed on July 8, 2002.

Management of the Company will use its discretion in determining the timing of the repurchases and the price at which repurchases will be made. The extent to which shares are repurchased will depend on a number of factors, including market trends and prices, economic conditions and the strength of the Company's capital in relation to its activities.
