Item 4. Description of Securities.

Under the CIT Group Inc. Deferred Compensation Plan (the "Plan"), the registrant will provide participants in the Plan ("Participants") with the opportunity to elect to defer payment of a portion of their base pay and certain incentive payments. The registrant's obligations under the Plan (the "Obligations") will be unsecured general obligations to pay the deferred compensation in the future in accordance with the terms of the Plan. Payment of the Obligations will be made directly either from the general funds of the registrant or a "rabbi trust" created by the registrant for the purpose of informally funding the Plan. No special or separate fund will be established and no other segregation of assets will be made to assure payment. Participants may not transfer or assign, or subject to alienation, anticipation, sale, pledge, encumbrance, garnishment, attachment, levy, execution or other legal or equitable process, nor subject to the debts, contracts, liabilities or engagements, or torts of any Participant, any right, title or interest in the Plan. Payment rights under the Obligations will be no greater than the right of an unsecured general creditor of the registrant.

The amount of compensation to be deferred by each Participant will be determined in accordance with the Plan based on the elections by each Participant. Obligations will be payable upon separation from service (in a lump sum or up to fifteen annual installments), commencing in a specified calendar year (in a lump sum or up to five annual installments), or otherwise in accordance with the terms of the Plan. The payment amount under the Obligations will be determined in accordance with the terms of the Plan based on the amount of compensation deferred by the Participant and the Participant's deemed investment elections. Obligations will be deemed to be invested in one or more investment alternatives chosen by the Participant from a menu provided by the registrant, and will be adjusted to reflect the positive or negative investment experience of the investment. Obligations do not represent any ownership right with respect to investment alternatives. The registrant is not required to make actual investments corresponding to investment alternatives and has the sole and exclusive authority to invest any or all amounts deferred under the Plan in any manner, regardless of the Participant's elections.

The Plan is administered by the Employee Benefits Plan Committee of the registrant, which has the authority, inter alia, to construe and interpret the Plan its sole and absolute discretion and to provide rule and regulations relating to the administration of the Plan. Modifications to the Plan must be approved by the Compensation Committee of the registrant's Board of Directors.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the "DGCL") provides, in summary, that directors and officers of Delaware corporations are entitled, under certain circumstances, to be indemnified against all expenses and liabilities (including attorneys' fees) incurred by them as a result of suits brought against them in their capacity as a director or officer, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to registrant's interests, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful; provided that no indemnification may be made against expenses in respect of any claim, issue or matter as to which they shall have been adjudged to be liable to the registrant, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, they are fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. Any such indemnification may be made by the registrant only as authorized in each specific case upon a determination by the stockholders, disinterested director or independent legal counsel that indemnification is proper because the indemnitee has met the applicable standard of conduct.

The registrant's certificate of incorporation and by-laws provide that the registrant will indemnify its directors and officers to the fullest extent permitted by law and that no director shall be liable for monetary damages to the registrant or the stockholders for any breach of fiduciary duty, except to the extent provided by applicable law (1) for any breach of the director's duty of loyalty to the registrant or the stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) pursuant to Section 174 of the DGCL or (4) for any transaction from which such director derived an improper personal benefit. In addition, the registrant maintains liability insurance for directors and officers.

For information concerning the registrant's undertaking to submit to adjudication the issue of indemnification for violation of the securities laws, see Item 9 hereof.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of securities registered hereby, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (a)(1)(i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

6

(b) The registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of counsel the matter has

Edgar Filing: CIT GROUP INC - Form S-8

been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by a final adjudication of such issue.
