Attachment A

The Registrant is unable to file its Annual Report on Form 10-K for the year ended June 30, 2011 in a timely manner because it has determined that a change to its accounting for a core deposit intangible relating to its acquisition of Central Jersey Bancorp is required in response to recent comments by the staff of the Commission. Due to the extensive time and effort required by the Registrant to effect this change in its financial statements up to and including today's date, the Registrant's independent registered public accounting firm is unable to complete its audit procedures and issue its report because the Registrant's financial statements are not yet complete. The Registrant is, therefore, unable to timely file its Annual Report on Form 10-K. The Company intends to file the Form 10-K with the SEC as soon as practicable, and will make every effort to file the Form 10-K within the fifteen-day extension period afforded by SEC Rule 12b-25 under the Securities Exchange Act of 1934, as amended.

Committee Members:

This letter is to inform you due to Kearny Financial Corp.'s ongoing discussions with the SEC staff in regard to an accounting issue related to its June 30, 2011 financial statements and the extensive time and effort required by management of the Company to complete the financial statements, that ParenteBeard LLC, as its independent registered public accounting firm, has yet to complete our audit procedures in view of these circumstances. We hope to complete these procedures as soon as practicable and will make every effort to do so with the fifteen-day extension period afforded by SEC Rule 12b-25 under the Securities Exchange Act of 1934, as amended.

Sincerely,
